INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees and Participants of the
Champion Painting Specialty Services Corp. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed the audit of the accompanying financial statements of the Champion Painting Specialty Services Corp. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2025 audit of the Champion Painting Specialty Services Corp. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Champion Painting Specialty Services Corp. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Champion Painting Specialty Services Corp. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the 2025 Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Champion Painting Specialty Services Corp. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Champion Painting Specialty Services Corp. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHAMPION PAINTING SPECIALTY SERVICES CORP.
401K PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2025

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Champion Painting Specialty Services Corp. 401(k) Profit Sharing Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was originally established effective January 1, 2013, and was amended and restated effective January 1, 2023. The Plan is a defined contribution plan covering eligible employees of Champion Painting Specialty Services Corp. and participating employers that have adopted the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Champion Painting Specialty Services Corp. serves as Plan Administrator. Benetech, Inc. serves as the Plan's third-party administrator and performs administrative and compliance services for the Plan. Empower Annuity Insurance Company of America and Empower Trust Company, LLC serve as custodians of Plan assets and recordkeepers.

Eligibility

The Plan covers eligible employees of Champion Painting Specialty Services Corp. and participating employers (collectively, "Plan Sponsor/Administrator/Employer"). Employees are immediately eligible to make elective deferral contributions upon employment, as well as, to receive employer safe harbor matching contributions and employer discretionary profit-sharing contributions. Also, upon employment employees are immediately eligible to participate in the Plan.

Funding

Participants may contribute up to 100% of eligible compensation, subject to Internal Revenue Service ("IRS") limitations. Elective deferrals may not exceed $23,500 in 2025 and $23,000 in 2024. Participants who attain age 50 before the end of the Plan year may make additional catch-up contributions of up to $7,500 in both 2025 and 2024. In accordance with SECURE 2.0 Act provisions, participants who attain ages 60 through 63 during 2025 are eligible to make enhanced catch-up contributions of up to $11,250. Participants may also contribute amounts representing eligible rollover distributions from other qualified retirement plans.

The Plan provides for employer safe harbor matching contributions equal to 100% of the deferrals up to 4% of eligible compensation. The Plan may also provide employer profit-sharing contributions, which are allocated to eligible participants in accordance with the provisions of the Plan.

Participant Accounts

Individual accounts are maintained for each Plan participant and may be credited with participant contributions, employer safe harbor matching contributions, employer discretionary profit-sharing contributions, rollover contributions, and investment gains or losses. Participant-specific Plan expenses may be charged to the applicable account. Each participant's account is charged with any distributions made to that participant.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Vesting

A participant's vested benefit under the Plan is the portion of the participant's account balance that the participant owns, including 100% of the participant's own contributions, rollover contributions, and employer safe harbor matching contributions. Vesting of the employer's profit-sharing contributions is based on the following:

Years of Vesting Service	Vested Percentage
1 year	25%
2 years	50%
3 years	75%
4 years or more	100%

Regardless of the vesting schedule above, a participant is automatically fully vested in their share of profit-sharing contributions upon death and total and permanent disability.

Investment Options

Upon enrollment in the Plan, participants may direct contributions and account balances to various permissible investments (see Note 4). Participants may change their investment options at any time.

Payment of Benefits

Benefits are generally payable upon termination of employment, death, disability, or other distributable events permitted under the Plan. Upon termination of employment, a participant may elect to receive the vested account balance in a lump sum, partial lump-sum payments, installments, or as a direct rollover to an individual retirement account or another eligible retirement plan.

A terminated participant whose vested account balance does not exceed $5,000 may receive a lump-sum distribution in accordance with the Plan's involuntary cash-out and automatic rollover provisions. In determining whether the vested account balance exceeds the $5,000 threshold, rollover contributions are excluded.

The Plan also permits certain in-service distributions, including distributions upon attainment of age 59½, hardship distributions, and certain distributions related to qualified military service, subject to the applicable provisions of the Plan.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Forfeitures

Forfeitures of nonvested accounts may be used toward Plan expenses or to reduce future employer contributions or matching contributions in accordance with the provisions of the Plan. As of December 31, 2025 and 2024, there was a forfeiture balance of $9,297 and $10,939, respectively, and during the year ended December 31, 2025, $2,313 was used to pay Plan expenses.

Termination of the Plan

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Benefits may be paid upon termination of the Plan in accordance with the Plan's distribution provisions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (see Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. Purchases and sales of securities are recorded on a trade date basis, which is the date the order to buy or sell is executed. Interest income is accrued on a daily basis. Dividend income is recorded on the ex-dividend date.

Concentrations of Credit Risk

Financial instruments which potentially expose the Plan to concentrations of credit risk, as defined by GAAP, consist primarily of investments and notes receivable from participants. The Plan invests in mutual funds and money market funds which, inherent in the fair market value determination, include the risk factor of creditworthiness for each individual security.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Administrative expenses may be paid by either the Plan or the Plan Sponsor, as provided by the Plan document. Expenses paid directly by the Plan Sponsor are not reflected in the accompanying financial statements.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, "Empower"), are the custodians of the Plan assets, have certified to the completeness and accuracy of all investments and notes receivable from participants on the accompanying statement of net assets available for benefits as of December 31, 2025; the related investment activity reflected in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025, and the information reflected on the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2025.

NOTE 4. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value, expands disclosures about fair value measurements, and establishes a fair value hierarchy which prioritizes the inputs used in measuring fair value summarized as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual term), the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of the unobservable inputs.

The following is a description of the valuation methods used for assets measured at fair value.

Mutual funds: The Plan's investments in mutual funds are held through pooled separate accounts offered by Empower Annuity Insurance Company of America. The underlying mutual funds are valued at the daily closing price reported by the respective fund and represent the net asset value ("NAV") of shares held by the pooled separate accounts at year end. The underlying mutual funds are registered with the Securities and Exchange Commission and are actively traded.

Fixed annuities: The Plan invests in fixed annuity contracts issued by Empower Annuity Insurance Company of America, including the E I Fixed Account - Series Class I and the General Account. Management evaluated the terms of these contracts and determined that they do not meet the definition of fully benefit-responsive investment contracts under U.S. GAAP. Accordingly, the contracts are reported at fair value. Fair value is determined using the valuation methodology specified in the applicable contracts, as calculated and reported by the issuer, and incorporates observable contractual inputs and other readily available market information.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 12,045,568	$ -	$ -	$ 12,045,568
Fixed annuities	-	91,806	-	91,806
Total investments at fair value	$ 12,045,568	$ 91,806	$ -	$ 12,137,374

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 8,502,616	$ -	$ -	$ 8,502,616
Fixed annuities	-	86,754	-	86,754
Total investments at fair value	$ 8,502,616	$ 86,754	$ -	$ 8,589,370

NOTE 5. NOTES RECEIVABLE FROM PARTICIPANTS

The Plan does not permit loans; however, it assumed participant loans in connection with the merger of another employer's qualified retirement plan during the year ended December 31, 2024. The participant loans had an outstanding balance as of December 31, 2025 and 2024 of $10,155 and $23,294, respectively, and bore an interest rate of 6.50%, maturing in 2026 as of December 31, 2025.

NOTE 6. RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

Champion Painting Specialty Services Corp. is the Plan's employer and sponsor. Certain administrative expenses of the Plan may be paid by the Plan or by the Plan sponsor in accordance with the terms of the Plan. Benetech, Inc. serves as the Plan's third-party administrator and provides administrative and compliance services to the Plan.

The Plan's investments are held through Empower, the Plan's custodian and recordkeeper. To the extent these service providers are parties-in-interest under ERISA, transactions between the Plan and such parties are party-in-interest transactions; however, such transactions are permitted to the extent they qualify for applicable exemptions under ERISA.

Fees paid during the year for accounting and other services rendered by the parties-in-interest were based on customary and reasonable rates for such services.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in these risks and uncertainties in the near term could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 8. TAX STATUS

The Plan was amended and restated effective January 1, 2023, utilizing a pre-approved defined contribution plan document. The prototype plan document received a favorable opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the form of the prototype plan document satisfies the applicable qualification requirements of the Internal Revenue Code ("IRC"). The Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Plan management is required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9. PROHIBITED TRANSACTIONS

During 2025, participant salary deferrals totaling $625,604 were not remitted to the Plan on a timely basis as required by Department of Labor regulations and, accordingly, constitute prohibited transactions under ERISA. The delinquent participant contributions were subsequently remitted to the Plan during 2025; however, as of December 31, 2025, lost earnings associated with the late remittances had not been calculated or contributed to participant accounts. The late remittances are reported in the accompanying Form 5500, Schedule H, Line 4a, Schedule of Delinquent Participant Contributions.

NOTE 10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 6, 2026, the date the financial statements were available to be issued, and has determined that no such events have occurred that would require adjustment to, or disclosure in, these financial statements.
