INDEPENDENT AUDITORS' REPORT

To the Trustees of
Mehaffy & Weber, P.C. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Mehaffy & Weber, P.C. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2025, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Mehaffy & Weber, P.C. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mehaffy & Weber, P.C. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mehaffy & Weber, P.C. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mehaffy & Weber, P.C. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mehaffy & Weber, P.C. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets Held for Investment Purposes – Modified Cash Basis is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2024 Financial Statement

Management is responsible for the accompanying 2024 financial statement of Mehaffy & Weber, P.C. 401(k) Plan, which comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2024, and the related notes to the financial statement in accordance with the modified cash basis of accounting, and for determining that the modified cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statement, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2024 financial statement.

MEHAFFY & WEBER, P.C. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025

NOTE 1: DESCRIPTION OF PLAN

The following description of Mehaffy & Weber, P.C. 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of the Company who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year, participants may contribute up to 100 percent of pretax and after-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes a nonelective safe harbor employer contribution equal to 3% of participants' compensation regardless of whether the participant participates in the Plan. The Company at its discretion may also make a non-elective contribution on participants' behalf. Additional profit-sharing amounts may be contributed at the option of the Company. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, and Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also 100 percent vested in the nonelective safe harbor employer contribution. Vesting in the Company's matching and other discretionary contribution portion of their accounts, plus actual earnings thereon are based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of $1,000 up to the lesser of $50,000 or 50% of the participant's vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.5%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. As of December 31, 2025, the total outstanding balance of participant loans was $477,189, which matches the records prepared and certified by the qualified institution.

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If a participant has separated from service and has vested benefit that does not exceed $5,000, the participant's vested balance will be paid in a lump sum.

Forfeited Accounts: At December 31, 2025 and 2024, respectively, forfeited nonvested accounts totaled $23,193 and $25,444, respectively. These accounts will be used to reduce employer contributions at a future date. For the year ended December 31, 2025, $51,646 of the nonvested forfeited account was used to pay certain plan expenses.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the modified cash basis of accounting, a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Thus, the asset amounts are reflected on a cash basis except for contributions. The contributions are reported on a plan-year accrual basis.

Estimates: The preparation of financial statements in accordance with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value represents contributions made under the contract, plus interest credited, less participant withdrawals, transfers, and other permitted deductions. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the modified cash basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in common collective trusts. In accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement,* the Plan utilizes the Net Asset Value (NAV) per unit provided by the fund house or investment provider as a practical expedient to estimate the fair value of these investments. The NAV is based on the fair value of the underlying assets held by each fund, less its liabilities, divided by the number of outstanding units. These investments are valued and trade daily.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the modified cash basis. Related fees are charged directly to the borrowing participant's account and included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid.

Operating Expenses: Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses and administrative expenses paid by the Plan are allocated to participant accounts.

Date of Management's Review

Subsequent events were evaluated through October 12, 2026, the date on which the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There were no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the units held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at those prices. The mutual funds held by the Plan are considered to be actively traded.

Level 2

The fair value of variable and fixed annuities is calculated daily by the annuity provider using the methodology described in the annuity contract. The valuation is based on the quoted price of the underlying mutual fund, adjusted for the expense factor specified in the annuity contract.

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	Fair Value	Fair Value Measurements Using: Quoted Prices in Active Markets for Identical	Significant Observable Inputs (Level 2)	NAV Practical Expedient
December 31, 2025				
Mutual funds	$ 37,478,935	$ 37,478,935	$ -	$ -
Variable annuities	$ 5,692,609	$ -	$ 5,692,609	$ -
Common Collective Trusts at NAVPE	$ 557,126	$ -	$ -	$ 557,126
Total assets at fair value	$ 43,728,670	$ 37,478,935	$ 5,692,609	$ 557,126
December 31, 2024				
Mutual funds	$ 37,105,926	$ 37,105,926	$ -	$ -
Common Collective Trusts at NAVPE	$ 861,289	$ -	$ -	$ 861,289
Total assets at fair value	$ 37,967,215	$ 37,105,926	$ -	$ 861,289

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2025 are reported in net appreciation/(depreciation) in fair value of investments.

Collective Trust Funds

The Plan invests in two investment vehicles, AB US Small & Mid Cap Gr W and AB US Small & Mid Cap Val W, both are structured as common collective trust funds (CCTs). AB US Small & Mid Cap Growth Collective Trust seeks long-term capital growth by investing primarily in a diversified portfolio of 60-90 small-to-mid-cap growth equities. AB US Small & Mid Cap Value Collective Trust seeks long-term growth of capital by investing primarily in a diversified portfolio of equity securities of small-to-mid-capitalization U.S. companies that appear undervalued relative to the market. For both investment vehicles, redemptions are permitted daily at the current NAV without restrictions under normal market conditions.

The Plan holds a fully benefit-responsive investment contract with a contract value of $1,073,692 and $1,065,805 at December 31, 2025 and 2024, respectively. This investment is measured at contract value and, therefore, is not included in the fair value hierarchy presented above.

NOTE 4: GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invests in a group annuity contract issued by Empower Annuity Insurance Company of America (the "EI Fixed Account – Series Class I"). The contract provides for the investment of participant contributions in the general account of Empower and provides for the crediting of interest in accordance with the provisions of the contract.

The contract is a fully benefit-responsive investment contract and is reported at contract value. Contract value represents contributions made under the contract, plus interest credited, less participant withdrawals, transfers, and other permitted deductions. Participants may ordinarily direct withdrawals or transfers at contract value, subject to the terms of the Plan and the contract.

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly.

For the benefit-responsive fund, the average yield earned by the plan (derived by averaging the quarterly gross interest rates for the fund over the year) was 1.45% for 2025 and 1.41% for 2024. The actual average yield earned by the plan (derived by averaging the plan's quarterly interest rates) was 1.45% for 2025 and 1.45% for 2024.

Certain events may limit the ability of the Plan to transact at contract value or may allow the issuer to terminate the contract and settle at an amount different from contract value. Such events may include certain employer-initiated events, Plan termination or amendment, or other events specific in the contract. The Plan administrator does not believe that the occurrence of any event that would limit the Plan's ability to transact at contract value is probable.

The contract value of the Plan's investment was $1,073,692 and $1,065,805 at December 31, 2025 and 2024, respectively.

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.

NOTE 6: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

There are no reconciling items.

NOTE 7: TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC).

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9: INFORMATION PREPARED AND CERTIFIED BY QUALIFIED INSTITUTIONS (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including all investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation (or depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025 were obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, qualified institutions.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data prepared and certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, qualified institutions, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 as of December 31, 2025 and 2024:

	2025	2024 Compiled (Unaudited)
Guaranteed Interest Accounts at contract value	$ 1,073,692	$ 1,065,805
Investments at fair value	43,728,670	37,967,215
Participant loans	477,189	395,975
	$ 45,279,551	$ 39,428,995

All the Plan's investments are in participant-directed accounts.

During the year ended December 31, 2025, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $4,913,991. Interest on Notes Receivable from Participants for the year ended December 31, 2025 was $34,963.

NOTE 10: RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the recordkeeper as defined by the Plan and, therefore, these investments qualify as party-in-interest transactions. Fees paid by the Plan for investment management services for the year ended December 31, 2025, amounted to $25,569. Fees paid by the Plan to investment advisor for advisory services were $59,723 for the year ended December 31, 2025. These transactions also qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
