THE POWER OF MORE

INDEPENDENT AUDITOR'S REPORT

To the Trustees
New England Sports Network 401(k) Employees Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **New England Sports Network 401(k) Employees Retirement Plan,** an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA),as permitted by ERISA Section 103(a)(3)(C) [ERISASection 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2025 and 2024,and the related statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **New England Sports Network 401(k) Employees Retirement Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- The amounts and disclosures in the financial statements referred to above,other than those agreed to or derived from the certified investment information,are presented fairly,in all material respects, in accordance with the modified cash basis of accounting.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **New England Sports Network 401(k) Employees Retirement Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **New England Sports Network 401(k) Employees Retirement Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan'stransactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error,as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error,and design and perform audit procedures responsive to those risks.Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **New England Sports Network 401(k) EmployeesRetirement Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **New England Sports Network 401(k) Employees Retirement Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly,in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding,among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1: PLAN DESCRIPTION

The following description of the New England Sports Network 401(k) Employees Retirement Plan (the "Plan") provides only general information. Reference should be made to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined-contribution plan established January 1, 1996, for the benefit of the employees of the New England Sports Network Limited Partnership (the "Company"). The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility: Employees who have attained 21 years of age and are not seasonal employees, on-call employees, or members of a union are eligible to participate in the Plan for purposes of salary deferral on the first day of the month following three months of service to the Company.

Contributions: Participants may elect to contribute up to 75% of their respective compensation, subject to limitations established by the Internal Revenue Code ("IRC"). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2025, the Plan adopted the "super catch-up" contribution provisions of the SECURE 2.0 Act of 2022. Participants between the ages of 60 and 63 are permitted to make elevated catch-up contributions up to the statutory limit of $11,250 for the year ended December 31, 2025. Participants may also contribute amounts received from any other retirement plan which satisfy the tax rules for rollovers.

Unless an eligible employee affirmatively elects otherwise, the Company will automatically defer 3% of the employee's compensation to the Plan beginning when the employee becomes eligible to participate in the Plan. This deferral percentage will remain consistent for the first two years, then it will increase by 1% per year, up to a maximum of 6%.

The Plan is a Safe Harbor Plan and requires employer safe harbor non-elective contributions equal to 3% of compensation. An employee must have attained 21 years of age and have at least one year of service to be eligible to receive the safe harbor non-elective contribution.

The Plan also provides for discretionary matching and profit-sharing contributions equal to a discretionary percentage of a participant's compensation or a discretionary dollar amount to be determined by the Company. For the years ended December 31, 2025 and 2024, the Company made matching contributions equal to 100% of a participant's salary deferrals up to the first 6% of compensation. During the year ended December 31, 2025, the Company contributed an additional 3.50% of a participant's 2024 compensation as a profit-sharing contribution.

For the years ended December 31, 2025 and 2024, in order to share in the discretionary employer matching contribution or discretionary profit-sharing contribution, an employee must have attained 21 years of age and have at least one year of service. An employee will share in the profit-sharing contribution regardless of hours of service in the year of their death, disability, or retirement.

NOTE 1: PLAN DESCRIPTION (CONTINUED)

Plan Transfer In: During the year ended December 31, 2025, $395,526 was transferred into the Plan from the NESN Retirement Plan, another plan sponsored by the Company, and is included in the transfer in amount on the statement of changes in net assets available for benefits - modified cash basis. These funds were used to reduce employer matching contributions.

Investment Options: Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options as determined by the rules applicable to each investment.

Participant Accounts: Each participant's account is credited as specified in the Plan with the participant's contribution, Company contributions, and an allocation of investment gains or losses. The benefit to which a participant is entitled is the vested portion of the participant's account.

Forfeitures: Forfeitures of nonvested accounts are used to offset future employer contributions. The Company reduced its contributions by $71,155 from forfeited nonvested accounts during the year ended December 31, 2025. Forfeited non-vested accounts amounted to $7,811 and $42,216 at December 31, 2025 and 2024, respectively.

Notes Receivable from Participants: A participant may borrow from his or her account provided the loan does not exceed the lesser of one half of the participant's vested account balance or $50,000. The minimum amount that may be borrowed is $1,000. Loans are secured by the participant's account balance. Loans bear interest at a reasonable rate of interest as reflected by local banks (4.25% - 9.50% at December 31, 2025). Repayment of principal within five years is generally required by the Plan. Other restrictions as specified in the Plan Agreement may apply to a participant's loan transaction.

Vesting: Participants are immediately vested **in** their elective contributions and safe harbor contributions plus earnings thereon. Vesting in the Company matching contributions are based on the number of years of service as follows:

Years of Service	Vested Percentage
1 year	0%
2 years	100%

Vesting in the Company profit sharing contribution is based on the number of years of service as follows:

Years of Service	Vested Percentage
1 year	20%
2years	40%
3years	60%
4years	80%
5 or more years	100%

NOTE 1: PLAN DESCRIPTION (CONTINUED)

Regardless of the above vesting schedules, a participant will become fully vested upon death or total and permanent disability.

Payment of Benefits: Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If the participant's account balance is less than $7,000, the Plan Administrator has the right to distribute the balance to the participant, or to an individual retirement account on behalf of the participant.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements are prepared using the modified cash basis of accounting, whereby contributions are recorded when received, investment purchases and sales are recorded on the settlement date, investment income is recorded when received rather than when earned, administrative expenses are recorded when paid, and investments are recorded at fair market value. The financial statements and supplemental schedules have been prepared to satisfy the reporting and disclosure requirements of ERISA.

Valuation of Investments: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and other parties involved with the Plan. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest and dividend income is recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates: The preparation of the financial statements in conformity with the modified cash basis of accounting requires Plan management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits: Benefit payments to participants are recorded when paid.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation in fair value of investments.

Uncertain Tax Positions: The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 3: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits - modified cash basis.

NOTE4: INCOME TAX STATUS

On June 30, 2020, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, was in compliance with the applicable sections of IRC. The Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since the latest determination letter; however, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 5: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are held primarily in mutual funds and a common/collective trust, offered by Newport Trust Company and Ascensus Trust Company. The Plan pays certain related fees to these parties. As Newport Trust Company and Ascensus Trust Company, LLC are the Plan's Trustees, they are considered to be exempt party-in-interest transactions.

NOTE 6: CERTIFICATION OF TRUSTEES

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Newport Trust Company, LLC and Ascensus Trust Company, the Trustees, certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) are complete and accurate.

	December 31, 2025	2024
Mutual funds	$ **56,067,864**	$ 52,087,540
Common/collective trust	$ **1,895,423**	$ 908,045
Interest-bearingcash	$ **10,945**	$ 13,043
Notes receivable from participants	$ **201,369**	$ 126,520

	Year Ended December 31, 2025
Net appreciation in fair value of investments	$ **6,784,801**
Interest and dividends	$ **1,166,670**
Interest earned on notes receivable from participants	$ **15,877**

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

NOTE 7: FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB"), Accounting Standards Codification ("ASC") 820, *"Fair Value Measurement and Disclosures".* provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access at the measurement date.

NOTE 7: FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 - inputs other than quoted market prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs that are unobservable for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value **("NAV")** and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts:Valued at the NAV of units of a collective trust. The NAV, as provided by the fund manager, was used as a practical expedient to estimate fair value. The NAV was based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it was determined to be probable that the fund would sell the investment for an amount different from the reported NAV.

Interest-bearing cash: Consists of deposits held in financial institutions that earn interest at prevailing market rates. These balances are stated at fair value, which is equivalent to the principal amount plus accrued interest, as these instruments have short maturities and the carrying value approximates fair value.

NOTE 7: FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Level 1	**Level 2**	**Level3**	**Total**
Investments measured at fair value				
Mutual **funds**	$ **56,067,864**	$	$	$ **56,067,864**

(a) In accordance with Subtopic 820-10, the common/collective trust investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits - modified cash basis.

NOTE 7: FAIR VALUE MEASUREMENTS (CONTINUED)

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

	2025

Common/collective trust	$ 908,045	None	Daily	None	*

* Benefit payments and participant transfers to non-competing options must be paid to Plan participants within 30 days, while all other withdrawals must be completed within one year.

NOTE 8: PLAN REIMBURSEMENT ACCOUNT

As part of the recordkeeping and administrative service fee arrangement with Newport and Ascensus, Newport and Ascensus agreed to reimburse to the Plan investment fund related revenue received by Newport and Ascensus that is in excess of the agreed upon service fee structure. The reimbursement amounts, if any, are paid to the Plan in a Plan reimbursement account. Investment fund related revenue received by Newport and Ascensus typically includes Rule 12b-1 fees and service fees paid by the fund or the fund's affiliates. The Plan reimbursement revenues may be used by the Plan to pay direct and necessary expenses of the Plan and is included in the net appreciation in fair value of investments in the statement of changes in net assets available for benefits - modified cash basis. For the year ended December 31, 2025, Plan reimbursement revenue amounted to $47,162.

NOTE 9: LATE REMITTANCES

As reported on Form 5500, Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions, certain participant contributions for the years ended December 31, 2024 and 2023 were not remitted to the Plan within the time frame specified by the DOL's regulations, thus constituting nonexempt transactions between the Plan and the Company. The aggregate late remittances amounted to $59,917 and $135,480 for the years ended December 31, 2024 and 2023, respectively. The Company is in the process of correcting these late remittances.

NOTE 10: SUBSEQUENT EVENTS

The date to which events occurring after December 31, 2025, the date of the most recent statement of financial position, have been evaluated for possible adjustment to the financial statements or disclosure is October 14, 2026, which is the date the financial statements were available to be issued.
