INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
AxisCare Health Logistics PR Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the financial statements of AxisCare Health Logistics PR Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section:

- The amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Galíndez LLC

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements for the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood, individually or in the aggregate, they would influence the judgement made by a reasonable user made based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements for the 2025 Financial Statements – (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 and the schedule of delinquent participant contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Galíndez LLC

Other Matter — Supplemental Schedules Required by ERISA – (continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 23, 2025, indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Galíndez LLC

Auditor's Report on the 2024 Financial Statements – (continued)

Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of the Plan

The following description of the AxisCare Health Logistics PR Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan Adoption Agreement for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2004 as a defined contribution plan covering all employees of AxisCare Health Logistics, LLC (the Plan Sponsor), who have worked 1,000 hours in a calendar year, and are age 18 or older. Effective October 1, 2019, the Sponsor adopted the Deferred Arrangement Profit Sharing Plan managed by BPAS Trust Company of Puerto Rico (the Trustee).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 1081.01 of the Puerto Rico Internal Revenue Code (the Code).

Contributions

Each year, participants may contribute an amount of their compensation not exceeding the maximum deferral amount as specified by local law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, subject to the conditions and limitations set forth in the Plan agreement.

The Plan's Sponsor shall make matching contributions determined from time to time on a discretionary basis. For the years ended December 31, 2025 and 2024, the Plan's Sponsor contributed 50% of each participants' contribution up to a maximum of $500. The Plan Sponsor can also make profit sharing contributions at the Plan Sponsor's discretion.

Participants' accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer matching contributions, as well as the participant's share of the Plan's earnings or losses. Allocation of earnings or losses are based on the participants' account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1 - Description of plan – (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contributions portion of their accounts plus earnings thereon is based on years of continuous service as follows:

Years of Service	Vested Percentage
under 2 years	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Investments options

The Plan Sponsor and participants contributions are invested in various investment funds provided by the trustee of the Plan, as permitted in the Trust Agreement. The Plan's investments are participant-directed.

Notes receivable from participants

Notes receivable from participants are not permitted.

Payment of benefits

Upon termination of service due to death, disability or retirement, a participant or the participant's beneficiaries may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or periodic installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

In addition, the Plan provides for in-service distributions in certain circumstances, including financial hardship withdrawals, subject to certain limitations. Also, in-service distributions may be available to participants as special disaster distributions, as determined by the Puerto Rico Treasury Department.

Note 1 - Description of plan – (continued)

Forfeitures

Upon participant's termination or withdrawal from the Plan for any reason other than death, retirement or disability, the employer contributions on behalf of the participants not then vested are forfeited and will be used to reduce the Plan's administrative expenses or to reduce Plan Sponsor contributions. At December 31, 2025 and 2024, the forfeitures account balance amounted to $13,564 and $9,120, respectively.

Administrative expenses

Administrative expenses, unless paid directly by the Plan Sponsor, will be paid from the trust fund and will be charged against participant's accounts.

Plan termination

Although they have not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2 - Summary of significant accounting policies

Basis of presentation

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) and under the accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Note 2 - Summary of significant accounting policies – (continued)

Risk and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. During the year ended December 31, 2025, the Plan's investments appreciated in value by $263,799.

Payment of benefits

Benefits are recorded when paid.

Benefits payable

The Plan accounts for benefits payable in accordance with the guidance provided by the American Institute of Certified Public Accountants (AICPA) Audit and Accounting Guide, Audits of Employee Benefit Plans. This guidance requires that benefits payable to persons who have withdrawn from participation in a defined contribution plan be disclosed in the notes to the financial statements rather than recorded as a liability of the Plan. As of December 31, 2025, benefits payable amounted to $414. There were no benefits payable to participants as of December 31, 2024.

Note 3 - Information certified by trustee (unaudited)

The plan administrator has elected the method of compliance permitted by Section 103(a)(3)(C) of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information in the accompanying financial statements and ERISA required supplemental

schedules related to investments held as of December 31, 2025 and 2024, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2025 was obtained by management and agreed to or derived from information certified as complete and accurate by BPAS Trust Company of Puerto Rico, a qualified institution.

Note 4 - Fair value measurements

Financial Accounting Standard Board (FASB) Accounting Standard Codification (ASC) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active market that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 4 - Fair value measurements – (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- Mutual funds are valued at the net asset value of shares held by the plan at year end.
- Money market funds are valued at amortized cost, plus accrued interest, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,399,552	$ -	$ -	$ 3,399,552
Money market	614,443	-	-	614,443
Total	$ 4,013,995	$ -	$ -	$ 4,013,995

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,717,732	$ -	$ -	$ 2,717,732
Money market	538,856	-	-	538,856
Total	$ 3,256,588	$ -	$ -	$ 3,256,588

Note 5 - Non-discrimination test

The Plan complied with the applicable nondiscrimination tests for the years ended December 31, 2025 and 2024, as required under Section 1081.01(d) of the 2011 Code.

Note 6 - Tax status

The Plan constitutes a qualified plan exempt from income taxes under the provision of Section 1081.01 of the Puerto Rico Income Tax Code (the Code). The Plan obtained a favorable determination letter on April 23, 2004, in which the Commonwealth of Puerto Rico tax authorities stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code.

Management has evaluated the Plan tax position and concluded that the Plan has maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements.

Note 7- Delinquent participant contributions

For the year ended December 31, 2025, the Plan Sponsor did not remit certain participant contributions amounting to $10,266 to the Plan within the time period prescribed by Department of Labor ("DOL") regulations. Delays in remitting contributions were attributable to administrative errors. During the year ended December 31, 2024, all participant contributions were remitted to the Plan in a timely basis.

Note 8- Subsequent events

The Plan has evaluated the impact of subsequent events through October 7, 2026, which is the date these financial statements were available to be issued. No events have occurred subsequent to the statement of net asset available for benefits date and to the date financial statements were available to be issued, that would require additional adjustment to, or disclosure in the financial statements.
