REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator and Plan Participants
Utica Mutual Insurance Company Employee Profit Sharing and Investment Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit
We have performed audits of the financial statements of Utica Mutual Insurance Company Employee Profit Sharing and Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Grant Thornton LLP is a U.S. member firm of Grant Thornton International Ltd (GTIL). GTIL and each of its member firms are separate legal entities and are not a worldwide partnership.

Basis for opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s responsibilities for the audit of the financial statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedule required by ERISA
The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator and Plan Participants
Utica Mutual Insurance Company Employee Profit Sharing and Investment Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit
We have performed audits of the financial statements of Utica Mutual Insurance Company Employee Profit Sharing and Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Grant Thornton LLP is a U.S. member firm of Grant Thornton International Ltd (GTIL). GTIL and each of its member firms are separate legal entities and are not a worldwide partnership.

Basis for opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s responsibilities for the audit of the financial statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedule required by ERISA
The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Utica Mutual Insurance Company ("Company" or "Utica Mutual") Employee Profit Sharing and Investment Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of the Company and its participating employers. Employees who have attained age 18 and are scheduled to work 1,000 hours or more per year are immediately eligible to participate in the Plan. Employees who have attained age 18 and are scheduled to work fewer than 1,000 hours per year become eligible upon completing one Year of Service. The Plan also provides employer matching contributions for eligible non-Founders employees who have attained age 21 and completed 90 days of continuous service. Independent contractors, leased employees, and temporary employees are excluded from participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Subject to Internal Revenue Code contribution limits (maximum of $23,500 for the 2025 plan year), Utica Mutual participants may elect to contribute up to 50% of their annual compensation before overtime and bonuses. Employees of Founders Insurance Company (a wholly owned subsidiary of Utica Mutual) ("Founders") are subject to different contribution schedule. Founders participants' compensation for contribution limits includes overtime and bonuses. Contributions may be pre-tax or after-tax (Roth). Participants who have attained age 50 are eligible to make additional "catch up" contributions of up to $7,500.

The Plan provides for various types of employer contributions, as described below. To be eligible for any employer contribution, a participant must generally have attained age 21, completed 90 days of service, remained actively employed on the last day of the Plan Year, and completed at least 1,000 Hours of Service during the Plan Year.

Utica Mutual employer matching contributions can range between 0% and 125% of the participants' deferral (not to exceed 4%) based upon certain financial results of the Company. The employer match was approximately $5,134,100 and $5,293,000 in 2025 and 2024, respectively. The matching formula is as follows:

If the Employer's Percentage of Net Income Before Tax to Net Written Premium for Such Calendar Year is:	Then the Employer's Contribution will be the Following Percentage of their Elective Deferral Contribution:
At least 1% but less than 5%	25%
At least 5% but less than 6%	50%
At least 6% but less than 7%	75%
At least 7% but less than 8%	100%
More than 8%	125%

Additional profit-sharing contributions for Utica Mutual employees may be made at the discretion of the Board of Directors. For 2025 and 2024, no additional profit-sharing contributions were made.

The Plan provides employer pension contributions for eligible non-Founders employees hired or rehired on or after January 1, 2007. The contribution amount is determined as a percentage of eligible compensation based on the participant's age and years of service at the end of the Plan Year. Employer pension contributions were approximately $3,088,441 and $2,868,000 for 2025 and 2024, respectively

The employer non-elective contribution for Founders employees will equal 3% of compensation (excluding any amounts received from an executive savings plan). The employer's non-elective contribution for Founders employees was approximately $308,129 and $330,000 in 2025 and 2024, respectively.

The amount of the employer profit sharing contribution for Founders' employees will be determined annually based on certain financial results of Founders. The percentage is determined by using the following table:

If the Employer's Percentage of Net Income Before Tax to Net Written Premium for the Year is:	Then the Profit Sharing Contribution (as a Percentage of Base Pay) will be:
At least 1% but less than 5%	1%
At least 5% but less than 6%	2%
At least 6% but less than 7%	3%
At least 7% but less than 8%	4%
More than 8%	5%

The Company profit sharing Contribution for Founders employees was approximately $513,548 and $551,000 in 2025 and 2024, respectively.

Participant Accounts

Individual separate accounts are maintained for each plan participant. Each participant's account is credited with their contribution, their share of the Company's contributions and actual earnings thereon. Participants direct investment of their account into various mutual funds selected by the Plan's administration.

Investment Options

Participants direct the investment of their contributions and Company matching contributions plus actual earnings thereon into various investment options offered by the Plan. Participants may change their investment options daily.

Vesting

Participants are immediately 100% vested in their contributions and earnings thereon. Founders participants are also immediately 100% vested in employer non-elective contributions. Vesting in the employer match and pension contributions for Utica Mutual employees and employer profit sharing contributions for Founders employees are based on the following five-year graded schedule.

Less than 2 years of service	0%
2 years	20%
3 years	40%
4 years	60%
5 years	100%

A participant is also 100% vested upon reaching retirement age, death or total and permanent disability while employed by the Company.

Payment of Benefits

On termination of service other than retirement, a participant will receive a lump-sum amount equal to the total vested account value or, if the account balance is over $7,000, may elect to defer distribution until no later than age 73.

Upon retirement, a participant may elect to receive a lump-sum amount or elect a series of installments or defer distribution until the later of age 65 or one year from the date of retirement. Upon termination of service, amounts that a participant is not vested in will be forfeited.

Participant Loans

Participants may borrow a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Participants may have up to three outstanding loans at any given time, with a maximum of two general purpose and one principal residence loan. The notes receivable are secured by the balance in the participant's account and bear interest at the prime rate plus one percent. The interest rates on outstanding participant loans range from 4.25% to 9.5% as of December 31, 2025 and 2024. The interest rate and the loan term are fixed at the inception of each loan based on the requirements in the Plan agreement, with loan terms not to exceed five years unless the loan is used for the purchase of a principal residence. Principal and interest are paid ratably through monthly payroll deductions.

Withdrawals

The Plan allows for hardship withdrawals for uninsured medical expenses, tuition payments, purchase of a primary residence or to prevent eviction from or foreclosure of a primary residence. The Plan also allows for in-service withdrawals to participants attaining age $59^{1}/_{2}$.

Forfeited Accounts

Terminated participants' non-vested accounts are used to reduce future Company contributions. Forfeitures for all years presented were not material.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted principles.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles ("U.S. GAAP") requires the Plan Administrator to make certain estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Loans to participants are reported at the unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes gains (losses) on investments bought and sold during the year as well as unrealized gains (losses) on investments held at year end.

Payment of Benefits

Benefit payments are recorded upon distribution.

Expenses

Investment fees for the mutual funds are paid by the Plan and are included in the net investment returns of the various funds. Record keeping, custodial, audit and advisory fees are also paid by the Plan. Certain expenses such as legal fees, are paid for by the Company and are therefore excluded from these financial statements.

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through October 14, 2026, which is the date the financial statements were available to be issued. There were no subsequent events requiring recording or disclosure in the financial statements.

NOTE 3 - FAIR VALUE MEASUREMENT

The Financial Accounting Standards Board establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to Level 1 measurements and the lowest priority to Level 3. The three levels of fair value hierarchy are described as follows:

Level 1 - Inputs consist of unadjusted quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs consist of unobservable inputs and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan will maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used.

Mutual Funds: Are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. The mutual funds held by the Plan are deemed to be actively traded (Level 1 inputs).

Collective Trust Funds: Valued based on the fair value of the collective trusts' underlying investments. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value.

Investments measured using the NAV per share (or its equivalent) practical expedient method are not part of the fair value hierarchy. The fair value amounts presented in the table below are included for reconciliation purposes to the statements of net assets available for benefits.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis as of December 31, 2025 and 2024:

	Fair Value Measurement at December 31, 2025			
Investments	Level 1	Level 2	Level 3	Total
Mutual funds	$194,049,669	$ -	$ -	$194,049,669
Total investments in the fair value hierarchy	$194,049,669	$ -	$ -	194,049,669
Investments measured at NAV - collective trust funds				176,331,086
Total investments at fair value				$370,380,755

	Fair Value Measurement at December 31, 2024			
Investments	Level 1	Level 2	Level 3	Total
Mutual funds	$182,564,030	$ -	$ -	$182,564,030
Total investments in the fair value hierarchy	$182,564,030	$ -	$ -	182,564,030
Investments measured at NAV - collective trust funds				153,039,210
Total investments at fair value				$335,603,240

The following table sets forth additional information for investments fair values measured using the NAV per unit practical expedient:

Description	2025	2024	Unfunded Commitment	Redemption Frequency/Terms	Redemption Restrictions
Target retirement collective trusts	$ 150,491,646	$ 124,663,165	None	Immediately/Daily	None
Stable value collective trust	25,839,440	28,376,045	None	Immediately/Daily	None
Investments measured at NAV - collective trust funds	$ 176,331,086	$ 153,039,210			

NOTE 4 - TAX STATUS

The Plan constitutes a qualified trust under Section 401(k) of the Internal Revenue Code ("IRC") and is therefore exempt from federal income taxes.

The Internal Revenue Service has determined by letter dated August 17, 2022, that the Plan is designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving that determination letter, the Plan Administrator and the Company believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their accounts.

NOTE 6 - INFORMATION CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Vanguard Fiduciary Trust Company (the "Trustee") has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.

- Investment income and participant loan interest, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025 and 2024.

- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025.

NOTE 7 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of collective trust funds and mutual funds managed by the Trustee, and therefore, these qualify as party-in-interest transactions.

Notes receivable from participants are considered party-in-interest transactions.

Certain administrative expenses are paid directly by the Company. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

NOTE 8 - RISKS, UNCERTAINTIES AND CONCENTRATIONS

The Plan's investments are exposed to various risks such as interest rate, credit and overall market risks. Due to the level of risk associated with investment securities, it is likely that changes in the values of its investment will occur in the near term and possible that such changes could materially affect the net assets.

The Plan's assets, although diversified through investments in several different mutual funds, are all held by the Trustee. The Plan is dependent on the Trustee for safeguarding of its assets.
