Independent Auditor's Report

Olin Corporation
Welfare and Fringe Benefit Administrative Committee
Employment Transition Benefit Plan
Clayton, Missouri

Opinion on the 2025 Financial Statements

We have audited the financial statements of the Employment Transition Benefit Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statement of benefit obligations and net assets available for benefits as of December 31, 2025 and the related statement of changes in benefit obligations and net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Plan as of December 31, 2025 and the changes in its benefit obligations and net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Report on the 2024 Financial Statements

The 2024 financial statements of the Plan were audited by predecessor auditors whose report dated October 3, 2025, expressed an unmodified opinion on those financial statements.

Olin Corporation
Employment Transition Benefit Plan
Notes to Financial Statements
December 31, 2025 and 2024

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Employment Transition Benefit Plan (Plan) of Olin Corporation (Olin, Employer, or Plan Sponsor) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is an employment transition benefit plan of Olin. The Plan is intended to supplement unemployment compensation and provide additional income during a job transition. The Plan is intended to qualify under Section 501(c)(17) of the Internal Revenue Code of 1986, as amended (Code). The Plan is subject to the applicable provisions of the *Employee Retirement Income Security Act of 1974*, as amended (ERISA). The Plan is administered by the Welfare and Fringe Benefit Administrative Committee.

Eligibility

The Plan provides eligibility to United States employees upon their hire date, provided they are (i) full-time employees scheduled to work more than 20 hours per week on a continuous basis, (ii) not represented by a collective bargaining agreement, and (iii) employed by a participating employer at a location that has adopted the Plan. Further, to be eligible for benefits under the Plan, an employee must (i) have been terminated as a result of a reduction in workforce, plant shutdown, business closing, job elimination, or restructuring activity and (ii) qualify for state unemployment compensation. Additionally, eligible employees must sign a confidentiality agreement and release to be eligible for additional benefits under the Plan.

Benefit Payments

Benefits are based on a terminated employee's years of service and whether they have executed and not revoked a confidentiality agreement and release. Benefits are paid based on the Plan's defined benefit formulas. Benefits may also be paid to terminated employees who do not qualify and receive unemployment due to insufficient earnings, receipt of pension benefits that exceed the amount of unemployment benefits to which they would otherwise be entitled, exhaustion of state unemployment benefits, or failure to complete a waiting period for such benefits.

Trust Fund Management

The Plan is managed through a Voluntary Employees' Beneficiary Association trust (VEBA Trust) agreement between Principal Custody Solutions (Trustee) and Olin. Under the terms of the VEBA Trust agreement, the Trustee is responsible for safeguarding Plan assets in the VEBA Trust, maintaining records of receipts and disbursements from the VEBA Trust, and maintaining accounting and other records related to the VEBA Trust. Effective December 31, 2025, the VEBA Trust associated with the Plan and the agreement with the Trustee were terminated. Individual participant

recordkeeping and payroll transactions are handled by Total Management Solutions, Inc. (Recordkeeper).

Plan Termination
Although it has not expressed any intent to do so, Olin has the right under the Plan to terminate the Plan, subject to the provisions of ERISA.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation
The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (United States).

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Benefit Obligation
Benefit obligations are recorded when a claim has been reported and approved for payment. The benefit obligation represents future periodic payments that are attributable under the Plan's provisions to supplement unemployment compensation to any qualifying terminated participants. The obligation is adjusted annually for claims paid, new claims reported and approved for payment, state unemployment adjustments, and employment adjustments for participants who are now employed and are no longer entitled to the benefits.

Employer Contribution Receivable
The Plan records a receivable from the Plan Sponsor in the statements of benefit obligations and net assets available for benefits when accrued expenses exceed the Plan's available cash.

Benefit Payments
Benefit payments are recorded when paid.

Administrative Expenses
Expenses such as trustee, recordkeeping, auditing, legal, and miscellaneous administrative fees are paid directly by the Plan or by Olin and are recorded as administrative expenses in the statement of changes in benefit obligations and net assets available for benefits. Expenses for services performed and not yet paid are recorded as accrued expenses in the statements of benefit obligations and net assets available for benefits. Certain administrative functions of the Plan are performed by officers or employees of Olin. No such officer or employee receives compensation from the Plan.

Funding Policy
The Plan is funded on an as needed basis from the general assets of Olin, including any benefit obligations in excess of net assets available for benefits.

NOTE 3. TAX STATUS

The assets of the Plan are held in a VEBA Trust. The VEBA Trust funding the benefits of the Plan received an exemption letter dated February 2, 1996 from the Internal Revenue Service stating that the VEBA Trust is exempt from federal income taxes under section 501(a) of the Code. Effective December 31, 2025, the VEBA Trust associated with the Plan was terminated. Plan management has assessed that the Plan is exempt from federal income taxes subsequent to the termination of the VEBA Trust. Accordingly, no provision for income taxes has been included in the Plan's financial statements. Although the Plan has been amended since receiving the exemption letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Trust is tax-exempt.

Accounting principles generally accepted in the United States require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax position taken by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

NOTE 4. PARTY-IN-INTEREST TRANSACTIONS

The Plan had party-in-interest transactions with the Trustee of $1,480 and with the Recordkeeper of $21,498 for the year ended December 31, 2025.

NOTE 5. SUBSEQUENT EVENTS

Subsequent events were evaluated from December 31, 2025 through October 13, 2026, the date the financial statements were issued. Effective June 30, 2026, the Plan was frozen to new entrants and active Plan participants as of that date will continue to receive benefits payable under the Plan.
