## Report of Independent Auditors

To the Administrator of West Monroe Partners, Inc. Frozen Capital Accumulation Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed an audit of the accompanying financial statements of West Monroe Partners, Inc. Frozen Capital Accumulation Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (in Liquidation) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (in Liquidation) for the year ended December 31, 2025, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, applied on a liquidation basis of accounting described in Note 2.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PricewaterhouseCoopers LLP, One North Wacker, Chicago, IL 60606
T: (312) 298 2000

### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditors' Responsibilities for the Audit of the Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Description of the Plan

The following brief description of the West Monroe Partners, Inc. Frozen Capital Accumulation Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete explanation of the Plan's provisions.

### General

The Plan is a defined contribution plan for all eligible employees of West Monroe Partners, Inc. (the "Company" or "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended by subsequent legislation.

On November 9, 2021, the Company was acquired by West Monroe Enterprises, Inc., a holding company formed by MSD Partners, LP, and the beneficial equity holders of West Monroe Partners, LLC to facilitate the acquisition of the Company (the "Transaction"). In 2023, MSD Partners merged with Chicago-based merchant bank BDT & Company and are known as BDT & MSD Partners.

Prior to November 9, 2021 (the "Transaction Date"), the equity ownership and governance structure of the Company was an S corporation, owned by an Employee Stock Ownership Plan (the "ESOP"). On the Transaction Date, West Monroe Enterprises, Inc., through its wholly owned intermediary companies, acquired 100% of the ESOP and all the outstanding shares of the Company previously held in the West Monroe Partners, Inc. Employee Stock Ownership Trust (the "Trust") by Argent Trust Company (the "Plan Trustee"). The Transaction was completed pursuant to a stock purchase agreement. The primary purpose for the Transaction was to utilize the additional capital to expand the Company's product development platform and drive other key initiatives.

As a result of the Transaction, the ESOP was amended and terminated effective as of the Transaction Date, contingent upon receiving a favorable determination letter from the Internal Revenue Service (the "IRS") (the "Closing Amendment"). The receipt from the IRS of a favorable determination letter dated January 19, 2023 found that the termination of the Plan did not affect its qualification for federal tax purposes. Among other things, the Closing Amendment converted the ESOP from a qualified employee stock ownership plan to a capital accumulation plan and changed the ESOP's name to the West Monroe Partners, Inc. Frozen Capital Accumulation Plan. The Plan is no longer designed to invest in employer securities or to qualify as an employee stock ownership plan.

### Eligibility

Pursuant to the Closing Amendment, no new participants were eligible to enter the Plan on or after January 1, 2021.

### Contributions

Effective as of the Closing Amendment, no contributions are to be made to the Plan with respect to any year beginning on or after January 1, 2021.

### Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Starting in 2021, each participant's account is credited with allocations of the Plan earnings and administrative expenses. Allocations are based on participant account balances, as defined by the Plan.

**Payment of Benefits**
Pursuant to the Closing Amendment, the Plan was amended to allow participant account balances, including the proceeds from the Transaction, net of any Transaction escrow adjustments, to be distributed in lump-sum as soon as administratively possible.

The Closing Amendment requires that an aggregate of $50,000,000 (allocated pro rata) (the "holdback") must remain in the Plan until the later of (i) the Company's receipt of a favorable determination letter from the IRS in connection with the termination of the Plan or (ii) the second anniversary of the Transaction Date (November 9, 2023), so long as there have not been any claims pertaining to the administration or operation of the Plan by such date and, if such have been claimed, the later date upon which such claims have been resolved, or as soon as administratively practicable thereafter (the "Final Distribution Date"). In December 2021 a lawsuit was filed that is pending resolution (see Note 8). Pursuant to the Closing Amendment, the holdback, including earnings, is available to satisfy legal claims and costs relating to the lawsuit.

Upon the Final Distribution Date, the remaining balance in each participant's account, including net earnings, if any, shall be distributable in a lump-sum. Each participant and beneficiary will be given a notice of their distributable amount to be paid from the Plan and will be given at least 30 days to elect a rollover of such balance. If a participant or beneficiary cannot be located or does not respond to such notice of distribution, the Plan administrator may direct that the distribution of the account balance of such participant or beneficiary be transferred to the Frozen Capital Accumulations Plan transfer account, established on behalf of such participant or beneficiary in the West Monroe Partners, Inc. 401 (k) Plan (the "401 (k) Plan").

**Vesting**
Effective with the Closing Amendment, each eligible participant became 100% vested and the vesting schedules applicable to prior years no longer applied, regardless of such participant's actual years of service.

## 2. Summary of Accounting Policies

**Basis of Accounting**
As a result of the Transaction, and in accordance with accounting principles generally accepted in the United States of America ("GAAP"), the Plan's financial statements are prepared using the liquidation basis of accounting.

This basis was adopted when liquidation was deemed imminent in accordance with Accounting Standards Update ("ASU") 2013-07, *Liquidation Basis of Accounting.* Plan management determined that liquidation was imminent upon Plan termination on November 9, 2021. Under the liquidation basis of accounting, assets are measured at their net realizable value, estimated by fair value reduced by surrender charges, penalties and redemption charges, and disposal expenses, to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process. Interest income receivable is reflective of interest expected to be received through the estimated final date of liquidation. Liabilities are measured using the accrual basis of accounting, including any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

**Use of Estimates**
The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. There were no changes to the fair value of investments due to liquidation accounting as of December 31, 2025 or 2024. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

**Payment of Benefits**
Benefit payments are recorded when paid.

**Administrative Expenses**
Following the Transaction, all Plan expenses are charged to Plan assets on a pro rata basis.

**Distributions**
Following the Transaction Date, substantially all participant balances eligible for distribution were paid in lump sums by December 31, 2022. During the years ended December 31, 2025 and 2024, eligible participant balances distributed from the Plan were $0 and $109,766, respectively. As of December 31, 2025 and 2024, assets totaling $384,317 and $369,423, respectively, remained eligible for lump sum distribution.

**Subsequent Events**
The financial statements and related disclosures include evaluations of events up through and including October 14, 2026, the date the financial statements were available to be issued.

No other additional subsequent events have occurred through that date that required recognition or disclosure in the financial statements.

## 3. Administration of Plan Assets

The Plan's assets following the Transaction, consist of a money market fund investing in a portfolio of short-term U.S. Treasury securities, held in the Trust by the Plan Trustee.

Effective February 1, 2024, the Company engaged Creative Planning as the ERISA 3(21) Investment Advisor to the Plan.

Certain administrative functions are performed by officers or employees of the Company. No such officers or employees receive compensation from the Plan.

## 4. Certified Investment Information

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and interest income of $2,344,975 for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Argent Trust Company, a qualified institution.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information in the financial statements, including reading the disclosures related to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## 5. Fair Value Measurements

Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurements and Disclosures* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money Market Fund - This asset is valued using amortized costs, which approximate fair values. The fund is considered a Level 1 investment.

## 6. Related Party and Party-in-Interest Transactions

Argent Trust Company is the Plan Trustee and Principal Financial Group provides certain recordkeeping and administrative services to the Plan. These organizations are considered to be parties-in-interest under ERISA. Expenses for services rendered paid to Argent Trust Company and Principal Financial Group for the year ended December 31, 2025 totaled $140 and $40,218, respectively.

## 7. Tax Status

On February 25, 2022, the Company filed an application for a favorable determination letter for a terminating plan to receive confirmation from the IRS that the Closing Amendment and Plan termination do not adversely impact the Plan's tax-exempt status. A favorable determination letter dated January 19, 2023 was received by the Company confirming the Plan's tax-exempt status.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

## 8. Risks and Uncertainties

The Plan provides for investments that, in general, are exposed to various risks, such as interest rates, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

On December 22, 2021, a putative class action lawsuit was filed in the United States District Court for the Northern District of Illinois against the Company, the Board of Directors of the Company, the Plan Administrator Committee, and the Plan Trustee (together “Defendants”), asserting claims under ERISA against Defendants for breach of fiduciary duty and prohibited transactions resulting in alleged losses to certain Plan participants in connection with the distribution of benefits to them prior to the Transaction. Defendant's motion to dismiss was granted in part and denied in part by the Court on March 15, 2023, dismissing individual Board and Plan Administrator Committee members without prejudice, but otherwise denying Defendant's motion to dismiss. On January 17, 2025, Defendants filed motions for summary judgement and Plaintiff filed a motion for partial summary judgment. The parties completed briefing on these motions on April 17, 2025, which remain pending. On March 27, 2026, the Court certified the case as a class action. This procedural ruling does not address the merits of the plaintiffs' claims. At this time, the Company believes the likelihood of any material loss to the Plan relating to this matter is remote given the strength of Defendant's defense should the case go forward.

## 9. Plan Termination

The Plan was terminated on November 9, 2021, immediately following and coinciding with the Transaction, and contingent upon the receipt of a favorable determination letter from the IRS. Upon Plan termination, the Plan was amended by the Closing Amendment to convert the Plan from an employee stock ownership plan under IRC Section 4975(e)(7), to a capital accumulation plan under IRC Section 401 (a). A favorable determination letter from the IRS, dated January 19, 2023, was received by the Company confirming the tax-exempt status of the terminating plan.

For the year ended December 31, 2025, the Plan recorded the following cumulative liquidation adjustment to net assets available for benefits in accordance with the liquidation basis of accounting and based on the estimated final liquidation date at the time of issuance of the 2025 financial statements:

| | |
|---|---|
| Interest income estimated to be earned in liquidation | $ 3,160,000 |
| Administrative expenses estimated to be incurred in liquidation | (300,000) |
| Cumulative liquidation adjustment | $ 2,860,000 |

The cumulative liquidation adjustment for the year ended December 31, 2025 includes approximately $2,100,000 of estimated expense and income accruals that should have been recorded as of December 31, 2024, based on the estimated final liquidation date at the time the 2024 financial statements were issued. The cumulative liquidation adjustment related to 2024 was not material to the financial statements as of and for the year ended December 31, 2024 and, accordingly, was recognized in the financial statements as of and for the year ended December 31, 2025.

## 10. Concentrations

The Plan holds certain investments that represent 10% or more of the Plan's net assets available for benefits. As of December 31, 2025 and 2024, the Plan had investments of $58,252,075 and $55,960,861, respectively, that were concentrated in one fund.

### 11. Reconciliation of Financial Statements to Form 5500

As discussed in Note 2, the Plan adopted liquidation basis of accounting effective November 9, 2021. Under the liquidation basis of accounting, the Plan recognized estimated income expected to be earned and expenses expected to be incurred through the completion of liquidation.

Certain amounts recognized under liquidation basis of accounting are not recognized for Form 5500 reporting purposes. Accordingly, the following reconciles net assets available for benefits as reported in the accompanying financial statements to net assets reported on Form 5500 as of December 31, 2025:

| | |
|---|---|
| Net assets available for benefits per the financial statements | $ 61,295,273 |
| Plus: Administrative expenses estimated to be incurred in liquidation | 300,000 |
| Less: Interest income estimated to be earned in liquidation | (3,160,000) |
| Net assets available for benefits per Form 5500 | $ 58,435,273 |

The following is a reconciliation of the change in net assets available for benefits per the financial statements to net income reported on Form 5500 for the year ended December 31, 2025:

| | |
|---|---|
| Net increase in net assets per the financial statements | $ 5,124,617 |
| Plus:Administrative expenses estimated to be incurred in liquidation | 300,000 |
| Less: Interest income estimated to be earned in liquidation | (3,160,000) |
| Net income per Form 5500 | $ 2,264,617 |
