INDEPENDENT AUDITOR'S REPORT

October 14, 2026

To the Plan Administrator of the
Planned Parenthood of Central and Western New York, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of the Planned Parenthood of Central and Western New York, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the Planned Parenthood of Central and Western New York, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with an effective date of January 1, 2005, that provides retirement benefits to all employees of Planned Parenthood of Central and Western New York, Inc. (the Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees are eligible to begin salary deferrals upon employment. Employees are eligible for employer contributions the month following their first year of employment and have completed 1,000 hours of service.

Administration

The Employer's Board of Directors and its appointed retirement committee are responsible for the general administration of the Plan. USI Consulting Group (USI) serves as the Third Party Administrator (TPA) of the Plan's assets. Effective April 24, 2025, Ascensus Trust Company (Ascensus), acquired Newport Trust Company, LLC (Newport), and is the custodian and trustee of the Plan. Prior to April 24, 2025, Newport was the custodian and trustee of the Plan.

Participant Contributions

Effective January 1, 2019, new employees are automatically enrolled into the Plan with a contribution of 4%, unless elected otherwise within 90 days of hire. Participants may make voluntary pre-tax contributions in the form of salary reductions up to 100% of their annual compensation, as defined, subject to certain limitations under the terms of the Plan and Internal Revenue Code (IRC). In addition, participants may contribute rollover contributions received from another qualified retirement plan. Participants aged 50 or more may make additional "catch-up" contributions.

Participants direct the investment of contributions into various investment options offered by the Plan.

Employer Contributions

The Plan is a Safe Harbor Plan. The employer Safe Harbor match equals 100% of elective deferrals that are not in excess of 4% of compensation plus 50% of elective deferrals that exceed 4%, but which do not exceed 6% of compensation.

Additionally, the Employer can make a profit-sharing contribution which is allocated equally among all eligible participants. Profit sharing contributions for the year are made to the Plan subsequent to year-end. There was no profit-sharing contribution made for the years ended December 2025, and 2024.

1. DESCRIPTION OF PLAN (Continued)

Vesting
Participants are immediately vested in all contributions and earnings/losses thereon. Employer profit sharing contributions vest 20% per year beginning after two years of service. Participants are fully vested after six years of credited service or upon normal retirement age.

Participant Accounts
Each participant's account is credited with the participant's contributions, the Employer's matching contributions, and an allocation of any earnings or losses thereon and charged with an allocation of administrative expenses. Participants direct the investment of elective deferrals, employer matching, and rollover contributions into various options offered by the Plan. Allocations are based on specific terms provided by the Plan.

Benefit Payments
A participant may withdraw any part of his/her vested account at any time after attaining age 65 or upon termination of service due to death, retirement, or disability. Normal retirement age is age 65.

Hardship Withdrawals
Participants may also withdraw amounts in the event of undue hardship, as defined in the Plan document.

Notes Receivable from Participants
Loans may be made to participants for a minimum of $1,000 and a maximum of $50,000, but no more than 50% of the participant's vested balance. The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1% (6.75% and 7.50% at December 31, 2025 and 2024, respectively). Principal and interest are paid through payroll deductions over the term of the loan.

Forfeitures
Forfeitures of non-vested profit-sharing contribution accounts can be used to reduce Plan fees. There were no forfeitures used to reduce Plan fees for the years ended December 31, 2025 and 2024. There were no balances remaining of forfeited non-vested profit-sharing contribution accounts at December 31, 2025 and 2024.

Administrative Expense
The Employer pays certain administrative expenses of the Plan.

Plan Termination
Although the Employer has not expressed any intent to do so, it has the right to terminate the Plan at any time subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In the event of Plan termination, partial termination or complete discontinuance of contributions to the Plan, all amounts credited to the accounts of the participants are vested. All distributions would be made in accordance with any applicable requirements of ERISA and the IRC.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Fair Value Measurement - Definition and Hierarchy

The ASC 820 framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation does not entail a significant degree of judgment.

- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

A description of where the Plan's investments fall within the ASC 820 hierarchy is provided in Note 4.

Benefit Payments

Benefit payments are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates
The preparation of financial statements in accordance with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as accurate and complete by the custodians and trustees, Newport (from January 1, 2024 through April 23, 2025), and Ascensus, LLC, as an authorized representative of Ascensus and Newport (from April 24, 2025 through December 31, 2025) and is included in the accompanying financial statements and schedule:

	2025	2024
Mutual funds	$ 12,502,952	$ 10,827,899
Common collective trust	$ 1,360,260	$ 927,518
Notes receivable from participants	$ 115,291	$ 99,631
Net appreciation in fair value of investments	$ 1,604,232	$ 1,092,143
Interest and dividends	$ 205,865	$ 304,870
Interest on notes receivable from participants	$ 8,984	$ 8,686
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

Certain investments that were measured at net asset value (NAV) per share have not been classified in the fair value hierarchy below. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 12,502,952	$ -	$ -	$ 12,502,952
Common collective trust, NAV				1,360,260
Total investments				$ 13,863,212

4. FAIR VALUE MEASUREMENTS (Continued)

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 10,827,899	$ -	$ -	$ 10,827,899
Common collective trust, NAV				927,518
Total investments				$ 11,755,417

Valuation Methodologies
Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and 2024.

Mutual Funds: Valued at fair value based on quoted prices in active markets.

Common Collective Trust: The Reliance Trust Stable Value Fund Collective Investment Trust, Series 25053 (the Fund) is valued at the NAV per unit by dividing the total assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and included in the determination of unit values.

The Fund is administered by Metropolitan Life Insurance Company (MetLife) and is managed by MetLife and Reliance Trust Company (the Trustee). While the Trustee generally relies on MetLife to manage the Fund's assets, the Trustee maintains ultimate fiduciary authority over the management of, and investments made in, the Fund. The Fund is invested in a common collective trust that calculates NAV on a daily basis. Units are issued and redeemed as of the end of each day at the daily NAV. The Fund's primary investment objectives are to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed income investments and provide daily liquidity at contract value for participant withdrawals and transfers.

Redemptions are generally restricted to processing on a valuation date at the NAV per unit computed on that date. Trust units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the trust. The Fund does not have any unfunded commitments.

5. PARTY-IN-INTEREST TRANSACTIONS

Effective April 24, 2025, Ascensus, which acquired Newport in April 2022, is the trustee and custodian of the Plan's assets. Prior to April 24, 2025, Newport was the trustee and custodian of the Plan and its assets. Effective April 24, 2025, Ascensus, LLC is the custodian of the Plan's assets. USI is the Plan's TPA. As such, transactions between the Employer, USI, Newport, Ascensus, Ascensus, LLC, and the Plan qualify as party-in-interest transactions. Additionally, transactions involving notes receivable from participants qualify as party-in-interest transactions.

6. TAX STATUS

The Plan has adopted a pre-approved Plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the pre-approved Plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since adopting the pre-approved Plan document, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. No provisions for income taxes have been included in the Plan's financial statements.

7. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of December 31, 2025 and 2024 and for the years then ended.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 14, 2026, which is the date the financial statements were available to be issued.
