INDEPENDENT AUDITORS' REPORT

To the Trustees
Intra-National Home Care, LLC 401(k) Plan
Blacklick Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Intra-National Home Care, LLC 401(k) Plan (The Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA section 103(a)(3)(C) [ERISA section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in new assets available for benefits for the year then ended, and the related notes to the financial statements.
Management, having determined it is permissible in the circumstances, has elected to have the audit of the Intra-National Home Care, LLC 401(k) 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).
Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements.

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 financial statements section:

- The amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United State of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Intra-National Home Care, LLC 401(k) plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Intra-National Home Care, LLC 401(k) ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Trustees

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the scope and nature of the ERISA section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Intra-National Home Care, LLC 401(k) plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Intra-National Home Care, LLC 401(k) plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements (continued)

Accordingly, the objective of an ERISA section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2025 Supplemental Schedules Required by ERISA

The supplemental information of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Trustees
Intra-National Home Care, LLC 401(k) Plan

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

The financial statements of Intra-National Home Care, LLC 401(k) as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated July 8, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section103(a)(3)(C).

Emphasis of Matter – Adjustments to the 2024 Financial Statements

As more fully described in Note 14 to the financial statements, the Plan has adjusted its 2024 financial statements to restate note receivable from participants and net assets available for benefits. The predecessor auditors reported on the financial statements before the restatement.

Emphasis of Matter – Adjustments to the 2024 Financial Statements (continued)

As part of our audit of the 2025 financial statements, we also audited the adjustments to the 2024 financial statements described in Note 14 that were applied to restate the 2024 financial statements. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review or apply procedures to Intra-National Home Care, LLC 401(k) 2024 financial statements other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the 2024 financial statements as a whole.

INTRA-NATIONAL HOME CARE, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Intra-National Home Care, LLC 401(k) plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General and Eligibility

The plan is a defined contribution 401(k) plan, established on October 1, 2020. The Plan covers all full-time employees of Intra-National Home Care, LLC, and its affiliated participating employers: Americare Health Care Services, Inc, Serenity Home Health Care, LLC, and Medical Professional (collectively, the sponsors or employers). Eligible employees may enter the Plan upon completing three (3) consecutive months of service, during which at least 250 hours of credited service is completed. An Eligible Employee who has satisfied the eligibility requirements will become a Participant in the Plan for all contribution on the First day of the month coinciding with or next following date requirements met. For nonelective employer contributions, the participant must complete twelve (12) consecutive months of service from the eligible participant's employment commencement date and during which time at least 1,000 hours of credited service is completed, as defined in the Plan document.

The Plan is administered by designated management of the sponsors. ADP Retirement services (ADP) provide recordkeeping, third-party administrative services to the plan, serves as the trustee of the plan, holds the plan's investment assets, and executes investment transactions.

The Plan is subject to the provisions of the employee retirement income security act of 1974 (ERISA).

Contributions

Each year, participants in the Plan may voluntarily contribute up to 90% of their annual compensation, as defined by the Plan, within the limits prescribed by the Internal Revenue service (IRS). For the year ended December 31, 2025, individual participants' contributions were limited up to $23,500 and additional catch-up for age 50 or older of $7,500 and $11,250 for an individual age 60, 61, 62, or 63 of pretax annual compensation for 2025 as defined by the Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). A participant may designate savings as before-tax savings, Roth IRA deferral, or any combination of the two.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Contributions (continued)

For the year ended December 31, 2025, the employers matched 50% of a participant's elective deferrals up to 6% of the participant's eligible compensation, as defined. The employers may also make non-elective contributions. Participants must complete twelve (12) months of service and at least 1,000 hours of credited service in order to be eligible for such non-elective contributions. For the year ended December 31, 2025, the employers made discretionary matching contributions totaling $551,054. All employers' matching contributions are invested as directed by the participant.

Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant account is credited with the participant's contributions, the employers' matching contributions and non-elective contribution, along with earnings or losses thereon. Participants are charged with his or her withdrawals and an allocation of administrative expenses, as defined. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the plan.

Vesting

Participants are immediately vested in their individual contributions, plus actual earnings or losses thereon. Vesting in the employers' matching and nonelective contributions (if any), portion of their account, plus earnings or losses thereon, is based on years of continuous service. Participants who become eligible and are enrolled in the plan will receive vesting credit for years of service based only on the elapsed time method, as defined in the plan. A participant is 100% vested after four (4) years of credited service, based on a graded vesting schedule. Regardless of years of service, participants are 100% vested upon reaching normal retirement age (65), becoming permanently or totally disabled, plan termination, or upon death.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Forfeitures

Nonvested forfeited accounts are used to reduce the employers' matching contributions to the plan. Forfeitures used were $21,944 for the year ended December 31, 2025, to reduce the employers' matching contributions. There was $125 of unallocated forfeited amounts available at December 31, 2025.

Notes receivable from participants

Participants may borrow from their accounts from a minimum of $1 ,000 up to a maximum of the lesser of $50,000 or 50% of their vested account balance with only one loan permitted. Long terms range from one to five years unless the loan is used to acquire the principal residence of the participant which must be repaid in a reasonable period of time. The loans are secured by the vested account balance in the participant's account and bear an interest rate at one percentage point over the prime interest rate. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document. Principal and interest are paid through regular payroll deductions.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution, substantially equal installments or partial withdrawal. For termination of service due to other reasons, a participant may choose to leave the vested interest in the plan if such amounts exceed $7,000 or elect a lump-sum distribution. Participants may take in-service withdrawals upon early retirement age 59 ½, or for immediate and heavy financial hardship needs with a minimum of $500, as defined.

A participant’s beneficiary will receive the participant’s account balance in the event of a participant’s death

Administrative expenses

The plan allows certain administrative expenses to be paid from plan assets. Certain administrative expenses are paid by the sponsors and are not reflected in these financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTRING POLICIES

Basis of Accounting

The financial statements of the plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment valuation and income recognition

The Plan's investments are reported at fair value as determined by the Plan's administrator, using market quotations and other available information. Securities are valued at the last reported sales price on the last business day of the Plan's fiscal year. The value of the investments in the collective trusts fund is based on the contractual terms of the underlying agreement which provides a daily mil-rate for income accretion. See notes 4 and 5 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the plan's gains and losses on investments bought and sold, as well as held during the year.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and those differences may be material.

Risks and uncertainties

The plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate risk, market risk, liquidity risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in risks in the near-term could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTRING POLICIES (continued)

Notes receivable from participants

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual method. Related fees are charged directly to the borrowing participant's account and included as administrative expenses when incurred. Any delinquent notes receivable from participants are reclassified as distributions based on the terms of the plan document.

Payment of benefits

The plan records benefits when paid to participants or beneficiaries.

Contributions

Participant contributions and the employer matching contributions are recognized when the participant contributions are withheld from the participant's earnings. The Company's policy is to make the contribution of participant withholding and company match timely, normally within five business days of payroll withholding.

Allowance for Credit Losses – Notes Receivable from Participants

The allowance for credit losses is a valuation account that is deducted from, or added to, the note receivable from participants amortized cost basis to present the net amount expected to be collected on the loan. Loans are charged off against the allowance when management believes the uncollectibillity of a loan balance is confirmed.

Management estimates the allowance balance using relevant available information, from internal and external sources, relating to past events, current conditions, and reasonable and supportable forecasts. Historical credit loss experience provides the basis for the estimation of expected credit losses. Adjustments to historical loss information are made for changes in environmental conditions, such as changes in unemployment rates, collateral values, or other relevant factors. Management has determined there is no requirement to provide an allowance for credit loss because the loans are secured by the balance in the participant's account.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTRING POLICIES (continued)

Allowance for Credit Losses – Investments

Management assesses the financial condition and near-term prospects of the issuer, industry and/or geographic conditions, credit ratings as well as other indicators at the individual security level. Impairments below cost in the estimated fair value of individual securities when there is an intent to sell or for which it is more likely than not the Plan will be required to sell before the impairment is recovered, are realized in other income in the statement of changes in net assets available for benefits. When there is not an intent to sell or it is more likely than not the Plan will not be required to sell the security before the impairment is recovered, management assesses whether the decline is fair value has resulted from credit losses or other factors. If the present value of discounted cash flows expected to be collected is less than the amortized cost basis, credit loss exists and an allowance for securities credit losses is recorded. Such losses are limited to the amount that amortized cost exceeds fair value, even if the amount of the credit loss is greater. Any future changes in the allowance for credit losses is recorded as provision for (reversal of) credit losses. Losses attributable to other factors are charged to net appreciation (depreciation in fair value of investments).

Mutual Funds are carried in the financial statements at fair value and Common/Collective Trust Funds are measured at net asset value, and both realized and unrealized gains and losses are included net increase (Decrease) in net assets.

Accounting Standards Not Yet Adopted

In July 2025, the FASB issued ASU 2025-05 that provides a practical expedient in developing forecasts as part of estimating expected credit losses. The amendment permits the Plan to elect a practical expedient that assumes that current conditions as of the balance sheet date do not change for the remaining life of the asset. The ASU is effective for annual and interim periods beginning after December 15, 2025. Early adoption is permitted and is effective on a prospective basis. The Plan is currently assessing the potential impacts of adoption on the financial statements.

Plan Administration

The employers are responsible for the administration and operation of the plan. For the year ended December 31, 2025, the plan contracted with ADP retirement services (ADP) to provide recordkeeping, third party administrative services to the plan, maintain the records of the participants' data and invests cash received, interest and dividend income and makes distributions to participants (subject to the direction of participants). Fees come from covered service providers of the plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTRING POLICIES (continued)

Plan Expenses

Substantially all administrative expenses for maintaining the plan are paid by the employers and are not reflected in these financial statements. Certain expenses paid by the plan consist of recordkeeping, trustee, and third-party administrative fees. Certain participant directed transactions such as loan processing fees are charged directly to participants' accounts.

NOTE 3 – INVESTMENT INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the department of labor's rules and regulations for reporting and disclosure under ERISA. Accordingly, ADP Retirement Trust Services, LLC, a qualified institution has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

Investments as shown on the statement of net assets available for benefits as of December 31, 2025;

Net investment activity as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025; and

Investment information included in the schedule of assets (held at year end) as of December 31, 2025, as shown on the ERISA-required supplemental information.

At the request of the plan's administrator, the plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan’s investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available. The Plan's Administrator assigns levels and categories to the Plan's investments.

Level 1 - Quoted prices in active markets for identical assets at the measurement date. The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 - Observable inputs other than quoted prices for the asset, either directly or indirectly observable, that reflect assumptions market participants would use to price the asset based on market data obtained from sources independent of the plan. This may include matrix pricing, yield curves and indices. No level 2 inputs were available to the Plan.

Level 3 - Unobservable inputs that reflect the plan's own assumptions about the assumptions market participants would use to price an asset based on the best information available in the circumstances. No level 3 inputs were available to the Plan.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the value methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025.

Mutual funds-valued at quoted market prices, which represent their daily net asset value (NAV) reported by the fund. Mutual funds held by the plan are open-end mutual funds that are traded on national exchanges (active markets).

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

Collective investment trust fund-valued daily at nay per share (or its equivalent), by the collective investment trust practical expedient and have not been classified in the fair value hierarchy. Nay is determined by the collective investment trust fund manager based on the fair value of the underlying investments held less liabilities at the end of the plan year. The practical expedient would not be used if it were determined to be probable that the trust would sell its underlying investments for an amount different from the reported nay. Participant transactions (purchases and sales) may occur daily at nay.

The preceding methods described may produce a fair value calculation using its net asset value as the practical expedient that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes it valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis consist of the following as of December 31, 2025 and December 31, 2024:

	Fair Value Measurements as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 8,327,643	$ 0	$ 0	$ 8,327,643
Collective Investment Trust Fund *	0	0	0	61,710
Investments at Fair Value	$ 8,327,643	$ 0	$ 0	$ 8,389,353

Investments at Fair Value	$ 5,864,333	$ 0	$ 0	$ 5,920,306

* Certain investments that were measured at nay per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to present the reconciliation of the fair value hierarchy to line items presented on the statements of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

Gains and losses included in statement of changes in net assets available for benefits for the year ended December 31, 2025, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2025, there were no transfers into or out of Level 3.

NOTE 5 – FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV

The following table summarizes the collective investment trust fund investments for which fair value is based on the nay per share practical expedient as of December 31, 2025:

Collective Investment Trust Fund	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Period Notice
Invesco Stable Asset Fund	$61,710	None	Daily	None

NOTE 6 – FIDELITY BOND

The Plan has Fidelity bonding as required by ERISA.

NOTE 7 – REFUNDS PAYABLE FOR EXCESS CONTRIBUTIONS

During 2025, the plan had no contributions from participants in excess of plan and IRS limitations.

NOTE 8 – PLAN TERMINATION

Although it has not been expressed any intent to do so, the employers have the right under the plan to discontinue their contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in the employers' contribution portion of their account balances.

NOTE 9 – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the ADP, LLC, by a letter dated October 6, 2020, that the Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA and related trust are designed in accordance with applicable sections of the Internal Revenue Service Code (IRC). The Plan has been amended, since receiving the determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 9 – TAX STATUS (continued)

The plan operates under a Non-Standardized Defined Contribution Pre-Approved Plan adoption agreement in connection with a pre-approved retirement plan and trust/custodial documents sponsored by ADP, LLC. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter.

However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by tax authorities, however, there are currently no audits for any tax period in progress.

On July 4, 2025, the One Big Beautiful Bill Act ("OBBBA") was enacted in the U.S. The OBBBA includes significant provisions, such as the permanent extension of certain expiring provision of the 2021 Tax Cuts and Jobs Act, modifications to the international tax framework and the restoration of favorable tax treatment for certain business provisions. Key provisions include modification to depreciation allowance and the treatment of research and development expenditures. The legislation has multiple effective dates, with certain provisions effective for the 2025 tax year and others being implemented through 2027.

NOTE 10 – RELATED PARTY TRANSACTIONS AND APRTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the DOL regulations as any fiduciary of the plan, any party rendering service to the plan, the employer and certain others. The plan's investments are maintained, managed, and issued by ADP Retirement Servicers (ADP) which serves as the plan's trustee and, therefore, these transactions qualify as party-in-interest transactions. ADP Retirement Services (ADP) is the plan's recordkeeper and third-party administrator, fees charged by ADP for these services qualify as part-in-interest transactions.

Certain administrative functions are performed by officers and employees of the sponsors. No officer or employee receives compensation from the plan for these services.

NOTE 10 – RELATED PARTY TRANSACTIONS AND APRTY-IN-INTEREST TRANSACTIONS (continued)

Fees incurred by the plan for investment management services are included in net appreciation in fair value of investments, which were not covered by revenue sharing. The plan also made direct payments to service providers which were not covered by revenue sharing.

NOTE 11 – SUBSEQUENT EVENTS

The plan evaluated events occurring subsequent to December 31, 2025 through October 9, 2026, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.

NOTE 12 – CARES ACT AND SECURE ACT

The Plan implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The applicable features within these Acts have been implemented. Written amendments to the Plan to reflect these operational changes were adopted in accordance, with applicable law and IRS guidance.

Secure 2.0 Act of 2022

The SECURE 2.0 Act of 2022 (ACT (was signed into law on December 29, 2022, to increase retirement savings, improve retirement rules, and lower employer costs of setting up a retirement plan. Plan amendments require by the ACT generally need not be made until the end of the first plan year beginning on or after January 1, 2026; however, plans must be operated in accordance with the effective date of each new provision. Written amendments to the Plan to reflect these operational changes were adopted in accordance with applicable law and IRS guidance.

NOTE 13 – PLAN AMENDMENT AND RESTATEMENT

Effective October 15, 2026, the non-standardized adoption agreement was modified and amended and incurred changes as follows:

- The Plan permits certain Long-Term Part-Time (LTPT) Employees to make elective deferrals.

NOTE 13 – PLAN AMENDMENT AND RESTATEMENT (continued)

- The Plan continues to allow catch-up contributions for participants who are 50 or older. In addition, the plan provides participants who attain age 60, 61, 62, or 63 during the year may make enhanced catch-up contributions.
- The Plan provides for certain participants to make their catch-up contributions on a Roth (after-tax) basis.
- If the Plan is or becomes top-heavy, the Employer will not be required to make top-heavy minimum contributions for employees who have not yet completed a minimum of 1 year of service and attained age 21.
- The Plans mandatory distribution of vested account balances has been increased to $7,000 from $5,000.
- The Plan provides participants to make a Qualified Birth or Adoption Distribution ("QBAD") from the Plan following the birth of your child or the completion of an eligible adoption. A QBAD must be taken during the one-year period beginning on the date of birth or the date an eligible adoption is finalized. Participants may take up to $5,000 for each child or eligible adoptee. This limit applies across all plans maintained by your employer or related employers. Participants may repay some or all of that amount to the Plan at any time during the three-year period beginning on the day after the distribution is received. Repayments are treated as rollover contributions.
- Roth accounts under the Plan are not included in determining Required Minimum Distributions (RMDs) during your lifetime, and distributions from Roth Accounts do not satisfy lifetime RMD requirements.

NOTE 14 – RESTATEMENT OF 2024 FINANCIAL STATEMENT

The notes receivable from participants was overstated in the amount of $10,640. The original amount of $55,408 has been restated to $44,768. As a result of this restatement, the net assets available for benefits original amount of $5,975,715 has been restated to 5,965,075.
