Independent Auditors' Report

To the Plan Participants and Plan Administrator
BMO U.S. Health and Welfare Benefit Plan for Retirees:

Opinion

We have audited the financial statements of BMO U.S. Health and Welfare Benefit Plan for Retirees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2025, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits (modified cash basis) of the Plan as of December 31, 2025, and the changes in its net assets available for benefits (modified cash basis) for the year ended December 31, 2025, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than U.S. generally accepted accounting principles. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

KPMG LLP, a Delaware limited liability partnership, and its subsidiaries are part of the KPMG global organization of independent member firms affiliated with KPMG International Limited, a private English company limited by guarantee.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, line 4j - Schedule of Reportable Transactions for the year ended December 31, 2025 and Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

October 2, 2025, except for Note 10, as to which the date is October 12, 2026

To the Benefits Administration Committee
BMO Financial Corp.

Opinion

We have audited the financial statements of the BMO Retiree Medical and Life Insurance Plan (the "Plan", known after December 31, 2024 as the "BMO U.S. Health and Welfare Benefit Plan for Retirees"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), which comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, as well as the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024, and the changes in its net assets available for benefits for the year then ended, in accordance with the basis of accounting as described in Note 2.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter — Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Emphasis of Matter — Prior Period Adjustment

As discussed in Note 10 to the financial statements, the Plan's management identified the omission of a cash account from the financial statements as of December 31, 2024. Accordingly, amounts reported for the Plan's cash, participant contributions, employer contributions, net change in section 401(h) account, insurance premiums (net of refunds), payments to participants or beneficiaries, and administrative expenses have been restated in the December 31, 2024 financial statements now presented, and an adjustment has been made to net assets available for benefits as of December 31, 2024, to correct the error. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

The Plan's management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

The Plan's management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. *Reasonable assurance* is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS:

- We exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and we design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- We evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and we evaluate the overall presentation of the financial statements.

- We conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 1 — DESCRIPTION OF THE PLAN

The following description of the BMO U.S. Health and Welfare Benefit Plan for Retirees (the "Plan", known as the "BMO Retiree Medical and Life Insurance Plan" prior to January 1, 2025) provides only general information. Participants should refer to the Plan agreements for a more complete description of the Plan's provisions.

The Plan is a contributory defined benefit health and welfare benefit plan administered by the Benefits Administration Committee (the "Administration Committee") covering retired employees of BMO Financial Corp. ("BFC") and affiliated companies, as well as the U.S. retired employees of the Bank of Montreal and its U.S. subsidiaries. The retired employees covered by the Plan are hereinafter referred to collectively as the "participants." The Plan is a merger of the former BMO Harris Bank Retiree Medical Program (the "Legacy BMO Program"), the former Legacy M&I Retiree Medical Program (the "Legacy M&I Program"), the former Bank of the West Retiree Medical and Life Insurance Programs (the "Legacy BOTW Program"), and the former Commercial Federal Bank Key Executive Survivor Income Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended.

Administration

The BMO Retiree Health and Welfare Benefits Trust (the "Trust Fund") was established to implement the medical coverage provisions of the Plan. BFC serves as the trustee of the Trust Fund and administers and acts as custodian for the Plan's investment assets not held in a separate account.

Asset Transfers

As of January 1, 2024, retired participants of the BMO U.S. Health and Welfare Benefit Plan (the "Health and Welfare Plan"), a health and welfare plan sponsored by BMO and the associated net assets and benefit obligations of the Health and Welfare Plan, were transferred to the Plan. The amounts of net assets, postretirement benefit obligations, and other benefit obligations transferred as of January 1, 2024 were $182,295,869, $56,555,389, and $454,000, respectively.

Plan Provisions

Retiree Medical Benefits

Retired full-time employees who have attained age 55 and have completed 10 years of full-time benefit service in the BMO U.S. Pension Plan (the "Pension Plan") and who enrolled in a BFC medical plan immediately prior to retirement are eligible to continue health coverage through participation in the Legacy BMO Program. Legacy retired employees of Marshall & Ilsley Corporation ("M&I") are also eligible under the terms of the Legacy M&I Program.

NOTE 1 — DESCRIPTION OF THE PLAN (CONTINUED)

Plan Provisions (continued)

Retiree Medical Benefits (continued)

To be eligible, retired legacy M&I employees must be at least 55 years old, have at least 10 years of vesting service (1,000 hours per calendar year) with M&I and/or BFC, and have participated in any M&I and/or BFC medical coverage for at least 10 consecutive years immediately prior to becoming eligible for retirement. Participating retirees make contributions to the Trust Fund to fund these benefits.

To be eligible for pre-65 coverage under the Legacy BMO Program, retirees must be at least 55 years old, have at least 10 years of service with any BMO entity, worked as a U.S. employee immediately preceding retirement, and enrolled in a BFC-sponsored medical plan immediately prior to retirement.

Post-Medicare benefits in the Legacy BMO Program and the Legacy M&I Program for all Medicare-eligible participants are funded through a Health Reimbursement Account ("HRA"), with a maximum benefit of $3,168 per year; the calculation of the HRA benefit varies by retirement group.

Life Insurance Benefits

Legacy BOTW Program participants each receive $10,000 in life insurance coverage.

Pension Plan Funding

The Pension Plan includes a medical benefit component in addition to normal retirement benefits to fund a portion of the postretirement obligations for retirees and their beneficiaries in accordance with section 401(h) of the Internal Revenue Code (the "IRC"). A separate account (the "401(h) account") has been established and maintained in the Pension Plan for such contributions. The Bank of New York Mellon Corporation ("BNY Mellon") is the trustee and custodian of the 401(h) account assets. In accordance with IRC section 401(h), the Pension Plan's investments in the 401(h) account may not be used for, or diverted to, any purpose other than providing health benefits for retirees, employees, and their beneficiaries. The related obligations for health benefits are not included as obligations in the Pension Plan's statements of accumulated plan benefits, nor are they included in the Plan's statements of net assets available for benefits since these statements are presented on a modified cash basis, but they are disclosed as obligations in Note 3. On January 1, 2024, the 401(h) account balance of $108,786,275 was transferred from the Health and Welfare Plan to the Plan. In 2025, $33,000,000 of the 401(h) account balance was allocated to the Health and Welfare Plan.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

In accordance with the Trust Fund agreement, the accompanying financial statements of the Plan have been prepared on a modified cash basis of accounting. Under such basis, participant contributions and insurance refunds are recorded when cash is received, while insurance premiums and administrative expenses are recorded when cash is disbursed. This basis of accounting differs from accounting principles generally accepted in the United States of America ("U.S. GAAP"), under which insurance refunds are recorded in the period to which they relate, participant contributions are recorded in the period that payroll deductions are made from participants, and insurance premiums and administrative expenses are recognized as incurred.

Investments

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). See Notes 4 and 5 for further discussion and disclosures related to fair value measurements.

The Plan's investments, including investments held in the 401(h) account, are valued as follows:

- Shares of registered investment companies and units of common and collective trusts are valued at quoted market prices, which represent the net asset value of shares or units held by the Plan as of the end of the year.

- Investments in stocks, U.S. government securities, and municipal bonds and notes are stated at fair value as determined by quoted market prices.

- Corporate bonds and notes that are not actively traded are stated at estimated fair value by BNY Mellon through utilization of pricing sources it deems to be objective, including investment advisors.

- The 401(h) account had a regular insurance contract and a separate account contract with Aetna Life Insurance Company ("Aetna"). The regular insurance contract was an immediate participation guarantee contract, which was valued at fair value as reported to the Pension Plan by Aetna. The separate insurance contract had been established for distribution to participants. This contract was also valued at fair value as reported to the Pension Plan by Aetna. Under these contracts, fair value represents deposits made under the contract, plus earnings, less withdrawals and administrative expenses, and is subject to market value adjustments, as detailed in the investment contract.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments (continued)

Security purchases are accounted for on the settlement date, and security sales are recognized on the date proceeds are received. The results of this method are not materially different from using a trade-date method. Gains and losses on sales of securities are based on average costs. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include gains and losses on investments bought and sold, as well as held, during the year.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and benefit obligations, as well as disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of changes in net assets and benefit obligations during the reporting period. Actual results could differ from those estimates.

Fair Value Measurements

The Plan uses fair value measurements in preparing its financial statements, which utilize several inputs, including those that can be readily observable, corroborated, or are generally unobservable. The Plan utilizes market-based data and valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Additionally, the Plan applies assumptions that market participants would use when pricing an asset or liability, including assumptions about risk.

The measurement of fair value includes a hierarchy based on the quality of inputs used to measure fair value. Financial assets and liabilities are categorized into this three-level fair value hierarchy based on the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable inputs.

The various levels of the fair value hierarchy are described as follows:

- Level 1 — Financial assets and liabilities whose values are based on unadjusted quoted market prices for identical assets and liabilities in an active market that the Plan has the ability to access at the measurement date

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (continued)

- Level 2 — Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable for substantially the full term of the asset or liability

- Level 3 — Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement

The use of observable market data, when available, is required in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement.

Plan Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative costs and expenses incurred in the administration of the trust or the Plan are paid from the Trust Fund to the extent determined by BFC. Administrative costs and expenses include legal fees, accounting fees, actuarial services, insurance administration services, direct employment costs of BFC employees providing services to the Plan, and other professional and administrative services. Certain additional expenses are paid by BFC.

Risks and Uncertainties

The Plan invests in various securities, including registered investment companies, government securities, bonds, stocks, insurance company contracts, and common and collective trusts. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is quite possible that changes in the value of investment securities will occur in the near term. Such changes could materially affect the amounts reported in the financial statements.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties (continued)

Benefit obligations are prepared based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Subsequent Events

The Plan's management has evaluated subsequent events through October 14, 2026, the date that the accompanying financial statements were available to be issued.

NOTE 3 — BENEFIT OBLIGATIONS

The Plan's benefit obligations as of December 31, 2025 and 2024 by category of participants, as computed by the Plan's actuary, Mercer, Inc., are as follows:

	2025	2024
Postretirement Benefit Obligations:		
Retirees	$ 39,673,878	$ 38,622,635
Fully eligible participants	10,347,484	11,396,926
Other active participants	11,854,047	12,079,343
Total Postretirement Benefit Obligations	**61,875,409**	**62,098,904**
Other Benefit Obligations:		
Claims incurred but not reported	79,800	72,100
Total Benefit Obligations	**$ 61,955,209**	**$ 62,171,004**

NOTE 3 — BENEFIT OBLIGATIONS (CONTINUED)

Changes in the benefit obligations for the years ended December 31, 2025 and 2024 are as follows:

	2025	2024
Postretirement Benefit Obligations:		
Postretirement benefit obligations, beginning of year	$ 62,098,904	$ -0-
Changes in postretirement benefit obligations attributable to:		
Benefits earned (including service cost, net of benefits paid)	(8,792,134)	(6,793,990)
Changes in actuarial assumptions	8,568,639	(4,402,235)
Transfers of postretirement benefit obligations from:		
Health and Welfare Plan	-0-	56,555,389
Legacy BOTW Program	-0-	16,739,740
Postretirement Benefit Obligations, End of Year	**61,875,409**	**62,098,904**
Other Benefit Obligations:		
Claims incurred but not reported, beginning of year	72,100	-0-
Claims incurred and approved for payment (including benefits reclassified from postretirement benefit obligations)	4,662,700	1,420,100
Claims paid	(4,655,000)	(1,802,000)
Transfer of other benefit obligations from Health and Welfare Plan	-0-	454,000
Other Benefit Obligations, End of Year	**79,800**	**72,100**
Total Benefit Obligations, End of Year	**$ 61,955,209**	**$ 62,171,004**

NOTE 3 — BENEFIT OBLIGATIONS (CONTINUED)

The significant actuarial assumptions used in the valuation of the benefit obligations as of December 31, 2025 and 2024 were as follows:

- Discount rate of 5.2 percent and 5.5 percent for 2025 and 2024, respectively
- Expected long-term rate of return on assets of 4.2 percent for 2025 and 2024 for Legacy BMO Program participants, and 3.3 percent and 2.9 percent for 2025 and 2024, respectively, for Legacy M&I Program and Legacy BOTW Program participants
- For measurement purposes, annual rates of increase of 6.8 percent and 7.1 percent for 2025 and 2024, respectively, for retirements before age 65 in the per capita cost of covered health care benefits were assumed. The rates will be graded down to 4.0 percent for all retirees in 2048 for 2025 and 2024, and remain level thereafter. The trend rate for annual HRA funding has no future increase for Legacy BMO Program and Legacy M&I Program participants, and an increase of three percent for Legacy BOTW Program HRA balances for retirees after age 65. These health care cost trend rates reflect revised projected growth in the per capita gross domestic product ("GDP"), projected long-term wage inflation, projected health care expenditures as a percentage of GDP, and specific initiatives from BFC.

The Plan's benefit obligations are funded through contributions to the Pension Plan in accordance with IRC section 401(h).

NOTE 4 — INVESTMENTS AND FAIR VALUE

The Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31, 2025 and 2024 is summarized as follows:

	Fair Value Measurements			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
2025				
Assets:				
Investments at fair value:				
Registered investment companies	$ 72,307,285	$ -0-	$ -0-	$ 72,307,285

NOTE 4 — INVESTMENTS AND FAIR VALUE (CONTINUED)

	Fair Value Measurements			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total

Total Assets				**107,712,435**
Liabilities:				
Payable to broker for securities purchased				4,376,823
Net Assets				**$ 103,335,612**

During 2025, the Plan's management re-evaluated the fair value hierarchy classification of the investments in common and collective trusts. The Plan's management determined the investment structure has a readily determinable fair value, and classified the investments as such in the disclosure. The 2024 comparative data has been reclassified to be consistent with the 2025 classification.

NOTE 5 — SECTION 401(h) ACCOUNT (CONTINUED)

The changes in the 401(h) account's net assets for the years ended December 31, 2025 and 2024 are summarized as follows:

	2025	2024
Additions:		
Interest income	$ 2,278,393	$ -0-
Net realized and unrealized appreciation in fair value of investments	1,414,674	848,117

Transfer of section 401(h) account net assets from (to) Health and Welfare Plan	(33,000,000)	108,786,275
Change in Section 401(h) Account Net Assets	**(34,279,002)**	**103,335,612**
Section 401(h) Account Net Assets, Beginning of Year	103,335,612	-0-
Section 401(h) Account Net Assets, End of Year	**$ 69,056,610**	**$ 103,335,612**

NOTE 5 — SECTION 401(h) ACCOUNT (CONTINUED)

A summary of certain changes in the fair value of the 401(h) account's Level 3 assets measured at fair value on a recurring basis for the years ended December 31, 2025 and 2024 is as follows:

	Insurance Company Contracts	
	2025	**2024**
Purchases	$ -0-	$ 1,576,227
Sales	1,079,024	129,008

The 401(h) account invests in common and collective trusts, which invest primarily in equities and short-term investments, such as money market funds. These accounts may be redeemed at any time without any restrictions. There are no unfunded commitments to acquire additional units of these accounts as of December 31, 2025 or 2024.

NOTE 6 — MEDICARE PART D SUBSIDY

The Medicare Prescription Drug, Improvement and Modernization Act of 2003 (the "Act") provides a prescription drug benefit under Medicare (Medicare Part D), as well as a federal subsidy to sponsors of retiree health care plans that provide a benefit that is at least actuarially equivalent to Medicare Part D. BFC, with the assistance of its actuary, has determined that the retiree medical benefit is at least actuarially equivalent to Medicare Part D. Because the Medicare Part D subsidy is paid to BFC and is not paid directly into the Plan's assets, the postretirement benefit obligations do not reflect the effects of the Medicare Part D subsidy on the Plan. BFC's management may elect to voluntarily contribute Medicare Part D subsidies into the Plan's assets as additional employer contributions.

NOTE 7 — PLAN TERMINATION

BFC has the right to terminate the Plan at any time. In the event of a termination, BFC, the trustee of the Plan, will determine the amount of the Trust Fund assets allocable to the Plan and distribute these assets in accordance with the provisions of the Plan. Except for the right to receive benefits as provided by the Plan, participants have no vested interest in the assets of the Plan or in any contributions to the Plan.

NOTE 8 — INCOME TAX STATUS

The Trust Fund received a ruling from the Internal Revenue Service (the "IRS"), with an effective date of March 15, 2004, stating that the Trust Fund qualifies under section 501(c)(9) of the IRC. The Plan administrator believes that the Plan is designed and is being operated in accordance with applicable rules and regulations and, therefore, continues to qualify under the IRC, and that the related Trust Fund is exempt from taxation.

U.S. GAAP requires the Plan's management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Administration Committee has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is also subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

The Trust Fund paid approximately $749,000 and $2,637,000 in federal excise tax during the years ended December 31, 2025 and 2024, respectively, on investment income subject to tax as unrelated business taxable income.

NOTE 9 — RELATED PARTIES AND PARTIES-IN-INTEREST

BFC acts as the trustee over the Plan's trust assets, except for the 401(h) account assets, for which BNY Mellon acts as the trustee. Additionally, BMO Global Asset Management acts as one of the Plan's investment managers. As such, transactions with these entities qualify as party-in-interest transactions and are included in administrative expenses in the accompanying financial statements. These entities work together to service the Plan in accordance with the Plan and trust agreements. All investment and trustee activities are handled by these entities and are monitored by the Administration Committee and the Benefits Investment Committee of BFC.

NOTE 10 — RESTATEMENT

In 2025, the Plan's management identified that a cash account had been omitted from the financial statements as of December 31, 2024. This account was used to facilitate the operational cash flow of the Plan, to receive transfers from the Plan's trust account, and to subsequently distribute payments for claims, administration expenses, and insurance premiums. As a result, cash and various additions to, and deductions from, net assets available for benefits were misstated, and net assets available for benefits were understated as of December 31, 2024.

NOTE 10 — RESTATEMENT (CONTINUED)

The financial statements as of, and for the year ended, December 31, 2024 have been adjusted to correct this error retrospectively.

The impact of this restatement as of, and for the year ended, December 31, 2024 on the Plan's financial statements is as follows:

	Restated	As Originally Reported
As of December 31, 2024:
