INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
HughesLeahyKarlovic, Inc. 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of HughesLeahyKarlovic, Inc. 401(K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of HughesLeahyKarlovic, Inc. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of HughesLeahyKarlovic, Inc. 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HughesLeahyKarlovic, Inc. 401(K) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HughesLeahyKarlovic, Inc. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HughesLeahyKarlovic, Inc. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2025 and delinquent participant contributions for the year then ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HughesLeahyKarlovic, Inc. 401(K) Plan
Notes to Financial Statements
December 31, 2025 and 2024

1. DESCRIPTION OF THE PLAN

The following brief description of HughesLeahyKarlovic, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by HughesLeahyKarlovic, Inc. (the "Company" or "Plan Administrator"). It is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until December 31, 2026, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Ascensus, LLC, an authorized representative of Ascensus Trust Company and Newport Trust Company, LLC ("Ascensus") is the recordkeeper and trustee.

Eligibility

The Plan covers all employees of the Company with no service or age requirements. Participants are eligible to participate in the Plan beginning the first day of the month following their date of hire. Participants are eligible for the Company matching contribution and all other Company contributions on the first day of the month following one-year of service.

Contributions

Participants can contribute up to 100% of pretax annual compensation, as defined in the Plan, as pretax or Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Contributions are subject to certain Internal Revenue Service ("IRS") limitations. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. The Plan automatically enrolls participants with a deferral rate set at 8% of eligible compensation. In addition, the Plan provides for an automatic escalation provision, automatically increasing participant deferral contributions 1% each year until the participant reaches a 10% deferral rate. Participants may opt out at any time.

The Plan provides for matching contributions. For the years ended December 31, 2025 and 2024, the Company matched 25% of the first 8% of eligible compensation.

1. DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

The Company may also make discretionary contributions. There were no discretionary contributions made by the Company for the years ended December 31, 2025 and 2024.

Vesting

Participants are 100% vested in their deferral contributions and rollovers plus actual earnings (losses) thereon. Vesting in Company contributions is based on years of service. Participants vest at 20% after two years of service, 40% after three years of service, 60% after four years of service, 80% after five years of service, and become fully vested after six years of service. Participants also become 100% vested upon reaching normal retirement age (age 65), death, or becoming disabled.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to pay Plan expenses or to reduce future Company contributions. Forfeited non-vested accounts amounted to $4,683 and $8,007 as of December 31, 2025 and 2024, respectively. For the years ended December 31, 2025 and 2024, forfeitures used to pay Plan expenses and to reduce Company contributions amounted to $19,829 and $25,822, respectively.

Participant accounts

Each participant's account is credited with the participant's contributions, Company contributions and an allocation of Plan earnings. The allocation of earnings is determined by the earnings of the participant's investment selection based on each participant's account balance, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants

A participant may borrow a minimum of $1,000 from his or her account with a maximum of two loans outstanding at any given time. In no event can the participant borrow more than $50,000 or 50% of his or her vested account balance, whichever is less. Loans are for a period not to exceed five years, unless used to acquire a personal residence, and then the loan may extend to fifteen years. Loans bear interest at a reasonable fixed rate of interest equal to the Prime rate plus 1%. All loans are secured by the participant's vested account balance and are payable in installments of principal and interest through payroll deductions.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Code ("IRC") are recorded as a liability with a corresponding reduction to contributions.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

Participants are entitled to receive the balance of their accounts upon death, total disability, retirement, or termination of employment in the form of a lump-sum or annuity. Participants are also entitled to receive early retirement benefits, upon reaching age 55 with six years of vesting service.

In-service withdrawals

Participants who attain the age of 59-1/2 may withdraw any portion of their vested account balance. In certain circumstances, a participant may elect a hardship distribution, as defined in the Plan Document. In-service distributions may not be less than $1,000.

Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. A portion of the administrative expenses of the Plan are paid by the Company. Fees related to the administration of notes receivable from participants and distributions are charged to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are maintained on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of estimates

The preparation of financial statements in conformity with US GAAP requires the Plan Administrator to make estimates and assumptions that affect certain amounts reported in the financial statements and related notes. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits

Benefit payments are recorded when paid.

Subsequent events

Subsequent to year end the Company changed their recordkeeper and trustee from Ascensus to JPMorgan Invest Holdings LLC. The Plan has evaluated subsequent events through October 14, 2026, which is when the financial statements were available to be issued.

3. CERTIFICATIONS OF INVESTMENT INFORMATION

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the Plan's investment information, and related activity, certified by the Trustee as defined in Note 1, determined to be a qualified institution by the Plan administrator, as complete and accurate, except for comparing such information to corresponding information included in the Plan's financial statements and supplemental schedule of assets (held at end of year). The Trustee has certified that the following data included in the financial statements is complete and accurate:

* Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024.

* Net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants reflected on the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024.

3. CERTIFICATIONS OF INVESTMENT INFORMATION (continued)

* Investments reflected on the schedule of assets (held at end of year) as of December 31, 2025 ("supplemental schedule"). Accordingly, the Plan's independent auditor performed no audit procedures on the certified information other than to agree the certified information to the information included in the Plan's financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- *Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- *Level 2* - Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- *Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

4. FAIR VALUE MEASUREMENTS (continued)

Collective Trust Fund - The Plan's collective trust fund is held in a separate investment account, which is valued using the readily determinable fair value ("RDFV"). The RDFV is based on the value of the underlying assets owned by the fund. The collective trust fund held by the Plan publishes their RDFV daily and transacts at that price.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	$ 22,508,806	$ -	$ -	$ 22,508,806
Collective trust fund	37,998	-	-	37,998
	$ 22,546,804	$ -	$ -	$ 22,546,804

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	$ 20,074,505	$ -	$ -	$ 20,074,505
Collective trust fund	390,477	-	-	390,477
	$ 20,464,982	$ -	$ -	$ 20,464,982

5. INCOME TAX STATUS

The Plan has adopted a prototype standardized plan, for which a favorable opinion letter was issued by the IRS on June 30, 2020. The Plan itself has not received a determination letter. The Plan has been amended since the date of the opinion letter. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. PARTY-IN-INTEREST TRANSACTIONS

ERISA defines party-in-interest similar to a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Plan management did not identify any related parties to the Plan that were not also considered to be parties-in interest. The Plan did not enter into any material related party transactions during the Plan year related to compensation, arrangements, expense allowances or similar items. Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain Plan assets are held within investments of The Vanguard Group, Inc., the Plan's custodian. Expenses paid to The Vanguard Group, Inc. for custodial services for the years ended December 31, 2025 and 2024 were $25,086 and $26,345, respectively.

These transactions are considered party-in-interest transactions allowable under ERISA.

9. DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company had late employee deferral and loan repayment contributions totaling $319,015, $474,794, and $2,175 for the Plan years ended December 31, 2023, 2021, and 2019, respectively. The 2019, 2021 and 2023 late remittances were corrected in 2024.
