INDEPENDENT AUDITORS' REPORT

BancFirst Corporation Health Benefit Committee
BancFirst Employees' Health Benefit Plan
Oklahoma City, Oklahoma

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the BancFirst Employees' Health Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits and the plan benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for plan benefits and changes in plan benefit obligations for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from BancFirst Trust and Investment Management (the trust division of BancFirst Corporation), a qualified institution, as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITORS' REPORT, CONTINUED

Auditors' Responsibilities for the Audit of the Financial Statements, Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

(Continued)

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2025, and Schedule H, line 4j—Schedule of Reportable Transactions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) DESCRIPTION OF THE PLAN

The following description of the BancFirst Employees' Health Benefit Plan (the "Plan") provides only general information. Participants should refer to the plan document and Summary Plan Description for a more complete description of the Plan's provisions, which are available from the plan administrator.

General

The Plan provides health and other benefits covering all employees of BancFirst Corporation (the "Sponsor"). Certain plan assets are held in a Voluntary Employee's Beneficiary Association (VEBA) trust. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Payment of Benefits

The Plan provides health benefits (medical, hospital, surgical, major medical, and dental) and permanent disability benefits to full-time participants (regular, full-time, active employees who work 30 hours or more per week) and to their beneficiaries and covered dependents. Retired employees are entitled to similar health benefits (in excess of Medicare coverage), provided they have attained at least age 62 and have 10 consecutive years of service before retirement or have attained at least age 55 and have 25 years of service before retirement. Retirees are eligible under the Plan until they attain the age of 65. The Plan also provides health benefits to participants during periods of unemployment for up to 18 months.

Health and disability claims of active and retired participants, dependents, and beneficiaries are processed by The Kempton Group ("Kempton") and by Blue Cross and Blue Shield of Oklahoma, a division of Health Care Service Corporation ("BCBS"), but the responsibility for payments to participants and providers is retained by the Plan.

Benefit payments are expensed when reimbursements are made by the third-party administrator.

Contributions and Funding Policy

The Sponsor's regular contributions reflect amounts determined annually by the Plan's actuary. In addition, the Sponsor may make contributions for the purpose of funding future benefits. Employees and retirees contribute specified amounts, determined periodically by the Plan's actuary, toward the cost of the Plan.

For 2025 and 2024, employees were required to contribute the applicable subscriber rate for their elected coverage. Required contributions differed between Blue Options Plan I and Blue Options Plan II and between coverage tier options for employee-only, employee and spouse, employee and children, or family. Dental coverage could be elected separately and was subject to its own contribution rates.

(1) DESCRIPTION OF THE PLAN, CONTINUED

Contributions and Funding Policy, Continued

For 2025 and 2024, retirees were required to contribute the applicable COBRA rates for their elected coverage. Required contributions differed between Blue Options Plan I and Blue Options Plan II and between retiree-only coverage and coverage that included a spouse. Dental coverage could be elected separately and was subject to its own contribution rates.

The portion of estimated annual postretirement claims costs funded by retirees was based on the applicable COBRA contribution rates established at the beginning of each year for the coverage elected, rather than a fixed percentage of retirees' expected claims costs. Because those rates reflect the group health insurance program rather than the age-adjusted expected claims costs of retired participants, required retiree contributions may be less than the expected cost of their benefits. The Sponsor funds the excess costs. Expected claims costs exclude benefits paid by Medicare and deductibles, copayments, and other amounts participants pay directly to medical providers.

The Plan did not have changes in the funding policy during 2025 or 2024. The required retiree contributions for those years did not include additional amounts to recover prior-year cost-sharing shortfalls or reductions to compensate for prior-year overcharges.

Plan Termination and Other

Although it has not expressed an intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. Additionally, the Sponsor reserves the right to periodically amend the benefits provided under the Plan.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States require management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value (see Note 7). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Postretirement Benefits

The postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed to employee services rendered to December 31, 2025 and 2024.

Postretirement benefits include future benefits expected to be paid to or for: (a) currently retired or terminated employees and their beneficiaries and dependents; and (b) active employees and their beneficiaries and dependents after retirement from service. The postretirement benefit obligation represents the amount that is to be funded from the Plan's contributions and from existing plan assets. The obligation is measured as the excess of expected claims plus administrative costs less retiree contribution premiums. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is determined by the Plan's actuary and is the amount that results from applying actuarial assumptions to historical claims cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements, such as those for disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

For measurement purposes, a 7.50% annual rate of increase in the per capita cost of covered healthcare benefits was assumed for both 2025 and 2024. That rate is assumed to decrease annually gradually to 4.5% for 2037 and thereafter.

The following were other significant assumptions used in the valuations as of 2025 and 2024:

	2025	2024
Weighted-average discount rate	5.41%	5.49%
Average retirement age	57.6	61.1
Mortality table used	Pri-2012, Private Retirement Plan Headcount-Weighted Mortality with White-Collar Dataset and MP-2021 Full Generational Improvement	Pri-2012, Private Retirement Plan Headcount-Weighted Mortality with White-Collar Dataset and MP-2021 Full Generational Improvement
Spouse enrollment	40%	45%

See Independent Auditors' Report.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Postretirement Benefits, Continued

The foregoing assumptions are based on the presumption that the Plan will continue. If the Plan were to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of postretirement benefit obligations.

Other Plan Benefits

Plan obligations for accumulated eligibility of participants and for future disability payments to members considered permanently disabled are estimated by the Plan's actuary in accordance with accepted actuarial principles. Such estimated amounts are reported in the accompanying statements of plan benefit obligations at present value based on a 5.41% and 5.49% discount rate in 2025 and 2024, respectively. The discount rate was determined by discounting expected future cash flows by the corresponding duration spot rate as reported by the FTSE Pension Liability Index as of December 31, 2025 and 2024, respectively, and developing the implied weighted average discount rate.

Plan liabilities for health claims incurred but not reported are estimated based on historical claims experience and actual claims reported subsequent to the Plan's year-end.

Tax Status

The Plan has not obtained a determination letter in which the Internal Revenue Service would state that the Plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code and therefore not subject to tax. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes the Plan is qualified and the related trust is tax-exempt as of December 31, 2025 and 2024.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specified dollar amount, as well as its aggregate exposure for all claims). Premiums for stop-loss coverage are included in administrative expenses in the accompanying statements of changes in net assets available for plan benefits. Stop-loss refunds totaling $361,609 and $41,027 in 2025 and 2024, respectively, have been netted with benefits paid in the accompanying statements of changes in net assets available for plan benefits.

See Independent Auditors' Report.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Administrative Expenses

Administrative expenses may be paid by the Sponsor or by the Plan, at the Sponsor's discretion.

Date of Management's Review of Subsequent Events

Management has evaluated subsequent events through October 14, 2026, the date that the financial statements were available to be issued, and determined that no subsequent events occurred that require adjustment to or disclosure in the financial statements.

(3) INVESTMENTS

The Plan's investments are held by a trust fund administered by the trust division of BancFirst of Oklahoma. The Plan's investment fair values as of December 31 were as follows:

	2025	2024
Money market funds	$ 5,480,479	5,431,017

Interest and dividends realized on the Plan's investments for the years ended December 31, 2025 and 2024, were $206,509 and $252,487, respectively.

(4) INFORMATION PREPARED AND CERTIFIED BY PLAN TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following data included in the accompanying financial statements and supplemental schedules are complete and accurate as certified by the trustee.

- Investments as shown in the statements of net assets available for plan benefits as of December 31, 2025 and 2024.
- Investment activity (interest and dividends) as shown in the statements of changes in net assets available for plan benefits for the years ended December 31, 2025 and 2024.
- Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2025, as shown on supplemental Schedule I.
- Schedule H, line 4j—Schedule of Reportable Transactions for the year ended December 31, 2025, as shown on supplemental Schedule II.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

See Independent Auditors' Report.

(5) POSTRETIREMENT BENEFIT OBLIGATIONS

The weighted-average healthcare cost-trend rate assumption (see Note 2) has a significant effect on the amounts reported in the accompanying financial statements. If the assumed rates increased by one percentage point in each year, it would increase the postretirement benefit obligations as of December 31, 2025 and 2024, by approximately $140,000 and $134,000, respectively.

(6) PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Plan's investments are held by the trust division of the Sponsor as trustee. For each of the years ended December 31, 2025 and 2024, the Plan paid the trustee $5,000 for administrative expenses.

The Plan recognized total payables of approximately $2,348,000 and $1,505,000 to BCBS and Kempton for administrative expenses and claims paid by BCBS and Kempton during the years ended December 31, 2025 and 2024, respectively, which had not been reimbursed by the Plan as of the respective year-end.

The Sponsor provides certain administrative services at no cost to the Plan and does not expect to be reimbursed for the services provided.

(7) FAIR VALUES MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities.

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

(7) FAIR VALUES MEASUREMENTS, CONTINUED

The following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for plan benefits, as well as the general classification of such assets pursuant to the valuation hierarchy.

Money Market Fund

Valued at the daily closing price as reported by the fund. The money market fund is an open-end mutual fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily net asset value and to transact at that price. The money market fund is deemed to be actively traded.

There have been no significant changes in the valuation techniques during the year ended December 31, 2025 or 2024. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for plan benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31:

		Fair Value Measurements at Reporting Date Using		
	Assets Measured at Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2025				
Money market fund	$ 5,480,479	5,480,479	-	-
2024				
Money market fund	$ 5,431,017	5,431,017	-	-

The Plan had no assets measured at fair value on a recurring basis that were transferred into or out of Level 3 for the year ended December 31, 2025 or 2024. The Plan had no purchases, sales, or issues of Level 3 assets for the year ended December 31, 2025 or 2024.

(8) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, inflation rates, healthcare inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimation and assumption process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
