INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Board of Trustees
Caldwell Holding Company 401(k) Plan
Columbia, Louisiana

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Caldwell Holding Company 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Capital Bank and Trust Company as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

CALDWELL HOLDING COMPANY
401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Caldwell Holding Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan available to all employees of Caldwell Holding Company (the Company) and two of its subsidiaries, Caldwell Bank and Trust and Citizens Progressive Bank, who have completed three months of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute an amount equal to a percentage of their compensation, not to exceed the limits permissible under Section 402(g) of the Internal Revenue Code, on a pre-tax basis. In addition, participants may contribute amounts representing rollovers from other qualified defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company shall make a matching contribution equal to 100% of up to the first 4% of compensation deferred by the participant during the Plan year. The Company may, at its discretion, make a profit sharing contribution. During the years December 31, 2025 and 2024, the Company made a profit sharing contribution of $0 and $0, respectively.

Participant Accounts - The Plan shall maintain, for each participant, a separate employee account to record the participants' contribution and allocations of the employer-matching contribution and Plan earnings (losses), and to charge with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the employer's contribution portion of their account is based on years of continuous service. A participant is 100% vested after six years of credited service for matching and profit sharing contributions.

The vesting schedule is as follows:

Years of Service	Vested Percentage
Less than 2 years	0%
2 full years	20%
3 full years	40%
4 full years	60%
5 full years	80%
6 full years	100%

An employee who performs at least 1,000 hours of service during the Plan year will be credited with one year of vesting service. An employee who separates from service prior to becoming 100% vested will forfeit the unvested portion of employer contributions in their account balance.

CALDWELL HOLDING COMPANY
401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Participant Loans - The Plan does not permit participants to take a loan from the Plan.

Payments of Benefits - On qualification for benefits, a participant will receive a lump-sum amount equal to the participant's interest in the Plan. However, the participant may elect to receive partial payment under a continuous right of withdrawal pursuant to which the participant may withdraw such amounts at such times as they shall elect.

Forfeitures - At December 31, 2025 and 2024, forfeited nonvested accounts totaled $9,680 and $5,111, respectively. These funds may be used to reduce future employer contributions or may also be used to pay administrative expenses of the Plan, as defined in the Plan document. Also, in December 31, 2025 and 2024, employer contributions were reduced by $1,604 and $0, respectively, from forfeited nonvested accounts.

Earnings - The Plan's investments are participant-directed and thus all earnings are allocated to the respective participant's accounts based on their investment selections.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The significant estimate used in these financial statements is the fair value of investments. Actual results could differ from this estimate.

Basis of Accounting - The accompanying financial statements and supplemental schedule are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Other expenses may be paid out of Plan assets, as outlined in the Plan document. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Date of Management's Review - Management has evaluated subsequent events through October 9, 2026, which is the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs are inputs from quoted market prices in active markets for similar assets and liabilities, which are observable for the asset or liability, either directly or indirectly; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented. There were no significant transfers in or out of Levels 2 or 3 for the years ended December 31, 2025 and 2024.

Level 1 Fair Value Measurements

The fair values of money market funds are based on quoted net asset values of shares as reported by the fund. The funds must publish their daily net asset value and transact at that price. The money market funds held by the Plan are considered to be actively traded.

The fair values of mutual funds are based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024, are reported in net appreciation in fair value of investments.

The following tables set forth, by level within the fair hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

NOTE 4 - INVESTMENTS

Unaudited Information Certified by the Plan Custodian

The December 31, 2025 and 2024 statements of net assets available for benefits, the investment activities included in the statements of changes in net assets available for benefits for the years then ended, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. The following information included in the accompanying financial statements, notes to the financial statements, and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the Custodian:

	2025	2024
Cash	$ -	$ -
Investments, at fair value	8,765,377	9,213,990
Net appreciation in fair value of investments	700,450	595,971
Dividends and interest	770,548	662,274

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE 5 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Fees paid to the Custodian by the Plan for investment management, custodial, and processing services amounted to $2,300 and $7,661 for the years ended December 31, 2025 and 2024, respectively. These transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - TAX STATUS

The Plan uses a nonstandardized 401(k) Plan document sponsored by Capital Group Retirement Plan Services. Capital Group Retirement Plan Services received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the nonstandardized 401(k) Plan document satisfies the applicable provisions of the Internal Revenue Code of 1986, as amended (IRC). The Plan itself has not received a determination letter from the IRS, and the Plan document has been amended since the date of the IRS opinion letter. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirement of the IRC and, therefore, believes the Plan is qualified.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets per Schedule H of Form 5500 as of December 31, 2025:

NOTE 10 - NONEXEMPT TRANSACTIONS

As reported on the supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4(a)), certain Plan contributions were not remitted to the Custodian within the time frame specified by the Department of Labor's Regulation 29 CFR 2510.3-102, thus constricting nonexempt transactions between the Plan and the Company. The contributions are pending correction inside the Voluntary Fiduciary Correction Program (VFCP).
