Independent Auditor's Report

To the Plan Administrator and Those Charged with Governance of
City Holding Company Employee Health and Welfare Plan
Cross Lanes, West Virginia

Opinion

We have audited the accompanying financial statements of City Holding Company Employee Health and Welfare Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of City Holding Company Employee Health and Welfare Plan as of December 31, 2025 and 2024, and the changes in its benefit obligations and net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of City Holding Company Employee Health and Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about City Holding Company Employee Health and Welfare Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining

sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of City Holding Company Employee Health and Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about City Holding Company Employee Health and Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

City Holding Company
Employee Health and Welfare Plan

Notes to Financial Statements

December 31, 2025

Note 1 – Plan Description

The following description of the City Holding Company Employee Health and Welfare Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

General

The Plan is a defined benefit health and welfare plan established February 1, 1991 to provide certain medical, life, accident, disability, and dental benefits to all eligible employees, including their dependents, of City Holding Company and its wholly-owned subsidiaries (the "Sponsor"). In order to participate in the Plan, employees must work a minimum of 24 hours per week. Employees become eligible to participate in the Plan on the first day of the month following their employment date. Employee dependents must also satisfy certain eligibility criteria for participation in the Plan. The Plan also provides these benefits to employees, and their dependents, previously covered under the Plan who meet certain qualifying event criteria specified by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). These former employees and their dependents are entitled by law to have access to medical coverage for limited periods of time as mandated by COBRA. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective January 1, 2024, the Plan document was amended to revise the mandated benefit for testing and treatment for COVID-19 required during the Pandemic back to the standard benefit allowed under the Plan for any other infectious disease or respiratory illness.

Benefits

The Plan includes a partially self-insured medical trust to cover all employees, including qualified dependents, who wish to participate in the Plan and satisfy eligibility requirements. Participants, after selecting single, employee-plus-one, or family coverage, contribute toward the Plan's costs for medical, dental, vision and prescription drug coverage. The Plan maintains a stop-loss agreement with an insurance company under which the insurance company is obligated to reimburse the Plan for payments of claim expenses exceeding the Plan's claim liability limit.

The Plan also provides life insurance and accidental death and dismemberment insurance for all qualified employees at no cost to the employee. Minimum life coverage is $50,000 and maximum life coverage is $800,000.

Through July 31, 2024, the Plan offered supplemental life insurance and long-term care insurance to employees and their dependents on a voluntary basis. Employees paid 100% of the cost of these insurances based upon their selected level of coverage. Effective August 1, 2024, the long-term care insurance policy was canceled by the provider and is no longer provided to employees on a voluntary basis.

Long-term disability benefits, for either total or partial disability, are paid when an employee has been unable to work for a period of 180 days and is medically deemed unable to return to work.

Insurance policies have been obtained by the Plan to provide life insurance, accidental death and dismemberment, long-term disability benefits, voluntary supplemental life insurance, and voluntary long-term care.

All other Plan benefits are self-insured. Health claims of active participants and their covered dependents are processed by the Plan Administrator.

If the Plan is terminated, the participant is not entitled to benefits after the effective date of termination. Any such termination shall not affect a participant's right to benefits for claims incurred prior to termination.

Any rebates received by the Plan are netted against claims paid.

Effective January 1, 2025, the Plan changed claims processors from Benefits Assistance Company, LLC to Highmark Blue Cross Blue Shield (Highmark) for medical, pharmacy, and vision claims, along with United Concordia Companies, Inc. (UCCI) for dental claims. In addition, the Plan increased applicable deductible limits, co-insurance limits, maximum cost-sharing for essential health benefits, and the vision benefit maximum, as defined.

Stop Loss Coverage

The Plan has carried stop-loss insurance with Nationwide Life Insurance Company in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount). Effective January 1, 2025, the Plan changed stop-loss insurance providers to HM Insurance Group. Stop-loss reimbursements received are netted against health care benefits paid. For the year ended December 31, 2025, stop-loss reimbursements received totaled $1,414,190.

Contributions

The Sponsor's funding policy is to make monthly contributions to the Plan in such amounts that all benefits, excluding voluntary benefits, will be fully provided for according to the Plan's provisions. Employees provide periodic contributions through payroll withholdings based on the level of coverage selected for medical and dental benefits, voluntary supplemental life insurance, and voluntary long-term care benefits.

Employee premiums are determined internally and approved by management. An analysis is performed on current and prior year costs, benchmark reports, and benefits surveys to determine the amount of increase for employees each year.

Plan funding is monitored by the Plan Administrator. Claim payments, stop-loss insurance premiums, retention, and administrative fees and expenses are paid by the Plan's trust. Contributions to the Plan are deposited directly into the trust by the Sponsor, as stipulated by the Plan document.

Administrative Services Agreement

Benefits Assistance Company, LLC was the recordkeeper for the Plan and served as the claims processor through December 31, 2024. Fees paid by the Plan to Benefits Assistance Company, LLC as part of the final billing arrangement with the Plan were $124,017 during 2025. Highmark and UCCI are the recordkeepers for the Plan and serve as the claims processors effective January 1, 2025. Fees paid by the Plan to Highmark and UCCI were $506,111 during 2025.

Note 2 – Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Cash

The Plan's cash is held at a commercial bank. Funds are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. At times, deposits may exceed federally insured limits.

Benefit Obligations

As of December 31, 2025 and 2024, material benefit obligations of the Plan consist of claims payable, which include claims processed and unpaid at year-end and estimated claims incurred but not reported. The Plan has estimated the claims incurred but not reported based on historical claim information.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Sponsor, as provided by the Plan document.

Claims Payable and Claims Incurred but not Reported

Plan obligations for unprocessed health, vision, prescription, and dental claims, as well as claims incurred by active participants but not reported at that date, are estimated by the Sponsor based on claims runout information provided by Benefit Assistance Company, LLC, Highmark, and UCCI. For purposes of this calculation, the Plan does not distinguish between claims reported and not paid and obligations incurred but not reported. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Subsequent Events

Subsequent events were evaluated through October 14, 2026, the date the financial statements were available to be issued.

Note 3 – Tax Status

Although the Trust, as established under the Plan, has not received an exemption letter from the Internal Revenue Service stating that the trust is tax-exempt under Section 501(a) of the *Internal Revenue Code* (*IRC*), as a Voluntary Employee

Beneficiary Association, the Plan Administrator believes the Plan and its associated Trust have been designed and are operating to qualify under the appropriate sections of the *IRC* as exempt from federal income taxes. As an employee welfare benefit plan, the Plan and its associated Trust are operating in conformity with the *IRC* and ERISA.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 4 – Related Party Transactions

The Sponsor provides certain accounting and administrative services to the Plan without charge. The Sponsor also pays certain administrative costs on behalf of the Plan, including legal and accounting fees.

Plan assets are invested in a noninterest-bearing checking account maintained with one of the Sponsor's subsidiaries.

Note 5 – Plan Termination

Although it has expressed no intention to do so, the Sponsor reserves the right to discontinue the Plan at any time, and for any reason, and without notice to the members.
