REPORT ON AUDIT

DECEMBER 31, 2025

LETHERT
ACCOUNTANTS • ADVISORS

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Twin Cities Spine Center 401(k) Profit Sharing Plan and Trust
Minneapolis, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of **Twin Cities Spine Center 401(k) Profit Sharing Plan and Trust**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of **December 31, 2025** and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Twin Cities Spine Center 401(k) Profit Sharing Plan and Trust's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of **December 31, 2025** and 2024, and for the year ended **December 31, 2025**, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Twin Cities Spine Center 401(k) Profit Sharing Plan and Trust** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Twin Cities Spine Center 401(k) Profit Sharing Plan and Trust's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user

based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Twin Cities Spine Center 401(k) Profit Sharing Plan and Trust's** internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Twin Cities Spine Center 401(k) Profit Sharing Plan and Trust's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the

certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

5. Investment Options

Upon enrollment into the Plan, a participant may direct employee and Company contributions in any of the funds offered by the Plan or through self-directed brokerage accounts. Participants may change their investment options daily.

6. Participant Accounts

Each participant's account is credited with the participant's salary reduction contributions; catch-up contributions; Roth contributions; rollover contributions; and the Company's safe harbor and discretionary contributions, as well as an allocation of the Plan's earnings. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

7. Vesting

Participants are immediately vested 100 percent in their salary reduction (pre-tax and Roth), catch-up, rollover, safe harbor, and discretionary contributions.

8. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of 50 percent of their vested interest in the Plan or $50,000. The loans are secured by the balance in the participant's account and bear interest at 1.00 percent over the Prime Rate. Principal and interest is paid ratably through payroll deductions over a period not to exceed 5 years, with longer term loans available for the purchase of a primary residence. A participant may have no more than one outstanding loan at any time.

9. Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments as defined in the Plan document. An active participant is allowed to receive a distribution from the Plan prior to termination of employment provided they have obtained age 59 1/2 or normal retirement age, as defined in the Plan document. A terminated employee with a balance of less than $7,000 may be automatically paid out by the Plan upon termination. In the event of termination of employment (other than for death, disability, or retirement after age 59 1/2), participants are entitled to all of their account balances.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

10. Forfeitures

Participants who terminate before year-end are not eligible to receive any discretionary employer contributions for the Plan year, and may lead to forfeited contributions. These forfeitures can be used to reduce Plan expenses or future Company contributions. As of **December 31, 2025** and 2024, forfeited nonvested accounts totaled **$0** and $9,363, respectively. During the years ended **December 31, 2025** and 2024, forfeitures of **$9,484** and $11,136 were used to reduce Company contributions.

11. Other

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at anytime and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND USE OF ACCOUNTING ESTIMATES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Accounting Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("US GAAP") requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, Trustee and insurance companies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as those held during the periods ended **December 31, 2025** and 2024.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND USE OF ACCOUNTING ESTIMATES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of **December 31, 2025** and 2024. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution and not accrued upon termination of employment.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no changes in the methodologies used at **December 31, 2025** and 2024.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds, common stocks, and money market funds that are valued on the basis of readily determinable market prices (Level 1).

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held are deemed to be actively traded (Level 1).

Stable value funds: Valued using net asset value, which approximates fair value. Net asset value of these funds is based on the underlying assets' fair value, which reflects the contract value of the fully benefit-responsive investment contracts held inside the fund. The net asset value is being used as a practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of **December 31, 2025** and 2024.

December 31, 2025	**Fair Value**	**Fair Value Measurements Using: Level 1**
Mutual funds	**$ 36,289,619**	**$ 36,289,619**
Self-directed brokerage accounts	**8,134,147**	**8,134,147**
Total	**$ 44,423,766**	**$ 44,423,766**
Investments measured at NAV (*)	**895,296**	
Total Investments at fair value	**$ 45,319,062**	

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

December 31, 2024	Fair Value	Fair Value Measurements Using: Level 1
Mutual funds	$ 31,495,574	$ 31,495,574
Self-directed brokerage accounts	7,121,483	7,121,483
Total	$ 38,617,057	$ 38,617,057
Investments measured at NAV (*)	825,262	
Total Investments at fair value	$ 39,442,319	

* Investments that are measured at fair value using the NAV per share practical expedient have not been categorized in the fair value hierarchy table. The fair value amounts presented in this table are intended to reconcile the fair value hierarchy table to the amounts presented in the Statements of Nets Assets Available for Benefits.

The following table sets forth additional disclosures for the fair value measurement of investment in certain entities that calculate net asset value per share (or its equivalent) as of December 31. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only for Plan-level terminations:

December 31, 2025

Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Value Fund	$ 895,296	n/a	Daily	12 months

December 31, 2024

Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Value Fund	$ 825,262	n/a	Daily	12 months

The fund's objective is the safety and preservation of principal and accumulated interest for participant-initiated transactions. It invests entirely in the MetLife Group Annuity Contract (GAC) 25053, which utilizes separately managed portfolio sleeves wrapped by Metropolitan Life Insurance Company.

NOTE 4 INFORMATION CERTIFIED BY ACENSUS TRUST COMPANY

The Plan sponsor has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA for **2025** and 2024. Accordingly, as permitted under such election, no independent auditing procedures were performed with respect to the information certified by the asset custodian Acensus Trust Company, as of and for the year ended **December 31, 2025** and 2024.

NOTE 4 INFORMATION CERTIFIED BY ASCENSUS TRUST COMPANY (CONTINUED)

The asset custodian has certified the completeness and accuracy of the Plan's statements of accounts, including beginning and ending balances of investments held, contributions received, and detail of all transactions occurring during the period, including investment income.

NOTE 5 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

A party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides service to the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee organization, or a relative of such persons mentioned.

Certain Plan investment options are investments offered by the Trustee of the Plan. Additionally, fees incurred by the Plan for investment manager services are included in investment income for the audit periods. The Plan also issues loans to participants that are secured by the vested balance in the participants' accounts. As such, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 6 TAX STATUS

The Plan uses a Prototype Plan document established by the Trustee, who received an opinion letter from the Internal Revenue Service dated June 30, 2020, which stated the Prototype Plan document satisfies applicable regulations of the IRC. The Company believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

US GAAP requires the Company to evaluate tax positions taken by the Plan. The effects of an uncertain tax position are recognized in the financial statements when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan and has concluded that as of **December 31, 2025** and 2024, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market conditions, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

The Plan had investments of **$7,210,069** and $6,300,567 that were concentrated in one fund at **December 31, 2025** and one fund at 2024, respectively.

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS

The Form 5500 has been prepared recognizing all investment income, including dividends and interest; realized gains and losses; and unrealized gains and losses, reported as net investment gain (loss) from registered investment companies, rather than separated as shown on the statements of changes in net assets available for benefits for the years ended **December 31, 2025** and 2024, respectively. There were no other significant differences between the financial statements and the Form 5500 for the years presented.

NOTE 9 SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through **October 13, 2026**, the date the financial statements were available to be issued.
