INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
LCMHS Savings and Retirement Plan
Morrisville, Vermont

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of LCMHS Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of LCMHS Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LCMHS Savings and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LCMHS Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LCMHS Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LCMHS Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following description of the LCMHS Savings and Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2000, as a cash or deferred profit-sharing plan covering eligible employees of Lamoille County Mental Health Services (the Employer) who have completed one year of service and performed 1,000 hours of service during that time and have attained age twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants make voluntary employee salary reduction contributions. Participants may elect to contribute from 1% to 100% of their compensation into the Plan. A participant's annual contribution may not exceed IRS limits.

The Employer may make a contribution to each participant based on his or her elective deferrals, not to exceed 3% of the participant's compensation. In addition, the employer may make nonelective contributions at the discretion of the Employer.

Participant Accounts

Each participant's account is credited with the participant's allocated share of the Employer's contributions, elective deferrals, any amount of transfer and rollover contributions, and the participant's share of investment earnings and appreciation in the value of investments. Participants may direct their funds to any of the investment fund options offered. Withdrawals or distributions made to the participant, the participant share of investment losses and depreciation in the value of investments, and the participant's share of administrative fees and expenses paid out of the Plan will be deducted from each participant's account.

Vesting

Under this Plan, participants are immediately fully vested in all elective contributions and benefits and their account cannot be forfeited for any reason. Participants are vested in non-elective contributions using a graded schedule based on years of service.

Forfeitures

At December 31, 2025 and 2024 forfeited non-vested accounts totaled $2,502 and $13,023, respectively. These accounts may be used to reduce subsequent administrative fees and employer contributions. Forfeitures of $11,052 and $-0- were used to offset administrative fees or employer contributions in 2025 and 2024, respectively.

NOTE 1 DESCRIPTION OF PLAN (continued)

Hardship Withdrawals
Participants may file a written request for a hardship withdrawal of the portion of their account attributable to elective deferrals, Employer contributions and rollovers from other plans. Spousal written consent is required. Hardship withdrawals may be authorized by the employer for the following reasons: to assist in purchasing a primary place of personal residence, to assist in paying tuition expenses for the next twelve months of post-secondary education, to assist in paying certain hospital, doctor, or surgery expenses not covered by insurance, or to prevent eviction from or foreclosure on a principal residence.

Payment of Benefits
Upon termination of service, a participant may request early payment of their vested benefit by submitting a written request to the plan administrator. For account balances not greater than $5,000, the Employer will pay any vested benefit in a single lump-sum payment as soon as is administratively feasible. If the account balance exceeds $5,000, the participant may choose to defer the payment until April 1st of the year following the year during which the participant attained the age of 70½. The full value of a participant's account is payable at the Normal retirement age of 65 in a single lump-sum payment of the participant's entire account balance or in a single sum payment of a portion of the participant's account balance. If an employee continues to work beyond the normal retirement age, they may continue to fully participate in the Plan.

Administrative Expenses
Although administrative expenses may be paid from Plan assets, some expenses were paid by the Employer in 2025 or 2024.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared using the accrual basis of accounting.

Cash and Cash Equivalents
The Plan considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Investments and Investment Income
Investments are held and maintained by the Plan trustee, Empower Retirement, LLC, and are reported at fair value. The fair value of participant directed investment assets is measured by quoted prices in an active market.

Securities transactions are recognized on the trade date (the date the order to buy or sell is executed). Dividend income is recorded on the ex-dividend date. Interest and dividend income is recognized when received to conform with the accounting for Form 5500.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 10.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions. At December 31, 2025 and 2024, the balances were $74,369 and $95,162, respectively.

Allowance for Doubtful Accounts
The plan considers allowance for doubtful accounts to be amounts that would not be collectible by the plan. All participant loans are secured by vested participant balances. Therefore, there is no allowance for doubtful accounts at December 31, 2025 and 2024.

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Information Certified by Custodian
The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Empower Annuity Insurance Company and Empower Retirement, LLC, custodian of the Plan, certified to the Plan Administrator fair value and physical custody of investments at December 31, 2025 and 2024, respectively and investment transactions for the Plan year then ended and investments included in the Statement of Net Assets Available for Plan Benefits, interest and dividend income, net appreciation (depreciation) in the fair value of investments included in the Statement of Changes in Net Assets Available for Plan Benefits and the information contained in Note 2.

Investments
Investments certified by custodian, Empower Annuity Insurance Company of America, at December 31, 2025 and 2024 are as follows:

	2025	2024
Investments	$ 5,526,362	$ 4,865,378
Interest and dividend income	327,050	171,636
Realized and Unrealized gains and losses	468,596	365,998

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan at any time by delivering to the trustee and administrator written notice of such termination.

Income Tax Status

The Plan is a non-standardized prototype plan sponsored by Empower. The Recordkeeper has obtained an opinion letter as a volume submitter on the Plan dated March 31, 2014, stating that the form of the plan is acceptable under the Internal Revenue Code (Code). Generally, the Plan administrator and the Plan may rely on the opinion letter received by the Recordkeeper as to the form of the Plan qualifying under the Code (except as otherwise noted in the opinion letter). Additionally, the plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the Code, and accordingly is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or derecognize an asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRC. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or de-recognition of an asset) or disclosure in the financial statements. The Plan is subject to routine audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The federal tax returns for the years ended after December 31, 2019 remains open for potential examination by the Department of Labor. The plan administrator believes it is no longer subject to income tax examination for years prior to 2019.

NOTE 3 FAIR VALUE MEASUREMENTS

The Plan has implemented *Fair Value Measurements*. This established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy under are described below:

Level 1- Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities:

Level 2- Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3- Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

NOTE 3 FAIR VALUE MEASUREMENTS (continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The Plan investment assets at fair value as of December 31, 2025 and 2024 ($5,526,362 and $4,865,378, respectively) are not leveled because they are valued at NAV as a practical expedient.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled Separate Accounts: Valued at the NAV of units of a mutual fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Subject to limitations in the Plan Document, participants may make withdrawals to make bona fide benefit payments in accordance with the plan provisions, to direct their own investments, to make participant loans, and to pay fees.

The following table summarizes investments measured at fair value based on NAV per share as December 31, 2025 and 2024, respectively.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled Separate Accounts	$ 5,526,362	N/A	Daily	30 days

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled Separate Accounts	$ 4,865,378	N/A	Daily	30 days

The pooled separate accounts consist of participant directed units of investments in underlying investments. The underlying investments are all mutual funds. Units may be redeemed upon death, disability, retirement, or termination in the plan. Units may also be transferred to other investments within the plan.

NOTE 4 PARTY IN INTEREST TRANSACTIONS

Although administrative expenses may be paid from Plan assets, some expenses were paid by the Employer in 2025 or 2024.

Certain plan investments are managed by Empower Annuity Insurance Company. Empower Annuity Insurance Company is the custodian and performs recordkeeping services for the plan and therefore, these transactions qualify as party in interest transactions. Empower Annuity Insurance Company receives indirect compensation for providing these services.

NOTE 5 SUBSEQUENT EVENTS

In accordance with Accounting Standards, the Company has evaluated subsequent events through August 31, 2026, which is the date these basic financial statements were issued. All subsequent events requiring recognition as of December 31, 2025, have been incorporated into these basic financial statements herein.
