To the Plan Administrator of
Air France 401(k) Savings Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Air France 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section —

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report.

Winter Park, FL 32789
501 S. New York Ave.
Clearwater St. Petersburg N. Palm Beach Miami Lakes Miramar
Moss, Krusick & Associates, LLC

Basis for Opinion on the 2025 Financial Statements (continued)

We are required to be independent of Air France 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Air France 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Air France 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Air France 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2025 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

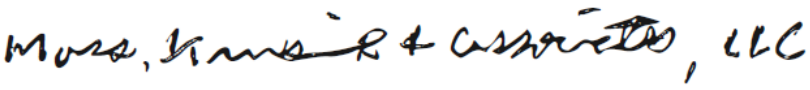

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

The financial statements of Air France 401(k) Savings Plan as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 9, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements (continued)

Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – PLAN DESCRIPTION

The following is a brief description of the Air France 401(k) Savings Plan (the "Plan"). Effective January 1, 2024, the Company amended and restated their standardized Plan Agreement. The new Plan Agreement changed several Plan provisions, including eligible compensation and the employer match formula. Some of the Plan amendments are specifically related to employees hired on or after January 1, 2024. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution pension plan sponsored by Air France USA (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Administration of the Plan is provided by a Committee, which is appointed by the Company. The Plan's assets are held in a trust administered by Empower Trust Company (the Trustee).

Eligibility

The Plan is available to all substantially all employees of the Company. All eligible employees are immediately qualified to participate in the Plan.

Contributions

Each year, participants may make voluntary, pre-tax contributions (elective contributions) of up to 100% of annual eligible compensation. Participants may also contribute amounts representing distributions from other qualified defined-benefit or contribution plans. Participants direct the investment of the contributions in various investment options offered by the plan. The investment options include various mutual funds, a pooled separate account, and a guaranteed interest account, which provide participants the opportunity to select from various returns on investment alternatives. Matching contributions are not made until the first enrollment period after the participant completes one year of service. The maximum voluntary, pre-tax contribution permitted by law was $23,500 per participant for 2025. Participants, who are at least age 50 by the end of the year, were allowed to contribute an additional $7,500 for 2025, for a total of $31,000 per participant for 2025. The Plan includes various tests required under ERISA, which has the effect of limiting contributions of highly paid employees.

Through December 31, 2023 the Plan included an automatic deferral of 3% of eligible compensation, unless the participant makes a contrary election. The automatic deferral percentage increased annually by 1%, until reaching a maximum of 6%. Effective January 1, 2024, the Plan included an automatic deferral of 6% of eligible compensation, unless the participant makes a contrary election. The automatic deferral percentage increases annually by 1%, until reaching a maximum of 15%.

Effective January 1, 2024, the Company will provide a non-safe harbor matching contribution in an amount equal to a percentage of the elective deferrals of 100% of the first 7%, for a maximum of 7%.

In addition, the Company provides a 2% nonelective contribution for employees hired before January 1, 2024.

Participant Accounts

Each participant's account is credited with the participant's contribution and rollover contribution, the allocation of the Company's contribution and Plan earnings, and charged with certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – PLAN DESCRIPTION (continued)

Vesting

Participants are immediately vested in their contribution and the Company's contributions, plus actual earnings, and shall not be subject to forfeiture for any reason.

Notes Receivable from Participants

Subject to terms and conditions imposed by applicable tax regulations and the loan agreement, participants may borrow from their account a minimum of $1,000, and up to a maximum of $50,000, or 50% of their account balance, whichever is less. Loan terms range from one to five years, or for a longer period if used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Principal and interest are paid ratably through bi-weekly payroll deductions. Participants may also make payments by other means specified in the loan agreement. A loan default resulting in a taxable distribution (and early withdrawal penalties if applicable) will occur if payment is not made within thirty days of the loan due date.

Retirement

Normal retirement is defined as age 65. The participant may elect to receive the retirement benefits in a lump sum, or alternate form of payment, as permitted in the Plan.

Payment of Benefit

Upon retirement, hardship, or termination, or for termination of service for other reasons, vested interest in his or her account can be distributed in either a lump sum benefit or an alternative form of payment, as permitted under the Plan. If the participant's vested benefit does not exceed $5,000, the Plan Administrator may direct the trustee to distribute, in a lump sum payment, the participant's vested benefits.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest income. Delinquent participant loans are reclassified as distributions.

Other Income

The Plan Administrative Agreement provides for reimbursements to the Plan for reasonable expenses incurred. For 2025, this reimbursement was 0.13% of average eligible Plan asset with a portion paid to a service provider for investment management services and remaining funds deposited in the Plan's expense account. The total amount received by the Plan during 2025 for reimbursements was $185,912, which is included in "Other Income" and the total amount paid by the Plan during 2025 to the service provider (Morgan Stanley Smith Barney) was $94,800, which is included in "Administrative Fees". See Note 6.

Payment of Benefits

Benefit payments are recorded when paid. There were no withdrawals approved but not paid as of December 31, 2025 and 2024.

Administrative Expenses

Professional fees and certain administrative expenses incurred by the Plan are paid by the Company. Participant generated transaction fees, expenses for third-party investment advice, plan recordkeeping, and the Plan audit fee are paid by the plan.

Reclassifications

Certain reclassifications have been made to the prior year financial statements to conform to the current year presentation.

Subsequent Events

Subsequent events were evaluated through October 12, 2026 which is the date the financial statements were available to be issued.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE/CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Empower Trust Company, the trustee of the Plan and current custodian of all Plan investments, has certified to the plan administrator as of and for the years ended December 31, 2025 and 2024, the following information as complete and accurate, which has been relied on by the plan administrator in preparation of the Plan's financial statements and related supplemental schedule:

Investments

- The fair value and/or contract value; by fund, and in the aggregate.
- The purchase and sale activity, including gains and/or losses.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE/CUSTODIANS (continued)

Investment Income

- The amount of interest and dividend income received.
- Net appreciation (depreciation) in the fair value of investments credited to the Plan, in total and by fund.
- The amount of income from guaranteed accounts.

Notes Receivable from Participants

- The unpaid principal balance plus accrued, but unpaid, interest; and
- The amount of interest income recognized.

Supplemental Schedule

- The information provided on Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025.

NOTE 4 – FAIR VALUE MEASURMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in active markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2025 and 2024.

Mutual funds

The fair value of mutual funds is based on the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 – FAIR VALUE MEASURMENTS (continued)

Self-directed accounts

The self-directed accounts are invested in a money market, a mutual fund, and domestic and foreign common stocks. The mutual fund is valued based on the unadjusted quoted market price from a national exchange. The common stocks are valued at the closing price reported on the active markets, on which the individual securities are traded.

Pooled separate account

Valued at the accumulation unit value (AUV) of units held by the Plan at year end. The AUV is based on the value of the underlying assets owned by the fund, less its liabilities, and then divided by the number of units outstanding. The funds allow for daily redemptions and contributions.

Common collective trust funds

A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 51,680,426	$ -	$ -	$ 51,680,426
Self-directed accounts	74,982	-	-	74,982
Total Assets in the Fair Value Hierarchy	$ 51,755,408	$ -	$ -	51,755,408
Investments Measured at Net Asset Value (1)				51,021,762
Total Assets at Fair Value				$ 102,777,170

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 55,506,050	$ -	$ -	$ 55,506,050
Self-directed accounts	81,685	-	-	81,685
Total Assets in the Fair Value Hierarchy	$ 55,587,735	$ -	$ -	55,587,735
Investments Measured at Net Asset Value (1)				42,738,387
Total Assets at Fair Value				$ 98,326,122

(1) In accordance with subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASURMENTS (continued)

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of December 31, 2025 and 2024:

	Fair Value December 31		Unfunded	Redemption	Notice
	2025	2024	Commitments	Frequency	Period
Pooled separate accounts	$ 1,776,918	$ 1,854,724	$ -	Daily	Daily
Common collective trust funds	49,244,844	40,883,663	-	Daily	Daily
Total	$ 51,021,762	$ 42,738,387			

NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with Empower Annuity Insurance Company ("EAIC"), totaling $38,888,228 on December 31, 2025 and $38,309,547 on December 31, 2024. EAIC maintains contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest account issuer is contractually obligated to repay the principal and a specified rate of interest that is guaranteed to the Plan. The crediting rate is based upon a formula established by the contract issuer, but may not be less than 3%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed interest account does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the Plan to transact at contract value with the issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

This contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the plan. Contract value, as reported to the Plan by EAIC, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

In addition, there are not any events that allow the issuer to terminate the contract, and which require the Plan sponsor to settle at an amount different from the contract value either within 90 days, or over time.

NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower Annuity Insurance Company, which is an affiliate of Empower Trust Company, the current trustee and current custodian of all Plan assets, and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than direct payment. For the year ended December 31, 2025, administrative expenses paid to trustee and custodian for recordkeeping services totaled $105,488, and amounts paid through revenue sharing for investment advisory services amounted to $94,800.

The Company provides certain administrative services to the Plan for which no fee is charged. In addition, the Company pays certain administrative fees on behalf of the Plan.

NOTE 7 – TAX STATUS

The Plan obtained its latest determination letter, dated September 16, 2022, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. Plan management believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the terms of ERISA.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are subject to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – RECONCILIATIONS OF FINANCIAL STATEMENTS TO IRS FORM 5500

The following are reconciliation amounts reported in the December 31, 2025 Statement of Changes in Net Assets Available for Benefits to amounts reported in the 2025 Form 5500:

Other income, per the statement of changes in net assets available for benefits	$	185,912
