Independent Auditor's Report

To the Plan Administrator and
Those Charged with Governance of
Virginia Mirror and Associated Companies 401(k) Plan
Martinsville, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Virginia Mirror and Associated Companies 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Virginia Mirror and Associated Companies 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Virginia Mirror and Associated Companies 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Virginia Mirror and Associated Companies 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Virginia Mirror and Associated Companies 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Virginia Mirror and Associated Companies 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed

to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Virginia Mirror and Associated Companies 401(k) Plan

Notes to Financial Statements

December 31, 2025

Note 1 – Plan Description

The following description of the Virginia Mirror and Associated Companies 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Virginia Glass & Mirror Intermediary, LLC, (the "Company" or "Plan Sponsor") who have one month of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company is the Plan Administrator. All assets of the Plan are held by the Plan's Trustee, Ascensus Trust Company.

Participant Contributions

Participants may contribute up to 100% of their eligible compensation on a pretax or after-tax basis as defined by the Plan, subject to certain limitations. The statutory maximum amount of contributions allowed was $23,500 for the year ended December 31, 2025. Participants may also contribute (rollover) amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan includes an automatic enrollment provision which stipulates that eligible Plan participants are deemed to have made a 3% pretax salary deferral election in the event the participant fails to make a salary deferral election and does not affirmatively elect out of participating in the Plan. The Plan also includes an automatic escalation provision which stipulates each participant's salary deferral percentage will automatically increase annually on March 1 by 1%, up to a maximum contribution percentage of 6%, unless a participant elects a different contribution percentage.

Catch up Contributions

For the year ended December 31, 2025, if a participant is eligible to make deferrals and reaches age 50 before the end of the calendar year, the participant could defer an additional $7,500 into the Plan subject to certain *Internal Revenue Code (IRC)* limitations. Effective January 1, 2025, participants aged 60 to 63 are permitted higher catch-up limits in accordance with Secure 2.0.

Company Matching Contributions

The Plan provides for a discretionary matching provision. The Company contributed an amount equal to 50% of the first 6% of each participant's compensation contributed for 2025. The Company may also make a discretionary profit-sharing contribution in an amount determined annually by the Company. There was no discretionary profit-sharing contribution made during 2025.

Virginia Mirror and Associated Companies 401(k) Plan

Notes to Financial Statements

December 31, 2025

Participant Accounts

Each participant's account is credited with the participant's contributions, Company contributions, and an allocation of Plan earnings. Participant's accounts are charged with participant's distributions and an allocation of Plan expenses. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Eligible compensation is defined as wages subject to federal income tax. For the employee's first year of participation, compensation is recognized as of the first date the participant entered the Plan. Compensation was subject to a limitation of $350,000 for 2025, as prescribed by the Internal Revenue Service (IRS) regulations.

Investment Options

A participant may direct the investment of their account into any one or combination of investment fund options. Participants may change their investment elections at any time. Transfers of account balances between elected investment options may also be made at any time.

Notes Receivable from Participants

The Plan does not permit participant loans.

Vesting

A participant normally becomes eligible for benefits after reaching age 65 or meeting the vesting requirements. A participant who becomes permanently disabled, dies, or reaches the normal retirement date while in the employment of the Company will have a 100% vested interest in his or her account.

Each participant is immediately 100% vested in his or her salary reductions and rollover contributions, and, in accordance with the vesting provisions of the Plan, the Company matching and discretionary profit-sharing contributions after completion of three years of service.

Benefit Payments

Distributions can be made due to retirement, death, disability, or termination of employment and are subject to the applicable provisions of the Plan agreement. Up to 100% of the participant's account balance can be paid in a lump-sum, direct rollover to another qualified plan, or installments to the participant or their beneficiaries. A participant may withdraw funds while still employed if he or she has attained age 59½.

Hardship Withdrawals

The Plan allows, in certain hardship situations as defined in the Plan, participants to withdraw from their account balances while actively employed. These hardship withdrawals are subject to *IRC* restrictions and penalties. The Plan's provisions for hardship withdrawals comply with the Bipartisan Budget Act of 2018.

Forfeitures

Plan forfeitures may first be used to pay Plan expenses, and then used to offset the Plan Sponsor contribution obligation. During the year ended December 31, 2025, the Plan used $14,242 of terminated non-vested account balance forfeitures to pay Plan expenses and $67,724 to offset the Plan Sponsor contribution obligation. As of December 31, 2025 and 2024, there was $297 and $16,288, respectively, of unallocated forfeited Plan Sponsor contributions available to be used to reduce future Plan expenses or Plan Sponsor contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Fair Value Measurements

The Plan follows the Fair Value Measurements topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) which defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly fair value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodology used at December 31, 2025 and 2024.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds

Valued based on inputs that are observable for valuing the asset or liability, either directly or indirectly (i.e., interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted price for similar assets or liabilities in active or non-active markets and may also include insignificant adjustments to market observable inputs. The collective trust funds invest in securities that have observable Level 2 pricing inputs, including quoted prices for similar assets in active or non-active markets. While underlying asset values are quoted prices, the net asset value (NAV) of a unit in this fund is not publicly quoted. Units can be issued and redeemed on any business day at the NAV. All earnings and losses are included in the computation of the NAV and are realized by the participant upon withdrawal. No distributions of income and gain or loss are made to participants.

Investment Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when distributed to participants.

Reclassification of Assets

Certain prior-year amounts have been reclassified to conform to the current-year presentation. These reclassifications had no effect on net assets available for benefits or changes in net assets available for benefits.

Subsequent Events

Subsequent events have been evaluated through October 13, 2026, which is the date the financial statements were available to be issued.

Note 3 – Certified Financial Information

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus, LLC, as an authorized representative of Ascensus Trust Company, the Trustee, has certified to the completeness and accuracy of the following information:

- Investment assets
- Investment transactions
- Investment income
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year)

Note 4 – Fair Value Measurements

See Note 2 for discussions of the methodologies and assumptions used to determine the fair value of the Plan's investments. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value		
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Total
December 31, 2025			
Mutual funds	$ 36,552	$ -	$ 36,552
Collective trust funds	-	4,082,913	4,082,913
	$ 36,552	**$ 4,082,913**	**$ 4,119,465**
December 31, 2024			
Mutual funds	$ 107,759	$ -	$ 107,759
Collective trust funds	-	4,347,710	4,347,710
	$ 107,759	**$ 4,347,710**	**$ 4,455,469**

Note 5 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account. The Plan Administrator will facilitate the distribution of account balances in single lump-sum payments to each participant in accordance with Plan provisions until all assets have been distributed by the Trustee.

Note 6 – Income Tax Status

The IRS has issued an opinion letter dated June 30, 2020, indicating that the non-standardized pre-approved Profit-Sharing Plan document adopted by the Plan, as then designated, qualifies under the applicable sections of the *IRC*. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan is currently designed and is being operated in compliance with the applicable requirements of the *IRC* and has no income subject to unrelated business income tax, and therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no tax audits in progress.

Note 7 – Related Party and Parties-in-Interest Transactions

Certain expenses are paid by the Plan to Ascensus, LLC, an authorized representative of the Trustee, Ascensus Trust Company, for services provided. Therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid to Ascensus, LLC were $16,700 for the year ended December 31, 2025.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
