Independent Auditor's Report

Plan Administrator
Grade A Market, Incorporated 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Grade A Market, Incorporated 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate to the best of their knowledge and belief.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA
The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Plan Description

The following description of the Grade A Market, Incorporated 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plans' provisions.

General: The Plan is a defined contribution plan established to provide retirement benefits for substantially all employees of Grade A Market, Incorporated (the Sponsor). The Plan Administrator is responsible for the operations of the Plan in accordance with prevailing regulations. Reliance Trust (the Trustee) served as trustee to the Plan for the years ended December 31, 2025 and 2024. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and appropriate provisions of the Internal Revenue Code (IRC) and other applicable regulations.

Eligibility: Employees who completed six months of service (500 hours within the six-month period) and have attained 21 years of age are eligible to participate in the Plan. If an employee does not complete the 500 hours of service within a six consecutive month period, the employee is subject to the one year of service (1,000 hours). Union employees, nonresident aliens and leased employees are not eligible. An employee may enroll in the Plan on the first day of the plan year quarter coinciding with or next following the date when requirements are met. Effective January 1, 2024, employees may enroll in the Plan on the first day of the plan year or first day of the 7th month of the plan year coinciding with or next following the date such employee meets the eligibility requirement.

Contributions: Participants may contribute from 1% to 15% of their pretax annual compensation, subject to the Internal Revenue Service (IRS) limitation of $23,500 and $23,000 for years ended December 31, 2025 and 2024. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions of up to $7,500 in both 2025 and 2024. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

The Plan also includes an auto-escalation provision whereby participants are subject to an annual automatic deferral rate increase of 1% until their deferral rate reaches 6% of eligible compensation. Participants may elect to discontinue their participation in the automatic deferral rate increase at any time.

The Plan Sponsor makes matching contributions equal to 100% of the participant's elective deferrals up to 1% of eligible compensation (matching contributions), plus 50% of the participant's elective deferrals greater than 1% of eligible compensation, but not more than 6% of eligible compensation (Safe Harbor Matching Contributions). Annually, the Plan Sponsor may also contribute a profit-sharing contribution (the Sponsor's Profit-Sharing Contributions), at the option of the Sponsor's board of directors. Contributions are subject to IRS limitations.

Participant accounts: Each participant's account is credited with the participant's contribution, the Sponsor's matching contribution and an allocation of the Sponsor's discretionary contribution, if any. Plan earnings are allocated based on participant account balances and the ratio each participant's compensation bears to the total compensation of all participants, as defined in the Plan.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of $1,000, up to a maximum equal to the lesser of $50,000, or 50%, of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates. Principal and interest are paid ratably through monthly payroll deductions.

Participants' investment options: Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year via direct phone or internet access to the Trustee.

Note 1. Plan Description (Continued)

Vesting: Participants, at all times, are 100% vested in their contributions. In addition, participants become vested in the Sponsor's matching contributions, based upon their years of vesting service, as shown below:

Full Years of Vesting Service	Percent Vested
Less than 2 years	0%
2 but less than 3 years	20%
3 but less than 4 years	40%
4 but less than 5 years	60%
5 but less than 6 years	80%
6 or more years	100%

Participants become vested in the Sponsor's Profit Sharing Contributions, based upon their years of vesting service, as shown below:

Full Years of Vesting Service	Percent Vested
Less than 3 years	0%
3 or more years	100%

Participants become vested in the Sponsor's Safe Harbor Matching Contributions, based upon their years of vesting service, as shown below:

Full Years of Vesting Service	Percent Vested
Less than 2 years	0%
2 or more years	100%

Payments of benefits: In-service withdrawals are permitted in the case of demonstrated financial hardship or after obtaining the age of 59½. Upon termination of service, a participant may elect to receive a lump-sum payment based on the fair value of his or her account as of the valuation date immediately preceding the date of the payment, or an annuity.

Administrative expenses: The Plan's administrative expenses are paid by the Sponsor as provided by the Plan document, with the exception of certain minor loan processing fees, which are charged to participants with outstanding loan balances.

Forfeitures: Forfeitures may be used to pay administrative expenses under the Plan, or be used to reduce employer contributions. Forfeited nonvested accounts totaled $92,479 and $59,234 at December 31, 2025 and 2024, respectively. Total forfeitures amounted to $69,699, during the year ended December 31, 2025. Forfeitures used to reduce employer contributions and to pay plan expenses totaled $36,454, during the year ended December 31, 2025.

Termination of the plan: The Plan Sponsor may terminate, amend, modify or suspend the Plan in whole or in part, at any time. No such change is currently being contemplated; however, in such event, the participants will become 100% vested in their accounts.

Note 1. Plan Description (Continued)

Income taxes: Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and has no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision for income taxes has been included in the financial statements.

Note 2. Summary of Significant Accounting Policies

The Plan's significant accounting policies are as follows:

Basis of accounting: The accompanying financial statements have been prepared under the accrual basis of accounting accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Notes 4 for discussion of fair value measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Payment of benefits: Benefits to participants are recorded when paid.

Risk and uncertainties: The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2025. Delinquent loans are treated as distributions based on the terms of the plan document.

Contributions: Employee contributions and the matching contributions from the Sponsor are recorded in the period during which the Plan Sponsor makes payroll deductions from participants' earnings. Plan Sponsor discretionary contributions are recorded as approved by the Sponsor.

Note 3. Information certified by Reliance Trust Company (Trustee)

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the Trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate to the best of the their knowledge and belief. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and supplemental schedule relating to the following assets:

	December 31	
	2025	2024
Investments at fair value:		
Registered investment companies	$ 82,861,029	$ 71,866,228
Notes receivable from participants	$ 2,004,142	$ 2,112,224

The Trustee certified to the best of their knowledge and belief the completeness and accuracy of $6,058,843 of net appreciation in fair value of investments, $166,459 of interest income on notes receivable from participants, $5,037,087 of interest and dividends and $46,398 in other income related to the aforementioned assets for the year ended December 31, 2025.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under this guidance are described below:

Level 1: Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Note 4. Fair Value Measurements (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Registered investment companies: Registered investment companies are valued at the net asset value (NAV) of shares held by the Plan at year-end. Shares of registered investment companies held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
Description	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 82,861,029	$ -	$ -	$ 82,861,029
Investments at fair value	$ 82,861,029	$ -	$ -	$ 82,861,029

	Assets at Fair Value as of December 31, 2024			
Description	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 71,866,228	$ -	$ -	$ 71,866,228
Investments at fair value	$ 71,866,228	$ -	$ -	$ 71,866,228

Transfers between levels: There were no transfers between levels for the year ended December 31, 2025.

Note 5. Tax Status

The Plan has adopted a preapproved plan document that has received an opinion letter from the IRS dated October 6, 2020, stating that the Plan is qualified under Section 401(k) of the IRC and, therefore, the related trust is exempt from taxation. Although the Plan has been amended since adopting the preapproved plan document, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

Note 5. Tax Status (Continued)

U.S. GAAP requires Plan management to evaluate the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and has no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision for income taxes has been included in the financial statements.

Note 6. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2025 and 2024:

	2025	2024

Differences in:		
Employer contributions receivable	(440,000)	(410,001)
Net assets available for benefits per the Form 5500	$ 84,865,171	$ 73,978,452

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2025:

Net increase in net assets available for benefits per the financial statements	$ 10,866,919
Changes in employer contributions	(29,999)
Net increase in net assets available for benefits per the Form 5500	$ 10,836,920

Note 7. Party-in-Interest Transactions

Reliance Trust Company is the trustee of the Plan; therefore, transactions with the trustee qualify as party-in-interest transactions. The Sponsor also paid certain administrative expenses of the Plan.

Note 8. Subsequent Events

The Plan Administrator has evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued.
