INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Utica First Insurance Company
Employees Retirement and Savings Plan
Utica, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ***Utica First Insurance Company Employees Retirement and Savings Plan,*** an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ***Utica First Insurance Company Employees Retirement and Savings Plan's*** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ***Utica First Insurance Company Employees Retirement and Savings Plan*** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Members of American Institute of Certified Public Accountants
Private Companies Practice Section

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ***Utica First Insurance Company Employees Retirement and Savings Plan's*** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ***Utica First Insurance Company Employees Retirement and Savings Plan's*** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ***Utica First Insurance Company Employees Retirement and Savings Plan's*** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of ***Utica First Insurance Company Employees Retirement and Savings Plan*** (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement savings plan, covering employees of Utica First Insurance Company (Plan Sponsor) who have attained the age eighteen, completed 90 days of service, and elected to participate. An employee is eligible for a company matching contribution only if a pre-tax or post-tax (Roth elective) employee contribution is made. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute a percentage of eligible pay on a pre-tax basis or post-tax basis every pay period, not to exceed the IRS limits ($23,500 for 2025 and $23,000 for 2024). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants have the option of contributing on a post-tax basis (Roth elective deferrals). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 4% of eligible compensation, increasing by 1% annually to a maximum of 10%. Participant rollover contributions are permitted by the Plan. For 2025 and 2024, the Company provides a 50% match on employee contributions up to 4% of salary. Matching contributions are made each pay period that a contribution is made. There were matching contributions made in the 2025 and 2024 plan years of approximately $195,000 and $182,000 respectively.

In addition, the Plan Sponsor may make discretionary contribution in an amount to be determined by the Plan Sponsor's Board of Directors. Discretionary contributions will be allocated in the ratio that eligible compensation bears to the total compensation paid to all eligible participants. There were discretionary contributions made in the 2025 and 2024 plan years of approximately $698,000 and $651,000, respectively. Contributions are subject to certain limitations set by the Internal Revenue Code.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Participants' Accounts

Each participant's account is credited or charged with the participant's contributions, the Plan Sponsor's matching contribution, an allocation of the Plan Sponsor's profit-sharing contribution and Plan earnings and losses and administrative fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All funds are participant-directed unless otherwise noted.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. Employer matching and discretionary contributions and earnings are vested at the rate of 20% per year commencing after the first year of service. A participant is 100% vested after six years of service or upon reaching the normal retirement age of 65.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions to any of the available investment options sponsored by the Plan. Participants may change their investment options at any time thereafter. The Plan provides approximately twenty investment options to the Plan participants.

Payment of Benefits

Plan benefits are paid upon the normal retirement age of 65, late retirement, death, disability, or other employment termination. Participants may elect a lump-sum amount equal to the value of the participant's vested interest in his or her account, annual installments for various periods or joint and survivor benefit for married participants. In-service distributions are allowed in the event of financial hardships. The Plan is required to withhold any applicable federal income taxes if distributions are made before the participant reaches the age of 59 ½.

Plan Administrative Expenses

The administrative expenses of the Plan, if not paid by the Plan Sponsor, are paid from the participants' account balances on a pro-rata basis or in such other reasonable manner as directed by the Plan Sponsor.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Forfeitures

Forfeitures of non-vested contributions are retained in the Plan and may be used to reduce future employer contributions. The forfeited employer's contribution, including earnings on such forfeitures, amounted to $25,750 and $38,155 for the Plan years ended December 31, 2025 and 2024, respectively. Forfeited funds used to cover matching contributions amounted to $24,661 and $27,146 during the years ended December 31, 2025 and 2024, respectively.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles of the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes, disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investments Valuation and Income Recognition

The Plan's investments are stated at fair value as dictated by quoted market prices and have been certified by Principal Trust Company (the "Custodian").

Purchases and sales of investments are accounted for on a trade-date basis. Dividend income is recorded on the ex-dividend date and interest income is recorded on the accrual basis. Realized gains and losses are calculated as the difference between the proceeds from sale and original acquisition cost. Unrealized gains and losses are calculated as the difference between fair value of the investment at the end of the year less the fair value at the beginning of the year, or acquisition cost, if acquired during the year.

Payments of Benefits

Benefits are recorded when paid.

NOTE 3 – FINANCIAL DATA PREPARED AND CERTIFIED BY THE CUSTODIAN

The following is a summary of the Plan financial information and data certified by the custodian, Principal Trust Company, in accordance with Section 29CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974:

	2025	2024
Pooled separate accounts	$ 1,965,104	$ 2,680,002
Common/collective trust	42,693	383,909
Registered investment companies	20,330,396	21,608,779
Interest, dividends, and capital gains	586,106	695,439
Net realized and unrealized appreciation in fair value of investments	2,804,611	2,253,615
Other income	362	332

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. FASB Accounting Standards Topic 820, Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs on the hierarchy consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1); Level 3 inputs on the hierarchy are unobservable and have the lowest priority. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available, Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

There were no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024. The valuation methodology used for the fair value measurements of pooled separate accounts is net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments held by the fund less its liabilities. As of December 31, the Plan's investments measured at fair value consisted of the following instruments and classifications within the fair value hierarchy.

	Fair Value Measurements at December 31, 2025			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total

Total assets in the fair value hierarchy	$ 21,992,688	$ - -	$ - -	
Investments valued using practical expedient (1)				2,680,002
Total investments				$ 24,672,690

(1) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per unit (or its equivalent) practical expedient method have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per unit practical expedient:

		Fair Value				
Pooled Separate Accounts		December 31, 2025	December 31, 2024	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Small/Mid U.S. equity	(a)	$ 1,965,104	$ 2,680,002	- -	Immediate	None

(a) The funds within this class seek to provide long-term growth of capital.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their account.

NOTE 6 - TAX EXEMPT STATUS

The Plan is exempt from federal and state taxation under Section 401 of the Internal Revenue Code. The Plan follows a prototype plan, which has obtained a favorable tax determination letter from the Internal Revenue Service in June 2020. Although the plan has been amended since receiving the determination letter, the Plan administrator and Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan's Form 5500 is subject to examination by the Internal Revenue Service. Plan years that remain open for examination include the years ended December 31, 2022 and later.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – PARTIES-IN-INTEREST

Certain plan investments are sponsored by the Plan Custodian, Principal Trust Company. Total investments held by the custodian at December 31, 2025 and 2024 that are party-in-interest transactions under ERISA amounted to $1,965,104 and $3,063,911, respectively. Also, the Plan paid certain expenses related to plan operations and investment activity to various service providers. Total expenses paid by the Plan to Principal Trust Company were $32,897 and $47,764 for the years ended December 31, 2025 and 2024, respectively. In addition, the Plan utilizes Strategic Financial Services for investment advisory. Total expenses paid by the Plan to Strategic Financial Services were $71,152 and $83,475 for the years ended December 31, 2025 and 2024, respectively. These transactions are party-in-interest transactions that are exempt from the prohibited transaction rules under ERISA.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of interest and dividends per the financial statements for the years ended December 31, 2025 and 2024 to Schedule H of Form 5500:

	2025	2024
Interest and dividends per the financial statements	$ 586,106	$ 695,439
Capital gain distributions	(147,726)	(220,182)
Interest and dividends per Schedule H to the Form 5500	$ 438,380	$ 475,257

Capital gain distributions are recorded on the Schedule H of Form 5500 as a component of the appreciation (depreciation) in fair value of investments.

NOTE 10 – SUBSEQUENT EVENTS

Subsequent events were evaluated by management through October 14, 2026, which is the date the financial statements were available to be issued.
