Statement of Work

No. 402722-2023-AUD

This Statement of Work (this "SOW") dated August 14, 2026 is entered into by and between Sikich CPA LLC ("Sikich", "we," "us," or "our") and Syntax 401(k) Savings Plan ("Plan", "you," or "your"), an employee benefit plan subject to the Employee Retirement Security Act of 1974 ("ERISA"), pursuant to the Master Professional Services Agreement dated March 27, 2024 between Sikich and the Plan (the "Agreement"), all terms of which are hereby incorporated herein by reference.

NOW, THEREFORE, for and in consideration of the foregoing premises, and the agreements of the parties set forth below, Sikich and Plan agree as follows:

Audit scope and objectives

Services to be provided under this SOW will include an ERISA Section 103(a)(3)(C) audit of the Plan's financial statements as of and for the year ended December 31, 2023 in connection with the Plan's annual reporting obligation under ERISA. The Plan's financial statements are comprised of the statement of net assets available for benefits and the related statement of changes in net assets available for benefits, and the related disclosures (collectively, the "financial statements"). As part of our audit, we report on the supplemental schedulesfor the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America ("GAAS"). These schedules are presented for the purpose of additional analysis and are not a required part of the financial statements.

Except as described in the following paragraph, the objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America ("GAAS") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

You have determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by the qualified institution(s), which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements of information

regarding assets so held in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Auditor's responsibilities for the audit of the financial statements

We will conduct our audit in accordance with GAAS. Those standards require that we are independent and that we fulfill our other ethical responsibilities relevant to the audit. For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the Plan.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS, except as previously noted. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will obtain an understanding of the Plan and its environment, including the system of internal control, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks to obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under professional standards.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and direct confirmation of investments, except those certified by the qualified institution(s), and certain other assets and liabilities by correspondence with financial institutions, and other third parties, as necessary. We may also request written representations from your attorneys as part of the provision of Services, and they may bill you for responding to this inquiry.

We will communicate with management and those charged with governance certain matters as required by GAAS, including reportable findings identified during the audit of the Plan as a result of testing relevant plan provisions.

As part of our audit, we will perform certain procedures, as required by GAAS, directed at considering the Plan's compliance with applicable Internal Revenue Code ("IRC") requirements for tax exempt status, including whether management has performed relevant IRC compliance tests and has corrected or intends to correct failures. As we conduct our audit, we will be aware of the possibility that events affecting the Plan's tax status may have occurred. Similarly, we will be aware of the possibility that events affecting the Plan's compliance with the requirements of ERISA may have occurred. We will inform you of any instances of tax or ERISA noncompliance that come to our attention during the course of our audit. You should recognize, however, that our audit is not designed to, nor is it intended to, determine the Plan's overall compliance with applicable provisions of the IRC or ERISA.

The information included in the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, will be subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures in accordance with GAAS. Accordingly, our opinion will state whether the form and content of the supplemental schedules, other than the information agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure

under ERISA and whether the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Our ERISA Section 103(a)(3)(C) audit of the financial statements does not relieve you of your responsibilities.

Nonattest services

Nonattest Services expected to be performed by us or an affiliate are as follows:

- Assistance in preparing the financial statements of the Plan based on information provided by you

We will perform the nonattest services in accordance with applicable professional standards issued by the American Institute of Certified Public Accountants. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities. We will advise management with regard to the nonattest services listed above, but management must make all decisions with regard to those matters.

Responsibilities of management for the financial statements

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; for establishing an accounting and financial reporting process for determining appropriate value measurements, and for the preparation and fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America. You are also responsible for determining whether (1) an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances; (2) the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8; (3) the certification meets the requirements in 29 CFR 2520.103-5; and (4) the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

You are responsible for making drafts of financial statements, all financial records and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers); and for the evaluation of whether there are any conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued. You are also responsible for providing us with (1) access to all information of

which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties, parties in interest, and all related-party and parties-in-interest relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence. You are responsible for maintaining a current plan instrument, including all plan amendments, for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Plan involving (1) Plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the Plan complies with applicable laws and regulations. You are responsible for the presentation of the supplemental schedules and that they were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements, including their form and content,. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

You are required to disclose the date through which subsequent events have been evaluated and whether that date is the date the financial statements were issued or were available to be issued. You agree that you will not date the subsequent event note earlier than the date of your management representation letter.

You agree to assume all management responsibilities for the nonattest services we provide; oversee the Services by designating an individual, preferably from senior management, with suitable skill,

knowledge, and/or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

Reporting

We will issue a written report upon completion of our audit of the Plan's financial statements and supplemental schedules. Our report will be addressed to the Administrative Committee of the Plan. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our report will include other modifications, we will discuss the reasons with you in advance. If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

Engagement administration, fees, and other

The assistance to be supplied by Plan personnel is described in the workpaper request list, which outlines the specific schedules and information we are requesting for this Agreement. The workpaper request list will be discussed and coordinated with a representative to be determined by you. The timely and accurate completion of this work is an essential condition to our completion of the audit and issuance of our audit report. This SOW assumes all records, documentation, and information we requested in connection with our audit and performance of nonattest services (and outlined in the workpaper request list) are complete and available at the beginning of the provision of Services. It also assumes key personnel are available to us for the duration of the audit and performance of nonattest services. We understand that your employees will prepare schedules and analyses, and all confirmations we request and will locate any documents selected by us for testing.

We are committed to the timely completion of the audit, performance of nonattest services as described above, and delivery of final reports for the fee set forth in this SOW. The fees quoted in this SOW are based on certain assumptions. Circumstances may arise during the engagement that may significantly affect the targeted completion dates or our fee estimate. As a result, changes to the fees may be necessary. Such circumstances include but are not limited to the following:

1. All requested information is not (a) provided by you on the date requested, (b) completed in a format acceptable to Sikich, (c) mathematically correct, (d) complete and accurate, or (e) in agreement with the appropriate Client records. Sikich will provide you with a separate listing of required schedules, information requests and the dates such items are needed.

2. Changes to the timing of the engagement due to lack of timeliness by you, or at your request. Changes to the timing of the engagement usually require reassignment of personnel used by Sikich in the performance of services hereunder. However, because it is often difficult to reassign individuals to other engagements, Sikich may incur significant unanticipated costs.
3. Significant delays in responding to our requests for information, such as reconciling variances, providing requested supporting documentation, or responding to our inquiries of Client management.
4. Requests by you for Sikich to complete schedules or obtain information previously mutually agreed to be completed by or provided by you.

In the event of any such delaying circumstances, Sikich will charge a delay fee of up to twenty percent (20%) of the fees (the "Delay Fee"). The Delay Fee shall be payable in accordance with the terms of this Agreement. In addition, Sikich and Client shall mutually agree to reschedule the Services for a time acceptable to Sikich.

In addition, certain circumstances warranting an adjustment to the fees or a modification to this SOW may include, but are not limited to the following:

1. Requests by you for Sikich to perform nonattest services in addition to those identified and described in the "Nonattest Services" section above.
2. Other time deemed outside the scope of services of the engagement as set forth in this SOW.

You may request that we perform additional services not contemplated by this Agreement. If this occurs, we will communicate with you regarding the scope of the additional services and will bill you a mutually agreed upon amount. We may also issue a separate Statement of Work or Change Order covering the additional services. In the absence of any other communication from us outlining such additional services, our services will continue to be governed by the terms of this SOW.

Our fees for the Services are detailed in the attached Addendum 1.

Final reports will be issued upon your approval of the preliminary drafts. Our engagement ends on delivery of our final report. Any follow-up services that might be required will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific SOW for that service. Dana Howell is the engagement Director and is responsible for supervising the provision of Services and signing the report or authorizing another individual to sign it. We expect to begin our audit on approximately August 19, 2026 and issue our report by the Form filing deadline, including extensions if applicable.

We recognize the possibility that instead of the Plan sponsor paying our fees from its assets, the Plan administrator may choose to pay our fees from ordinary Plan assets, or from an account, known as an

"ERISA Account," that may be established to pay Plan expenses. Sikich does not perform any of the Services described in this Agreement as a fiduciary of the Plan. Rather, Sikich will bill the plan sponsor for its fees, and the plan sponsor, the Plan administrator and/or other Plan fiduciaries will decide how our fees will be paid. Our fees that are paid by the plan sponsor or the Plan are known as "direct expenses" under ERISA. If we receive fee payments from an ERISA account at the direction of the Plan fiduciaries, such payments may be considered "indirect compensation" as that term is defined under DOL Regulations issued under Section 408(b)(2) of ERISA. Sikich does not have any contractual arrangement related to any ERISA account associated with the Plan.

In accordance with professional standards, any discussions during the period of the audit engagement between the Plan and a member of the Sikich audit engagement team regarding potential employment or association with the Plan creates an impairment of independence for the Sikich employee and possibly the firm. Such a situation could require us to temporarily or permanently remove that person from your audit engagement or to perform additional procedures or re-perform procedures, which would increase our fees. Should we not become aware of the impairment until after the conclusion of the provision of Services, our independence would be deemed to have been impaired. Please inform appropriate Plan personnel to refrain from any such discussions with any Sikich staff while the audit Services are ongoing and notify Dana Howell immediately if Plan becomes aware that any such discussions may have occurred.

This SOW is governed by the terms and conditions of the Agreement. The terms of the Agreement are hereby expressly incorporated by reference into and made a part of this SOW. In the event of a conflict between the terms and conditions of the Agreement and this SOW, the terms of the Agreement shall take precedence and control over those of this SOW unless otherwise expressly and specifically set forth herein. In the event of a conflict between the terms and conditions of this SOW and any related exhibits, attachments, or proposals, the terms of this SOW shall take precedence and control over those of the exhibit, attachment, or proposal hereto unless otherwise expressly and specifically set forth herein. Any capitalized terms not otherwise defined herein shall have the meanings set forth in the Agreement. This SOW may be executed (including by facsimile and PDF signature) in one or more counterparts, with the same effect as if the parties had signed the same document. This SOW may be modified or amended only by a written document signed by both parties.

Acceptance

You acknowledge having read this SOW in its entirety, have had full opportunity to consider its terms in consultation with your attorney, have had full and satisfactory explanation of the same, and fully understand and agree to be bound by the terms of this SOW.

Please indicate your understanding and acceptance of this SOW and your intention to be legally bound hereby by executing this SOW in the space provided below and return it to our offices, indicating your authorization for us to proceed on the above terms and conditions.

We appreciate the opportunity to be of service to you. If you have any questions, please let us know.
