Independent Auditor's Report

To the Plan Administrator of
Fetter Health Care Network, Inc.
403(b) Tax Sheltered Annuity Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Fetter Health Care Network, Inc. 403(b) Tax-Sheltered Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) Audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Fetter Health Care Network, Inc. 403(b) Tax-Sheltered Annuity Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fetter Health Care Network, Inc. 403(b) Tax-Sheltered Annuity Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fetter Health Care Network, Inc. 403(b) Tax-Sheltered Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fetter Health Care Network, Inc. 403(b) Tax-Sheltered Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions, or events, considered in the aggregate, that raise substantial doubt about Fetter Health Care Network, Inc. 403(b) Tax-Sheltered Annuity Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all materials respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

FETTER HEALTH CARE NETWORK, INC.
403(B) TAX SHELTERED ANNUITY PLAN

Notes to Financial Statements

December 31, 2025

Note 1 - Description of Plan

The following description of the Fetter Health Care Network, Inc. 403(b) Tax-Sheltered Annuity Plan ("Plan") provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Fetter Health Care Network, Inc. ("Company") effective April 1, 1975 for the benefit of its employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Empower Annuity Insurance Company of America (Empower) is the Plan's primary recordkeeper and contract administrator. Empower is responsible for the custody and management of the Plan's assets.

Contributions

Participants may contribute to the Plan via pre-tax and Roth salary deferrals and may change their contribution percentage at their discretion. The Plan includes an automatic deferral feature whereby a participant is treated as electing to defer 3% of eligible compensation unless the participant makes an affirmative election otherwise. The automatic deferral feature provides for an annual increase until the automatic deferral percentage is capped at 6%.

The maximum annual contribution allowed in a calendar year for each participant is prescribed by federal statutes ($23,500 in 2025 and $23,000 in 2024). Additional catch-up contributions are permitted for participants who are age 50 or older by the end of the calendar year and with 15 years of service in which the catch-up contributions are made.

Effective July 10, 2020, the Company makes traditional discretionary matching contributions of 100% of the participant contributions up to 6% of the participant's compensation. From January 1, 2020 through June 30, 2020, the Organization made safe harbor matching contributions of the participant's contributions up to 6% of the participant's compensation. From January 1, 2018 through December 31, 2019, the Organization made safe harbor matching contributions of a participant's elective deferrals calculated as 100% of the first 1% and 50% up to 6% of a participant's compensation.

Participant Account

Each participant's account is credited with the participant's contribution, allocations of the Company's contributions, investment earnings, and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Upon retirement or termination, a participant is entitled to the vested balance in his/her account. A participant may elect to direct the investment allocation of his/her account and may change the allocation daily.

Vesting
Participants are immediately vested in their voluntary contributions, including rollovers, plus actual earnings thereon. A participant is fully vested in the original discretionary matching contribution after 3 years of credited service, with the 2020 amended matching contributions fully vested after 5 years. A participant is fully vested in the safe harbor matching contributions after 2 years of credited service.

Participants are 100% vested in the event of death, total and permanent disability, or on the later of the date the participant attains normal retirement age while employed by the Company.

Notes Receivable from Participants
The Plan provides that loans to active eligible participants may be made up to $50,000 or 50% of the participant's vested account balance. The minimum amount of a loan is $1,000. All loans are covered by demand notes and are repayable over a period not to exceed 5 years (except for loans for the purchase of a principal residence) through payroll deductions unless the participant is paying the loan in full. Interest on the loans is based on prevailing rates as determined by the plan administrator. At December 31, 2025 and 2024, the Plan had loans receivable from participants totaling $149,482 and $139,024, respectively.

Forfeited Nonvested Account Balances
Forfeitures of nonvested account balances may be used by the Company towards administrative expenses and future contributions to the Plan. At December 31, 2025 and 2024, forfeited nonvested accounts were $161,046 and $240,537. During the Plan years ended December 31, 2025 and 2024, forfeitures of $181,154 and $6,734 were used to offset employer contributions and Plan expenses.

Administrative Expenses
Certain expenses incurred in the administration of the Plan are paid directly by the Company.

Payment of Benefits
On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in installments. For termination of services due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Contributions receivable
Contributions receivable are recorded when determined contributions of the employer and employees are not received by the investment custodian until a subsequent reporting period. An allowance is provided when necessary to recognize potentially uncollectible receivables, and amounts deemed worthless are written off. No allowance for uncollectible receivables was deemed necessary at December 31, 2025 and 2024.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP) using the accrual method of accounting. U.S. GAAP is embodied in the Financial Accounting Standards Board *Accounting Standards Codification* ("FASB ASC"), which is the authoritative source of U.S. accounting and reporting standards for nongovernmental entities.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates, and such differences could be material. Significant estimates used in preparing these financial statements include those used to establish the fair values of investments.

Valuation of investments

The investments in the funds are presented at fair value. Shares of registered investment companies are valued based on quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis of accounting. Dividends are recorded on the ex-dividend date. Unrealized gains and losses are recorded for changes in the fair value of mutual fund investments during the year. Realized gains and losses are recorded when investments are sold. Realized and unrealized gains and losses for each reporting period are combined and presented as net appreciation (depreciation) in fair value of investments in the accompanying statement of changes in net assets available for benefits.

Receivables and Allowance for Uncollectible Amounts:

Receivables are recorded for amounts due from various parties in conjunction with financial transactions. An allowance is provided, when necessary, to recognize potentially uncollectible receivables. There was no allowance for uncollectible amounts considered necessary by the Plan at December 31, 2025 and 2024.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Note 3 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participant accounts would continue to be held by the Plan's trustee until all benefits are distributed to the participants.

Note 4- Benefits Payable to Former Participants

The portion of net assets which had been processed for payment to persons who requested withdrawals but had not yet been paid by the Plan was $0 at both December 31, 2025 and 2024.

Note 5 – Description of Information Certified by the Plan Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's independent auditor did not perform any auditing procedures with respect to the information certified as complete and accurate by the Plan's trustee/custodian, except for comparing the information with the information in the accompanying financial statements and supplemental schedule "Schedule of Assets (Held at End of Year)."

Accordingly, the following information was provided and certified by Empower Annuity Insurance Company of America, the Plan's custodian for the years ended December 31:

	2025	2024
Investments, at fair value	$ 9,366,195	$ 8,824,959
Notes Receivable from Participants	149,482	139,024
Investment Income (Loss)	$ 1,129,458	

Note 6 – Fair Value Measurements

The Plan adopted the Fair Value Measurement and Disclosure topic of the FASB ASC, which establishes a framework for measuring value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by the observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The investments in registered investment companies are based on quoted market prices. There have been no changes in the methodologies used during the year ended December 31, 2025.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within fair value hierarchy, the Plan's assets at fair value at December 31, 2025 and 2024:

	Level 1	Level 2	Level 3	Total
December 31, 2025				
Registered Investment Companies	$ 9,366,195	$ 0	$ 0	$ 9,366,195
Total	$ 9,366,195	$ 0	$ 0	$ 9,366,195
December 31, 2024				
Registered Investment Companies	$ 8,824,959	$ 0	$ 0	$ 8,824,959
Total	$ 8,824,959	$ 0	$ 0	$ 8,824,959

Note 7 – Income Tax Status

The Plan has not obtained a determination letter from the Internal Revenue Service (the "IRS") stating that the Plan was in compliance with the applicable requirement of the IRC. The Plan is relying on the IRS approval of the prototype plan that it is utilizing. The IRS has determined and informed the document sponsor by a letter dated March 31, 2017, that the prototype plan agreement was designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

The Plan adheres to guidance issued by the Codification with respect to accounting for uncertainty in income taxes. This guidance clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements and prescribes a comprehensive model for recognizing, measuring, presenting, and disclosing in the financial statements tax positions taken or expected to be taken on a tax return including positions that the organization is exempt from income taxes or not subject to income taxes or unrelated business income. With few exceptions, the Plan is no longer subject to income tax examinations by federal, state, or local tax authorities for years prior to the current and two most recent tax years

Note 8 – Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of the financial statements at December 31, 2025 and 2024 to Schedule H of Form 5500:

	2025	2024
Net assets available for benefits per financial statements	$ 9,515,677	$ 8,963,983
Less deemed distributions reported to participants	(1,694)	(33,668)
Less loan interest accrued after loans were considered deemed	(74)	(2,294)
Net assets available for benefits per Schedule H of Form 5500	9,513,909	8,928,021
Notes receivable from participants per financial statements	$ 149,482	$ 139,024
Less deemed distributions reported to participants	(1,694)	(33,668)
Less loan interest accrued after loans were considered deemed	(74)	(2,294)

Benefits paid to participants per Schedule H of Form 5500	$ 1,144,451	
Change in net assets available for plan benefits-financial statements	$ 551,694	
Plus prior deemed loans distributed in current year	36,633	
Less deemed distributions reported to participants	(1,694)	
Less loan interest accrued after loans were considered deemed	(745)	
Net Income (Loss) per Schedule H of Form 5500	$ 585,888	

Note 9 – Related Party Transactions

Certain plan investments are shares of mutual funds managed by Empower, the record keeper, as defined by the Plan. These transactions qualify as exempt party-in-interest transactions.

Note 10 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11 – Subsequent Events

The Plan has evaluated subsequent events through October 8, 2026, the date these financial statements were issued. Management has not identified any additional items requiring recognition or disclosure.
