Independent Auditors' Report

To the Plan Administrator of the
403(b) Thrift Plan of Big Brothers Big Sisters Lone Star

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of the 403(b) Thrift Plan of Big Brothers Big Sisters Lone Star (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of the Plan referred to in the first paragraph. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 6 to the financial statements, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. GAAP require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2025, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

1. Description of Plan

General

The 403(b) Thrift Plan of Big Brothers Big Sisters Lone Star (Plan) is a defined contribution plan that has been established to provide retirement benefits to eligible employees of Big Brothers Big Sisters Lone Star (Employer or Organization).

The Plan was established in 1992 and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following descriptions provide only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act allows for certain provisions to participants impacted by COVID-19 such as in-service distributions up to $100,000, loan borrowings up to $100,000 and suspension of loan payments and required minimum distributions. In accordance with the CARES Act, the Plan has until December 31, 2026 to formally amend the Plan documents.

Contributions

Qualified employees may contribute pre-tax annual compensation up to the maximum percentage allowable under the Internal Revenue Code (Code). In addition, any participant may contribute to the trust a rollover contribution from another qualified plan. Matching contributions to the Plan are an amount up to the lesser of 30% of the participant's contributions or 10% of the participant's compensation.

Participant Accounts

Separate accounts are established for each participant. Participants' accounts are credited with the participants' contributions and allocations of contributions by the Organization and Plan earnings. Certain administrative expenses may be charged directly to the participants' accounts incurring those expenses.

Administrative Expenses

The Organization pays substantially all administrative costs for the Plan.

Vesting

Participants vest in Employer contributions in accordance with the following table:

Year of Vesting Service	Vesting Percentage
After 2 years of service	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Benefit Payments

A participant's total account balance is paid to the participant or the participant's beneficiary in a lump sum upon the participant's termination of employment, retirement, death or disability. The vested portion of a participant's account can be withdrawn by the participant upon termination of employment with the Employer or upon withdrawal from the Plan. In-service withdrawals of after-tax accounts and hardship withdrawals of pre-tax accounts are also available.

Plan Termination

The Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, in compliance with the provisions of ERISA. In the event the Plan is terminated, the accounts of all participants would become fully vested. The Organization, however, has no intentions to terminate the Plan.

Allocation of Plan Earnings

Earnings from the Plan's investments are allocated to participant accounts periodically based on account balances at the end of the period, as further defined in the Plan document.

Forfeitures

Forfeited amounts are used to reduce employer contributions. At December 31, 2025 and 2024, there were no forfeitures available to pay for Plan administrative expenses. The amount used to reduce employer contributions totaled $2,113 during the year ended December 31, 2025.

Notes Receivable from Participants

Notes receivable from participants represent loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow from their vested fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms are generally five years, but may be longer if the proceeds are for the purchase of a primary residence. The loans are collateralized by the balance in the participant's account and bear interest at a reasonable rate of interest as determined by the Plan administrator. Principal and interest are paid ratably through automatic payroll deductions. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan administrator deems the loan to be a distribution, notes receivable from participants is reduced and a benefit payment is recorded.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Estimates and Assumptions

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds and the interest accumulation account are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The Plan presents the net change in fair value of investments, which consists of realized gains or losses, unrealized appreciation (depreciation) and any income or capital gain distributions from such investments, in the accompanying statement of changes in net assets available for benefits.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan provides for various investment options in mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Benefits Paid to Participants

Benefits are recorded when paid.

3. Fair Value Measurements

Under the Fair Value Measurements and Disclosures topic of the Codification, ASC 820, disclosures are required about how fair value is determined for assets and liabilities and a hierarchy for which these assets and liabilities must be grouped is established, based on significant levels of inputs as follows:

Level 1	Unadjusted quoted prices in active markets that are accessible at measurement date for identical, unrestricted assets or liabilities;
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
Level 3	Prices or valuations that required inputs are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value.

Mutual Funds

These investments are public investment vehicles valued using the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying asset owned by the fund, less its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

Interest Accumulation Account

The interest accumulation account is valued at its redeemable value as determined by Mutual of America Life Insurance Company (Custodian).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Total
Mutual funds	$ 6,776,500	$ -	$ 6,776,500
Interest accumulation account	-	270,803	270,803
	$ 6,776,500	$ 270,803	$ 7,047,303

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Total
Mutual funds	$ 5,734,604	$ -	$ 5,734,604
Interest accumulation account	-	234,368	234,368
	$ 5,734,604	$ 234,368	$ 5,968,972

4. Financial Information Certified by the Plan's Custodian (Unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by the Custodian, and party in-interest as defined by ERISA, as of December 31, 2025 and 2024, and for the year ended December 31, 2025, except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental schedule.

This information consists of the following:

	2025	2024
Mutual funds	$ 6,776,500	$ 5,734,604
Interest accumulation account	270,803	234,368
Notes receivable from participants	20,803	18,822
Total	$ 7,068,106	$ 5,753,426
Interest income on notes receivable from participants	$ 1,196	
Net appreciation in fair value of investments	$ 915,420	

5. Tax Status

The Plan has not applied for a determination letter from the Internal Revenue Service (IRS). The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2007-71 [or the draft Listing of Required Modifications issued April 4, 2009]. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b).

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's Annual Return/Report of Employee Benefit Plan is subject to examination by the IRS for three years from the date of filing.

6. Excluded Contracts

The Plan administrator has elected to exclude from investments certain annuity and custodial accounts which have been issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans.* The investment income and distributions related to such potential accounts have also been excluded from the statement of changes in net assets available for benefits. GAAP require that these accounts, and the related income and distributions, be included in the accompanying financial statements. The Plan administrator is not able to determine the amount of these excluded annuity and custodial accounts and to the related income and distributions because records relating to these are not available or do not exist.

7. Self-Correction Program

The Plan intends to correct a limited number of isolated operational errors related to employee deferrals under the IRS's Employee Plans Compliance Resolution System using the Self-Correction Program.

8. Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are managed by the Custodian and therefore these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

9. Subsequent Events

Plan management has evaluated subsequent events through July 21, 2026, the date the financial statements were available to be issued, and concluded that no additional disclosures are required.
