# Independent Auditor's Report

Board of Trustees and Plan Administrator
Y-Prime LLC 401(k) Profit Sharing Plan

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Y-Prime LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by a qualified institution and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RSM US LLP is the U.S. member firm of RSM International, a global network of independent assurance, tax, and consulting firms.
Visit rsmus.com/aboutus for more information regarding RSM US LLP and RSM International.

**Basis for Opinion on the Financial Statements**
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

**Other Matters—Supplemental Schedules Required by ERISA**
The supplemental schedule of delinquent participant contributions for the year ended December 31, 2025, and supplemental schedule of assets (held at end of year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Note 1. Plan Description

The following description of Y-Prime LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering all full-time employees of Y-Prime LLC (the Company or Employer) who are age 18 or older. The Plan excludes certain employees, including non-resident aliens, leased employees, employees covered under a collective bargaining agreement and independent contractors. The Board of Trustees are responsible for oversight of the Plan and determine the appropriateness of the Plan's investment offerings and monitor investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions:** All employees covered by the Plan are eligible to make pretax and Roth (after-tax) contributions, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Company may make matching contributions, at its discretion, in an amount not to exceed 4% of compensation during 2025. The Company's contribution percentage was 100% of the first 3% and 50% of the next 2% of compensation during 2025. The Company may also make discretionary profit-sharing contributions to the Plan. There were no profit-sharing contributions for the year ended December 31, 2025. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

**Investment options:** Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the Plan Administrator in 1% increments. Participants may change their investment options daily.

**Participant accounts:** Each participant's account is credited with the participant's contributions and the Company's matching contribution and allocations of any profit sharing contribution and Plan earnings/losses, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are vested immediately in their contributions plus actual earnings thereon. Participants become fully vested in the Company's contributions upon the occurrence of death, total or permanent disability, or normal or early retirement. Safe harbor contributions are 100% vested at all times. Company matching contributions, other than safe harbor contributions, and profit sharing contributions are subject to the following vesting schedule:

| | Percentage |
|---|---|
| Years of service: | |
| Less than 2 years | 0% |
| After 2 years, but less than 3 | 20% |
| After 3 years, but less than 4 | 40% |
| After 4 years, but less than 5 | 60% |
| After 5 years, but less than 6 | 80% |
| After 6 years | 100% |

### Note 1. Plan Description (Continued)

**Payment of benefits:** The Plan permits withdrawals when a participant terminates employment, reaches retirement age or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59½. Benefits are payable in lump-sum payments with certain exceptions allowed. Upon termination of service, a participant will receive a lump-sum amount equal to their vested account balance if the vested account balance is less than $5,000.

**Forfeitures:** Forfeitures are used to reduce future employer contributions or pay plan expenses. Forfeited nonvested accounts totaled $1,359 and $1,296 at December 31, 2025 and 2024, respectively. During 2025, no forfeitures were used to reduce employer contributions or to pay administrative expenses.

**Notes from participants:** Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000. Loan terms range up to five years or over a reasonable period of time for the purchase of a participant's primary residence, as established by the Plan Administrator at the time of the loan. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan Administrator. These rates range from 4.25% to 9.50% on loans outstanding at December 31, 2025, and the loans mature through 2032. Principal and interest are paid ratably through semi-monthly payroll deductions.

### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes from participants:** Notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

**Contributions:** Contributions from Plan participants and the matching contribution from the Plan sponsor are recorded in the year in which the participant contributions are withheld from amounts paid. Employer matching contributions are recorded in the year the underlying participant contributions are recognized by the Plan. Participant contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction in contributions.

**Payment of benefits:** Benefits are recorded when paid.

### Note 2. Summary of Significant Accounting Policies (Continued)

**Administrative expenses:** Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and certain recordkeeping fees paid by the Plan. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

**Reclassifications:** Amounts previously shown have been reclassified to conform with current year presentation.

**Subsequent events:** The Plan has evaluated subsequent events through October 14, 2026, the date the financial statements were available to be issued.

### Note 3. Information Certified or Provided by Fidelity Management Trust Company (Trustee)

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a qualified institution:

| | December 31 | |
|---|---|---|
| | 2025 | 2024 |
| Investments at fair value: | | |
| Registered investment companies | $ 39,393,475 | $ 31,824,942 |
| Notes receivable from participants | $ 360,798 | $ 338,114 |

Fidelity Management Trust Company also certified to the completeness and accuracy of $5,245,399 of net appreciation in fair value of investments, $948,365 of interest and dividends and $27,901 of interest income on notes receivable from participants related to the aforementioned Plan assets for the year ended December 31, 2025.

### Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Note 4. Fair Value Measurements (Continued)**

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

***Registered investment companies (mutual funds):*** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| | Assets at Fair Value as of December 31, 2025 | | | |
|---|---|---|---|---|
| Description | Level 1 | Level 2 | Level 3 | Total |
| Registered investment companies | $ 39,393,475 | $ - | $ - | $ 39,393,475 |
| Investments at fair value | $ 39,393,475 | $ - | $ - | $ 39,393,475 |

| | Assets at Fair Value as of December 31, 2024 | | | |
|---|---|---|---|---|
| Description | Level 1 | Level 2 | Level 3 | Total |
| Registered investment companies | $ 31,824,942 | $ - | $ - | $ 31,824,942 |
| Investments at fair value | $ 31,824,942 | $ - | $ - | $ 31,824,942 |

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

### Note 5. Related-Party and Party-in-Interest Transactions

Fidelity Management Trust Company is the trustee of the Plan; therefore, transactions with the trustee qualify as party-in-interest transactions. The Company also paid certain administrative expenses of the Plan.

### Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

### Note 7. Tax Status

The Plan has adopted a preapproved Plan document that has received an opinion letter from the IRS dated June 30, 2020, stating that the form of the preapproved Plan document was in compliance with applicable requirements of the IRC. The Plan has been amended since adopting the preapproved plan document; however, the Plan Administrator believes the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets per the Form 5500:

| | December 31 | |
|---|---|---|
| | 2025 | 2024 |
| Net assets available for benefits per the financial statements | $ 39,936,343 | $ 32,367,073 |
| Differences in: | | |
| Participants' contributions receivable | (77,314) | (87,198) |
| Employer's contribution receivable | (104,756) | (116,819) |
| Net assets per the Form 5500 | $ 39,754,273 | $ 32,163,056 |

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to net income per the Form 5500:

| | Year Ended December 31, 2025 |
|---|---|
| Net increase in net assets available for benefits per the financial statements | $ 7,569,270 |
| Differences in: | |
| Participant contributions | 9,884 |
| Employer contributions | 12,063 |
| Net income per the Form 5500 | $ 7,591,217 |

### Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### Note 10. Nonexempt Transactions

During 2025, 2024, 2023 and 2022 the Sponsor inadvertently failed to deposit $118,800, $138,825, $224,831 and $123,620, respectively, of participant contributions and loan repayments within the required timeframe as stated by the DOL regulations. The Sponsor intends to deposit lost interest to correct this failure.
