INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
AB Car Rental Services Retirement Savings Plan for Bargaining Hourly Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of AB Car Rental Services Retirement Savings Plan for Bargaining Hourly Employees, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)" audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of AB Car Rental Services Retirement Savings Plan for Bargaining Hourly Employees Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AB Car Rental Services Retirement Savings Plan for Bargaining Hourly Employees and to meet our other ethical responsibilities, in

accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AB Car Rental Services Retirement Savings Plan for Bargaining Hourly Employees Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AB Car Rental Services Retirement Savings Plan for Bargaining Hourly Employees Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the AB Car Rental Services Retirement Savings Plan for Bargaining Hourly Employees Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held At End of Year) as of December 31, 2025 and Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AB CAR RENTAL SERVICES
RETIREMENT SAVINGS PLAN FOR BARGAINING HOURLY EMPLOYEES
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of the AB Car Rental Services Retirement Savings Plan for Bargaining Hourly Employees (the "Plan") provides only general information. Participants should refer to the Summary Plan Description or the Plan document, which are available from AB Car Rental Services (the "Company"), for a more complete description of the Plan's provisions. The Company is a wholly-owned subsidiary of Avis Budget Group, Inc. ("ABGI").

General – The Plan is a defined contribution plan that provides Internal Revenue Code ("IRC") Section 401(k) employee salary deferral benefits and additional employer contributions for the Company's eligible employees. The Avis Budget Group, Inc. Employee Benefits Committee is the plan administrator ("Plan Administrator"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Bank of America, N.A. (the "Trustee") is the Plan's trustee. Merrill Lynch, Pierce, Fenner & Smith, Inc. ("Merrill"), a subsidiary of the Trustee, is the Plan's record keeper.

The following is a summary of certain Plan provisions:

Eligibility – Each employee of the Company, who as of March 31, 2004 was eligible to participate in a qualified defined contribution plan of an ABGI subsidiary, became an eligible participant on the later of (i) April 1, 2004; or (ii) the date that such employee ceased participation in such other qualified defined contribution plan. Employees who are members of the collective bargaining unit covered by a collective bargaining agreement between such unit and the Company are eligible to participate in the Plan upon attainment of age 21 and completion of one year of service (a year of service means the completion of at least 1,000 hours of service during the first 12 months of employment or the completion of at least 1,000 hours in any Plan year that follows the employment date).

Participant Contributions – Participants may elect to make pre-tax contributions up to 50% of pre-tax annual compensation, not to exceed the statutory maximum of $23,500 for 2025. In addition, employees participating in the Plan may make additional contributions from 1% to 10% of specified compensation on a current, after-tax basis, subject to certain limitations imposed by law. Certain eligible participants (age 50 through 59) are permitted to contribute an additional $7,500 as a catch-up contribution, resulting in a maximum pre-tax contribution of $31,000 for 2025. Additionally, certain eligible participants (ages 60 through 63) are permitted to contribute an additional $11,250 as a catch-up contribution, resulting in a maximum pre-tax contribution of $34,750 for 2025.

Employer Contributions – The Plan permits employer and/or employer matching contributions in accordance with the terms of the collective bargaining agreement in effect for the Plan year with respect to the collective bargaining unit of which the participant is a member.

Rollovers – All employees, upon commencement of employment, are provided the option of making a rollover contribution into the Plan in accordance with Internal Revenue Service ("IRS") regulations.

Investments – Participants direct the investment of contributions to various investment options and may reallocate investments among the various funds or change future contributions on a daily basis. A fund reallocation must be in 1% increments and is limited to one reallocation per day, subject to restrictions imposed by the mutual fund companies to curb short-term trading. Participants should refer to the Plan document regarding investments in ABGI common stock. Participants should refer to each fund's prospectus for a more complete description of the risks and restrictions associated with each fund.

Vesting – At any time, participants are 100% vested in their pre-tax and after-tax contributions to the Plan, plus actual earnings thereon. Employer contributions and actual earnings thereon vest at a rate of 20% per year and are fully vested upon five years of service.

Notes Receivable from Participants – Participants may borrow, in the form of a loan, from their fund accounts up to the lesser of $50,000 or 50% of their vested balance, provided the vested balance is at least $2,000. The notes are secured by the participant's vested account balance and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Note repayments are made through payroll deductions over a period not to exceed five years, unless the proceeds of the note are used to purchase the principal residence of the participant, in which case the term is not to exceed 15 years. The interest rates of loans outstanding at December 31, 2025, range from 4.25% to 9.50%, maturing through March 2040. Notes receivable from participants, which are secured by the borrowing participant's vested balance, are valued at the outstanding principal balance plus any accrued and unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Participant Accounts – A separate account is maintained for each participant. Each participant's account is credited with the participant's contributions, the Company's matching contributions, and an allocation of Plan earnings, including interest, dividends and net realized and unrealized appreciation in fair value of investments. Each participant's account is also charged with an allocation of net realized and unrealized depreciation in fair value of investments and certain administrative expenses. Allocations are based on earnings or participant account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits to Participants – Distribution of the participant's account may be made in a lump-sum payment upon retirement, death or disability, or upon termination of employment. Participants are entitled to withdraw certain portions of their vested balance. Participants are permitted to process in-service withdrawals, in accordance with Plan provisions, upon attaining age 59½ or for hardship in certain circumstances, as defined in the Plan document, before that age.

Forfeited Accounts – Forfeited balances of terminated participants' non-vested accounts are used to reduce employer contributions and pay advisory fees. As of December 31, 2025 and 2024, forfeited account balances amounted to $38,214 and $11,804 respectively. During 2025, $7,888 of forfeitures were utilized, of which a portion was applied to reduce employer contributions and a portion was used to pay lost earnings associated with late remittance corrections.

Administrative Expenses – Administrative expenses of the Plan may be paid by the Company; otherwise, such expenses are paid by the Plan. Fees for participants' distributions, withdrawals and similar expenses are paid by the Plan.

Transfers from Affiliated Plans – Net transfers of participant account balances from affiliated plans of the Company totaled $8,719 for the year ended December 31, 2025.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported and related disclosures. Actual results could differ from those estimates.

Risks and Uncertainties – The Plan invests in various securities, including money market funds, mutual funds, common/collective trusts and Avis Budget Group, Inc. common stock. Investment securities are exposed to various risks, such as interest rate and credit risks and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect participant account balances and the amounts reported in the financial statements.

Cash and Cash Equivalents – The Plan considers highly-liquid investments with an original maturity of three months or less to be cash equivalents.

Valuation of Investments and Income Recognition – The Plan's investments are stated at fair value, which the Plan classifies as follows: (i) Level 1, which refers to securities valued using quoted prices from active markets for identical assets, includes the common stock of publicly traded companies, and mutual funds with quoted market prices, (ii) Level 2, which refers to securities for which significant other observable market inputs are readily available for which quoted market prices are not readily available and (iii) Level 3, which refers to securities valued based on significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the plan year. Mutual funds are valued at the quoted market price, which represents the net asset value of shares held by the Plan at year-end. Common/collective trusts are valued at the net asset value of the shares held by the Plan at year-end, which is based on the fair value of the underlying assets.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest is recorded when earned. The accompanying statement of changes in net assets available for benefits presents net appreciation (depreciation) in fair value of investments, which includes unrealized gains and losses on investments held at December 31, 2025, realized gains and losses on investments sold during the year then ended and management and operating expenses associated with the Plan's investments in mutual funds and common/collective trusts.

Management fees and operating expenses charged to the Plan for investments in the mutual funds and common/collective trusts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Benefit Payments – Benefits paid to participants are recorded upon distribution. Amounts allocated to accounts of participants who have elected to withdraw from the Plan, but have not yet received distributions from the Plan, totaled $7,268 and $127,673 at December 31, 2025 and 2024, respectively.

Subsequent Events – Subsequent events have been evaluated through October 14, 2026, the date the financial statements were available to be issued. Based upon this evaluation, the Plan has determined that no subsequent events have occurred which would require disclosure in or adjustment to the financial statements.

3. FEDERAL INCOME TAX STATUS

The IRS determined and informed the Company by letter dated September 27, 2017 that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving this determination letter. However, the Plan Administrator and the Plan's counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS.

4. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Loans to participants qualify as party-in-interest transactions.

At December 31, 2025 and 2024, the Plan held 10,306 and 11,595 shares, respectively, of ABGI common stock with a cost basis of $227,482 and $259,737, respectively.

Merrill provides administrative and record keeping services to the Plan. Therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid to Merrill totaled $114,037 for the year ended December 31, 2025.

5. PLAN TERMINATION

Although the Company has not expressed any intention to do so, the Company reserves the right to modify, suspend, amend or terminate the Plan in whole or in part at any time subject to the provisions of ERISA. If the Plan is terminated, the amounts credited to the employer contribution accounts of all participants become fully vested.

6. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 90,508,042	$ 82,420,687
Less: Amounts allocated to withdrawing participants	(7,268)	(127,673)
Net assets available for benefits per Form 5500	$ 90,500,774	$ 82,293,014

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2025 to Form 5500:

Benefits paid to participants per the financial statements	$ 10,201,811
Add: Amounts allocated to withdrawing participants at December 31, 2025	7,268
Less: Certain deemed distributions of notes receivable from participants (Reflected in Line G - Certain deemed distributions of participant loans on Form 5500)	(221,605)
Amounts allocated to withdrawing participants at December 31, 2024	(127,673)
Benefits paid to participants per Form 5500	$ 9,859,801

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, 2025, but not yet paid as of that date.

The following is a reconciliation of changes in net assets available for benefits per the financial statements for the year ended December 31, 2025 to the net income per Form 5500:

Increase in net assets available for benefits per the financial statements	$ 8,087,355
Less: Amounts allocated to withdrawing participants at December 31, 2025	(7,268)
Net transfer of assets to the Plan (Reflected in line L-Transfer of assets on Form 5500)	(8,719)
Add: Amounts allocated to withdrawing participants at December 31, 2024	127,673
Net income per Form 5500	$ 8,199,041

7. FAIR VALUE MEASUREMENTS

The Plan measures certain financial assets and liabilities at fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. See Note 2 – Summary of Significant Accounting Policies for the Plan's valuation methodology used to measure fair value.

The following is a description of the valuation methodologies used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- Cash and cash equivalents – Money market funds are valued at the closing price reported from an actively traded exchange and are classified as Level 1.

- Avis Budget Group, Inc. common stock – The fair value of Avis Budget Group, Inc. common stock is valued at the closing price reported on the active markets on which the security is traded. As such, these assets are classified as Level 1.

- Mutual funds – Valued at the net asset value ("NAV") of shares held by the Plan at year end. NAV is derived by the quoted prices of underlying investments and are classified as Level 1.

- Common/collective trusts – Valued based on the NAV of units held by the Plan at year-end. Although the common/collective trusts are not available in an active market, the NAV of the units are approximated based on the quoted prices of the underlying investments that are traded in an active market. The NAV is used as a practical expedient to estimate fair value and would not be used if it is determined to be probable that the Plan would sell these investments for an amount different from the reported NAV. These investments are not included in the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025:

Asset Class	**Level 1**	**Total**
Cash and cash equivalents	$ 7,515	$ 7,515
Common stock	1,322,506	1,322,506
Mutual funds	28,751,042	28,751,042
Total assets in the fair value hierarchy	$ 30,081,063	30,081,063
Investments measured using NAV per share practical expedient [(a)]		56,823,496
Investments, at fair value		$ 86,904,559

[(a)] In accordance with Subtopic 820-10, certain investments that were measured at NAV per share practical expedient of the fund (or its equivalent) have not been classified in the fair value hierarchy. The amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

Asset Class	**Level 1**	**Total**
Cash and cash equivalents	$ 127,945	$ 127,945
Common stock	934,679	934,679
Mutual funds	43,059,849	43,059,849
Total assets in the fair value hierarchy	$ 44,122,473	44,122,473
Investments measured using NAV per share practical expedient [(a)]		35,342,626
Investments, at fair value		$ 79,465,099

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share practical expedient of the fund (or its equivalent) have not been classified in the fair value hierarchy. The amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Fund	2025 Fair Value	2024 Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Common/collective trusts	$ 56,823,496	$ 35,342,626	N/A	Daily	None

8. CERTIFIED INVESTMENTS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2025 and 2024, and investment income, net appreciation in fair value of investments and interest income on notes receivable from participants for the year ended December 31, 2025, that are disclosed in the accompanying financial statements and supplemental schedules, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Trustee of the Plan.

9. CONCENTRATION OF CREDIT RISK

The Plan’s exposure to a concentration of credit risk is limited by the opportunity to diversify investments across multiple participant-directed fund elections including active and passively managed funds covering multiple asset classes. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

The following tables set forth the Plan’s investment assets at fair value that represent a concentration equal to or greater than 10% of the Plan’s net assets available for benefits as of December 31, 2025 and 2024:

	2025
Galliard Stable Return Fund E	$ 18,115,537
State Street S&P 500 Index Fund	11,755,871
T. Rowe Price Structured Research Fund	12,516,709

	2024
Galliard Stable Return Fund Q	$ 17,827,515
State Street S&P 500 Index Fund	11,032,641
Prudential Jennison Growth Fund	11,579,466

10. OPERATIONAL COMPLIANCE

During 2024, it was identified that the Plan is operating inconsistently with the Plan document regarding the maximum pre-tax deferral percentage. The deviation was not material to the Plan and was addressed through a plan amendment to align the Plan’s terms with its actual operations.

11. PROHIBITED TRANSACTIONS

During the year ended December 31, 2024, the Company was delinquent in remitting to the service provider certain employee contributions totaling $171,404 within the time period set forth in the Department of Labor's plan asset regulation at 2510.3-102. Delays in remitting contributions to the Plan were due to administrative errors. The Company computed lost earnings on these deposits and made a contribution for the lost earnings to the Plan during 2025. The Plan sponsor was not assessed penalties associated with these untimely remittances.

12. SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included the Setting Every Community Up for Retirement Enhancement ("SECURE") Act 2.0. The SECURE Act 2.0 contains over ninety new retirement provisions, with varying effective dates through 2027. Since the SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Applicable provisions outlined in the SECURE Act 2.0 will be adopted if elected and/or required. The Plan Administrator adopted some of the optional provisions for 2025, however, there was no material impact to the Plan's 2025 financial statements.
