Independent Auditor's Report

The Fiduciaries/Trustees
Kearney & Company Added Benefits Plan
Alexandria, Virginia

Opinion

We have audited the financial statements of Kearney & Company Added Benefits Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Kearney & Company Added Benefits Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kearney & Company Added Benefits Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kearney & Company Added Benefits Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kearney & Company Added Benefits Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kearney & Company Added Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. PLAN DESCRIPTION

The following description of Kearney & Company Added Benefits Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined benefit health and welfare plan covering all full-time employees working thirty hours per week using a look-back measurement method based on Internal Revenue Service's final regulations under the Affordable Care Act. Full-time employees may also elect coverage for other individuals eligible for coverage, such as spouses and dependents up to age 26. Senior Executive position retirees with at least ten years of service, and their spouses and dependent children, are eligible to continue medical, dental, and vision coverage. The Plan provides coverage to qualified beneficiaries under the Consolidated Omnibus Budget Reconciliation Act (COBRA) following plan requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan provides medical coverage under six separate medical plan options through CareFirst Administrators (CFA). Coverage for dental, vision, short-term disability, long-term disability, life, and accidental death and dismemberment benefits are provided through Guardian.

Benefits

The Plan provides medical, dental, vision, short-term disability, long-term disability, life, and accidental death and dismemberment benefits for covered employees and their beneficiaries and covered dependents. The Plan is not a fully insured plan. The benefits are provided through insurance policies or through Kearney & Company, P.C. (the Employer). The Employer is not an insurer of any fully insured benefits. The Employer is responsible for certain benefits up to a limit; however, the Plan has a stop-loss insurance policy. The applicable insurance company will make the payment of fully insured benefits. The Employer will make the payment of all medical benefits. Insurance premiums for employees and their families are paid by the Employer. Employees are required to contribute toward the dental and vision premium. Under certain circumstances, employee contributions may be made on a pre-tax basis. Benefit payments for the year ended December 31, 2025, totaled $10,500,118 and were netted against prescription drug rebates of $616,871 and stop loss recoveries of $511,865.

Method of Accounting

The Plan presents its financial statements under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Accordingly, income is recorded in the year earned and expenses are recorded in the year incurred.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with GAAP requires plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, disclosure of contingent assets and liabilities, and the actuarial present value of benefit obligations at the date of the financial statements. Actual results may differ from those estimates.

Stop Loss

Premiums for stop-loss insurance are included in insurance premiums in the accompanying statement of changes in net assets available for benefits. Stop-loss insurance recoveries are netted against benefit payments. The total stop-loss recoveries received for the years ended December 31, 2025 and 2024, were $511,865 and $1,141,725, respectively.

Stop-Loss Receivable

Stop-loss amounts still unpaid as of December 31st are shown as a receivable on the statements of net assets available for benefits and are carried at the unpaid amounts. The total stop-loss receivable for the years ended December 31, 2025 and 2024, were $121,625 and $122,319, respectively.

Claims Fund Receivable

Claims amounts still unpaid as of December 31st are shown as a receivable on the statements of net assets available for benefits and are carried at the unpaid amounts.

Claims Payable

The Plan records claim payments when paid by the claims processor. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as a payable to claims administrators in the statements of net assets available for benefits.

Income Recognition

The Plan's contributions are recognized on the accrual basis. Interest and dividends on money market accounts are recorded on the ex-dividend date.

Administrative Expenses

Administrative and other expenses of the Plan are generally paid from plan assets. The Employer, however, may pay directly certain administrative expenses of the Plan. Costs paid directly by the Employer are not recorded in the statement of changes in net assets available for benefits.

3. BENEFIT OBLIGATIONS

The Plan's estimate of unpaid claim obligations is estimated by the third-party administrators utilizing actuarial methods which take into consideration prior claims experience and the expected time period from the date such claims are incurred to the date the related claims are submitted and paid.

3. BENEFIT OBLIGATIONS (CONTINUED)

As of December 31, 2025 and 2024, the estimated benefit claim obligation totaled $843,879 and $836,732, respectively. The estimated benefit claim obligation represents the estimated ultimate cost to the Plan of settling claims incurred on or before December 31, and includes (1) unreported claims, (2) reported but unprocessed claims, and (3) processed but unpaid claims. Given the short period over which these claims are expected to be reported, processed, and paid, management has determined that the effect of discounting would not be material; accordingly, the obligation is recorded on an undiscounted basis, which approximates the present value of the estimated ultimate settlement cost. The calculation was performed for medical and drug coverage. Due to the short nature of this reserve liability, time value of money was not used to discount future payments.

4. TAX STATUS

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. For the Plan, a tax position is the Plan's tax-exempt status under the provisions of the Internal Revenue Code (IRC) and ERISA. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits related to uncertain tax positions identified or recorded as liabilities for the year ended December 31, 2025.

The Plan's policy would be to recognize interest and penalties, if any, on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. No interest and penalties were assessed or recorded during the year ended December 31, 2025. A trust was established under the Plan to hold the Plan's assets. The Plan has not obtained a determination letter from the Internal Revenue Service, but management is of the opinion that the Plan and related trust are operating in compliance with applicable sections of the Internal Revenue Code (IRC) and ERISA to qualify as exempt from federal income taxes.

5. PLAN TERMINATION

Although the Employer has not expressed any intent to do so, they have a right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, assets will be used to pay benefits under the terms of the Plan and coverage for all covered persons would end.

6. RELATED PARTY TRANSACTIONS

Kearney & Company, P.C. paid certain expenses on behalf on the Plan. These transactions qualify as party-in-interest transactions. Fees and commission paid for the year ended December 31, 2025, was $513,993, which is included in the statement of changes in net assets available for benefits.

7. RISKS AND UNCERTAINTIES

Due to uncertainties inherent in the estimations and assumptions process for estimating unpaid claim obligations, it is at least reasonably possible that changes in these estimates and assumptions in the near-term could be material to the financial statements.

8. CONTINGENCIES

The Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was signed into law on March 27, 2020, and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), was signed into law December 29, 2019. Provisions for the CARES Act and the SECURE Act must be made in accordance with applicable law and IRS guidance. These laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

Under Notice 2022-33 and Notice 2022-45, the IRS has extended the deadline for retirement plans to adopt the amendments required by the SECURE Act and the CARES Act until December 31, 2025. The extension allowed retirement plans to adopt amendments required by the SECURE Act, Miners Act, CARES Act and Relief Act in a single amendment. Additionally, IRS Notice 2024-2 under the SECURE 2.0 Act provided additional guidance on certain provisions and an extension to deadlines to update retirement plan documents for the CARES Act, SECURE Act and SECURE 2.0 to December 31, 2026. Any optional and required changes under these provisions have been or are being reviewed by plan management.

9. SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through September 29, 2026, the date on which the financial statements were available to be issued.
