Independent Auditor's Report

Plan Administrator and Trustee
New Perspective Senior Living 401(k) Plan
Minnetonka, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed the audit of the financial statements of New Perspective Senior Living 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of New Perspective Senior Living 401(k) Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP); and
- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section of our report. We are required to be independent of New Perspective Senior Living 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about New Perspective Senior Living 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Perspective Senior Living 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New Perspective Senior Living 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2025 financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Note 1: Description of Plan

The following description of the New Perspective Senior Living 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Beachwood Ops, LLC, Columbia Heights Ops, LLC, Duncansville Ops, LLC, Eagan Ops, LLC, Emerald Bay Ops, LLC, Erie Ops, LLC, Faribault Ops, LLC, Franklin Ops LLC, Golden Valley Ops, LLC, Highland Heights Ops, LLC, Highland Park Ops, LLC, Howard Ops, LLC, Johnstown Ops, LLC, Lake Elmo Ops, LLC, Long Grove LLC, Mankato Ops, LLC, Mentor Ops, LLC, Minnetonka – Old Excelsior Blvd Ops, LLC, Neenah Ops, LLC, New Perspective Senior Living, LLC, New Perspectives Brookfield, LLC, New Perspectives Mahtomedi, LLC, New Perspectives Mequon, LLC, North Shore Ops, LLC, Prior Lake Ops, LLC, Oakdale Ops, LLC, Rosedale Ops, LLC, Roseville Ops, LLC, Silvis Operations, LLC, Split Rock Operations, LLC, Strongsville Ops, LLC, Sun Prairie Ops, LLC, Superior Ops, LLC, The Haven at Lakewood Ops, LLC, Titusville Ops, LLC, Waconia Ops, LLC, Washington Ops, LLC, Waukesha Ops LLC, Weldon Springs Ops, LLC, West Bend Ops, LLC, West Fargo Ops, LLC, White Bear Lake Ops, LLC, and Woodbury Ops, LLC (collectively, the "Company"). Eligible employees must complete one hour of service within 90 days following the employee's employment commencement date and be age twenty-one or older. Plan entry dates are the first day of each month. The Plan is subject to the provisions of ERISA, as amended.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, and post-tax Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. The automatic enrollment contribution increases by 1% annually following the first year of participation, to a maximum automatic contribution rate of 6%. Contributions are automatically invested in a designated balanced fund until changed by the participant. Matching contributions and additional discretionary amounts may be contributed at the option of the Company's Board of Directors. During the year ended December 31, 2025, the Company made discretionary matching contributions of $1,527,921 to the Plan. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching contributions and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1: Description of Plan (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of credited service, as defined. A participant is fully vested after three years of credited service. A participant is also fully vested upon reaching normal retirement age, upon death, or upon becoming totally and permanently disabled.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Participants may have one outstanding note receivable. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% - 9.50%, which are commensurate with the prime rate plus one percent. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or due to other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in the participant's account, or annual installments over a specified period. If a participant terminates with a vested balance of less than $7,000, the amount of their vested balance is required to be removed from the Plan.

Forfeited Accounts

As of December 31, 2025 and 2024, there were no forfeited nonvested accounts. If such balances accumulate, they will be used to reduce future fees and employer contributions. In 2025, forfeited nonvested accounts of $61,380 and $588,595 were used to pay administrative expenses of the Plan and reduce employer contributions, respectively.

Note 2: Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the plan year.

Note 2: Summary of Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the Plan Administrator considers the participant note receivable to be in default, the participant note receivable balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Contributions

Contributions from participants and discretionary contributions from the employer are recorded in the year in which participant compensation is earned.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Subsequent Events

The plan sponsor has evaluated subsequent events through October 14, 2026, the date on which the financial statements were available to be issued.

Note 3: Fair Value Measurements

The fair value measurement accounting literature provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs would only be used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024.

The fair value of registered investment companies consists of mutual funds and is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The mutual funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Note 3: Fair Value Measurements (Continued)

Investments measured at net asset value: Consisting of common trust funds, valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the report NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. These investments are direct filing entities.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of:

	Fair Value	Fair Value Measurements Using Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2025		
Registered Investment Companies and Total Assets in the Fair Value Hierarchy	$ 20,679,040	$ 20,679,040
Investments Measured at Net Asset Value	442,953	-
Total Assets at Fair Value	$ 21,121,993	$ 20,679,040
December 31, 2024		
Registered Investment Companies and Total Assets in the Fair Value Hierarchy	$ 15,347,636	$ 15,347,636
Investments Measured at Net Asset Value	142,641	-
Total Assets at Fair Value	$ 15,490,277	$ 15,347,636

Investments Measured at Net Asset Value

U.S. GAAP guidance indicates that investments measured at net asset value as a practical expedient, such as the investment in the common/collective trust, are excluded from the fair value hierarchy (i.e., Level 1, 2, and 3). However, they are presented above to enable reconciliation with amounts presented on the statements of net assets available for benefits.

Note 3: Fair Value Measurements (Continued)

Investments Measured at Net Asset Value (Continued)

The following table summarizes investments for when fair value is measured using the net asset value per share practical expedient as of December 31:

	Fair Market Value: 2025	Fair Market Value: 2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period	Other Redemption Restrictions
Common/Collective Trust	$ 442,953	$ 142,641	-	Daily	Daily	-

Note 4: Priorities Upon Termination of the Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the participants will become fully vested in their employer contributions.

Note 5: Trustee and Administration of the Plan

The Plan is administered by New Perspective Senior Living, LLC, the plan sponsor. The Company uses a third-party administrator to aid in the acquisition, disposition, and accounting for trust assets. Pamela Engle is the appointed trustee.

Note 6: Tax Status

The Plan is qualified under Section 401 of the Internal Revenue Code (IRC) and is exempt from federal and state income taxes. The non-standardized pre-approved plan obtained its latest opinion letter June 30, 2020, in which the Internal Revenue Service stated that the underlying non-standardized pre-approved plan was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires the Plan Administrator to evaluate uncertain tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 7: Information Prepared and Certified by Custodian

The Plan Administrator has elected to have an audit performed pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, certain information in the Plan's financial statements and supplemental schedule was agreed to or derived from information certified as complete and accurate by Alerus Financial, N.A., the Plan's Custodian and a qualified institution. The certified information includes the Plan's investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the accompanying supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity (including net appreciation, dividends, and other income) and interest income on notes receivable from participants reported in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Party-In-Interest and Related Party Transactions

Party-in-interest transactions include fees paid by the Plan for plan administration and investment management. The fees consist of the following for the year ended December 31, 2025:

Alerus Financial, N.A.	$	206,514
Hays Financial Group, LLC	$	153,738

Note 10: Subsequent Events

The plan sponsor has evaluated subsequent events through October 14, 2026, the date on which the financial statements were available to be issued.

On August 31, 2026 and September 30, 2026, the plan sponsor determined partial plan terminations occurred. For the affected participants, all employer contributed balances became fully vested.
