Independent Auditors' Report

To the Participants and Board of Trustees
Eagle Ambulance 401(k) P/S Plan
Rodeo, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Eagle Ambulance 401(k) P/S Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Eagle Ambulance 401(k) P/S Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Eagle Ambulance 401(k) P/S Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Eagle Ambulance 401(k) P/S Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Eagle Ambulance 401(k) P/S Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Eagle Ambulance 401(k) P/S Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules (Schedule 1 and Schedule 2) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1 – Description of Plan

The following description of the Eagle Ambulance (the Sponsor) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan covering all full-time employees of the Sponsor who have 1 month of service and have attained age 18. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions
Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. The Employer may decide each Contribution Period whether to make a discretionary Nonelective Employer Contribution on behalf of "eligible" Participants in accordance with the Basic Plan Document.

Participant Accounts
Each participant's account is credited with the participant's contributions and allocations of (a) the Sponsor's contributions and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in their deferral contributions, plus actual earnings thereon. Vesting for the remainder of their accounts is as follows:

Years of service	Vested
At least two years	0%
At least three years	100%

Payment of Benefits
On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a partial withdrawal. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator.

Forfeited Accounts
Forfeitures arising from non-vested participant account balances of terminated participants may be applied to reduce administrative expenses of the Plan. As of December 31, 2025 and 2024, the balance of forfeited non-vested accounts was $2 and $0, respectively. During the year ended December 31, 2025, forfeitures of $180 were utilized to offset Plan administrative expenses.

Administrative Expenses
Significant administrative expenses of the Plan related to the third-party administrator are paid by the Sponsor. Additional administrative expenses charged by the plan custodian and investment advisor are paid by the Plan.

Eagle Ambulance 401(k) P/S Plan
Notes to Financial Statements

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting
The Plan's financial statements are presented on the accrual basis of accounting in accordance with generally accepted accounting principles.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation
Investments are reported at fair value. Fair value is based on quoted prices for identical assets in active markets. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits
Benefits are recorded when paid by the Plan.

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. Management of the Plan estimates that these notes are fully collectible and therefore has no reserve for bad debt.

Concentrations of Credit Risk
Financial instruments, which potentially subject the Plan to concentrations of credit risk, consist primarily of marketable securities. Marketable securities are subject to daily changes in market valuations. The Plan believes it is not exposed to any significant credit risk on cash and cash funds.

Subsequent Events
Management of the Plan has evaluated subsequent events through October 14, 2026, which is also the date the financial statements were available to be issued. No subsequent events were noted during this evaluation that require recognition or disclosure in these financial statements.

Note 3 – Fair Value Measurements

The Plan discloses and recognizes the fair value of its assets and liabilities in accordance with Accounting Standards Codification (ASC) 820, Fair Value Measurement and Disclosures (ASC 820) which among other things, defines fair value and provides enhanced disclosures about investments that are measured and reported at fair value. ASC 820 establishes a hierarchical disclosure framework, which prioritizes and ranks the level of market price observability used in measuring investments at fair value. A number of factors, including the type of investment and the characteristics specific to the investment, impact market price observability. Investments with readily available active quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value.

Investments measured and reported at fair value are classified and disclosed in one of the following categories:

- Level 1 inputs, which have the highest priority, are quoted prices for identical assets in active markets.
- Level 2 inputs are observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets in active markets or quoted prices for identical or similar assets in markets that are not active.

- Level 3 inputs, which have the lowest priority, are unobservable inputs that reflect the Plan's own assumptions, consistent with reasonably available assumptions made by other market participants.

Inputs are used in applying the various valuation techniques and broadly refer to the assumptions that market participants use to make valuation decisions, including assumptions about risk. Inputs may include price information, volatility statistics, specific and broad credit data, liquidity statistics, and other factors. An investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Mutual Funds - These investments are valued at the net asset value (NAV) of shares held by the fund based on closing prices reported in an active market and classified within Level 1 of the valuation hierarchy. The investments can be redeemed on a daily basis and there is no restriction on redemption.

The fair value measurements for the Plan's investments are as follows:

2025	**Fair value**	**Level 1**	**Level 2**	**Level 3**
Mutual funds	$ 2,736,900	$ 2,736,900	$ -	$ -
Investments at fair value	$ 2,736,900	$ 2,736,900	$ -	$ -

2024	**Fair value**	**Level 1**	**Level 2**	**Level 3**
Mutual funds	$ 1,955,635	$ 1,955,635	$ -	$ -
Investments at fair value	$ 1,955,635	$ 1,955,635	$ -	$ -

Note 4 – Certified Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments held at December 31, 2025 and 2024, and net depreciation in fair value of investments, interest and dividend income for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus Trust Company and Newport Trust Company, LLC (the trustee of the Plan).

Note 5 – Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 6 – Income Tax Status

The Plan participates in a prototype plan sponsored by Plan Administrators, Inc. The Internal Revenue Service has determined and informed Plan Administrators, Inc. by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has not obtained a separate determination letter from the Internal Revenue Service. Although the Plan has been amended since the date of the determination letter received by Plan Administrators, Inc., the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in accordance with the requirements to qualify for tax-exempt status.

Note 7 – Risks and Uncertainties

The Plan invests in various securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8 – Party-in-Interest Transactions

Notes receivable from participants represent party-in-interest transactions. Fees paid by the Plan for these investment management services amounted to $16,701 for the year ended December 31, 2025. The above party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.
