# INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
EK Food Services, Inc. 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of EK Food Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of EK Food Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from ADP Retirement Trust Services, LLC, a qualified institution, as of December 31, 2025 and for the year then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of

the Financial Statements section of our report. We are required to be independent of EK Food Services, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about EK Food Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of EK Food Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about EK Food Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EK FOOD SERVICES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

**Note 1 – Description of Plan**

The following description of EK Food Services, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document and Summary Plan Description for a more complete description of the Plan and its provisions.

General

The Plan is a defined contribution 401(k) plan sponsored by EK Food Services, Inc. (the "Company"). The Plan was established effective January 1, 2025. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Company is the Plan Administrator and is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

ADP Retirement Trust Services, LLC (the "Trustee") was appointed as the Plan's trustee effective January 1, 2025. The Trustee is responsible for custody and safekeeping of the assets of the trust fund created under the Plan. ADP, Inc. ("ADP") was appointed as the Plan's recordkeeper effective January 1, 2025. Investment management services are provided by ADP Strategic Plan Services, LLC, an affiliate of the Trustee and ADP.

Eligibility

All employees of the Company, with the exception of union employees, nonresident aliens and residents of Puerto Rico, are eligible to participate in the Plan upon completion of one month of service. The Plan entry date is the first day of the month coinciding with or next following the date eligibility requirements are met.

Contributions

Participants may elect to contribute up to 90% of annual compensation, as defined in the Plan document, subject to applicable limitations under the Internal Revenue Code ("IRC"). The 401(k) elective deferral limit was $23,500 for 2025. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to $7,500 for 2025. The Plan permits both pre-tax elective deferrals and Roth elective deferrals. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an automatic deferral provision. Under the Eligible Automatic Contribution Arrangement, eligible employees are automatically enrolled in the Plan at an initial deferral rate of 3% of compensation, unless the employee makes an affirmative election for a different deferral rate or chooses to opt out. For participants with a deferral rate greater than zero who have not made an affirmative election, the automatic deferral percentage will increase by 1% per year up to a maximum of 10% of compensation.

**Note 1 – Description of Plan (continued)**

Contributions (continued)

Participants may choose to opt out of participation, select a different deferral rate or select different investment options at any time.

The Plan does not provide for employer matching or nonelective contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions and an allocation of investment earnings. Participant accounts are charged with an allocation of investment losses, individual expenses (including distribution and withdrawal fees) and an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully and immediately vested in their contributions, rollover contributions and the earnings thereon.

Payment of Benefits

Upon termination of service due to severance of employment, death, disability, or retirement, a participant may elect to receive either a lump-sum distribution equal to the value of the participant's vested interest in their account, substantially equal installments or partial withdrawals. A participant who terminates employment with a vested balance of $5,000 or less will receive a mandatory distribution as defined by the Plan. In addition, the Plan permits in-service distributions, including hardship distributions, under the circumstances specified in the Plan document.

Investment Options

Participants may direct the investment of their contributions into various investment options offered by the Plan. As of December 31, 2025, the Plan offered over thirty mutual funds and a common/collective trust fund with different investment objectives and risk and return characteristics.

**Note 1 – Description of Plan (continued)**

Investment Options (continued)

The Plan provides for a default investment fund for participants who do not elect to direct the investment of their account. Contributions will be invested in a fund within a target date series of funds with a stated retirement age closest to the year in which the participant would attain age 65. Investment allocations may be modified by participants at any time.

Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, all Plan assets, less expenses of administration and liquidation, would be distributed to participants in accordance with Plan provisions.

**Note 2 – Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with generally accepted accounting principles in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustee certifies the fair market value of all investments. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

**Note 2 – Summary of Significant Accounting Policies (continued)**

Administrative Expenses

The Company absorbs significant costs of Plan administration, including recordkeeping, investment management fees and audit fees. These expenses are excluded from the accompanying financial statements. Fees charged by ADP related to certain participant-initiated transactions are charged directly to the individual participant account and are included in administrative expenses.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Subsequent Events

The Plan Administrator has evaluated subsequent events through October 12, 2026, the date the financial statements were available to be issued.

**Note 3 – Fair Value Measurements**

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual funds:* Valued daily at the closing price reported on the active market on which the funds are traded.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note 3 – Fair Value Measurements (continued)**

The three levels of the fair value hierarchy under ASC 820 are described below:

| | |
|---|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include:<br>• Quoted prices for similar assets or liabilities in active markets;<br>• Quoted prices for identical or similar assets or liabilities in inactive markets;<br>• Inputs other than quoted prices that are observable for the asset or liability;<br>• Inputs that are derived principally from or corroborated by observable market data by correlation or other means.<br><br>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable in situations where there is little or no market activity for the asset or liability and the Plan makes estimates and assumptions related to the pricing of the asset or liability, including assumptions regarding risk. |

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025:

| | | Fair Value Measurements at December 31, 2025: | | |
|---|---|---|---|---|
| | Fair Value | Level 1 | Level 2 | Level 3 |
| Mutual funds | $ 306,398 | $ 306,398 | $ - | $ - |

**Note 4 – Tax Status**

The Company adopted a non-standardized defined contribution pre-approved plan effective January 1, 2025. ADP, Inc., as the provider of the pre-approved plan document, has received an opinion letter from the Internal Revenue Service ("IRS") dated October 6, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the IRC. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 5 – Risks and Uncertainties**

The Plan provides for and holds various investment options. Investment securities are exposed to various risks including, but not limited to, interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

**Note 6 – Related Party and Party-in-Interest Transactions**

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the Plan's operation, recordkeeping and financial reporting. The Company provides these services at no cost to the Plan and also pays certain other administrative expenses on the Plan's behalf. During the year ended December 31, 2025, the Company paid ADP, Inc. and ADP Strategic Plan Services, LLC approximately $36,000 in recordkeeping and investment management fees.

The foregoing transactions constitute party-in-interest transactions and are exempt from the prohibited transaction rules under ERISA.

**Note 7 – Information Prepared and Certified by the Trustee**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, ADP Retirement Trust Services, LLC, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule as complete and accurate:

|---|---|
| Investments, at fair value | |

| | For the Year Ended December 31, 2025 |
