INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
QSL Management,LLC 401(K) Plan
Pensacola, Florida

Scope and Nature of the ERISA Section 103(a(3)(C) Audit

We have performed audits of the financial statements of QSL Management, LLC 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the three months then ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of QSL Management, LLC 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to the assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025, and for the three months ended December 31, 2025, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- **The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.**
- **The information in the accompanying financial statements related to assets held by and certified to be a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C) audit opinion.**

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of QSL Management, LLC 401(K) Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements related to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about QSL Management, LLC 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted is accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**
- **Identify and assess the risks of material misstatement of the financial statements, whether due from fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**
- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the QSL Management, LLC 401(K) Plan's internal control. Accordingly, no such opinion is expressed.**
- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**
- **Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SL Management, LLC 401(K) Plan's ability to continue as a going concern for a reasonable period of time.**

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held At End of Year are presented for purposes of additional analysis and are not a required part as of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- **The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.**
- **The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).**

NOTE A - DESCRIPTION OF PLAN

The following description of QSL Management, LLC 401(K) Plan Agreement ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan adopted October 3, 2025, covering all eligible employees of QSL Management, LLC, leased employees, and predecessor employers (collectively, the Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees over twenty-one years of age and with one year of service are eligible to contribute to the Plan.

PARTICIPANT AND EMPLOYER CONTRIBUTIONS

Employees can defer up to 100% of their eligible compensation to the Plan, up to the maximum allowed by the IRC. Upon eligibility, all participants are subject to automatic deferral provision at a fixed rate of three percent (3.0%) unless the participant makes a contrary election. The automatic deferral percentage will increase by one percent (1.0%) per year up to a maximum of ten percent (10.0%) of compensation. Participants are allowed to make additional catch-up contributions to the Plan if they are 50 years of age or older as of the end of the Plan year. Additionally, participants are permitted to male rollover contributions to the Plan from other eligible Plans or individual retirement accounts.

The Employer may make a flexible discretionary match contribution where the Employer retains discretion over the formula. Except in the case of death, disability, or retirement, a participant will share in the allocation of the contributions if the participant is still employed on the last day of the Plan year and has accumulated 1,000 or more hours of service during the Plan year.

INVESTING OPTIONS

Contributions to the Plan are invested, as directed, by the participant. Participants may change their investment options at any time. The Plan offers various investments in mutual fund accounts and group annuity accounts as investment options for participants.

NOTE A - DESCRIPTION OF PLAN - (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Employer's matching or safe harbor contributions, any discretionary contributions, and an allocation of net investment income of each fund in which the participant is invested. Investment income is allocated to the account of each participant according to the gain or loss of each investment in which the participant has elected to invest. Participants' accounts may also be charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

VESTING

Participants are immediately vested in their salary deferral plus actual earnings (or losses) thereon. Participants are vested in employer contributions. Participants become twenty percent (20.0%) vested in employer discretionary contributions after completion of two years of vesting service plus an additional twenty percent (20.0%) for each of the next four years, at which time they become one hundred percent (100%) vested.

PAYMENTS OF BENEFITS

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the vested value of his or her account. For termination of service due to other reasons, a participant will receive a mandatory distribution of the value of the vested interest in his or her account as a lump-sum distribution, or a rollover to another eligible retirement account. Participants may take in in-service distributions from their vested account balance once they have attained age 59 ½ or have a reasonable hardship. Benefits are recorded when paid.

FORFEITURES

Upon termination of employment, participants forfeit their non-vested balances. Forfeited balances may be used to reduce future Employer contributions or to pay Plan expenses. At December 31, 2025, remaining forfeiture balances were $31. Forfeitures used to reduce Employer contributions paid 2025 were $0.

NOTE A - DESCRIPTION OF PLAN - (CONTINUED)

TERMINATED PARTICIPANTS

Plan participants included 23 terminated employees with vested balances totaling $1,702 for the year ended December 31, 2025.

HARDSHIP WITHDRAWALS

Under certain conditions, participants, while still employed by the Employer, are permitted to take a hardship withdrawal from the employee contribution portion of their account balance. These conditions include unreimbursed medical expenses, the purchase of the participant's principal residence, the payment of postsecondary education tuition, the payment of burial or funeral costs of immediate family members, the payment of expenses for the repair of damage to the participant's principal residence that would qualify for the casualty deduction under the IRC, or to prevent eviction or foreclosure from the participant's principal residence.

PARTICIPANT LOANS

The Plan does not permit participant loans.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statement of the Plan is prepared using the accrual method of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2025, are reported in net appreciation (depreciation) in fair value of investments. See Note C for a discussion of fair value measurements and Note D for a discussion on group annuity investment contracts.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Certain investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 9, 2026, the date the financial statements were available to be issued.

ERISA SECTION 103(A)(3)(C) AUDITS

ERISA Section 103(a)(3)(C) allows plan management to elect to exclude from the audit certain investment information held and certified by a qualified institution. This type of audit, previously known and referred to as a "limited-scope audit", is now referred to an "ERISA Section 103(a)(3)(C) audit" in the new standard. SAS 136 does not change anything in ERISA, and, therefore, plan management is able to continue electing such an audit.

NOTE C – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at either fair value or contract value in the accompanying statements of net assets available for benefits. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels under FASB ASC 820 is as follows:

- **Level 1 - inputs used to measure fair value consist of prices quoted in active markets for identical assets or liabilities.**
- **Level 2 - inputs used to measure fair value consist of significant observable inputs other than the prices quoted in active markets for identical assets or liabilities, such as quoted prices in active markets for similar assets or liabilities.**
- **Level 3 - fair value measurements are based upon significant unobservable inputs.**

The Plan asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025.

Mutual Funds: **Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.**

Separate Pooled Accounts: **Maintained by an insurance carrier, these accounts are valued at the net asset value (NAV) of units held by the Plan at year-end. The NAV is determined by the insurance company based on the fair value of the underlying assets owned by the separate account, divided by the total number of outstanding units.**

NOTE C – FAIR VALUE MEASUREMENTS – (CONTINUED)

Common/Collective Investment Trust: Valued based on the year-end unit value. Unit values are determined by the issuer by dividing the fair values of the total net assets at year-end by the outstanding units. The fair values of the total net assets are determined by the nature of the underlying investments. Each underlying investment is valued at fair value according to its investment type.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

Fair Value Measurements Using:

December 31, 2025:

	Fair Value	(Level 1)	(Level 2)	(Level 3)
Mutual Funds	$135,308	$135,308	$------	$-------
Pooled Sep. Account	8,554	--------	8,554	
Common/Coll. Trust	764	--------	764	--------
Total	$144,626	$135,308	$ 9,318	$-------

During 2025, the Plan's investments (including gains and losses on investments bought and sold, as well as, held during the year depreciated in value by ($3,819).

In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2015-12, fully benefit-responsive investments are reported at contract value and are not included in the fair value hierarchy. (See Note D).

The following presents investments that represent 5% or more of the Plan's net assets.

	2025
American Funds 2030 TDR Fund	$17,718
American Funds 2035 TDR Fund	13,418
American Funds 2040 TDR Fund	22,920
American Funds 2045 TDR Fund	14,464
American Funds 2050 TDR Fund	12,900
American Funds 2055 TDR Fund	11,301
American Funds 2060 TDR Fund	8,819
American Funds 2065 TDR Fund	11,069
JP Morgan Inv. Mgt. Large Cap Growth	8,554

NOTE D – INVESTMENT CONTRACTS

The investment contract is a Group Annuity Contract (Contract) offered through Empower Annuity Insurance Company. The Contract provides guaranteed protection of principal with a set rate of return. The fund seeks a high level of current income consistent with preservation of capital by investing primarily in corporate bonds, mortgage-backed securities, collateralized mortgage obligations, high quality commercial mortgage loans, municipal bonds, and other high-grade fixed income securities. The Contract is guaranteed by Empower Annuity Insurance Company.

The Contract is considered benefit responsive for participant-initiated transactions. Because the Contract is benefit responsive, the investment is valued at contract value. Contract value represents a participating plan's contribution to the account, plus interest at a fixed period rate set by the issuer, less withdrawals, and less expenses of the account allocated to the participating plan. The Contract credits interest daily. The interest rate during 2025 was 1.70%. The contract value of the account was $337 at December 31, 2025. Contributions to the account may be made daily and are considered as made immediately after the daily valuation. Withdrawals from the account for benefit payments shall be made within 30 days after written notification has been received.

Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value. The Contract may impose certain restrictions on the Plan, and the account itself may be subject to circumstances that impact its ability to transact at contract value. Plan management believes that the occurrence of events that would cause the Contract to transact at less than contract value is not probable.

NOTE E – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50.0% or more of such an employer, or an employee association or relatives of such persons.

NOTE E – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS – (CONTINUED)

Certain Plan investments are invested in mutual funds and investments in guaranteed annuity contracts managed by Great West Trust Company, custodian of the Plan. Such investments involving the custodian qualify as party-in-interest transactions.

Empower Trust Company, LLC, the Plan TPA, Empower Annuity Insurance Company, the Plan Recordkeeper, and Williams, Weiss, Hester & Company, PLLC, the Plan auditor, are considered parties-in-interest to the Plan. Additionally, the Plan sponsor is a party-in-interest to the Plan; however, there were no transactions with the Plan sponsor other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer reserves the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTE G – TAX STATUS

The Plan obtained its latest determination letter on December 31, 2018, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America (GAAP) require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks such as interest rate, market, credit, and overall volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 SCHEDULE H

The following is a reconciliation of the financial statements to the Form 5500 Schedule H:
