INDEPENDENT AUDITORS' REPORT

To The Plan Administrator
NewtekOne, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of NewtekOne, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of NewtekOne, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Fidelity Management Trust Company as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NewtekOne, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NewtekOne, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NewtekOne, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NewtekOne, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

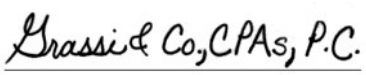

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 and the schedule of delinquent participant contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of Plan

The following description of NewtekOne, Inc. 401(k) Plan (the “Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established on January 1, 2004 and restated on September 6, 2023, is a defined contribution profit sharing plan covering the eligible employees of NewtekOne, Inc. (the “Sponsor”) and its consolidated subsidiaries. The Plan covers employees who are age 21 or older, excluding leased employees and non-resident aliens who do not receive any compensation from domestic sources. Interns are eligible for the Plan upon attainment of age 21 and completion of 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Sponsor is the Plan administrator and is responsible for oversight of the Plan, determining the appropriateness of the Plan’s investment offerings, and monitoring investment performance. The trustee of the Plan is Fidelity Management Trust Company (“Fidelity” or the “Trustee”), and the recordkeeper of the Plan is Fidelity Investments Institutional Operations Company, Inc. (“FIIOC”).

Contributions

Each year, participants may contribute up to 100% of eligible annual compensation, as defined in the Plan, provided that such contributions do not exceed the limitations under the Internal Revenue Code (the “Code”) for 2025 of $23,500, plus catch-up contributions of up to $7,500 for participants who have attained age 50 before the end of the Plan year, or up to $11,250 for participants who attain ages 60 through 63 before the end of the Plan year. Contributions may be made as a pre-tax deferral or after-tax (Roth) deferral. Highly compensated employees are subject to additional limits set forth in the Code. Participants may also contribute amounts representing rollover distributions from other qualified benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation for the first year, with incremental increases of 1% until contributions reach a maximum of 6%. The contributions are invested in a designated balanced fund until changed by the participant.

The Plan provides for discretionary employer matching contributions for eligible participants. For the year ended December 31, 2025, the Sponsor made a matching contribution equal to 50% of each eligible participant's elective deferrals, up to 2% of eligible compensation. To be eligible for an employer matching contribution, a participant must complete at least 1,000 hours of service during the Plan year and be employed by the Sponsor on the last day of the Plan year. Employer matching contributions are allocated to eligible participants in accordance with the terms of the Plan. For the year ended December 31, 2025, the Company made discretionary matching contributions totaling $524,724.

Note 1 - Description of Plan (cont'd.)

Participant Accounts

Each participant's account is credited with the participant's contributions and rollover contributions, as well as allocations of the Sponsor's contributions and the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Sponsor's contributions, plus actual earnings thereon, is as follows:

Years of Credited Service	Vested Percentage
Less than 1	0%
1 but less than 2	25%
2 but less than 3	50%
3 or more	100%

In addition, participants become 100% vested with respect to the Sponsor's contributions upon death, disability or attaining 59 ½ years of age while, in each case, in the employment of the Sponsor.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of their vested account. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest based on the prevailing interest rate, as defined by the Plan. The interest rate is determined as of the date of origination and is fixed for the loan term. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, unless the funds are used to acquire a principal residence, in which case the maximum repayment period is determined by the Plan.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount cash distribution. If a terminated participant's account balance is equal to or less than $5,000, the account balance will be automatically distributed. Any distribution greater than $1,000 that is automatically distributed to a participant without the participant's consent before the participant's normal retirement age will be rolled over to an individual retirement plan designated by the Plan administrator. Participants may also request an in-service withdrawal after age 59 ½ or hardship withdrawals upon meeting certain requirements as outlined by the Internal Revenue Service.

Note 1 - Description of Plan (cont'd.)

Forfeitures

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $17,350 and $14,359, respectively. These accounts will be used in any permissible method to restore forfeitures, to reduce future Sponsor contributions, or to pay Plan expenses. During the year ended December 31, 2025, forfeitures amounting to $33,442 were applied.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers. See Note 4 for a discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. Notes receivable from participants are reclassified as distributions once the participant is no longer employed by the Sponsor. Interest rates on loans outstanding at December 31, 2025 ranged from 4.25% to 9.50%.

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Payment of Benefits

Benefits are recorded when paid.

Deemed Distributions

For participant loans in which the participant has a distributable event, such as employment termination, death or disability, the loan is considered a deemed distribution. The participant loan is removed from the statement of net assets available for benefits and a distribution is recorded. For all participants who have not incurred a distributable event, but have delinquent loans, the participant loan remains outstanding until a distributable event occurs. The Plan had no deemed distributions during the year ended December 31, 2025.

Corrective Distributions

The Plan is required to distribute amounts to certain participants to satisfy the Internal Revenue Code nondiscrimination requirements or to correct excess contributions, excess aggregate contributions, excess deferrals, or other operational errors. Corrective distributions are recorded as a liability and a reduction of net assets available for benefits when such amounts have been determined and approved for distribution. Amounts not yet distributed as of year-end are included in benefits payable. At December 31, 2025, corrective distributions payable amounted to $1,537.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan.

Adoption of ASU No. 2025-12

During 2025, the Plan early adopted Financial Accounting Standards Board Accounting Standards Update ("ASU") No. 2025-12, *Codification Improvements*, which amends various topics within the Financial Accounting Standards Board's Accounting Standards Codification to correct, clarify, and make other incremental improvements to U.S. GAAP. ASU No. 2025-12 includes amendments intended to improve the consistency and operability of existing guidance across a broad range of accounting topics and generally is not expected to significantly change current accounting practices for most entities. The adoption of ASU No. 2025-12 did not have a material impact on the Plan's financial statements.

Note 3 - Information Certified By Trustee

The following information, including investments and notes receivable from participants at December 31, 2025 and 2024, and investment income and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity, the Trustee of the Plan.

	2025	2024
Investments, at fair value:		
Mutual funds	$ 44,695,169	$ 38,026,787
Money market fund	2,264,592	2,196,195
Employer securities	567,238	752,127
Total Investments, at Fair Value	$ 47,526,999	$ 40,975,109
Notes receivable from participants	$ 881,412	$ 650,040
Investment income:		
Net appreciation in fair value of investments	$ 5,318,115	
Interest and dividend income	2,036,652	
Total Investment Income	$ 7,354,767	
Interest income on notes receivable from participants	$ 64,145	

Note 4 - Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Note 4 - Fair Value Measurement (cont'd.)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Employer Securities: Valued at the closing price reported on the NASDAQ stock exchange.

Money Market Funds: Valued at the NAV of shares held by the Plan at year-end.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2025 and 2024. For the year ended December 31, 2025, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

	Assets at Fair Value at December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 44,695,169	$ -	$ -	$ 44,695,169
Money market fund	2,264,592	-	-	2,264,592
Employer securities	567,238	-	-	567,238
Total Investments, at Fair Value	$ 47,526,999	$ -	$ -	$ 47,526,999

	Assets at Fair Value at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 38,026,787	$ -	$ -	$ 38,026,787
Money market fund	2,196,195	-	-	2,196,195
Employer securities	752,127	-	-	752,127
Total Investments, at Fair Value	$ 40,975,109	$ -	$ -	$ 40,975,109

Note 5 - Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are shares of common stock of NewtekOne, Inc., the Sponsor, and therefore qualify as party-in-interest transactions under ERISA. At December 31, 2025, the Plan held $567,238 of NewtekOne, Inc. common stock. During the year ended December 31, 2025, the Plan recognized net depreciation in fair value of $184,889 related to its investment in NewtekOne, Inc. common stock.

Certain Plan investments are shares of mutual funds managed by FIIOC, which is an affiliate of Fidelity, the Trustee. Plan investments also include a money market fund account managed by Fidelity. Therefore, the transactions related to these investments qualify as party-in-interest transactions.

Fees paid to Fidelity, the Trustee of the Plan, and FIIOC, the recordkeeper of the Plan, qualify as party-in-interest transactions.

Notes receivable from participants also qualify as party-in-interest transactions.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 7 - Tax Status

The Plan has been designed using a Fidelity Non-Standardized Pre-Approved Prototype Plan document. Accordingly, the Plan is permitted to rely on Fidelity's opinion letters. The Internal Revenue Service has determined and informed Fidelity by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore believes that the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that at December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Delinquent Participant Contributions

During the year ended December 31, 2025, the Sponsor did not submit participant contributions and loan repayments of $3,551 to the Plan in a timely manner. The delinquent contributions were remitted to the Plan in March 2025. The Sponsor intends to correct the delinquency, including payment of the related lost earnings and any applicable excise tax.

The lost earnings on the 2025 delinquent contributions have not been paid as of the date of these financial statements.

Note 10 - Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to the Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 49,061,084	$ 42,285,594
Less: Participant contributions receivable	(130,102)	(147,011)
Less: Employer contributions receivable	(524,108)	(513,434)
Net assets available for benefits per the Form 5500	$ 48,406,874	$ 41,625,149

The following is a reconciliation of total additions per the financial statements for the year ended December 31, 2025 to the Form 5500:

Total additions per the financial statements	$ 12,523,881
Participant contributions receivable at December 31, 2024	147,011
Employer contributions receivable at December 31, 2024	513,434
Participant contributions receivable at December 31, 2025	(130,102)
Employer contributions receivable at December 31, 2025	(524,108)
Total additions per the Form 5500	$ 12,530,116

Note 11 - Subsequent Events

The Plan administrator has evaluated all events or transactions that occurred after December 31, 2025 through October 14, 2026, which is the date that the financial statements were available to be issued. During this period, there were no material subsequent events requiring disclosure.

Plan Administrator and Management
NewtekOne, Inc. 401(k) Plan
1981 Marcus Avenue, Suite 130
Lake Success, New York 11042

Effective August 25, 2026, we have ceased our services as your auditor. We have reached this decision reluctantly and after substantial deliberation because we are not independent in accordance with the provisions of the auditing standards generally accepted in the United States of America.

Because this matter affects our independence, our auditor's report on the Plan's 2024 financial statements should no longer be relied upon. Accordingly, the Plan Administrator and management should take appropriate steps to prevent further reliance on the 2024 audited financial statements and related auditor's report and consult with successor auditors regarding any necessary actions.

We will fully cooperate with your successor auditors to facilitate an orderly transition. To authorize us to communicate with them and provide information as permitted by professional standards, please send us a letter authorizing us to make disclosures to your successor auditors. Without such authorization, we are ethically prohibited from communicating with others regarding your organization's affairs.

Very truly yours,

UHY LLP
