INDEPENDENT AUDITOR'S REPORT

October 9, 2026

To the Plan Administrator of the
Anthony L. Jordan Health Center, Inc. Pre-Tax Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of Anthony L. Jordan Health Center, Inc. Pre-Tax Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedule Required by ERISA (Continued)
In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following brief description of the Anthony L. Jordan Health Center, Inc. Pre-Tax Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to employees of Anthony L. Jordan Health Corporation, Inc. (the Company) who meet certain eligibility requirements. The Company is responsible for general administration of the Plan. Hand Benefits & Trust Company (HBTC) is the trustee and custodian of the Plan's assets. Benefit Plans Administrative Services, Inc. (BPAS) is the Plan's third-party administrator and provides record keeping services for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of the Company are eligible to contribute to the Plan immediately upon hire. Employees who have worked one year, at least 1,000 hours of service, and are 21 years of age, are eligible to receive employer contributions to the Plan. Employees covered by a collective bargaining agreement are not eligible for employer contributions.

Contributions

Active participants may make voluntary contributions in the form of salary reductions and any applicable rollovers from other qualified plans, subject to certain limitations of the Plan and the Internal Revenue Code (IRC) under Section 403(b). Eligible participants, who attain the age of 50 are eligible to make long-term service catch-up contributions, subject to certain limitations of the IRC. Participants have the option to change their deferral percentage or discontinue deferrals at any time.

New employees are automatically enrolled into the Plan with a contribution of 1%, unless electe otherwise within 60 days of hire.

The Company provides a safe harbor contribution on behalf of eligible employees, which is calculated as 3% of the participant's compensation for the Plan year.

The Company may make discretionary matching contributions on behalf of eligible employees, at 100% of the employee's elected deferral, less any catch-up contribution, up to 3% of the employee's annual compensation. Discretionary matching contributions for the year are approved and made to the Plan subsequent to year-end. Discretionary amounts remitted to the Plan were approximately $176,589 and $230,926 during the years ended December 31, 2025 and 2024, respectively.

Additionally, the Company can make a discretionary non-matching contribution which is allocated equally among all eligible participants. Discretionary contributions for the year are made to the Plan subsequent to year-end. There was no discretionary non-matching contribution made for the years ended December 31, 2025 and 2024.

1. DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

During 2025, the Plan recorded a receivable for amounts owed to the Plan for lost investment earnings for the years 2009-2025, for employees who were previously deemed ineligible in the Plan but should have been eligible to make participant contributions under the universal eligibility rules. The Plan has since corrected the Plan provisions to provide for universal eligibility. The amount owed to the Plan was approximately $630,000 at December 31, 2024 and was paid to the Plan in 2025. The contribution is included in employer receivables and employer contributions in the accompanying statements of net assets available for benefits and changes in net assets available for benefits, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, the Plan's earnings or losses on all contributions, and administrative expenses. Allocations of earnings or losses and administrative expenses are based on participant account balances according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balance and subject to the vesting rules where applicable.

Participants select the investments in which their contributions will be allocated by the Plan. If a participant does not direct the contributions, they are invested in a target date retirement fund where the allocation strategy is consistent with the participant's date of retirement.

Vesting

Participants are immediately vested in their contributions to the Plan, which includes safe harbor contributions and actual earnings thereon. Company discretionary matching contributions vest 20% per year beginning after two years of service. Participants are fully vested after six years of credited service or upon normal retirement age.

Forfeitures

Forfeitures of non-vested account balances are netted against the Company's discretionary contribution and are allocated to participants eligible to share in such contributions. Forfeitures reduced the Company's contributions by approximately $9,700 and $23,400 for the years ended December 31, 2025 and 2024, respectively. Unapplied, forfeited, and non-vested accounts were approximately $16,000 and $9,700 at December 31, 2025 and 2024, respectively.

Notes Receivable From Participants

Participants may borrow up to the lesser of 50% of their vested account balance or $50,000. Loans in the amount of $1,000 or less are not permitted. Loans are payable over a period not to exceed five years, except when used to acquire a principal residence, in which case loans may be paid over a longer repayment period. The Plan administrator determines interest rates at the time of the loan request by reviewing interest rates charged for similar types of loans by other lenders.

Benefit Payments

Upon retirement or termination of service, participants may elect to receive a lump-sum distribution of their vested account balance or elect a rollover to another qualified retirement plan or an Individual Retirement Account. Additionally, payments may be made in installments, but only for purposes of minimum required distributions, over a period of not more than the participant's assumed life expectancy.

Hardship Withdrawals

Prior to age 59 ½, a participant may withdraw only their participant plan contributions for reasons of hardship. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

1. DESCRIPTION OF PLAN (Continued)

Administrative Expenses

Substantially all administrative expenses associated with the Plan are paid by participants. Management fees and operating expenses charged to the Plan for investments in registered investment companies are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in fair value of investments.

Plan Termination

Although the Company has not expressed any intent to do so, it has the right to terminate the Plan at any time subject to the provisions of the ERISA. In the event of Plan termination or complete discontinuance of contributions to the Plan, all amounts credited to the accounts of the participants would become fully vested and nonforfeitable. In the event of a partial termination, only those who are affected by such partial termination shall be fully vested. All distributions would be made in accordance with any applicable requirements of ERISA and the IRC.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted (GAAP) in the United States of America.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds and a stable value fund are reported at fair value as reported by the Trustee. Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the financial statements.

Fair Value Measurement

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures* provides a framework for measuring fair value. The Plan uses various valuation techniques in determining fair value. GAAP establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's estimate about the assumptions market participants would use in pricing the asset or liability, developed based on the best information available in the circumstances.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement (Continued)
The fair value hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

- Level 2 - Valuations are based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

- Level 3 - Valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

The following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds: Valued at fair value based on quoted market prices in active markets.

Stable Value Fund: The fund is valued at the net asset value (NAV) as a practical expedient per unit by dividing the total assets of the fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the fund and included in the determination of unit values. These contracts contain certain restrictions on the Plan participants' ability to cash out their contracts and thus are not fully-benefit responsive contracts.

The Plan's investment in a stable value fund is comprised of guaranteed insurance contracts established between the Plan's participants and the Plan's custodian. These contracts guarantee the participants' principal and a minimum interest rate. In addition, participants have the opportunity to earn amounts in excess of the guaranteed rate. The contract returns are backed by Prudential Financial, Inc. which invests in a broadly diversified portfolio of private placement bonds, commercial mortgages, and publicly traded securities. Since the agreement or funding agency has the ability to restrict certain transfers and withdrawals, the contract is not considered fully-benefit responsive.

Redemptions are generally restricted to processing on a valuation date at the NAV per unit computed on that date. Trust units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the trust. The fund does not have any unfunded commitments.

There were no changes in the valuation methodologies used during 2025 and 2024.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement (Continued)
The availability of observable inputs can vary and is affected by a wide variety of factors. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining fair value is greatest for instruments categorized in Level 3. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes are reclassified as distributions based upon terms of the Plan document.

Benefit Payments
Benefit payments to participants are recorded when paid.

Estimates
The preparation of financial statements in accordance with GAAP requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as accurate and complete by HBTC as of and for the years ended December 31:

	2025	2024
Investments, at fair value	$ 14,353,861	$ 12,436,658
Notes receivable from participants	$ 150,227	$ 159,589
Net appreciation in fair value of investments	$ 1,520,620	$ 1,351,916
Interest and dividends	$ 462,393	$ 364,368
Interest income on notes receivable from participants	$ 10,666	$ 7,700
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 14,081,355	$ -	$ -	$ 14,081,355
Stable value fund, NAV				272,506
				$ 14,353,861

4. FAIR VALUE MEASUREMENTS (Continued)

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 12,183,368	$ -	$ -	$ 12,183,368
Stable value fund, NAV				253,290
				$ 12,436,658

5. PARTY-IN-INTEREST TRANSACTIONS

HBTC is the trustee and custodian of the Plan's investments, and Benefit Plans Administrative Services, Inc. is the Plan's third-party administrator. As such, transactions between these parties and the Plan qualify as party-in-interest transactions. Additionally, transactions involving notes receivable from participants qualify as party-in-interest transactions.

6. TAX STATUS

The Organization has adopted a prototype plan document offered by Benefit Plans Administrative Services LLC that has received an IRS Opinion Letter dated August 30, 2001, stating that the form of the prototype plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the IRS Opinion Letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified.

7. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of and for the years ended December 31, 2025 and 2024.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 9, 2026, which is the date the financial statements were available to be issued.
