Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Rolling Plains Management Corporation of Baylor, Cottle, Foard, Hardeman & Wilbarger Counties 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Rolling Plains Management Corporation of Baylor, Cottle, Foard, Hardeman & Wilbarger Counties 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America.

MWH GROUP, P.C. 624 Indiana P.O. Box 97000 Wichita Falls, TX 76307 (940) 723-1471 Fax (940) 723-2251 www.mwhpc.com

Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rolling Plains Management Corporation of Baylor, Cottle, Foard, Hardeman & Wilbarger Counties 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rolling Plains Management Corporation of Baylor, Cottle, Foard, Hardeman & Wilbarger Counties 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rolling Plains Management Corporation of Baylor, Cottle, Foard, Hardeman & Wilbarger Counties 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rolling Plains Management Corporation of Baylor, Cottle, Foard, Hardeman & Wilbarger Counties 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i – schedule of assets (held at end of year) – modified cash basis as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROLLING PLAINS MANAGEMENT CORPORATION OF BAYLOR, COTTLE, FOARD, HARDEMAN & WILBARGER COUNTIES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - DESCRIPTION OF PLAN

Rolling Plains Management Corporation of Baylor, Cottle, Foard, Hardeman & Wilbarger Counties (the "Corporation") sponsors the Rolling Plains Management Corporation of Baylor, Cottle, Foard, Hardeman & Wilbarger Counties 401(k) Plan (the "Plan"). The following description provides only general information. This document is not part of the Summary Plan Description and is not a document pursuant to which the Plan is maintained within the meaning of Section 402(a)(1) of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Participants should refer to the Plan document for a complete description of the Plan's provisions. To the extent not specifically prohibited by statute or regulation, Rolling Plains Management Corporation of Baylor, Cottle, Foard, Hardeman & Wilbarger Counties reserves the right to unilaterally amend, modify or terminate the Plan at any time; such changes may be applied to all Plan participants and their beneficiaries regardless of whether the participant is actively working or retired at the time of the change.

General

The Plan is a defined contribution plan established January 1, 2014, and last restated October 1, 2021. The Plan covers all full-time employees, except excluded employees, who have completed 2 months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and is intended to qualify under Section 401(k) of the Internal Revenue Code (IRC). The Board of Directors are responsible for the oversight of the Plan and determines the appropriateness of and monitors the Plan's investment performance. The Board of Directors delegates authority to the Plan Administrator.

Contributions

Employees may contribute up to the amount permitted by IRS regulations, which was $23,500 in 2025. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of an additional $7,500 in 2025. There are two types of salary deferrals: Pre-tax 401(k) deferrals and after-tax, or Roth 401(k) deferrals. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contribution into various investment options provided by the Plan.

The Corporation makes a safe-harbor matching contribution dollar for dollar of employee contributions up to 4% of employee compensation. The Corporation may also make a discretionary matching contribution. For 2025 and 2024, the Corporation made employer contributions totaling $241,212 and $257,771, respectively, to the Plan. All Corporation contributions are invested at the direction of the participant.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Corporation's matching contributions, and allocations of Plan earnings (losses), and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and the Corporation's contributions plus actual earnings thereon.

Note 1 - DESCRIPTION OF PLAN (CONT'D.)

Notes Receivable from Participants

Participants may borrow from their account a minimum of $1,000 up to the lesser of (a) $50,000 or (b) 50% of their vested account balance. The administrative loan origination fee is $75 per loan is paid by the participant and is deducted from the proceeds of the loan. Furthermore, a quarterly $10 loan maintenance fee will be charged to each participant's account. A participant may have one loans outstanding at any time. Loan terms range from up to five years for general purpose loans and up to fifteen years for home loans. The loans are secured by the balance in the participant's account and bear fixed interest rate of one percent above the prime interest rate. Generally, payments of principal and interest on the loan will be deducted from an employee's regular pay in equal amounts each pay period beginning with the first pay period following the date of the loan.

Payment of Benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments if termination of employment occurs at age 65 or later. Participants must begin receiving required minimum distributions upon the later of attaining age 73 or the year of retirement. In addition, hardship distributions out of the participant's voluntary contributions account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining the age of 59 ½.

Investment Options

A participant may direct the Custodian to invest any portion of his or her account in available investment options. Available investment options may change at any time. Participant investment options at December 31, 2025, include a variety of mutual funds. Participants may change their elections at any time.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, using the modified cash basis of accounting. Investment income is recognized when received, and disbursements are recognized when made. Additionally, securities investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D.)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded when received. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

The Plan allows certain administrative expenses to be paid from Plan assets, unless otherwise paid by the Corporation. Expenses that are paid by the Corporation are excluded from these financial statements. The Plan does not reimburse for these expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are recorded as fees on notes receivable from participants when incurred. Investment related expenses that are indirect are included in net appreciation/depreciation of fair value of investments and direct expenses are included in administrative expenses.

Date of Management Evaluation

The Plan has evaluated subsequent events through October 8, 2026, the date that the financial statements were available to be issued.

Note 3 - TAX STATUS

The Plan has received a determination letter from the IRS dated November 30, 2020, stating that the Plan is in accordance with applicable sections of the Internal Revenue Code (IRC), and therefore, the related trust is exempt from taxation.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and disclose a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress

Note 4 - INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan management instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by Mid-Atlantic Trust Company (MATC), the custodian of the Plan, as complete and accurate, except for comparing such information certified by the custodian with information included in the Plan's financial statements and supplemental schedules:

a. Investments and cash and cash equivalents held and certified by MATC:

	As of December 31,	
	2025	2024
Cash and cash equivalents	$ 307	$ -
Investments, at fair value	4,547,252	3,836,097

b. Investment income certified by MATC:

	For the Year Ended December 31,	
	2025	2024
Net appreciation in fair value of investments	$ 510,346	$ 302,599
Interest and dividends	97,840	90,648

Note 5 - FAIR VALUE MEASUREMENT

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 5 - FAIR VALUE MEASUREMENT (CONT'D.)

A description of the valuation methodologies used for assets measured at fair value for December 31, 2025 and 2024 is presented below. There were no changes made in the valuation methodologies used to determine the fair value of financial assets during the year December 31, 2025.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2025 and 2024:

	Fair Value Measurement as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,547,252	$ -	$ -	$ 4,547,252
Total assets in the fair value hierarchy	$ 4,547,252	$ -	$ -	$ 4,547,252
Total investments at fair value				$ 4,547,252

	Fair Value Measurement as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,836,097	$ -	$ -	$ 3,836,097
Total assets in the fair value hierarchy	$ 3,836,097	$ -	$ -	$ 3,836,097
Total investments at fair value				$ 3,836,097

Note 6 - RELATED PARTY TRANSACTIONS

The Plan paid $27,713 in fees to Mutual of America during the year ended December 31, 2025. Mutual of America is the current recordkeeper of the Plan and uses the custodial services of Mid-Atlantic Trust Company; therefore, these fees qualify as party-in-interest transactions. Additional investment fees paid to parties in interest are netted against investment returns. Certain Plan investments are shares of mutual funds managed by the Mutual of America Investment Corporation. Mutual of America Investment Corporation is a subsidiary of Mutual of America; and therefore, these transactions qualify as exempt party-in-interest transactions.

The Plan has contracted with Wilshire Associates Incorporated, a party-in-interest, to provide investment advisory services. Fees paid by the Plan for these services amounted to $843 for the year ended December 31, 2025. These transactions qualify as exempt party-in-interest transactions.

Note 6 - RELATED PARTY TRANSACTIONS (CONT'D.)

The Plan also holds notes receivable from participants. Such transactions, while considered party-in-interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. The Plan attempts to limit these risks by authorizing and offering participants a broad range of investment options that are invested in high quality securities or are offered and administered by reputable and known investment companies. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the Statements of Net Assets Available for Benefits – modified cash basis. The Plan's exposure to a concentration of risk is limited by the diversification of investments across multiple investment fund options.

Note 8 - PLAN TERMINATION

While there is no intention to do so, the Corporation may terminate the Plan and discontinue its contributions at any time subject to the provisions of ERISA. In the event of complete or partial Plan termination, any unvested amounts in the participants' accounts shall become fully vested. The Plan shall remain in effect and the assets shall be administered in the manner provided by the terms of the trust agreement and distributed as soon as administratively feasible.
