INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Hammond Lumber Company Group Benefits Plan:

Opinion

We have audited the accompanying financial statements of Hammond Lumber Company Group Benefits Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits and benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hammond Lumber Company Group Benefits Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hammond Lumber Company Group Benefits Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hammond Lumber Company Group Benefits Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hammond Lumber Company Group Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. DESCRIPTION OF PLAN

The following description of the Hammond Lumber Company Group Benefits Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the Plan documents for a complete description of the Plan's provisions, copies of which may be obtained from the Plan Sponsor.

General - The Plan provides health and other benefits to eligible employees of Hammond Lumber Company (HLC) and Ellsworth Falls Lumber Co., Inc. & Ellsworth Builders Supply, Inc. (EBS), (collectively, the Company) and covered dependents. Coverage begins on the first day of the month following 30 days of full-time continuous employment, as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective January 1, 2025, EBS became a participating employer in the Plan, expanding eligibility to qualifying EBS employees and their eligible dependents.

Effective January 1, 2025, the Plan implemented several changes to its service providers. The third-party medical claims administrator changed from Patient Advocates, LLC to Health Plans, Inc.; the third-party dental administrator changed from Patient Advocates, LLC to Northeast Delta Dental; the life insurance carrier changed from MetLife to Transamerica; and the third-party flexible spending account administrator changed from Patient Advocates, LLC to WEX.

Effective August 1, 2025, the Plan was amended to provide immediate eligibility to employees and eligible dependents of entities acquired by the Plan Sponsor. The otherwise applicable waiting period was waived for employees of the acquired entities who were employed on the acquisition date. This provision was applicable to the employees of Ware-Butler Building Supply, an entity acquired by the Company on July 31, 2025.

Benefits - The Plan provides health benefits (medical, vision, dental, and prescription drugs), flexible benefits, life insurance and dependent life insurance, short-term disability (STD) benefits, and accidental death and dismemberment (AD&D) benefits. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured benefits - The basic and dependent life insurance, AD&D, and STD benefits are fully insured. The Company purchases annual insurance contracts for these insured benefits. Premiums for these insured benefit programs are paid to the insurance company from the general assets of the Company.

Stop-loss coverage - The Plan maintains a stop-loss insurance arrangement to limit its exposure for self-insured benefits. Under the policy, claims incurred by an individual participant in excess of the specific attachment point of $160,000 are eligible for reimbursement. Certain participants with a history of high-cost claims are subject to individualized specific attachment points that exceed the Plan's standard specific attachment point. As of December 31, 2025, one participant was subject to a specific attachment point of $250,000. Under the terms of the policy, that participant's specific attachment point may increase to $500,000 if certain policy conditions are not satisfied.

1. DESCRIPTION OF PLAN, CONTINUED

Self-insured benefits - All other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Company from its general assets. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically provides rebates to the Plan based on the Plan's actual utilization pattern of specific drugs.

The Plan includes a health savings account (HSA) arrangement for eligible participants enrolled in a qualified high-deductible health plan. HSA contributions may be made by both the Company and participants and are deposited directly into participant-owned accounts. Participants are responsible for the use and substantiation of HSA distributions for qualified medical expenses, and unused balances remain the property of the participant and carry forward from year to year. The HSA accounts and related contributions are not assets or activity of the Plan and are therefore excluded from the financial statements.

Effective December 31, 2024, the Plan terminated its Health Reimbursement Arrangement (HRA). Accordingly, participant HRA balances previously available under the arrangement were forfeited in accordance with the Plan provisions, and no HRA balances were carried forward into the 2025 Plan year. As a result, no HRA assets or participant balances existed as of December 31, 2025.

Contributions - In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participants pay the full cost of flexible benefits. The Company pays the full cost of life insurance and AD&D, dependent life, and stop-loss insurance. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and use of estimates - The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Payment of benefits - Premiums paid by the Company are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Claim payments are recorded when paid by the third-party claims processor. Prior to January 1, 2025, short-term disability (STD) payments were processed through the Company's payroll system and paid from the Company's general assets. Effective January 1, 2025, the Company transitioned its STD program from a self-insured arrangement to a fully insured insurance policy with Transamerica. Accordingly, eligible STD benefits are paid by Transamerica under the insurance policy rather than from the Company's general assets.

Stop-loss premiums and reimbursements - Premiums for stop-loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. Health care claims paid in the statement of changes in net assets available for benefits are reported net of stop-loss reimbursements, totaling approximately $342,000 in 2025.

Pharmacy rebates - The Plan Sponsor participates in a pharmacy rebate program under which rebates related to prescription drug claims are received after the related claims are paid. Under the terms of the applicable service agreement, these rebates are contractually payable to the Plan Sponsor and, accordingly, are not reflected in the accompanying financial statements. The amount and timing of future rebate payments depend on the claims adjudication and rebate settlement processes and cannot be reasonably determined as of year-end. Pharmacy rebates paid in 2025, totaling approximately $754,000, have been netted against claims paid in the accompanying statement of changes in net assets available for benefits.

Income taxes - The Plan is required to operate in conformity with the Internal Revenue Code (IRC) to maintain the tax-exempt status of the Plan. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is tax-exempt.

U.S. GAAP prescribes a comprehensive model for how an organization should measure, recognize, present, and disclose in its financial statements uncertain tax positions that the organization has taken or expects to take on a tax return. The Plan recognizes the tax benefits from uncertain tax positions if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position.

Subsequent events - The Plan has evaluated events, if any, that have occurred subsequent to December 31, 2025, through October 13, 2026, the date the financial statements were available to be issued, and included information in the notes to the financial statements related to any identifiable events, if necessary.

3. CLAIMS INCURRED BUT NOT REPORTED

Plan obligations at December 31, 2025, for claims incurred but not reported are estimated using claims-development information provided by the Plan's third-party administrator and claims submitted or processed subsequent to year-end. The estimate incorporates assumptions regarding the timing and amount of claims ultimately reported and paid. Claims are paid by the Plan only if approved for payment.

The liability is subject to significant estimation uncertainty because actual claim frequency, severity, and reporting patterns may differ from the assumptions used in developing the estimate. It is at least reasonably possible that the estimated liability will change in the near term as additional claims information becomes available, and the effect of such change could be material to the financial statements.

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan has agreements with Health Plans, Inc., Northeast Delta Dental, WEX, Patient Advocates, LLC (PAI), Transamerica, OptumRx, Health Advocate Solutions, Inc., and Alliant Insurance Services, Inc., each of which is a party-in-interest by virtue of providing services to the Plan. During 2025, the Plan paid fees to these entities for claims administration and other administrative services. PAI continued to receive certain residual fees following the transition of medical claims administration to Health Plans, Inc.

5. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to and contributions required of participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.
