INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
Schwarz Paving Co., Inc. 401(k) Savings Plan
Oklahoma City, Oklahoma

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Schwarz Paving Co., Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA) as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected the audit of the Plan's financial statements to be performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(s)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by or certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Schwarz Paving Co., Inc. 401(k) Savings Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 13(s)(3)(C) audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud. Management's election of ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions are presented and disclosed in the financial statements in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements.

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore there is no guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements under generally accepted accounting principles in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express whether the financial statements as a whole are fairly presented in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of our audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at the End of the Year as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and directly relates to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that is agreed to or is derived from the certified investment information, we compared such information to the certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Schwarz Paving Co., Inc. 401(k) Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information. The Plan Administrator is Employer's Resource Group, Inc.

General

The Plan is a defined contribution plan covering all full-time employees of Schwarz Paving Co., Inc. and related companies including: Schwarz Paving Company, Schwarz Asphalt LLC, Schwarz Ready Mix, Schwarz Sand, Western Aggregate LLC, and Blue Rock General Contractors LLC, who have completed 3 months of service and are 18 years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In October 2025, the Company sold the Schwarz Ready Mix and Schwarz Sand companies in an asset sale. Employees of those two companies were given a termination date of October 17, 2025. Some of the terminated employees were hired by the acquiring company and were given the option to rollover their account and loan balances to the new company's plan. See "Participant Loans" below and Note 9.

Contributions - Employee

Eligible employees can elect to contribute an amount from 1% to 15% of their salary to the Plan on a pre-tax basis and additional Roth contributions not to exceed federal limits. Participants direct the investment of their contributions into various investment options offered by the Plan. If an employee does not select an investment option, their contributions are invested into a default fund. Employees' contributions for 2025 were $801,710 pre-tax, and $291,148 Roth. The Company's funding policy also allows for Rollover Contributions and Transfers from other qualified defined benefit or contribution plans. During 2025, no rollover contributions were made.

Contributions – Employer

The Company's funding policy is to make voluntary annual contributions to the Plan. The Company also matches 100% of the first 4% contributed by an employee. After 10 years of service, the Company matches the first 5% contributed by an employee.

Participant Accounts

Each participant's account is credited with his or her salary deferral contribution and allocations of (a) the Company's contribution and (b) Plan earnings (losses) and charged with an allocation of net administrative expenses charged by the fund. Allocations are based on participant earnings or account balances as defined. Forfeited balances of terminated participants' non-vested accounts can be used to reduce administrative expenses or to reduce the contribution of the employer. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately vested in their contributions plus or minus any earnings or losses thereon. Vesting in the Company's matching contribution of their accounts, plus actual earnings thereon, is based on years of continuous service measured from the inception date of the Plan (January 1, 1991) or the first date of hire, whichever is later. The participant becomes fully vested after 5 years.

The participant becomes fully vested after 5 years, according to the following schedule:

Less than one year	0%
One, but less than two years	20%
Two, but less than three years	40%
Three, but less than four years	60%
Four, but less than five years	80%
Five or more years	100%

Participant Loans

Loans can be made up to 50% of the vested participant's account. Interest rates are based on the prevailing interest rates at the time of the loan. Loans must be repaid in 60 months or less. No loan can be made if a prior loan has been treated as a deemed distribution or not repaid. The current rate for new loans during 2025 was 7.25% to 7.50%. Principal and interest is paid ratably through deductions on each payroll check.

During 2025, the Company amended the Plan document to permit participants with loan balances to roll over the loan balance as a distribution option for employees of the Company that are part of a partial plan termination. See Note 9 below.

Notes receivable from participants are measured at their unpaid principal balance plus accrued interest. Interest income is recorded when paid or accrued. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit loss has been recorded.

As of December 31, 2025, the Plan had $445,412 in loans outstanding, including accrued interest, to 36 participants, with maturities from 1 to 5 years, and interest rates of 3.25% to 8.5%. As of December 31, 2024, the Plan had $1,129,189 in outstanding loans, including accrued interest, to 103 participants, with maturities from 1 to 5 years, and interest rates of 3.25% to 8.5%.

NOTE 1 – DESCRIPTION OF THE PLAN (continued)

Payment of Benefits

Benefits are recorded when paid. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the vested value of the participant's vested interest in his or her account, or installments. The minimum distributions required may be made in annual installments over a five-year period. If the balance is less than $5,000, a lump sum is paid. Benefit payments to participants are recorded upon distribution. On December 31, 2025 and 2024, there were $2,411,564 and $60,728, respectively, in unpaid deferred vested benefits payable to participants who are no longer with the Plan. Also see Note 9.

Forfeitures

Forfeited amounts may be used to pay administrative expenses of the Plan or to reduce future contributions by the sponsor. During the year ended December 31, 2025, $11,384 in administrative fees were paid from the forfeiture account. No employer contributions were reduced by forfeited nonvested accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared in conformity with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments are stated at fair value. Purchases and sales of securities are recognized on a trade date basis at quoted prices. Shares of registered investment companies (mutual funds) are reported at fair value based on the quoted market price of the fund, which represents the net asset value of the shares held by the fund at year-end. Interest and dividends are recorded as earned when received.

The Plan provides for investments in various investment securities, which are in general exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

Administrative expenses

Plan fees and expenses, including fees and expenses connected with the provision of administrative services by external service providers, may be paid by the employer. If the employer does not pay the expenses, the expenses shall be paid from forfeitures available and any unpaid expenses will be allocated to the individual accounts, except for any fees which are charged for a specific transaction and the quarterly participant administration fee.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Date of Management Review

Subsequent events were evaluated through October 12, 2026, which is the date the financial statements were available to be issued.

Accounting for Uncertain Tax Positions

The Company follows ASC 740, which addresses the accounting for uncertainty in income taxes. Management has evaluated the Company's tax positions and concluded the Company has no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. With few exceptions, the Company is no longer subject to income tax examinations by the U.S. Federal, state, or local tax authorities for years prior to 2021.

Party-in-Interest and Related Party transactions

Certain investments are shares of mutual funds managed by Standard Insurance Company, a third-party administrator. Since Standard Insurance Company is the Plan's Fund Advisor and maintains the records of fund investments, these transactions qualify as exempt party-in-interest transactions.

NOTE 3 - INVESTMENTS

The following table presents the fair market value of all the investments included in Plan net assets on December 31, 2025 or December 31, 2024.

	2025	2024
Investments at Fair Value as Determined By Quoted Market Price:		
Mutual Fund Pooled Investments	$ 12,955,793	$ 18,425,536
Money Market Guaranteed Investments	2,517,944	3,600,590
Total:	$ 15,473,737	$ 22,026,126

The Plan's Mutual Fund Pooled Investments (including gains and losses on investments bought and sold, as well as being held during the year) appreciated in value by $2,205,799 in the year ended December 31, 2024, and appreciated in value by $2,349,247 in the year ended December 31, 2023.

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFS 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Standard Insurance Company, the trustee of the Plan, has certified the completeness and accuracy of all investments on the accompanying Statement of Net Assets Available for Benefits as of December 31, 2025 and 2024; the supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 and the related activity reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

The following information included in the accompanying financial statements for the years ending December 31, 2025, and 2024, was obtained from data that has been prepared and certified as to its completeness and accuracy by the trustee, custodian, Standard Insurance Company.

		2025		2024
Investments, at Fair value as Determined				
Regulated Investment Companies	$	12,955,793	$	18,425,536
Guaranteed Investment Contracts	$	2,517,944	$	3,600,591
Investment Income (Loss)	$	2,498,501	$	2,274,744

NOTE 5 – FAIR FALUE MEASUREMENTS

Effective January 1, 2008, Generally Accepted Accounting Principles (GAAP) requires adoption of FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurement and Disclosures*, which, among other things, requires enhanced disclosures about assets and liabilities carried at fair value.

As defined by ASC 820, fair value is the price that would be received to sell an asset or pay or transfer a liability in an orderly transaction between market participants at the measurement date (exit price). The standard requires utilization of market data or assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and the risks inherent in the inputs to the valuation technique. These inputs can be readily observed, market corroborated, or generally unobservable. The standard primarily applies the "Market and Income Approaches" for recurring fair value measurements and utilizes the best available information. Accordingly, these financial statements utilize valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs.

These financial statements classify fair value balances based on the ability to observe those inputs. ASC 820 establishes a fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy defined by ASC 820 are as follows:

NOTE 5 – FAIR FALUE MEASUREMENTS (continued)

Level 1
Quoted prices are available in active markets for identical assets or liabilities as of the reporting date. Active markets are those in which transactions for the asset or liability occur in sufficient frequency and volume to provide pricing information on an ongoing basis. Level 1 primarily consists of financial instruments such as exchange-traded derivatives, listed equities, and U.S. government treasury securities.

Level 2
Pricing inputs are other than quoted prices in active markets included in Level 1, which are either directly or indirectly observable as of the reporting date. Level 2 includes those financial instruments that are valued using models or other valuation methodologies. These models are primarily industry-standard models that consider various assumptions, including quoted forward prices for commodities, time value, volatility factors, and current market and contractual prices for the underlying instruments, as well as other relevant economic measures. Substantially all of these assumptions are observable in the marketplace throughout the full term of the instrument, can be derived from observable date, or are supported by observable levels at which transactions are executed in the marketplace. Instruments in this category include non-exchange-traded derivatives, such as over-the-counter forwards and options.

Level 3
Pricing inputs include significant inputs that are generally less observable from objective sources. These inputs may be used with internally developed methodologies that result in Management's best estimate of fair value. At each financial statement date, an analysis is performed for all instruments subject to ASC 820 and includes in Level 3 all of those whose fair value is based on significant unobservable inputs. On December 31, 2025 and 2024, the Plan held one Level 3 asset: the Standard's Stable Asset Fund II, comprised of Guaranteed Investment Contracts.

The Stable Asset Fund II has written procedures and is quoted at Daily NAV, with no liquidity restrictions, as reconciled by the Trustee. Below is a table showing activity in the fund for the years 2025 and 2024.

Stable Asset Fund II

	2025	2024
Start of Year	$ 3,600,590	$ 3,403,984
Interest	71,257	68,945
Fund Transactions		
Purchases	143,078	238,355
Sales	(1,386,516)	(305,049)
Transfers In	101,626	254,806
Transfers Out	(12,091)	(60,451)
	$ 2,517,944	$ 3,600,590

NOTE 5 – FAIR FALUE MEASUREMENTS (continued)

The tables below set forth by level within the fair value hierarchy the Plan's investment assets that were accounted for at fair value on a recurring basis as of December 31, 2025, and 2024. As required by ASC 820, financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and their placement within the fair value hierarchy levels.

	As of December 31, 2025 Fair Value Measurement Using		
	Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Non-observable Inputs (Level 3)
Investments:			
Regulated Investment Companies	$ 0	$ 12,995,793	$ 0
Guaranteed Investment Contracts	0	0	2,517,944
Total assets at fair value	$ 0	$ 12,995,793	$ 2,517,944

	As of December 31, 2024 Fair Value Measurement Using		
	Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Non-observable Inputs (Level 3)
Investments:			
Regulated Investment Companies	$ 0	$ 18,425,536	$ 0
Guaranteed Investment Contracts	0	0	3,600,590
Total assets at fair value	$ 0	$ 18,425,536	$ 3,600,590

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent (100%) vested in their accounts. Also see Note 9.

NOTE 7 – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Federal income tax statutes dictate that tax returns filed in any of the previous three reporting periods remain open to examination. Currently, the Plan has no open examinations with the Internal Revenue Service.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for Plan benefits per the financial statements at December 31, 2025, and 2024, to Form 5500.

	2025	2024
Net assets available for Plan benefits per the financial statements	$ 15,927,205	$ 23,198,334
Participant loan interest receivable	(2,728)	(2,827)
Receivables for contributions	(8,056)	(43,019)
Net assets available for Plan benefits per Form 5500	$ 15,916,421	$ 23,152,488

NOTE 9 – OTHER MATTERS

In the year ending December 31, 2025, Schwarz Paving Co. sold two of their companies, Schwarz Ready Mix and Schwarz Sand, in an asset sale to a third party. As a result of the sale, approximately 210 plan participants were terminated as of October 17, 2025, resulting in a partial plan termination. Some, but not all, of the employees involved were hired by the purchasing company. If hired, they were given the option to roll over their vested balances and outstanding loans to the new company's plan.

For the year ending December 31, 2024, accrued interest on participant loans was not recorded in the financial statements. As a result, the ending balance of notes receivable from participants was understated by $2,827, and interest income on notes receivable from participants was understated by the same amount. These errors have been corrected in the December 31, 2024 financials, which have been restated.
