The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditors' Responsibilities for the Audit of the Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

Schedule H, line 4a - Schedule of Delinquent Participant Contributions as of December 31, 2025 and for the year then ended and Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 ("supplemental schedules"), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Description of the Plan

The following description of the Brooklyn Sports and Entertainment 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### General

The Plan is a defined contribution plan covering eligible employees of Brooklyn Nets, LLC, Brooklyn Events Center, LLC, New York Liberty, LLC, Brooklyn Nets eSports, LLC, J Tsai Sports USA, Inside Lacrosse Holdings, Inc., and BSE Enterprises, LLC (collectively the "Company"). The Plan's investments are held by the trustee of the Plan, Fidelity Management Trust Company ("FMTC" or the "Trustee"). Fidelity Workplace Services ("FWS") serves as the recordkeeper.

### Eligibility

Employees are eligible to participate in the Plan on the first day of the month coinciding with or following the later of such employee's date of hire and his or her attainment of age 21. A participant becomes eligible for actual deferral percentage safe harbor contributions when the participant attains age 21. A participant then becomes eligible for profit sharing when the participant completes six months of service. Upon attaining eligibility status, participants are automatically enrolled at a deferral rate of 5%.

### Contributions

Participants may elect to contribute a portion of their compensation not to exceed Internal Revenue Code ("IRC") limitations. The IRC sets dollar limits on the amount that may be contributed to the Plan each tax year. The combined pre-tax and/or Roth 401(k) contributions by participants for 2025 and 2024 were limited to $23,500 and $23,000, respectively. In addition, participants who were at least 50 years of age at December 31, 2025 and 2024, were allowed to make an additional pre-tax and/or Roth 401(k) contribution of up to $7,500, in which they were at least 50 years of age on December 31 of such tax year. For 2025, a higher catch-up contribution limit of $11,250 applied to eligible participants who attained ages 60 through 63 during the year. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options provided by the Plan. Each participant's account is credited with such participant's contribution and allocations of the Company's contribution, and plan earnings and losses, and charged with an allocation of administrative expenses.

Effective January 1, 2013, the Plan became a safe harbor plan. Company contributions are equal to the sum of 100% of the participant's elective deferrals that do not exceed 3% of his or her compensation for the Plan year, plus 50% of the participant's elective deferrals that exceed 3%, but do not exceed 5% of his or her compensation for the Plan year.

During 2025, the Company did not identify any instances in which participant contributions were not remitted to the plan timely.

### Vesting

Participants are generally immediately 100% vested in their voluntary contributions and in Company contributions plus actual earnings thereon upon entering the Plan.

### Forfeited Accounts

When certain terminations of participants in the Plan occur, the nonvested portion of the participant account, as defined by the Plan, represents a forfeiture. Any forfeitures not used to pay

administrative expenses under the Plan shall be applied to reduce the contributions of the Employer. Forfeited amounts were not used to reduce employer contributions during the year ended December 31, 2025. Forfeiture account balances were $6,128 and $12,122 at December 31, 2025 and 2024, respectively. During the Plan year, there were forfeitures of $0, while $5,994 of forfeitures were used to pay Plan administrative expenses.

**Notes Receivable From Participants**
Participants may borrow an amount up to the lesser of 50% of their vested account balance or $50,000, subject to certain DOL and IRC requirements. The Plan provides that loan amounts must be a minimum of $1,000. The loans are secured by the balance in the participant's account and bear fixed interest at a rate of prime plus 1%, at the time the loan is made. The terms of the loans may not exceed five years, unless such loan is for the purchase of a participant's primary residence. As of December 31, 2025 and 2024, loans outstanding bear interest at rates ranging from 4.25% to 9.50% with maturity dates ranging from 2026 through 2054.

**Plan Withdrawals and Distributions**
Active participants may withdraw certain amounts from their accounts up to their entire vested balance, subject to IRC regulations.

Plan distributions are made to participants or their designated beneficiary upon normal retirement, disability or death, in the fully vested balances credited to their respective participant accounts. A participant who leaves employment of the Company before normal retirement for reasons other than disability or death is eligible to receive the vested portion of their account, including rollovers. Lump-sum payments are the normal form of distribution under the Plan. Participants may also elect systematic installment payments, and eligible terminated participants may elect partial withdrawals, subject to the provisions of the Plan.

**Plan Termination**
Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

## 2. Summary of Significant Accounting Policies

**Basis of Accounting**
The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

**Use of Estimates**
The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the FMTC. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Expenses of the Plan**
Certain administrative expenses, such as legal, accounting, and custodian fees, are paid by the Company, and certain other administrative expenses are paid by the Plan.

**Benefit Payments**
Benefit payments to participants are recorded when paid.

**Notes Receivable From Participants**
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment in the amount of the outstanding receivable at the time of default is recorded.

## 3. Parties-in-Interest

The Plan invests holds certain investment options managed by affiliates of Fidelity Investments and utilizes FMTC and FWS for trustee and recordkeeping services, respectively. Fees totaling $78,970 were paid directly to FMTC from the Plan during the plan year. Fidelity Investments, FMTC and Fidelity Investments Institutional Operations Company, Inc. are subsidiaries of Fidelity Workplace Investing LLC. Because these entities provide services to the Plan and certain Plan investments are managed by Fidelity affiliates, transactions with these entities and the related investments qualify as party-in-interest transactions under ERISA. Other fees and expenses such as investment fees and plan administration fees may be deducted directly from investment returns in accordance with the applicable investment option selected by participants. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

## 4. Financial Information Certified by the Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividends and interest income on notes receivable from participants for the year ended December 31, 2025, disclosed in the accompanying financial statements and supplemental schedule were obtained or derived from the information supplied to the Plan Administrator and certified as complete and accurate by Fidelity Management Trust Company except for the classification of investments within the fair value hierarchy.

The following is a summary of the Plan's investment information certified by the Trustee as of December 31, 2025 and 2024 and for the year ended December 31, 2025, as complete and accurate:

| | 2025 | 2024 |
|---|---|---|
| **Statements of net assets available for benefits** | | |
| Investments, at fair value | $ 48,810,477 | $ 38,337,671 |
| Notes receivable from participants | 421,949 | 285,150 |

| | 2025 |
|---|---|
| **Statement of changes in net assets available for benefits** | |
| Net appreciation in fair value of investments | $ 6,080,107 |
| Interest and dividends | 1,293,829 |
| Interest income on notes receivable from participants | 31,089 |

## 5. Fair Value Measurements

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

FASB Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

In accordance with ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are based on the aggregate current fair values of the underlying assets in relation to the total number of units outstanding. Unit value, or the equivalent of net asset value, is a practical expedient for estimating the fair values of those investments and is intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

| | Assets at Fair Value as of December 31, 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 48,158,058 | $ - | $ - | $ 48,158,058 |
| Total assets in the fair value hierarchy | $ 48,158,058 | $ - | $ - | $ 48,158,058 |
| Investments measured at net asset value | | | | 652,419 |
| Total assets at fair value | | | | $ 48,810,477 |

| | Assets at Fair Value as of December 31, 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 37,832,985 | $ - | $ - | $ 37,832,985 |

| Investments measured at net asset value | | | | 504,686 |
| Total assets at fair value | | | | $ 38,337,671 |

**Investments Measured Using the Net Asset Value per Share Practical Expedient**

The following table summarizes the investment for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant restrictions for this investment.

| | Investments as of December 31, 2025 | | | |

| **Fund** | | | | |

a. The GG MetLife Stable Value Fund investment objective is to provide safety of principal, adequate liquidity, and a competitive yield with low return volatility.

## 6. Income Tax Status

The Plan was established by utilizing a Fidelity Pre-Approved plan document. Although the Plan has been amended since adopting the Pre-Approved Plan document, the Plan Administrator and legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax audits or other examinations for years prior to 2022.

## 7. Risks and Uncertainties

The Plan provides for various investment options. Investments are exposed to various risks, such as interest rate, market, credit risks and global events such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

## 8. Subsequent Events

The Plan evaluated its December 31, 2025, financial statements for subsequent events through October 14, 2026, the date the financial statements were available to be issued.

On April 11, 2026, the Plan was amended to remove eligibility for employees of Inside Lacrosse Holdings, Inc. No other subsequent events requiring disclosure in these financial statements have been noted as of this date.
