INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of **FMC Services, LLC 401(k) Profit Sharing Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the financial statements
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the financial statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the audit of the financial statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA
The supplemental schedules of Schedule H, Part IV (4i) – Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Part IV(4a) – Schedule of Delinquent Participant Contributions, for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2025

NOTE 1 - DESCRIPTION OF PLAN

The following description of the FMC Services, LLC 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. For more complete information, participants should refer to the current Plan documents.

General
The Plan is a defined contribution plan covering all employees of FMC Services, LLC and related participating employers (the Company) who are age 21 or older and have completed three months of service, except those covered by a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and is intended to qualify under Section 401(k) of the Internal Revenue Code (IRC). Under the Plan, each participant has an account for his/her salary deferral contributions, any rollover contributions and for Company matching contributions.

Empower Trust Company serves as the Plan's recordkeeper and custodian and is responsible for executing all investment transactions.

Contributions
Participants may make salary deferral contributions through payroll deductions of up to 100% of their compensation, as defined in the Plan documents (limited to certain amounts under the IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Additionally, the Company elected to make a safe-harbor matching contribution equal to 100% of the first 3% of compensation contributed by the participant and 50% of the next 2% of compensation contributed by the participant. Employees who become participants and do not affirmatively elect to have a specified amount of compensation contributed to the Plan automatically have 1% of their compensation deferred as contributions to the Plan. This provision does not apply to existing participants. There is no escalation of the automatic 1% compensation deferral.

Participant Accounts
Each participant's account is credited with the participant's contributions and allocations of (a) Company contributions, if any, and (b) Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on account balances or compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited Accounts
At December 31, 2025 and 2024, forfeited non-vested accounts totaled $2,155 and $900, respectively. Forfeited balances of terminated participants' non-vested accounts are used to reduce Employer non-elective contributions. No forfeitures were utilized to reduce employer safe-harbor contribution during 2025.

NOTE 1 - DESCRIPTION OF PLAN (continued)

Vesting
Participants are vested immediately in their salary deferral contributions and the Employer's safe harbor matching contributions, plus actual earnings thereon. Participants vest in the Employer's discretionary profit-sharing contribution plus actual earnings thereon gradually beginning with completion of their 1st year of service (25%) increasing 25% per year ending after their 4th year of service (100%).

Loans to Participants
Participant loans are not permitted.

Payment of Benefits
On termination of service, a participant may elect to begin distributions from his or her account in amounts less than or equal to the vested value. The participant is not required to immediately withdraw or rollover his or her vested value upon termination. In addition, hardship distributions are permitted if certain criteria are met. Furthermore, in-service distributions are permitted if the participant has reached the qualifying age of 59 ½.

Any vested balance of $5,000 or less left in the Plan by a participant after termination of service will be automatically distributed to the participant in a single lump-sum payment. Balances that are greater than $5,000 will remain in the Plan until directed otherwise by the participant.

Investment Options
Upon enrollment in the Plan, a participant may direct his/her contributions in any of the investment options currently offered by the Plan's investment custodian. The Plan currently offers various mutual funds, as well as the option to invest in self-directed brokerage accounts. Participants may change their investments daily.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation
The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Administrative Fees
Third party investment advisory and recordkeeping fees are paid directly by the Plan and allocated to participant accounts. All other costs of the Plan are paid by the Plan's sponsor and are not reflected in these financial statements. Administrative expenses other than investment advisory and recordkeeping fees are included in net appreciation of fair value in investments.

Payment of Benefits
Benefit payments are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition
Investments are stated at fair value, as determined by the investment custodian. Investments are recorded at the value reported to the Plan by the Plan's investment custodian. In accordance with stating assets at fair value, net unrealized appreciation or depreciation is reflected for the year on the Statement of Changes in Net Assets Available for Benefits. See Note 7 for disclosure of fair value measurements.

Gains or losses on security transactions are recorded as the difference between proceeds received and the carrying value of the investments.

Purchases and sales of securities are recorded on a trade-date basis. Investment dividends and interest received are reinvested in the corresponding accounts.

Use of Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes in net assets available for benefits therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions
Participant contributions and employer matching contributions are recognized during the period in which the respective payroll deductions are made.

Subsequent Events
The Plan Administrator has evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY INVESTMENT CUSTODIAN

The following is a summary of the investment information as of December 31, 2025 and 2024, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the custodian Empower Trust Company, LLC and furnished to the Plan Administrator. The Plan Administrator has obtained certification that the information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate.

NOTE 3 - INFORMATION CERTIFIED BY INVESTMENT CUSTODIAN (continued)

Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following assets:

	2025	2024
Investments at fair value:		
Mutual funds	$ 29,778,399	$ 24,771,020
Self-directed brokerage accounts	2,873,716	2,898,797
Total Investments	$ 32,652,115	$ 27,669,817

The investment custodian also certified to the completeness and accuracy of $3,025,149 of net appreciation in fair value of investments and $1,082,363 of interest and dividends related to the aforementioned assets for the year ended December 31, 2025.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants will become 100% vested in their accounts and the Plan assets will be distributed in a manner approved by the Internal Revenue Service.

NOTE 5 - TAX STATUS

The Plan has not received a determination letter on their adoption of the pre-approved plan. The pre-approved plan received an advisory letter from the IRS dated June 30, 2020, stating that it is qualified under Section 401 of the Internal Revenue Code (IRC), and that any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the IRC. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code (the Code) to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2022.

NOTE 6 - TRANSACTIONS WITH PARTIES IN INTEREST

At December 31, 2025 and 2024, the Plan held investment in self-directed brokerage accounts with a value of $2,873,716 and $2,898,797 respectively, which are managed by the participants. Thus, transaction within these plan assets qualify as party in interest transactions as defined by ERISA.

NOTE 6 - TRANSACTIONS WITH PARTIES IN INTEREST (continued)

Certain investment advisory and recordkeeping services are performed by Empower Trust Company and Amarillo National Bank. The plan pays for these services out of plan assets which qualifies as a party in interest transaction. Plan administrative expense totals for 2025 were $149,111.

NOTE 7 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: The fair value of equity securities held in self-directed brokerage accounts is the market value based on quoted market prices, when available, or market prices provided by recognized broker dealers.

NOTES TO FINANCIAL STATEMENTS
December 31, 2025

NOTE 7 - FAIR VALUE MEASUREMENTS (continued)

In determining the appropriate levels, the Plan performs a detailed analysis of the assets and liabilities that are subject to fair value measurement. The following table summarizes the financial assets and liabilities measured at fair value on a recurring basis at December 31:

	Fair Value Measurements Using 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual Funds	$ 29,778,399	$ -	$ -	$ 29,778,399
Self-Directed Brokerage Accounts	2,873,716	-	-	2,873,716
Total Investments, at Fair Value	$ 32,652,115	$ -	$ -	$ 32,652,115

	Fair Value Measurements Using 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual Funds	$ 24,771,020	$ -	$ -	$ 24,771,020
Self-Directed Brokerage Accounts	2,898,797	-	-	2,898,797
Total Investments, at Fair Value	$ 27,669,817	$ -	$ -	$ 27,669,817

Changes in Fair Value and Related Gains and Losses

During 2025, the Plan's investments including gains and losses on investments bought and sold, as well as held during the year, appreciated in value by $3,025,149.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
