INDEPENDENT AUDITOR'S REPORT

October 15, 2026

To the Plan Administrator of
ARISE 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of ARISE 401(k) Plan (the Plan) (formerly Exceptional Family Resources 401(k) Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)
In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA
The supplemental schedule of Schedule H Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters - Supplemental Schedule Required by ERISA (Continued)
In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of ARISE 401(k) Plan (the Plan) (formerly Exceptional Family Resources 401(k) Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Exceptional Family Resources, Inc. d/b/a Exceptional Family Resources (EFR). The Board of Directors oversees governance of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance. Reliance Trust Company (Reliance) was the custodian as of and for the year ended December 31, 2024. Transamerica Trust Company (TTC), Transamerica Financial Life Insurance Company (TFLIC) and VOYA Retirement Insurance and Annuity Company (VOYA) were the custodians for certain plan assets as of and for the year ended December 31, 2025. Transamerica Retirement Solutions, LLC (Transamerica) was the recordkeeper for certain plan assets as of and for the years ended December 31, 2025, and 2024. VOYA was the recordkeeper for certain plan assets as of and for the year ended December 31, 2025.

Merger

Effective January 1, 2025, the Board of Directors of EFR amended its bylaws to designate ARISE Child and Family Service, Inc. as EFR's sole corporate member. On December 16, 2024, EFR adopted an amendment to the Plan to merge the ARISE Child & Family Services, Inc. Profit Sharing 401(k) Plan (the "Merging Plan") (EIN 16-1186293, Plan #003) into the Plan.

The effective date of the plan merger was January 1, 2025. The legal transfer to the Plan was completed on August 19, 2025, at which time all assets, liabilities, and participant account balances of the Merging Plan were transferred to and became part of the Plan and at which point the Merging Plan ceased to exist as a separate plan. A summary of the transferred net assets are as follows and is included on the changes in net assets available for benefits statement:

Investments, at fair value	$ 6,700,650
Notes receivable from participants	54,129
	$ 6,754,779

Following the merger and effective January 1, 2025, ARISE Child and Family Services, Inc. and ARISE at Marshall Farms, Inc. became participating employers under the Plan along with EFR (collectively, the Organization). Following the legal transfer to the Plan, participants continued to repay the loans in accordance with their existing loan terms.

Effective November 11, 2025, sponsorship of the Plan was transferred from EFR (EIN 16-1098311) to ARISE Child and Family Services, Inc. (EIN 16-1186293). In connection with the transfer of sponsorship, the Plan was restated and renamed as ARISE 401(k) Plan. ARISE Child and Family Services, Inc. assumed all rights and obligations of the prior sponsor, and EFR and ARISE at Marshall Farms, Inc. became adopting employers of the Plan. The transfer did not result in the termination of the Plan, and participant account balances continued without interruption.

1. DESCRIPTION OF PLAN (Continued)

Eligibility
Employees of the Organization are generally eligible to participate in the Plan. Employees covered by a collective bargaining agreement that does not provide for participation in the Plan, nonresident aliens with no U.S.-source earned income are excluded from participation. Employees who are not eligible for employer-provided health and welfare benefits are not eligible for the safe harbor match.

Eligible employees are eligible to make elective deferral contribution on the date an employee first performs an hour of service. Employees become eligible for the safe harbor match on the first day of the month following completion of six months of service.

Contributions
Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan up to Internal Revenue Code (IRC) limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan provides for matching contributions by the Organization equal to eligible participant's elective deferrals up to a maximum of 4% of eligible compensation. Contributions are subject to certain statutory limitations.

Eligible Compensation
Compensation is defined as wages within the meaning of IRC Section 3401(a) and all other payments of compensation for which the employer is required to furnish the employee a written statement under IRC Sections 6041(d), 6051(a)(3), and 6052.

Participant Accounts
Each participant's account is credited with the participant's contribution and allocations of (a) the Organization's matching contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in their contributions, the Organization's contributions, and actual earnings/losses thereon.

Notes Receivable from Participants
Notes are repayable over not more than five years, except in the case of a note for the purchase of a primary residence. No new loans are allowed by the Plan. Participants must make note payments directly to the custodian. Notes receivable from participants are secured by their account balances and bear interest at rates ranging from 8.75% to 9.50%.

Payment of Benefits
Upon termination of service due to death, disability, retirement or other reasons, a participant may elect to receive their vested benefit in a single lump sum payment or have the payment paid as a direct rollover to an individual retirement account. All account balances less than $5,000 are automatically paid out in a lump sum. The Plan does not permit hardship withdrawals.

1. DESCRIPTION OF PLAN (Continued)

Forfeitures

Forfeitures of supplemental discretionary contribution accounts are used to reduce employer matching contributions, pay plan administration costs or can be reallocated to eligible participants. During the year ended December 31, 2025 and 2024 there were no forfeitures of non-vested account balances used. The total forfeited non-vested balances at December 31, 2025 and 2024 were $1,320 and $0, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant directed.

The Plan has investment contracts with VOYA that maintains participant contributions in a general account. These accounts are credited with actual earnings on the underlying investments and are charged with certain administrative expenses of the Plan. Since the agreement or funding agency has the ability to restrict certain transfers and withdrawals, the contract is not considered fully benefit responsive.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, currency and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement

Accounting Standards Codification (ASC) Section 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment. There are no level 1 assets.

- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodology used for assets measured at fair value:

Pooled Separate Accounts: The fair value of the accounts is valued daily using accumulation unit value (AUV). AUV represents the underlying fund's daily net asset value, plus any applicable income, less the daily separate account charge. The AUV is first established when a new fund starts (typically, the beginning AUV is $10.00) and is then determined daily. The fund's daily net asset values are available from the custodian. The contract's daily asset charge (separate account charge) is communicated to Plan management in the contract and applicable notice of change.

The Plan's investments in pooled separate accounts are invested in global and domestic equity and fixed income-based investments. The investment strategies of these accounts is to invest in global and domestic equity and fixed income investments with the goal of producing favorable long-term returns primarily through appreciation of assets, dividends, and interest. There are no restrictions on the number of transactions a participant can conduct. There are no withdrawal restrictions on any of the pooled separate accounts and there are no unfunded commitments related to these investments.

Fixed annuity contracts: Value is calculated based on discounted cash flows using risk-adjusted discount rates.

Registered investment companies: Valued using quoted market prices. The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2025 and 2024.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits
Benefit payments are recorded when paid.

Administrative Expenses
Certain expenses of maintaining the Plan are paid by the Organization and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Substantially all administrative expenses associated with the Plan are paid by participants.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Reliance as of and for the year ended December 31, 2024 and by TTC, TFLIC and VOYA as of and for the year ended December 31, 2025, and is included in the accompanying financial statements and schedule:

	2025	2024
Investments, at fair value	$ 11,288,763	$ 3,314,512
Investments, at contract value	$ -	$ 18,056
Interest and dividends	$ 6,316	$ 6,313
Net appreciation in fair value of investments	$ 1,128,035	$ 368,088
Schedule of Assets (Held at End of Year)	Schedule I	

4. STABLE VALUE FUND

The Plan was invested in a fully benefit-responsive investment contract with TFLIC. TFLIC maintains the contributions in a general account. The account was credited with earnings on the credited interest rate and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The interest rate was at an average of 1.68% and 2.05% during 2025 and 2024, respectively.

As described in Note 2, because the stable value fund is fully benefit-responsive, contract value was the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. The stable value fund was not considered a guaranteed interest contract and there was no stated minimum or maximum interest rate. Contract charges may reduce the return. Prior to January 1st and July 1st, the effective annual rate of interest is established for the corresponding six-month period. Although plan participants generally may withdraw assets from the stable value fund without restrictions, TFLIC may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. The Plan Administrator did not believe that any events that would limit the Plan's ability to transact at contract value with the Plan participants were probable of occurring. There were no reserves against contract value for credit risk of the contract issuer or otherwise.

5. FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Pooled separate account	$ -	$ 11,272,272	$ -	$ 11,272,272
Fixed annuity contract	-	-	16,491	16,491
Total	$ -	$ 11,272,272	$ 16,491	$ 11,288,763

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 3,314,512	$ -	$ -	$ 3,314,512

The Plan's investments classified as Level 3 had purchases, sales and transfers as follows for the year ended December 31, 2025:

	2025
Purchases	$ 2,521
Sales	$ (35)
Transfers into Level 3	$ 14,005

The following table presents information about significant unobservable inputs related to the Plan's investment in assets categorized as Level 3 in the fair value hierarchy at December 31, 2025:

Type	Fair value	Valuation technique	Significant unobservable inputs	Range
VOYA Fixed Annuity	$16,491	Discounted cash flow	Risk-adjusted discount rate applied **	1.00% to 3.00%

** - Unobservable inputs include discount rate applied.

6. PARTY-IN-INTEREST TRANSACTIONS

The Organization is the Plan sponsor. Reliance, TTC, and TFLIC served as custodians of the Plan. Transamerica was the recordkeeper of the Plan. VOYA is the custodian and recordkeeper of the Plan. Actuarial Pension Analysts, Inc. (APA) is the third-party administrator of the Plan. Transactions between the Organization, Reliance, TTC, TFLIC, Transamerica, VOYA, APA and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants are party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

8. TAX STATUS

The Internal Revenue Service (IRS) has determined and informed by letter dated June 30, 2020 that the non-standardized pre-approved profit sharing plan with CODA is designed in accordance with applicable sections of the IRC. The Plan has not requested its own determination letter from the IRS. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, no provisions for income taxes have been included in the Plan's financial statements.

9. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2025 and 2024.

10. SUBSEQUENT EVENTS

Subsequent to year end and effective June 25, 2026, the Plan was amended and restated to update the Plan's name as Indera 401(k) Plan.

Subsequent events have been evaluated through October 15, 2026, which is the date the financial statements were available to be issued.
