Independent Auditor's Report

To the Plan Administrator
AURO PR INC. PROFIT SHARING EMPLOYEE SAVINGS PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Auro PR Inc. Profit Sharing Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Auro PR Inc. Profit Sharing Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Auro PR Inc. Profit Sharing Employee Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Auro PR Inc. Profit Sharing Employee Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Auro PR Inc. Profit Sharing Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Auro PR Inc. Profit Sharing Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2025 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Auro PR Inc. Profit Sharing Employee Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. *General*

The Plan is a defined contribution plan originally established effective December 14, 2021 under the name Mylan LLC Profit Sharing Employee Savings Plan. The name of the Plan was changed to Auro PR Inc. Profit Sharing Employee Savings Plan effective January 1, 2023. The Plan was amended and restated generally effective April 1, 2025. The Plan covers eligible employees of Auro PR Inc. (the Company or Employer), who become eligible to participate with respect to elective deferrals and matching contributions upon satisfying the Plan's eligibility conditions, with daily entry dates. Employees who are not residents of Puerto Rico, or who do not perform services primarily in Puerto Rico, are not eligible to participate. Effective January 1, 2025, interns, part-time employees, casual employees and temporary employees became eligible employees upon completion of the Plan's eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA), and is qualified under the Puerto Rico Internal Revenue Code of 2011, as amended. The Company is responsible for oversight of the Plan. Investment monitoring and fiduciary advisory services are provided to the Company by an independent investment fiduciary, which reports to the Company on a quarterly basis.

The Plan's assets are held in trust with Banco Popular de Puerto Rico, which serves as Trustee and paying agent. Recordkeeping and participant accounting services are provided by Merrill Lynch, Pierce, Fenner & Smith Incorporated.

2. *Contributions*

Each year, participants may elect to defer from 1 percent to 50 percent of compensation, as defined in the plan document, up to the maximum limits of the Puerto Rico Internal Revenue Code. For 2025 the elective deferral limit was $15,000 and the catch-up contribution limit was $1,500. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make after-tax contributions and may contribute amounts representing distributions from other qualified plans (rollovers). There were no rollover contributions during 2025. Participants direct the investment of their contributions into various investment options offered by the Plan. Effective April 1, 2025, the definition of compensation under the Plan was amended to exclude commissions and bonuses.

The Plan's employer matching contribution formula was amended effective April 1, 2025, in connection with the amendment and restatement of the Plan:

- With respect to elective contributions made before April 1, 2025, the Company contributed a matching contribution equal to 100 percent of each participant's deferred compensation, including catch-up contributions, with only salary reductions up to 4 percent of payroll period compensation taken into account.

- With respect to elective contributions made on or after April 1, 2025, the matching contribution is a discretionary amount determined by the Company. For the period beginning with eligible compensation paid on or after April 1, 2025, the Company determined the match to be 50 cents on the dollar, up to the first 8 percent of a participant's pre-tax deferrals, with a maximum matching contribution of 4 percent of eligible compensation. After-tax contributions are not matched.

Additional discretionary amounts may be contributed by the Company at its option. For the year ended December 31, 2025, there were no discretionary profit-sharing contributions to the Plan. Contributions are subject to certain statutory limitations.

3. ***Participant accounts***

Each participant's account is credited with the participant's contributions, Company matching contributions, allocations of the Company's discretionary contributions and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. ***Vesting***

Participants are vested immediately in their own contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on the participant's period of service. Before April 1, 2025, the Plan applied a three-year cliff schedule for participants hired on or after January 1, 2009 (0 percent before three years, 100 percent at three years) and a graded schedule for participants hired before January 1, 2009 (0 percent before two years, 20 percent at two years, 100 percent at three years).

Effective April 1, 2025, the vesting schedule applicable to employer contributions was accelerated to the following graded schedule:

Periods of service	Vested percentage
Less than 1 year	0%
1 year	33%
2 years	66%
3 years or more	100%

A participant's vested percentage may not be reduced as a result of the amendment. See Note F regarding full vesting upon termination of the Plan.

5. *Notes receivable from participants*

Effective April 1, 2025, a participant may have one loan outstanding at a time, reduced from two. The maximum loan is the lesser of $50,000, reduced by the highest outstanding loan balance during the preceding twelve months, or 50 percent of the participant's vested account balance. Loans are secured solely by the vested portion of the participant's account. The interest rate is fixed at the time of the loan at the prime rate published in the Wall Street Journal plus 1 percent, determined as of the first business day of the month in which the loan is requested. Principal and interest are repaid ratably through payroll deductions. Loans provide for level amortization over a period not exceeding five years, except that a loan used to acquire the participant's principal residence may provide for repayment over a period not exceeding fifteen years. At December 31, 2025, the Plan held seven participant loans carrying interest rates ranging from 4.25 percent to 9.50 percent with maturities through May 2032.

6. *Payment of benefits*

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. In addition, the Plan allows for hardship distributions if certain criteria are met; effective April 1, 2025, the minimum hardship withdrawal was reduced from $1,000 to $500. Effective April 1, 2025, the automatic cash-out threshold for small benefits increased from $1,000 to $5,000.

7. *Forfeited accounts*

There were no forfeited nonvested accounts at December 31, 2025 and 2024. Under the Plan, forfeited nonvested accounts are allocated to the accounts of participants employed on the last day of the plan year. No forfeitures were allocated or otherwise applied to plan activities during 2025.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

1. *Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. *Basis of Presentation*

The decision to terminate the Plan was made after December 31, 2025. Accordingly, the accompanying financial statements have been prepared on the ongoing plan basis of accounting and do not include any adjustments that might result from the termination and liquidation of the Plan. See Notes F and K.

3. *Use of Estimates in Financial Statements*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

4. *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians, as applicable. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

5. *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred.

6. *Payment of Benefits*

Benefits are recorded when paid.

7. *Administrative Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

8. *Corrective Distributions*

Corrective distributions represent amounts refunded to participants as a result of the Plan's nondiscrimination testing. Amounts distributed during the year are reported as a deduction from net assets available for benefits in the period paid.

9. *Subsequent Events*

Subsequent events were evaluated through October 12, 2026, the date the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, Fair Value Measurement, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required

to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

- Common stock: Valued at the closing price reported on the active market on which individual security is traded.

- Common/collective trusts: Valued at the net asset value (NAV) of units held by the Plan at year end, as a practical expedient. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. These investments are redeemable at NAV under the terms of the participation agreements and have no unfunded commitments. In accordance with FASB ASC 820, investments measured at NAV as a practical expedient are not classified in the fair value hierarchy.

There were no transfers between levels during the years ended December 31, 2025 and 2024.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025

	Level 1	Level 2	Level 3	Total
Mutual funds	8,084,532	-	-	8,084,532

Investments measured at net asset value (a)				7,573,201
Total investments at fair value				**$ 15,384,011**

(a) Common/collective trusts measured at net asset value as a practical expedient are not classified in the fair value hierarchy. The amounts presented are intended to permit reconciliation to total investments at fair value.

NOTE D - ROLLOVER CONTRIBUTIONS

There were no rollover contributions received during the year ended December 31, 2025.

NOTE E - RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are held and managed by the Trustee, and therefore, these transactions qualify as party in interest transactions.

Additionally, the Plan issues loans to participants, which are secured by the participants' account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE F - PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions. Subsequent to December 31, 2025, the Company adopted a resolution to terminate the Plan. See Note K.

NOTE G - TAX STATUS

The Plan is qualified under Sections 1081.01(a) and 1081.01(d) of the Puerto Rico Internal Revenue Code of 2011, as amended (the PR Code). The Puerto Rico Department of the Treasury (Hacienda) issued a favorable determination ruling with respect to the Plan on October 17, 2023, and by letter dated March 5, 2025 confirmed that subsequent amendments, including the change of the Plan's name effective January 1, 2023, do not affect that ruling. The Plan has received subsequent favorable determination letters, the most recent of which are dated November 7, 2025. Although the Plan has been amended and restated since receiving these letters, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the PR Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

A ruling request with respect to the qualified status of the Plan upon its termination was filed with Hacienda on May 13, 2026, and remains outstanding. See Note K.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H - INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, Banco Popular de Puerto Rico, the Trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and recent market volatilities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits as per financial statements as of December 31, 2025, to Form 5500:

Net assets available for benefits as per financial statements	$	14,719,252
Excess participants' contributions payable		-
Net assets available for benefits per Form 5500	$	14,719,252

NOTE K - SUBSEQUENT EVENTS

Pursuant to a resolution duly authorized and adopted on February 20, 2026, the Plan was amended to provide for the freeze of participation and benefit accruals and for the termination of the Plan effective March 31, 2026 (the Plan Freeze and Termination Amendment). Upon termination of the Plan, all participants became fully vested in their account balances.

Following the termination, all Plan assets have been held in the Plan's Trust and will be used to pay participants' corresponding accrued benefits under the Plan in the form of (i) lump-sum distributions or (ii) direct rollovers to a Puerto Rico tax-qualified retirement plan, a Puerto Rico annuity, or a Puerto Rico individual

retirement account, as elected by the participant. Distributions to terminated or retired participants in deferred payment status, and distributions with respect to active employees, were expected to be processed on or about April 1, 2026, subject in each case to completion of all required administrative procedures and participant elections.

On May 13, 2026, the Company, through its counsel, filed a ruling request with the Puerto Rico Department of the Treasury requesting a determination as to the qualified status of the Plan under Sections 1033.09 and 1081.01 of the PR Code with respect to the termination of the Plan effective March 31, 2026. No response had been received as of the date these financial statements were available to be issued; counsel has advised that a response may take up to one year. Distribution of the Plan's assets to participants was in progress at that date.

The decision to terminate the Plan was made after December 31, 2025. Accordingly, the accompanying financial statements as of and for the year ended December 31, 2025 have been prepared on the ongoing plan basis of accounting and do not include any adjustments that might result from the termination and liquidation of the Plan.

Management has evaluated subsequent events through October 12, 2026, the date the financial statements were available to be issued, and has determined that no other events require recognition or disclosure in these financial statements.
