INDEPENDENT AUDITOR'S REPORT

October 14, 2026

To the Plan Administrator of
Co-op 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Co-op 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section:

- The amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements
We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements (Continued)
In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – 2025 Supplemental Schedules Required by ERISA
The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements
The financial statements of the Plan as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated December 1, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following brief description of Co-op 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Dairy One Cooperative, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is part of the Co-op 401(k) Trust (the "Trust"), which was established for the investment of assets of the Plan along with several other Co-op sponsored retirement plans in the United States. The investments of the Plan are held in a separate subaccount of the Trust by Charles Schwab Trust Bank (CSTB), the trustee.

Eligibility

All employees, excluding collectively bargained employees and non-resident aliens, who are age 18 or older are eligible to participate in the Plan after completing one year of service or at least 30 consecutive days of eligible service. Entry dates are the first day of the month following completion of eligibility requirements.

Contributions

Active participants may make voluntary contributions in an amount up to 50% of their compensation on a pre-tax or after-tax basis, in accordance with the Roth provision, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Contributions are subject to certain Internal Revenue Code (IRC) limitations. The Plan includes an automatic enrollment provision whereby newly eligible employees are automatically enrolled into the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The auto enrollment provision includes an automatic deferral escalation of 1% each year with a cap of 6%.

Under the Plan, the Company makes safe harbor contributions in an amount equal to the sum of 3% of each eligible participant's compensation for the Plan year. The Company also makes a matching contribution equal to 50% up to 6% of a participant's compensation. The Plan permits the Company to make a discretionary profit-sharing contribution, which is allocated by the ratio each eligible participant's compensation bears to the total compensation of all eligible participants. No discretionary profit-sharing contributions were made for the years ended December 31, 2025 and 2024.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts
Each participant's account is credited with the participant's contributions, the Company's contributions and Plan earnings/losses on all contributions. Participant accounts are allocated administrative expenses that are paid by the Plan. Allocations of earnings/losses and administrative expenses are based on participant account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Funding Vehicles
Plan contributions are invested in one or more of the funding vehicles offered to participants by the Plan. The Plan administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Administrative Committee.

Vesting
Participants are immediately vested in their voluntary contributions and the Company's safe harbor and discretionary profit sharing contributions plus actual earnings thereon. Vesting in the Company's matching contribution is based on years of continuous service at the rate of 20% for each successive year of service until 100% vested after five years of service. Participants are considered to have completed one year of service for vesting purposes upon completion of 1,000 hours of service at any time during the Plan year. Participants become fully vested upon attainment of age 65, disability, or death while employed, even if five years of service is not completed.

Notes Receivable from Participants
Participants may borrow an amount up to the lesser of 50% of the amount of their vested balance or $50,000. The loan amount cannot exceed the maximum amount imposed by the IRC. A participant may borrow a minimum of $1,000. Loans are repayable over not more than five years, except in the case of a loan for the purchase of a primary residence. All loans bear interest at prime rate plus 1% at date of loan request and are required to be adequately secured by the participant's vested balance.

Payment of Benefits
On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in their account, or annual installments over a 10-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump sum distribution. In-service withdrawals are permitted for participants that have attained age 59 ½.

Participants may also, in certain instances, make withdrawals to meet the need of a hardship, as defined by IRC. All hardship withdrawals must satisfy the safe harbor rules of the Plan, which are uniformly applicable to all participants.

Forfeited Accounts
When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined in the Plan, represents a forfeiture. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $1,149 and $177, respectively. These accounts are used to reduce future employer contributions or to pay administration expenses. Forfeitures of $49,504 and $20,833 were utilized to reduce employer contributions for the years ended December 31, 2025 and 2024, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Receivables and Allowance for Credit Losses
The Plan records a receivable for employee and employer contributions that are remitted to the Plan subsequent to the Plan's year end. Management evaluates receivables for collectibility and records an allowance for expected credit losses when deemed necessary. No allowance was considered necessary at December 31, 2025 and 2024.

Investments and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Participants direct the investment of all funds and they may change their investment options daily.

Risk and Uncertainties
The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, currency and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

Fair Value Measurements - Definition and Hierarchy
U.S. GAAP establish a hierarchy for information and valuations used in measuring fair value that is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

- Level 2 - Valuations are based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

- Level 3 - Valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements - Definition and Hierarchy (Continued)
The assets or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodology used for assets measured at fair value.

Registered investment companies: Valued based on quoted market prices in active markets.

Collective investment trust: Valued at fair value using the net asset value ("NAV") practical expedient. The NAV is determined by the trustee based on the contract value of the underlying assets, which management believes approximates fair value.

The Plan invests in the Co-op 401(k) Stable Asset Fund, a stable value collective investment trust managed by Galliard Capital Management. The Fund's investment objective is to provide preservation of principal, a stable credited rate of interest, and competitive returns relative to comparable investments. The Fund primarily invests in security-backed investment contracts issued by financial institutions and underlying portfolios of investment-grade fixed income securities. These contracts are intended to support participant-directed transactions at contract value, which generally represents principal plus accrued interest, regardless of fluctuations in the market value of the underlying investments.

Participant withdrawals and transfers are generally permitted on a daily basis. The Plan's investment is measured at fair value using the NAV practical expedient and does not have a readily determinable market value. Management believes contract value approximates fair value based on the nature of the underlying investments and the contractual provisions supporting participant transactions at contract value. Accordingly, NAV, which is based on contract value, is used as a practical expedient to estimate fair value. There are no unfunded commitments associated with this investment. Additional information regarding the Fund may be obtained from the Fund's separate audited financial statements.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes to the valuation techniques used during 2025 and 2024.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. There were no delinquent notes receivable from participants at December 31, 2025 or 2024.

Payment of Benefits
Benefit payments to participants are recorded when paid.

Administrative Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Expenses paid from Plan assets may be allocated among participants or charged directly to individual participant accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Reclassifications
During 2025, it was determined that an investment previously classified as a fully benefit-responsive investment contract ("FBRIC"), measured at contract value, should instead be classified as a common collective trust, measured at fair value using net asset value ("NAV") as a practical expedient. The investment is reported using NAV, which is based on contract value and is considered to approximate fair value. As a result of this reclassification, as of December 31, 2024, the Plan's fully benefit-responsive investment contracts balance was decreased by $3,461,824 and its collective investment trust balance was increased by $3,461,824. This reclassification had no impact on net assets available for benefits or the change in net assets available for benefits.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by CSTB, trustee, and is included in the accompanying financial statements and schedule:

	2025	2024
Cash	$ 120	$ 70
Investments, at fair value	$ 41,862,996	$ 38,817,593
Notes receivable from participants	$ 209,404	$ 143,915
Net appreciation in fair value of investments	$ 3,175,584	$ 2,499,659
Interest and dividend income	$ 2,141,325	$ 2,128,457

4. FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Registered investment companies	$38,070,889	-	-	$38,070,889
Collective investment trust, measured at NAV (1)				3,792,107
				$ 41,862,996

(1) In accordance with the FASB authoritative guidance regarding fair value measurement, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Registered investment companies	$35,231,388	-	-	$35,231,388
Collective investment trust, measured at NAV (1)				3,586,205
				$ 38,817,593

(2) In accordance with the FASB authoritative guidance regarding fair value measurement, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

6. PARTY-IN-INTEREST TRANSACTIONS

The Company is the Plan Sponsor. CSTB is the trustee of the Plan's assets for the years ending December 31, 2025, and 2024. As such, transactions between the Company, and CSTB are party-in-interest transactions. Additionally, transactions involving notes receivable from participants qualify as party-in-interest transactions.

7. TAX STATUS

The IRS has determined and informed by letter for the non-standardized pre-approved profit sharing plan with CODA adopted by the Plan, dated June 30, 2020 that the non-standardized pre-approved profit sharing plan with CODA is designed in accordance with applicable sections of the IRC. The Plan has not requested its own determination letter from the IRS. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes have been included in the Plan's financial statements.

8. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 42,139,764	$ 39,019,122
Difference in valuation for investment contracts	(71,097)	(154,826)
Net assets available for benefits per the Form 5500	$ 42,068,667	$ 38,864,296

The following is a reconciliation of the changes in net assets per the financial statements to the Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 3,120,642	$ 2,558,273
Difference in valuation for investment contracts	83,729	(1,345)
Net assets available for benefits per the Form 5500	$ 3,204,371	$ 2,559,618

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 14, 2026, which is the date the financial statements were available to be issued.
