INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees of the
Independence Plus, Inc. 401(k) Plan
Oak Brook, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Independence Plus, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income and Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise of the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Independence Plus, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Independence Plus, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Independence Plus, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards ("GAAS") will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Independence Plus, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Independence Plus, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A--DESCRIPTION OF PLAN

The following description of the Independence Plus, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Independence Plus, Inc. (the "Company") who are age twenty-one or older. Employees who meet the age requirement are eligible to participate immediately upon hire. The Plan was established on October 1, 2006, and most recently restated June 1, 2021, in order to comply with all the applicable requirements as set forth by the Internal Revenue Code and to include Independence Plus Inc – IN, LLC and Independence Plus, Inc. – WI, LLC. The Plan was most recently amended October 17, 2023, for removal of a Trustee. The Plan is subject to the provisions of the Employee Retirement Income and Security Act of 1974 ("ERISA"). The Plan Administrator and Plan Trustees are responsible for oversight of the Plan, determining the appropriateness of investment offerings, and monitoring investment performance.

Contributions

Participants may make before-tax or after-tax (Roth) contributions, up to a maximum of 100% of their total compensation each year instead of receiving that amount in cash. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The amount of the deferral is limited to the maximum allowed by law. The Plan also allows rollover contributions from qualified plans.

The Company may make qualified matching contributions in the amount of 50% of the employee's contribution up to 6% of gross compensation. In addition, the Company may make discretionary contributions for each Plan year in an amount determined by the Company. During the years ended December 31, 2025, and 2024, the Company made matching contributions of $ - and $55,505, respectively.

Salary deferral contributions are funded proximate to the withholding date. Matching contributions and discretionary profit-sharing, if any, are funded annually after the close of the Plan year and within statutory time frames. All contributions invested are directed by the participant in various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, qualified matching contributions, and the Company's discretionary profit-sharing, if any, and allocations of (a) Plan earnings or losses, and (b) charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant account balances or compensation, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A--DESCRIPTION OF PLAN-continued

Investment Options

Upon enrollment in the Plan, participants direct their contributions into a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options at any time in accordance with Plan provisions. During any period in which there is no participant direction on file with the Custodian as to the investment of a participant's account, 100% of that participant's account will be invested in the investment option designated from time to time by the Custodian as the default investment. The Plan currently offers various investment options for participants, including pooled separate accounts.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is based on years of credited service as presented below.

Years of Credited Service	Vested Percentage
Less than 1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The note is secured by a participant's vested account balance and bears a reasonable rate of interest as determined by the Plan Administrator. The notes receivable bear interest at the prime rate plus 1%. Loans are for a period not to exceed five years unless for the purchase of the participant's principal residence, in which case the Plan Administrator may permit a longer repayment term. Principal and interest are repaid ratably through payroll deductions. The interest rate applied to current loans outstanding ranges from 4.25% to 9.50%.

Payment of Benefits

Upon termination of employment due to death, disability, retirement or Plan termination, a participant is entitled to 100% of their account balance in a lump-sum cash distribution, or as a direct rollover to an individual retirement account ("IRA"). For termination of employment for other reasons, a participant is entitled to a lump-sum cash distribution of 100% of the participant's contributions and the vested portion of the Company's contributions based upon the Plan's vesting provisions.

All distributions will be made as soon as administratively feasible following the distribution determination dates. However, those account balances in excess of $5,000 (not including rollover account balances), will be made as soon as administratively feasible following the date the Plan Administrator receives a written request for distribution. In-service withdrawals, subject to certain restrictions, are also permitted.

NOTE A--DESCRIPTION OF PLAN-continued

Payment of Benefits-continued

Mandatory distributions greater than $1,000 may be paid in a direct rollover to an IRA designated by the Plan Administrator. These distributions will be made if the participant does not elect to have such distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or does not elect to receive the distribution directly.

Forfeited Accounts

If a participant is not fully vested upon termination, the nonvested portion of the participant's account is forfeited. Forfeitures may first be used to reduce Company contributions. At December 31, 2025 and 2024, the Plan had forfeiture balances of $39,577 and $48,423, respectively, which were held in cash. During the Plan year ended December 31, 2025, $48,423 forfeited non-vested accounts were used to offset employer contributions.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator and Trustees determine the Plan's valuation policies utilizing information provided by investment advisers and the Custodians. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loans to be in default, the participant loan balance is reduced, and a benefit payment is recorded. During the plan year ended December 31, 2025, no loans were deemed distributed.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Fees incurred by the Plan for certain investment management services are included in administrative expenses.

Subsequent Events

The Plan Administrator has evaluated subsequent events through October 7, 2026, which is the date the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

NOTE C--FAIR VALUE MEASUREMENTS-continued

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for Plan assets measured at fair value. There has been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled separate accounts: Pooled separate accounts are unregistered and divided into investments called "sub-accounts." Each sub-account invests in shares of an underlying mutual fund or other investment securities at an omnibus level. Sub-account values are calculated on a daily basis based on the share price or net asset value ("NAV") of the underlying funds. The number of units owned is multiplied by the NAV. The net investment factor is used to measure the investment performance of a sub-account from one valuation day to the next. The NAV is used as a practical expedient to estimate fair value.

In accordance with Subtopic 820-10, certain investments that are measured at net asset value (or its equivalent) are not classified in the fair value hierarchy.

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Description	12/31/2025 Fair Value	12/31/2024 Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate accounts	$ 6,725,837	$ 6,297,823	N/A	Daily	N/A*

* Redemptions occur as soon as administratively feasible.

NOTE D--INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in the fair value of investments for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.), the Custodian of the Plan. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to such information certified by the Custodian, as of December 31, 2025 and 2024 and for the year ended December 31, 2025.

Except for comparing such information to the information included in the Plan's financial statements and supplemental schedule, the Plan's independent auditors did not perform any auditing procedures on the certified information.

The following represents information certified by the Custodian as of December 31, 2025 and 2024:

	2025	2024
Cash Accounts	$ 39,577	$ 48,423
Pooled separate accounts, at fair value	6,725,837	6,297,823
Notes receivable from participants	188,092	179,343
Net appreciation in fair value of investments in pooled separate accounts	1,050,464	
Interest income - notes receivable from participants	14,586	

NOTE E--RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan does not invest in securities of the Plan Sponsor. Plan investments include pooled separate accounts managed by the Custodian. The transactions in these investments qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services, and third-party administrative services were $63,090 for the year ended December 31, 2025. The Plan Sponsor pays directly any other fees related to the Plan's Operations.

Certain employees of the Company provide administrative services for the Plan and are not reimbursed by the Plan for their services.

NOTE F--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G--TAX STATUS

The Plan adopted a Volume Submitter Profit Sharing Plan with CODA sponsored by CCH Incorporated DBA FTWILLIAM COM. The volume submitter plan has received an opinion letter from the IRS as to the volume submitter plan's qualified status. On June 30, 2020, the Internal Revenue Service stated the volume submitter plan document as the designed, qualified under section 401(k) of the Internal Revenue Code ("IRC"). The prototype plan opinion letter has been relied upon by this Plan. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE H--RISKS AND UNCERTAINTIES

The Plan's assets are invested directly and indirectly in various investment securities which are purchased or managed by the Custodian. These investments are exposed to various risks such as interest rate, market, and credit risks. The Plan's assets are subject to the changes in the value of its underlying investments, including the potential for bankruptcy of one or more of the companies in which they are invested.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE I--PROHIBITED TRANSACTIONS

During 2023, the Plan Sponsor did not remit to the Plan's Custodian certain participant contributions totaling $231 within the period prescribed by the United States Department of Labor ("DOL"). The DOL considers late deposits to be prohibited transactions. The amount representing lost earnings for each year is calculated by the Plan Sponsor.
