Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements
We have performed an audit of the accompanying financial statements of Otolaryngology Associates, P.C. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Otolaryngology Associates, P.C. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements
We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Otolaryngology Associates, P.C. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Otolaryngology Associates, P.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Otolaryngology Associates, P.C. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Otolaryngology Associates, P.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2025 Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions, schedule of assets held for investment purposes and schedule of reportable transactions as of December 31, 2025, are presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2024 Financial Statements

Plan management is responsible for the accompanying 2024 financial statement of Otolaryngology Associates, P.C. 401(k) Profit Sharing Plan (an employee benefit plan), which comprise the statement of net assets available for benefits as of December 31, 2024, and the related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2024 financial statement.

NOTE A - DESCRIPTION OF PLAN

The following description of Otolaryngology Associates, P.C. 401(k) Profit Sharing Plan (the Plan) provides only general information. Otolaryngology Associates, P.C. (the Company) established the Plan. Readers of these financial statements should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who are age twenty-one or older. Employees become eligible for deferral contributions, employer safe harbor contributions and non-elective contributions following six months of service from the date of hire. Eligible participants can enroll in the plan immediately following meeting the eligibility requirements.

Contributions

Participants may elect to defer a portion of pretax eligible compensation into the Plan on a pre-tax or Roth after-tax basis, up to the maximum allowed by the Internal Revenue Code. In addition, the Plan allows for catch-up contributions by employees aged 50 years and older before the end of the Plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participant contributions are invested in a designated balanced fund until changed by the participant.

Effective for plan years beginning on or after January 1, 2025, eligible participants who attain ages 60 through 63 during the plan year may make increased catch-up contributions, subject to the applicable Internal Revenue Code limits. The Plan Sponsor expects to formally adopt these provisions through a plan amendment during the applicable remedial amendment period.

The Company makes safe harbor non-elective contributions equal to 3% of eligible compensation. The Company may also make discretionary non-elective contributions, as determined annually by the Company. For the year the year ended December 31, 2025, the Company made safe harbor non-elective contributions of $286,758 and discretionary non-elective contributions of $303,804. For the year ended December 31, 2024, the Company made safe harbor non-elective contributions of $174,004 and discretionary non-elective contributions of $246,455.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's discretionary contribution, Plan earnings, losses, and Plan expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the vested balance in the participant's account and bear interest at rates ranging from 9.50% to 10.50% and mature through July 2029. Loan terms range from one to five years except that loans used to acquire a participant's principal residence may have a term of up to 15 years. Principal and interest are paid ratably through semi-monthly payroll deductions.

NOTE A - DESCRIPTION OF PLAN (continued)

Forfeited Accounts
At December 31, 2025 and 2024, forfeited non-vested accounts totaled $6,998 and $9,685 for each year, respectively. The forfeited nonvested accounts may be used at the discretion of the Company to either reduce Company contributions or to pay administrative expenses incurred by the Plan. For plan years ended 2025 and 2024, $11,463 and $26,848 were used to reduce company contributions and administrative expenses, respectively.

Vesting
Participants are immediately vested in their elective deferral contributions and related earnings, rollover contributions, qualified non-elective contributions, and safe harbor contributions. Vesting in the Company's discretionary non-elective contributions is based on years of vesting service under a two-to-six-year graded vesting schedule. A participant is 20% vested after two years of vesting service, 40% after three years, 60% after four years, 80% after five years, and 100% after six years. A year of vesting service is earned upon completion of 1,000 hours of service during the Plan year. Participants also become fully vested upon the occurrence of certain events as provided by the Plan.

Payment of Benefits
Upon termination of employment, death, or retirement, a participant is entitled to receive his or her vested account balance in accordance with the provisions of the Plan. For distributions following termination of employment for reasons other than death, the normal form of payment is a lump-sum distribution, payable as soon as administratively feasible. Eligible distributions may be rolled over to another eligible retirement plan in accordance with provisions of the Plan.

Upon termination of employment, certain vested account balances of $5,000 or less may be distributed without the participant's consent in accordance with the Plan's force-out provisions. Certain mandatory distributions exceeding $1,000 are subject to the Plan's automatic rollover provisions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan have been prepared using the accrual basis of accounting where revenues are recognized when earned and expenses are recognized when incurred. The accrual basis of accounting conforms to accounting principles generally accepted in the United States.

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition
At December 31, 2025, all of the Plan's invested assets are held at Empower Trust Company, which invests funds based on the recommendations of each fund's manager. Investments are reported at fair value. Fair value is the sale price that would be received to sell an asset or price paid to transfer a liability in a typical transaction between market participants at the date of measurement. Plan management assesses and establishes the Plan's valuation policies using information provided by the custodians of the investments. See Note I for discussion of fair value measurements. Investment assets, transactions, and income as presented in the financial statements and supplemental schedule were certified by the trustee to be complete and accurate.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold, as well as held, during the year.

Participant Loans
Participant loans in the Plan are recognized when granted to eligible plan participants. The Plan recognizes these loans as notes receivable from participants in the statements of net assets available for benefits. Participant loans are initially measured at the principal amount disbursed to the participant and are subsequently measured based on the amortization of the loan balance. Interest is recognized using the effective interest rate method over the life of the loan.

Plan Expenses
Either the Plan or the Plan sponsor, as provided in the Plan document, pays administrative expenses of the Plan.

Payment of Benefits
Benefits are recorded when paid.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company has certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate. Investments certified by the trustee totaled $20,321,934 and $19,844,337 as of December 31, 2025 and 2024, respectively. Investment gain totaled $2,916,934 for the year ended December 31, 2025.

Change in employer contributions receivable	(188,431)	
Change in deemed notes receivable from participants	4,258	
Net increase per Schedule H of Form 5500	**$ 481,855**	

NOTE E - RELATED PARTY TRANSACTIONS

Empower Trust Company serves as the Plan's recordkeeper and trustee, and MAP Retirement USA served as the Plan's third-party administrator, and Wells Fargo Advisors served as the Plan's investment advisor. Accordingly, qualifying transactions with these service providers constitute party-in-interest transactions. Fees paid by the plan totaled $32,602 and $27,201 for the years ended December 31, 2025 and 2024, respectively.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan in whole or in part subject to the provisions of ERISA. In the event of complete or partial Plan termination, the Plan assets shall be distributed in accordance with the terms of the Plan.

NOTE G - TAX STATUS

The Plan has adopted a pre-approved plan document for which the plan document provider has received an opinion letter from the Internal Revenue Service stating that the form of the plan is acceptable under applicable sections of the Internal Revenue Code. The Plan has been amended since adoption of the pre-approved plan document. Plan management believes that the Plan is designed and is currently being operated in compliance Otolaryngology Associates, P.C. 401(k) Profit Sharing Plan with the applicable requirements of the Internal Revenue Code.

The Plan accounts for uncertainty in income taxes in accordance with FASB ASC 740, Income Taxes. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. Plan management has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and had no uncertain tax positions requiring recognition or disclosure as of December 31, 2025 and 2024.

With few exceptions, the Plan is no longer subject to income tax examination by the U.S. Federal, state, or local tax authorities for the previous three years.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE I - FAIR VALUE MEASUREMENTS (continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds
These funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are generally open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts
Separate accounts are privately managed investment accounts that use pooled money to purchase individual assets. They differ from mutual funds because investors directly own the securities purchased instead of owning a share of the pool in the securities. While the underlying assets values are quoted prices, the net asset value (NAV) of separate accounts are not publicly quoted. NAV per share is allowed to serve as a practical expedient to estimate the fair value.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits as of December 31, 2025.

	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 5,750,380	$ 5,750,380	$ 0	$ 0
Total assets in fair value hierarchy	**$ 5,750,380**	**$ 5,750,380**	**$ 0**	**$ 0**
Pooled separate accounts measures at net asset value (NAV)	13,243,418			
Investments at fair value	**$ 18,993,798**			

NOTE I - FAIR VALUE MEASUREMENTS (continued)

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits as of December 31, 2024.

	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 6,385,996	$ 6,385,996	$ 0	$ 0

Pooled separate accounts measures at net asset value (NAV)	12,140,633			
Investments at fair value	**$ 18,526,629**			

Total amount of gains and losses (realized and unrealized) included in the statement of changes in net assets available for benefits for the year ended December 31, 2025 are reported in net change in fair value of investments.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2025, there were no significant transfers into or out of Levels 1, 2 or 3.

NOTE J - INVESTMENT CONTRACT WITH GREAT WEST INVESTMENTS

The Plan has a benefit-responsive investment contract with Great West Investments (Great West). Great West maintains the contributions in a general account, the SAGIC Core Bond Fund. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

NOTE J - INVESTMENT CONTRACT WITH GREAT WEST INVESTMENTS (continued)

For investment contracts that are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. This contract is included in the financial statements at contract value, as reported to the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Plan management has determined that contract value of $1,292,283 and $1,261,577 approximates fair value for this contract as of December 31, 2025 and 2024, respectively.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield was 3.52% for the year ended December 31, 2025, and crediting interest rates were 3.52% and 3.23% as of December 31, 2025 and 2024, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events, which would limit the Plan's ability to transact at contract value with participants, are probable of occurring.

NOTE K - REPORTABLE TRANSACTIONS

A reportable transaction is defined as a single transaction, or series of transactions with the same party involving the same asset, which exceeds five percent (5%) of the fair value of Plan assets as of the beginning of the plan year. The fair value of Plan assets as of January 1, 2025, used to determine the 5% threshold was $19,844,337, resulting in a reporting threshold of $992,217. Transactions related to fully benefit-responsive investment contracts and individually directed participant transactions are excluded from the schedule, as permitted under 29 CFR 2520.103-6.

NOTE L - PROHIBITED TRANSACTIONS

During the years ended December 31, 2025 and 2024, the Company had delinquent participant contributions of $11,512 and $76, respectively. Subsequent to year end, the 2025 delinquent participant contributions were corrected. The 2024 delinquent participant contributions were corrected during 2025.

NOTE M - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2026, the date the financial statements were available to be issued. No events have occurred that require recognition or disclosure in the financial statements.
