INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Management of
Frazier & Deeter Advisory, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Frazier & Deeter Advisory, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Frazier & Deeter Advisory, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Frazier & Deeter Advisory, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Frazier & Deeter Advisory, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Frazier & Deeter Advisory, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Frazier & Deeter Advisory, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i, Schedule of Assets (HELD AT END OF YEAR) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. FRAZIER & DEETER ADVISORY, LLC 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Frazier & Deeter Advisory, LLC (the "Company", "Plan Sponsor" or "Plan Administrator") 401(k) Plan (the "Plan"), formerly the Frazier & Deeter, LLC 401(k) Plan, is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Company under the provisions of Section 401(a) of the Internal Revenue Code (“IRC”), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Fidelity Management Trust Company ("Fidelity") serves as the trustee of the Plan.

Plan Amendments and Restatement

During the 2025 plan year, the Plan's former sponsor was acquired by General Atlantic Service Company, L.P. As a result, the Plan was amended and restated to change the Plan's name to the Frazier & Deeter Advisory, LLC 401(k) Plan, change the Plan's sponsor to Frazier & Deeter Advisory, LLC, and add Frazier & Deeter, LLC as a participating employer. The amendment and restatement were effective October 1, 2025.

The Plan was amended multiple times during the 2025 plan year to allow predecessor service credit with regards to the following entities acquired by the Plan Sponsor: KMN CPA, LLC; Anglin Reichmann Armstrong, PC; Pesta, Finnie, Associates, LLP; and Rosen, Sapperstein & Friedlander, LLC.

Contributions

Each year, participants may contribute up to the IRS maximum percentage of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may also elect to make Roth 401(k) deferrals which are subject to federal income taxes in the year of deferral. In addition, participants who have attained age 50 before the end of the plan year are permitted to make catch-up contributions. Discretionary non-elective and discretionary matching contributions may also be contributed at the option of the Company's board of directors and are invested in a portfolio of investments as directed by the participant. To be eligible to receive discretionary matching and discretionary non-elective contributions the participant must be employed on the last day of the plan year and complete at least 1,000 hours of service during the plan year. During the year ended December 31, 2025, the Company elected to make a discretionary non-elective contribution of $2,534,354. The Company did not fund discretionary matching contributions during the year ended December 31, 2025.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a self-directed brokerage account, cash and cash equivalents, and a collective trust fund as investment options for participants.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of any Company contribution, and Plan earnings (losses), and charged with benefit payments, transaction fees related to distributions, and allocations of administrative expenses. Allocations of Plan earnings are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Retirement, Death and Disability

A participant or named beneficiary is entitled to 100% of his or her account balance upon normal retirement at age 65, death or disability.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The value of the participant's account attributable to discretionary matching and discretionary non-elective contributions vests as follows:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Note terms range from one to five years, or up to ten years for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear an interest rate equal to the market rate for similar loan products. At December 31, 2025, outstanding notes bore interest rates of 4.25% - 9.50%. Principal and interest are paid through payroll deductions.

Payment of Benefits

Upon termination of service, a participant or named beneficiary will receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount as provided by the Plan. Hardship distributions are permitted upon demonstration of financial hardship. All fully vested balances are available for distribution after the participant reaches the age of 59.5.

Forfeited Accounts

At December 31, 2025 and 2024, the forfeited non-vested account balance was $202,769 and $275,596, respectively. This account can be used to reduce Company contributions and pay administrative expenses. For the year ended December 31, 2025, $213,773 were used to reduce Company contributions and $0 were used to pay administrative expenses.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates and assumptions.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

The Plan's administrative expenses are paid by either plan participants or the Company, as provided by the Plan document. Certain administrative functions are performed by the employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions are charged directly to the participant's account.

Subsequent Events

Management evaluated all events or transactions that occurred after December 31, 2025 through October 13, 2026, the date the financial statements were available to be issued. All subsequent events, if any, requiring recognition as of December 31, 2025, have been incorporated into these financial statements.

NOTE 3 - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, provides a framework for measuring fair value. That framework details a fair value hierarchy that gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, then Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- *Cash and Cash Equivalents*: Includes amounts in interest bearing cash, certificates of deposit, money market and U.S. Treasury funds that are readily convertible to cash, have a short-term maturity and are valued at cost which approximates fair value.

- *Collective Trust Fund:* Stated at fair value based on the net asset value reported by the fund managers as of the financial statement dates and recent transaction prices. Net asset value ("NAV") is used as a practical expedient to estimate fair value.

- *Common Stocks*: Valued at the closing price reported on the active market on which the individual securities are traded.

- *Mutual Funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 - FAIR VALUE MEASUREMENT (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2025 and 2024:

		Fair Value as of December 31, 2025		
	Total	**Level 1**	**Level 2**	**Level 3**
Cash and Cash Equivalents	$ 2,851,657	$ 2,851,657	$ -	$ -
Common Stocks	5,940,786	5,940,786	-	-
Mutual Funds	106,896,349	106,896,349	-	-
Total assets in the fair value hierarchy	115,688,792	$ 115,688,792	$ -	$ -
Investments measured at NAV:*				
Collective Trust Fund	418,830			
Total assets at fair value	$ 116,107,622			

		Fair Value as of December 31, 2024		
	Total	**Level 1**	**Level 2**	**Level 3**
Cash and Cash Equivalents	$ 2,411,084	$ 2,411,084	$ -	$ -
Common Stocks	4,838,184	4,838,184	-	-
Mutual Funds	86,972,067	86,972,067	-	-
Total assets in the fair value hierarchy	94,221,335	$ 94,221,335	$ -	$ -
Investments measured at NAV:*				
Collective Trust Fund	429,558			
Total assets at fair value	$ 94,650,893			

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 3 - FAIR VALUE MEASUREMENT (CONTINUED)

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2025 and 2024:

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (if eligible)	Redemption Notice Period
Collective Trust Fund	$ 418,830	None	Daily	1 Day

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if eligible)	Redemption Notice Period
Collective Trust Fund	$ 429,558	None	Daily	1 Day

NOTE 4 - INVESTMENTS AND INFORMATION CERTIFIED BY THE TRUSTEE

Fidelity holds the Plan's investment assets and executes investment transactions. Management determined Fidelity to be a qualified institution and the information prepared by Fidelity was certified to be complete, accurate, and met the requirements of ERISA Section 103(a)(3)(C). Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained from data supplied to the Plan Administrator and certified to be complete and accurate by Fidelity.

NOTE 5 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statement at fair value	$ 119,827,656	$ 98,906,323
Less: Employer contributions receivable at end of current year	(2,534,354)	(3,336,866)
Less: Participant contributions receivable at end of current year	(257,285)	(198,963)
Net assets available for benefits per the Form 5500	$ 117,036,017	$ 95,370,494

The following is a reconciliation of contributions per the financial statements at December 31, 2025 to Form 5500:

Contributions per the financial statements	$ 13,718,984
Add 2024 contributions receivable	3,535,829
Less: 2025 employer contributions receivable	(2,534,354)
Less: 2025 participant contributions receivable	(257,285)
Contributions per Form 5500	$ 14,463,174

NOTE 6 - RIGHTS UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and earnings thereon.

NOTE 7 - TAX STATUS

The Plan is relying on the IRS approval of the non-standardized pre-approved profit sharing plan sponsored by Fidelity Management & Research Company ("FMR"). The IRS has determined and informed FMR by a letter dated June 30, 2020 that the non-standardized pre-approved profit sharing plan document was designed in accordance with applicable sections of the IRS. The Plan has been amended since its determination letter was received in order to comply with changes in tax laws. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by Fidelity, and Fidelity sells products to and manages and maintains certain investments for the Plan for which fees are charged to the Plan, Plan Sponsor, or participants. Fidelity is the trustee for the Plan, and, therefore, these transactions qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction rules.

Fidelity Investments provides certain administrative and recordkeeping services to the Plan for which fees are charged to the Plan or Plan Sponsor. Therefore, these transactions qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction rules.

The independent auditor of the Plan’s financial statements, Rushton, LLC, is a service provider to the Plan and is considered a party-in-interest. Notes receivable from participants are also party-in-interest transactions.

NOTE 9 - MARKET RISKS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
