Independent Auditor's Report

To the Plan Administrator and Those Charged with Governance of
Thompson Trucking, Inc. 401(k) Profit Sharing Plan
Concord, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Thompson Trucking, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [(ERISA Section 103(a)(3)(C) audit)]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the

supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2025

Note 1 – Plan Description

The following description of the Thompson Trucking, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers all employees of Thompson Trucking, Inc. and Subsidiaries (the "Company" or "Plan Sponsor") who have three months of service and are at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Administration

The Plan is administered by the Plan Sponsor, which serves without compensation. The Plan Administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities. The Plan Sponsor has outsourced the recordkeeping function of the Plan to John Hancock Life Insurance Company, (the "Custodian") of the Plan.

Contributions

Each year, participants may contribute a portion of their eligible compensation as pretax and/or Roth deferrals, subject to certain *Internal Revenue Code (IRC)* limitations. Participants are allowed to make catch-up contributions if over the age of 50, subject to certain *IRC* limits. Participant contributions are remitted each pay period to the Plan by the Plan Sponsor from employee payroll deductions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan Sponsor may elect to make matching contributions to the Plan equal to a percentage of each eligible participant's elective deferrals. The amount, allocation formula, and percentage or dollar amount limit of the matching contribution is at the sole discretion of the Plan Sponsor and may vary from year to year. All matching contributions will be allocated in a nondiscriminatory manner based on each eligible participant's elective deferrals. The Plan Sponsor's Board of Directors elected to make a matching contribution equal to 50% of the first 6% of each participant's eligible compensation contributed to the Plan for the year ended December 31, 2025. The Plan Sponsor may also elect to make a discretionary profit-sharing contribution to the Plan. The amount of this contribution is determined each year. The Plan Sponsor's Board of Directors elected not to make a profit-sharing contribution to the Plan for the year ended December 31, 2025.

Participant Investment Options

Upon enrollment in the Plan, a participant may direct his or her voluntary contributions in various investment options. Participants may change or transfer their investment options at any time via telephone or the internet.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Plan Sponsor's matching contributions, discretionary profit-sharing contribution, if any, and Plan earnings. Each participant's account is charged with an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account

balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Each participant is 100% vested at all times in his or her salary reduction contributions plus actual earnings thereon. Amounts funded by the Plan Sponsor for the benefit of each participant plus actual earnings thereon become 100% vested after six years of credited service. Each participant's vesting schedule is as follows:

Years of Service	Vesting
0-1	-0-%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Benefit Payments

Upon attainment of normal retirement age (65), termination, or permanent or total disability, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account. Upon death, the full amount previously credited to a participant's account shall be paid to the participant's beneficiary. Participant accounts with vested balances of $7,000 or less may be distributed without participant consent following termination of employment. Participant hardship withdrawals, as defined by the *IRC*, are permitted under the provisions of the Plan. Non-vested Plan Sponsor contributions are forfeited upon the earlier of the distribution of the vested portion of a participant's account or after five consecutive 1-year breaks in service, and together with related interest income, are used to reduce the Plan's expenses or matching contributions.

Forfeitures

Forfeited non-vested Plan Sponsor matching contributions may be used to reduce future Plan Sponsor matching contributions. The Plan Sponsor applied $117 in forfeitures to reduce Plan Sponsor contributions for the year ended December 31, 2025. Forfeited non-vested amounts were $37,384 and $27,529 at December 31, 2025 and 2024, respectively.

Notes Receivable from Participants

Participants may borrow subject to the requirements of the Plan from their fund accounts a minimum of $1,000 up to the lesser of a maximum of $50,000 or 50% of their vested account balance. A participant may have up to two notes outstanding at a time. Note terms are available for up to five years, unless the note is used to purchase a principal residence. The notes are secured by the balances in the participants' accounts and bear interest as determined by the Plan Sponsor based upon rates equivalent to prevailing market rates. Principal and interest are paid ratably through payroll deductions with repayment periods not to exceed five years, or thirty years if used to purchase a principal residence. Principal and interest payments with respect to notes are credited solely to the account of the borrower participant from which the note was made. At December 31, 2025, loan interest rates ranged from 2.00% to 10.50%.

Cash

The Plan's cash consists of a non-interest-bearing cash account held by the Plan's Custodian. This account is not insured by the Federal Deposit Insurance Corporation (FDIC).

Administrative Expenses

In accordance with the provisions of the Plan, certain administrative expenses such as Custodian fees and investment management fees are paid by the Plan and are included in the accompanying financial statements. Any administrative expenses not meeting the Plan provisions are paid by the Plan Sponsor and are not included in the accompanying financial statements. Administrative expenses paid by the Plan Sponsor are not reimbursed by the Plan.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Subsequent Events

Subsequent events have been evaluated through October 14, 2026, the date the financial statements were available to be issued.

Note 3 – Certification

Certain information was certified as complete and accurate by the Plan's Custodian, John Hancock Life Insurance Company. That information is as follows:

- Investment assets
- Investment transactions
- Investment income
- Schedule of Assets (Held at End of Year)
- Notes from participants

Note 4 – Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers or employees of the Company. These employees are also Plan participants. No such officer or employee receives compensation from the Plan.

Certain Plan investments are managed by the Custodian. Transactions with the Custodian, as defined by the Plan, qualify as party-in-interest transactions. Fees paid by the Plan for the investment management and Custodian services to John Hancock Life Insurance Company amounted to $27,541 for the year ended December 31, 2025.

Note 5 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 6 – Income Tax Status

The Plan is a non-standardized pre-approved plan under FIS Business Systems LLC who received an opinion letter dated June 30, 2020, from the Internal Revenue Service (IRS) informing them that the Plan and related trust are designed in accordance with applicable sections of the *IRC*. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the *IRC*.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan

management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair values as of December 31, 2025 and 2024:

	Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2025		
Pooled separate accounts	**$ 4,921,653**	**$ 4,921,653**
December 31, 2024		
Pooled separate accounts	**$ 4,716,526**	**$ 4,716,526**

Level 1 Fair Value Measurements

Pooled separate accounts are valued at the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the Plan, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

Note 8 – Reconciliation of Financial Statements to Form 5500
