**The Plan Administrator**
**TM RTA Holdings 401(k) Plan**

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

**We have performed audits of the financial statements of the TM RTA Holdings 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.**

**Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).**

**Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.**

***Opinion***

**In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report,**

- **the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).**
- **the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).**

***Basis for Opinion***

**We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.**

***Responsibilities of Management for the Financial Statements***

**Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.**

**In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.**

**Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.**

***Auditors' Responsibilities for the Audit of the Financial Statements***

**Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.**

**In performing an audit in accordance with GAAS, we:**

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**
- **Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**
- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.**
- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**
- **Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.**

**Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.**

**Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.**

**We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.**

***Other Matter - Supplemental Schedule Required by ERISA***

**The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.**

**In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.**

**In our opinion:**

- **the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.**
- **the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).**

## (1) Description of plan

The following description of the TM RTA Management, Inc. (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

### (a) General

The Plan is a defined contribution plan which was adopted to provide retirement benefits for employees of TM RTA Management, Inc. and affiliate companies (the "Plan Sponsor"). The Plan covers substantially all non-union employees who are age twenty-one or older and have completed six months of service (participants). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### (b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code (IRC) and can be made after-tax in the form of a Roth 401(k) contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participant contributions are permitted up to 100% of compensation subject to certain IRC limitations, and participants may choose to suspend elections at any time. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Newly eligible and rehired employees are automatically enrolled in the Plan at a deferral rate of 3% of their compensation unless the employee elects not to participate.

The Plan Sponsor matched an amount equal to 50% of each participant's contributions up to 4% through May 1, 2020, when the match was suspended. The match was reinstated for only employees at Solterra on August 7, 2022. Plan Sponsor and participant contributions may not exceed the maximum amount allowable for federal income tax purposes.

### (c) Participant accounts

Each participant's account is credited (charged) with the participant's and Plan Sponsor contributions, investment earnings (losses), and administrative expenses. Allocations are based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### (d) Vesting

Participants are immediately vested in their elective salary deferral plus actual earnings (losses) thereon. Participants vest pro rata annually and are 100% vested in Plan Sponsor contributions after four years of service.

**(e) Participant notes receivable**

**Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The participant notes receivable are secured by the balances in the respective participants' account and bear interest at fixed rates ranging from 4.25% to 9.50%, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through payroll deductions.**

**(f) Payment of benefits**

**On termination of service due to death, permanent disability, or retirement, a participant may elect to receive a lump-sum payment equal to his or her entire account. For termination of service due to other reasons, a participant is entitled to receive only the vested interest in his or her account as a lump-sum distribution. In-service withdrawals of all or a portion of a participant's vested account balance may be made by participants who have attained the age of 59 1/2.**

**(g) Forfeited accounts**

**Forfeitures were created when participants terminate employment prior to becoming fully vested in the Plan Sponsor contribution portion of their accounts. Such forfeitures were used to pay administrative expenses or can be used to reduce the Plan Sponsor's contributions to the Plan. During 2025 and 2024, the Plan Sponsor's contributions were reduced by $32,035 and $9,369 from forfeited nonvested accounts, respectively. Forfeitures used to pay administrative expenses of the Plan were $23,669 for 2025. Forfeitures used to pay administrative expenses of the Plan were $3,919 for 2024. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $31,010 and $82,573, respectively.**

**(h) Hardship withdrawals**

**The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant was younger than age 59½. Hardship withdrawals are limited to the participant's elective account balance.**

**(i) Administrative expenses**

**Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the processing of distributions and administrative fees are charged directly to the applicable participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.**

**(j) Plan termination**

**Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.**

**(2) Summary of significant accounting policies**

**(a) Basis of accounting**

**The financial statements of the Plan are prepared on the accrual basis of accounting.**

**(b) Investment valuation and income recognition**

**Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by Transamerica Trust Company ("Transamerica Trust"). See Note 4 for discussion of fair value measurements.**

**Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.**

**(c) Participant notes receivable**

**Participant notes receivable are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the plan document.**

**(d) Payment of benefits**

**Benefits are recorded when paid.**

**(e) Use of estimates**

**The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.**

**(f) Events occurring after reporting date**

**The Plan Sponsor has evaluated events and transactions that occurred between December 31, 2025, and October 13, 2026, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.**

**(3) Certified information**

**Certain information reported and disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including the fair value of investments held and participant notes receivable at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividends and interest income on participant notes receivable, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company for the period from January 1, 2024 through June 30, 2024, and by Transamerica Trust as of and for the year ended December 31, 2025 and 2024 and as of December 31, 2024 and for the period from July 1, 2024 through December 31, 2024.**

**(4) Fair value measurements**

**Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:**

**Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.**

**Level 2 - Inputs to the valuation methodology include:**

- **Quoted prices for similar assets or liabilities in active markets;**
- **Quoted prices for identical or similar assets or liabilities in inactive markets;**
- **Inputs other than quoted prices that are observable for the asset or liability;**
- **Inputs that are derived principally from or corroborated by observable market data by correlation or other means.**

**If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.**

**Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.**

**The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.**

**The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and December 31, 2024.**

**(I)** ***Money market fund*****: Valued at the net asset value (NAV) of shares held by the Plan at year-end.**

**(ii)** ***Mutual funds*****: Valued based on the funds' reported closing NAV of shares held by the Plan as of the last business day of the plan year. The mutual funds are deemed to be actively traded.**

**The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.**

**The following tables set forth by level the Plan's assets within the fair value hierarchy as of December 31, 2025 and 2024:**

| | Fair Value Measurements as of December 31, 2025 Using the Following Inputs | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |

(5) Income tax status

The Plan Sponsor adopted a non-standardized pre-approved profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the pre-approved plan was designed in accordance with the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. However, the plan administrator believes that the adopted pre-approved plan was designed and was being operated in compliance with the applicable requirements of the IRC and was therefore, qualified and exempt from taxation.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**(6) Related party and party-in-interest transactions**

**Plan investments are shares of a mutual fund managed by Transamerica, the Plan's recordkeeper and, therefore, these transactions qualify as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers and holds notes receivable from participants which also qualify as party-in-interest transactions.**

**(7) Reconciliation of financial statements to Form 5500**

**The following is a reconciliation of the change in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2024:**

| | | |
|---|---|---|
| **Change in net assets available for benefits per the financial statements** | **$** | **559,208** |
| **Change in deemed distribution of participant notes receivable** | | **24,196** |
| **Change in net assets available for benefits per the Form 5500** | **$** | **583,404** |

**(8) Risks and uncertainties**

**The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.**
