INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Deep Seas, LLC Group Medical Plan
San Diego, California

Opinion

We have audited the financial statements of the Deep Seas, LLC Group Medical Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits - modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits - modified cash basis for the year then ended and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits - modified cash basis of Deep Seas, LLC Group Medical Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits - modified cash basis for the year then ended, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Deep Seas, LLC Group Medical Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

STEPHANO SLACK LLC
CERTIFIED PUBLIC ACCOUNTANTS

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Deep Seas, LLC Group Medical Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Deep Seas, LLC Group Medical Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4 (i) - Schedule of Assets (Held at End of Year) - modified cash basis and Schedule H, Line 4 (j) - Schedule of Reportable Transactions – modified cash basis as of and for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules - modified cash basis, we evaluated whether the supplemental schedules – modified cash basis, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules - modified cash basis is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – Description of the Plan

The following description of the Deep Seas, LLC Group Medical Plan (the "Plan") provides only general information about the Plan's provisions. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Deep Seas, LLC Group Medical Plan (the "Plan") is an employee welfare benefit plan sponsored by Deep Seas, LLC (the "Company"). The Plan provides health benefits to eligible full-time employees of the Company and their eligible dependents. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan was established effective January 1, 2024.

Effective December 31, 2025, the Plan ceased active participation in the Veris Benefits Consortium, LLC (the "Consortium"). During 2026, the Plan will remain in a run-out period for the processing and payment of eligible claims incurred on or before December 31, 2025. Effective January 1, 2026, eligible employees and dependents receive health benefits under a successor plan or arrangement sponsored by the Company. The change in the Plan's participation in the Consortium did not affect participants' rights to payment of eligible claims incurred through December 31, 2025 in accordance with the terms of the Plan.

The Plan is a member of Veris Benefits Consortium, LLC, which operates as a health insurance consortium under which the members negotiate and establish employee welfare benefit plans for their employees. Some expenses of the health plan are paid through the Veris Benefit Trust. The employees may be required to pay for a portion of the cost of the benefit.

Benefits – The Plan provides health benefits (medical and prescription drugs) to the full-time employees and their eligible dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions – The Company and the participants share the premiums for the self-funded medical benefits with the participants contributing based on bi-weekly payroll deductions in accordance with the provisions of the Plan.

Stop Loss Coverage – The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure of self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-Insured Benefits – The claims for self-insured benefits are processed by the Plan's third-party claims processor under administrative services only (ASO) arrangements. The claims processor pays claims directly to or on behalf of participants and is then reimbursed by the Plan's Veris Benefit Trust. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for the payments to providers and participants is retained by the Plan.

NOTE 2 – Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a special purpose framework other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). Under the modified cash basis of accounting, contributions are recognized when received, and self-insured benefit payments, insurance premiums, and administrative expenses are recognized when paid.

Accordingly, the Plan does not recognize certain receivables, payables, or benefit obligations that would be recognized under U.S. GAAP, including claims incurred but not reported and other incurred but unpaid benefit obligations, except to the extent such amounts have been paid or otherwise recognized under the Plan's modified cash basis accounting policies. Certain such amounts are disclosed in the notes to the financial statements when considered relevant to an understanding of the Plan's financial position and benefit obligations.

The accompanying financial statements are therefore not intended to present the Plan's net assets available for benefits or changes in net assets available for benefits in conformity with U.S. GAAP.

Use of Estimates – The preparation of financial statements under the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein; claims incurred but not reported; eligibility credits; claims payable; and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Concentration of Credit Risk – Financial instruments that potentially subject the Plan to concentrations of credit risk consist principally of cash deposits. Accounts at the institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. At December 31, 2025, the Plan's balance did not exceed the limit .

The Plan believes it mitigates the risk of holding uninsured deposits by only depositing funds with a major financial institution. The Plan has not experienced any losses in such accounts, and believes it is not exposed to any significant risk.

Payment of Benefits – Premiums are reported when paid. Premiums paid are recorded as insurance company premiums in the accompanying statement of changes in net assets available for benefits – modified cash basis.

Claim payments are recorded when paid by the third-party claims processor and recorded as self-insured benefits paid, net in the accompanying statement of changes in net assets available for benefits – modified cash basis.

NOTE 2 – Summary of Significant Accounting Policies (continued)

Stop Loss – The Plan maintains aggregate and specific stop-loss insurance coverage to limit its exposure to certain self-insured medical claims. Stop-loss insurance premiums are reported as insurance company premiums when paid.

During the year ended December 31, 2025, the Plan received approximately $773,000 of stop-loss reimbursements. Such reimbursements are presented as a reduction of self-insured benefits paid in the accompanying statement of changes in net assets available for benefits — modified cash basis. Gross self-insured benefit payments before stop-loss reimbursements were approximately $2,556,000 for the year ended December 31, 2025.

Parties-in-Interest – Certain Plan transactions involve parties in interest as defined by ERISA. These transactions include the payment of administrative fees, claims-processing fees, insurance premiums, and other benefit-related costs through service providers and entities associated with the administration and funding of the Plan.

The Plan participates in the Veris Benefits Consortium, LLC and utilizes the Veris Benefit Trust in connection with the funding and payment of certain Plan expenses.

Certain Plan administrative expenses are paid by the Company on behalf of the Plan. Such amounts are not reimbursed by the Plan and are not reflected as expenses in the accompanying modified-cash basis financial statements.

Subsequent Events – The Plan management has evaluated those events and transactions that occurred from January 1, 2026 through September 28, 2026, the date the financial statements were available to be issued.

NOTE 3 – Claims Incurred but Not Reported

Plan obligations at December 31, 2025 for claims incurred by active participants, but not reported at that date are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrator. Claims incurred but not reported are not recognized in the financial statements due to the modified cash basis of accounting; however such amounts are disclosed for informational purposes. These amounts are paid by the Plan only if claims are submitted and approved for payment. Claims incurred but not reported are approximately $227,000 and $235,000 as of December 31, 2025 and 2024, respectively.

NOTE 4 – Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to the third-party claims administrators, brokers, patient advocates, and actuary. These expenses are reported on the statement of changes in net assets available for benefits – modified cash basis as administrative expenses. All other administrative expenses such as professional fees, are paid by the Company on behalf of the Plan.

NOTE 5 – Tax Status

The Plan is funded through Veris Benefits Consortium, LLC. The Veris Benefits Consortium, LLC is included on the U.S. Income Tax Return for a limited liability company Form 1065 of the third-party claims administrator for the Plan. Plan management believes that the Plan is exempt from federal income tax and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 6 – Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Effective December 31, 2025, the Plan ceased active participation in the Veris Benefits Consortium. The Plan remains responsible for the processing and payment of eligible claims incurred on or before December 31, 2025 during the applicable run-out period. Effective January 1, 2026, eligible employees and dependents receive health benefits under a successor plan or arrangement sponsored by the Company. Any remaining Plan assets will be applied in accordance with the terms of the Plan and applicable provisions of ERISA.
