INDEPENDENT AUDITOR'S REPORT

October 14, 2026

To the Investment Review Committee
Owens Corning

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Owens Corning Savings and Security Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, as well as the related notes to the financial statements.

The Plan's management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

The Plan's management has obtained certifications from a qualified institution as of, and for the years ended, December 31, 2025 and 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section:

- The amounts and disclosures in the financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Opinion (continued)

- The information in the accompanying financial statements related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that the Plan's management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

The Plan's management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

The Plan's management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the "Scope and Nature of the ERISA Section 103(a)(3)(C) Audit" section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. *Reasonable assurance* is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with U.S. GAAS:

- We exercise professional judgment and maintain professional skepticism throughout the audit.

- We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and we design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- We evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and we evaluate the overall presentation of the financial statements.

- We conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for the purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Supplemental Schedule Required by ERISA (continued)

The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A — DESCRIPTION OF THE PLAN

General

The following brief description of the Owens Corning Savings and Security Plan (the "Plan") is provided for general informational purposes only. Participants should refer to the Plan document and amendments for more details regarding the Plan.

The Plan is a defined contribution pension plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan was established to provide a tax-deferred retirement savings vehicle for designated groups of hourly employees of Owens Corning and certain subsidiaries (collectively, the "Company").

Eligibility

Participation in the Plan is voluntary. Employees become eligible to participate in the Plan on their hire date and may elect to enroll in the Plan at any time. Unless an employee elects not to participate, that person is automatically enrolled in the Plan following 60 days of employment.

Asset Transfers

Participants may transfer their account balances between the Plan and a separate defined contribution pension plan sponsored by the Company, the Owens Corning Savings Plan (the "Savings Plan"), if a participant changes positions that results in a change in plan eligibility.

The amounts of net assets transferred between the Plan and the Savings Plan during the years ended December 31, 2025 and 2024 were as follows:

	2025	2024
Transfers from Savings Plan	$ 160,962	$ 132,455
Transfers to Savings Plan	(5,271,420)	(1,791,609)
	$ (5,110,458)	**$ (1,659,154)**

Contributions

Participants are allowed to contribute on a pre-tax and/or after-tax basis. Under the Plan, and subject to limitations imposed by the Internal Revenue Code (the "Code"), participants may elect to contribute up to 50 percent of their eligible wages. The Plan includes a Roth 401(k) option.

NOTE A — DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (continued)

Participants who have attained the age of 50 are eligible to make additional pre-tax and/or Roth 401(k) catch-up contributions. Pre-tax and applicable catch-up contributions are excluded from participants' taxable income.

For certain groups of employees, the Company may provide a retirement contribution equal to a specified percentage of eligible pay or a fixed dollar amount, which varies by employee group. The Company may match participant contributions at various rates at certain other locations. All Company contributions are invested according to participants' elections at the time of the contribution.

Participant Accounts

Each participant account is updated each business day to reflect any contributions, exchanges between investment options, investment earnings or losses for each investment option, and withdrawals. The distribution to which a participant is entitled is determined from the participant's vested account.

Distributions

Distributions are made upon the occurrence of any one of the following:

- In-service withdrawal of the participant beyond age 59½
- Death of the participant
- Hardship withdrawal
- Termination of employment for any reason

Distributions due upon death are paid in a lump sum and are based on the vested balance in the participant's account. Distributions due upon termination or withdrawal are paid in a lump sum or through installments payable monthly, quarterly, semi-annually, or annually and are based on vested balances in the participants' accounts. In addition, terminated participants with distributions due in excess of $1,000 may defer such distributions until age 70½.

Vesting

Participants are immediately 100 percent vested in their contributions and earnings, regardless of length of service. Vesting in the Company's contribution portion of their accounts, plus earnings thereon, is based on years of service.

NOTE A — DESCRIPTION OF THE PLAN (CONTINUED)

Vesting (continued)

At some locations, participants vest in contributions made by the Company 20 percent after one year of service and an additional 20 percent after each year of service until they become fully vested after five years of service. At remaining locations, participants become 100 percent vested after three years of completed service.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of several investment options selected by the Company's Investment Review Committee.

Notes Receivable from Participants

Participants may borrow from the Plan a minimum of $1,000. The maximum amount which may be borrowed is 50 percent of the participant's vested account balance, up to $50,000. Loans incur an interest rate equal to the annual prime rate, as published by the *Wall Street Journal*. Repayment of any loan is made through employee payroll deductions not less frequently than once per calendar quarter; participants may also make additional payments on loans. A participant who is on a leave of absence may also apply for a loan.

Forfeitures

The Plan permits the Company to use assets forfeited by participants to pay plan administrative expenses. To the extent that forfeited assets are not available to pay certain administrative expenses, the Company pays such expenses. As of December 31, 2025 and 2024, forfeited nonvested accounts available to offset future administrative expenses totaled $926,906 and $38,324, respectively.

Administration

The Company's Investment Review Committee is the Plan administrator responsible for general administration of the Plan for the exclusive benefit of the Plan's participants and their beneficiaries, subject to the specific terms of the Plan. Assets of the Plan are held and administered by Fidelity Management Trust Company ("Fidelity"), the Plan's trustee. It is Fidelity's responsibility to invest Plan assets in accordance with participants' directions, or as otherwise provided in the trust agreement, and to issue distributions to participants. Fidelity is also responsible for daily administration of Plan activity.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investments

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price).

The Plan's investments are valued as follows:

- Shares of registered investment companies and units of money market funds are valued at quoted market prices, which represent the net asset value of shares or units held by the Plan as of the end of the year.

- Units of common and collective trust funds are stated at their estimated net asset value, which is computed by the trustee periodically to give effect to net realized gains or losses and changes in the fair value of fund assets. The fair value for the underlying investments held by these funds is based on quoted market prices where available or on the basis of valuations provided by pricing services that use methods based upon market transactions for comparable securities and various relationships between securities which are generally recognized by institutional traders.

Purchases and sales of investments are reflected on a trade-date basis. Gains and losses on sales of securities are based on average costs. Dividend income of the investment accounts is recorded on the ex-dividend date. Income from investments is recorded as earned on an accrual basis. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are recorded at cost plus accrued interest. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant note receivable balance is reduced and a distribution is recorded. A valuation allowance for credit losses is not considered necessary as of December 31, 2025 or 2024.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements

The Plan uses fair value measurements in the preparation of its financial statements, which utilize various inputs, including those that can be readily observable, corroborated, or are generally unobservable. The Plan utilizes market-based data and valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Additionally, the Plan applies assumptions that market participants would use in pricing an asset or liability, including assumptions about risk.

The measurement of fair value includes a hierarchy based on the quality of inputs used to measure fair value. Financial assets and liabilities are categorized into this three-level fair value hierarchy based on the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable inputs.

The various levels of the fair value hierarchy are described as follows:

- Level 1 — Financial assets and liabilities whose values are based on unadjusted quoted market prices for identical assets and liabilities in an active market that the Plan has the ability to access

- Level 2 — Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable for substantially the full term of the asset or liability

- Level 3 — Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement

The use of observable market data, when available, is required in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement.

Contributions

Participant and employer contributions are recorded in the period that payroll deductions are made from participants. Participants' pre-tax and after-tax contributions are paid to the Plan when amounts can be reasonably segregated.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Distributions

Distributions to Plan participants are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan are charged to the Plan and include professional fees and other administrative expenses. Annually, Fidelity returns excess participant investment fees that exceed its cost of administration to the Plan as a revenue credit. The revenue credit is available to the Plan to pay plan fees or other expenses. If the Plan does not use the entire credit, the excess is returned to the participants.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, as well as disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various securities, including registered investment companies, money market funds, and common and collective trust funds. Investment securities in general are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, changes in the value of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the financial statements.

Subsequent Events

The Plan’s management has evaluated subsequent events through October 14, 2026, the date that the accompanying financial statements were available to be issued.

NOTE C — PLAN TERMINATION

Although it has expressed no intention to do so, the Company has the right to terminate the Plan, subject to the requirements of ERISA. In the event the Plan is terminated, the net assets available to provide benefits would be distributed to the participants in proportion to their respective account balances after payment of expenses properly charged against the Plan.

NOTE D — INVESTMENTS AND FAIR VALUE

The following is a summary of information regarding the Plan, included in the Plan's financial statements, that was obtained or derived from information provided to the Plan administrator, and was certified as complete and accurate, by the trustee, Fidelity. Information included in the supplemental schedule of assets (held at end of year) was also obtained from, and certified as complete and accurate by, the trustee.

Assets certified by the trustee, as well as the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis, as of December 31, 2025 and 2024 are summarized as follows:

	Fair Value Measurements

The Plan's investments in common and collective trust funds may be redeemed at any time. There are no unfunded commitments to acquire additional units of these assets as of December 31, 2025 or 2024.

Investment income certified by the trustee for the years ended December 31, 2025 and 2024 is as follows:

	2025	2024
Interest and dividend income	$ 9,944,800	$ 8,573,252
Net realized and unrealized appreciation in fair value of investments	96,310,169	67,495,436
Interest income on notes receivable from participants	1,448,388	1,278,213
	$ 107,703,357	**$ 77,346,901**

NOTE E — INCOME TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service dated August 14, 2018 indicating that the Plan, as designed, is qualified for tax exempt treatment under the applicable section of the Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. In addition, the Plan administrator is not aware of any uncertain tax positions or unrecognized tax benefits as of December 31, 2025 or 2024. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE F — PARTY-IN-INTEREST TRANSACTIONS

Certain investments are shares of registered investment companies and units of money market funds and common and collective trust funds managed by Fidelity Management and Research Company. Fidelity Management Trust Company is the Plan's trustee; therefore, these transactions qualify as party-in-interest transactions. Also, certain administrative expenses and investment management service fees are paid by the Company.
