INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Wellthy, Inc. 401(k) Retirement Plan and Trust
New York, NY

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Wellthy, Inc. 401(k) Retirement Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

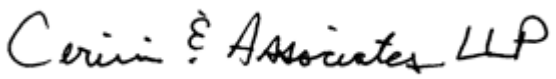

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Wellthy, Inc. 401(k) Retirement Plan and Trust (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of the Plan's management, who is responsible for the integrity and objectivity of the financial statements. These accounting policies have been consistently applied in the preparation of the financial statements and supplemental schedule.

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income on investments is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. During the year ended December 31, 2025, the Plan's net appreciation (including gains and losses on investments bought and sold, as well as held during the year) was $1,567,787.

Employer Contributions Receivable: Employer contributions are recognized in the period in which the related employee services are rendered and the obligation arises under the terms of the Plan. Amounts due from the Plan Sponsor at year-end that have not been satisfied through the application of forfeitures are recorded as employer contributions receivable.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid to the Plan's participants.

Expenses: Certain administrative, accounting and audit expenses for the Plan were paid directly by Wellthy, Inc., the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

Use of Estimates: The preparation of financial statements in conformity with the accrual basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Events Occurring After Report Date: The Plan Sponsor has evaluated events and transactions that occurred between January 1, 2026 and October 15, 2026, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. Any such disclosures have been reflected within the financial statements.

NOTE 2 – DESCRIPTION OF THE PLAN

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan document, which is available from the Plan Administrator, for a more complete description of the Plan's provisions.

General: The Plan, established January 1, 2020, is a participant-directed defined contribution plan covering all eligible employees of the Plan Sponsor who completed at least three months of service and are age twenty-one or older. Eligible employees become participants in the Plan as of the date they meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Reliance Trust Company ("RTC") served as custodian of the Plan assets through June 30, 2024. Effective July 1, 2024, Transamerica Trust Company ("TTC") and Transamerica Financial Life Insurance Company Inc. ("TFLIC") serve as the trustees and custodians of the Plan. Transamerica Retirement Solutions, LLC ("Transamerica") serves as administrator and recordkeeper of the Plan.

Contributions: Participants may contribute from 1% to 90% of eligible compensation, as defined by the Plan document. Eligible compensation is generally compensation described under Internal Revenue Code Section 3401(a), subject to the provisions and limitations specified in the Plan document. Participant contributions are excluded from federal taxable income until distributed from the Plan. Contributions are subject to limitations established by the Internal Revenue Service ("IRS"). Participants who attain age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts distributed from other qualified retirement plans.

Effective January 1, 2021, the Plan was amended to include an automatic enrollment provision for new and current participants. Automatically enrolled participants have an initial deferral rate of 3% of eligible compensation. Unless affirmatively changed by the participant, the deferral percentage automatically increases by 1% annually to a maximum rate of 6%. Contributions are invested in the Plan's qualified default investment alternative until changed by the participant.

NOTE 2 – DESCRIPTION OF THE PLAN (*continued*)

The Plan allows participants to designate a portion of their contributions to be treated as "Roth" contributions. A contribution treated as a Roth contribution is subject to current federal income tax at the time it is contributed to the Plan. However, if certain requirements are satisfied prior to the distribution of such amounts from the Plan, distributions of amounts attributable to Roth contributions (including earnings thereon) will not be subject to federal income tax at the time of distribution.

The Plan provides for employer matching contributions for eligible participants. Such participants are eligible to receive a matching contribution equal to 100% of the first 4% of eligible compensation contributed to the Plan. For the year ended December 31, 2025, employer matching contributions recognized by the Plan totaled $738,192. During 2025, $113,258 of available forfeitures were utilized to reduce employer contributions in accordance with the provisions of the Plan.

Participant Accounts: The Plan is a defined contribution plan under which an individual account is maintained for each participant. Participants direct the investment of their contributions and employer contributions among available investment options as offered by the Plan. Each participant's account is credited with each participant's contribution and earnings, employer contributions and is charged with applicable administrative expenses. As a participant-directed plan, each participant's investment results determine his or her share of earnings or losses.

Vesting: Participants are immediately vested in their contributions and related earnings. Participants are 100% vested in employer matching contributions after two years of service.

Investment Options: Upon enrollment, participants may direct contributions into various investment options offered through the Plan. If a participant fails to designate an investment selection, contributions are automatically invested into the qualified default investment alternative. Participants may change their investment options, transfer part or all past investments to other funds, and change their deferral percentages at any time.

Notes Receivable from Participants: The Plan permits participant loans ranging from $500 to the lesser of $50,000 or 50% of the participant's vested account balance. Loans generally must be repaid within five years unless used to purchase a primary residence. The loans are secured by the balance in the participant's account and bear interest at prevailing market rates at the time the loan is taken. Outstanding loans at December 31, 2025 bore interest at 8.75% to 10.50%. Principal and interest are repaid ratably through payroll deductions.

NOTE 2 – DESCRIPTION OF THE PLAN (*continued*)

Deemed Distributions: When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. A loan in default is considered a distribution from the Plan (deemed distribution) that could result in taxable income to the participant. However, until the participant either repays the loan or requests a distribution, the balance will remain in notes receivable from participants. Upon the occurrence of a qualifying event (as defined by the IRS and the Plan document), defaulted and outstanding loan balances will be offset against the participant's account balance at which time it will be removed from Plan receivables. As of December 31, 2025, there were no outstanding loans representing defaulted loans for which the participant was taxed through an IRS Form 1099-R.

In-Service Withdrawals: In-service or hardship withdrawals are permitted by the Plan.

Payment of Benefits: Unless the participant elects otherwise, a participant will begin to receive his/her benefits no later than the 60th day after the close of the Plan year in which the latest of the following occurs: (a) the participant attains normal retirement age, as defined by the Plan; (b) the tenth anniversary of the year in which the participant commenced participation in the Plan occurs; or (c) the participant terminates employment.

Required minimum distributions as mandated by IRS regulations will commence when a participant attains age 70 ½. Participants who are not 5% owners and attain age 70 ½ may elect to defer distributions until April 1st following the calendar year in which they reach age 70 ½ or, if later, terminate employment. Due to changes made by the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"), effective January 1, 2020, if a participant's 70th birthday is July 1, 2019 or later, required minimum distributions may be deferred until the participant reaches age 72. Due to changes made by the SECURE 2.0 Act of 2022 ("SECURE 2.0 Act"), effective January 1, 2023, participants who turned 72 in 2023 or later may defer required minimum distributions until the participant reaches age 73.

On termination of service due to death, disability, or retirement, as defined in the Plan, participants are generally entitled to a payment of their full account balance in the form of a lump-sum. On termination of service due to other reasons, the balance of a participant's vested account becomes distributable to him or her upon election.

Forfeitures: When certain terminations of participation in the Plan occur, the non-vested portion of a participant's account represents a forfeiture. Forfeitures are applied against any employer contributions made during the Plan year or used to pay Plan expenses. During the year ended December 31, 2025, the Plan experienced new forfeitures of $25,062. During 2025, $113,258 of forfeitures were used to reduce employer contributions and no forfeitures were used to pay Plan expenses. The balance in the forfeitures account at December 31, 2025 and 2024 amounted to $8,255 and $95,719, respectively.

NOTE 2 – DESCRIPTION OF THE PLAN (*continued*)

Plan Amendments: The Plan Sponsor has the right under the Plan to amend the Plan at any time. The Plan was amended effective in June 2024 to change the Trustee from Reliance Trust Company to Transamerica Trust Company.

In January 2020, Congress passed the SECURE Act. In December 2022, Congress passed the SECURE 2.0 Act. Many of the provisions of the SECURE Act and SECURE 2.0 Act will require significant changes to plan administration and recordkeeping. The Plan Sponsor has until the 2026 Plan year to amend the Plan to include adopted mandatory and voluntary SECURE Act and SECURE 2.0 Act provisions.

Plan Termination: Although the Plan Sponsor has expressed no intent to terminate the Plan, it reserves the right to do so at any time subject to ERISA provisions. In the event of the Plan's termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed pursuant to the Plan document.

NOTE 3 – INFORMATION CERTIFIED BY CUSTODIANS

All investment information and notes receivable from participants disclosed in the accompanying financial statements as of December 31, 2025 and 2024, and ERISA-required supplemental schedules, including net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by TTC and TFLIC.

NOTE 4 – FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value, providing a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the value hierarchy are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
    - Quoted prices for similar assets or liabilities in active markets;
    - Quoted prices for identical or similar assets or liabilities in inactive markets;
    - Inputs other than quoted prices that are observable for the asset or liability;
    - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset and liability.

NOTE 4 – FAIR VALUE MEASUREMENTS (*continued*)

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds (Registered Investment Companies): Mutual funds are valued using quoted market prices and are classified within Level 1 of the fair value hierarchy.

Stable Value Funds: Stable value funds are valued at contract value (which approximates fair value), and are based on their beginning balance plus any deposited and credited interest, less any withdrawals, charges, or expenses, a measurement that approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 11,415,313	$ -	$ -	$ 11,415,313
Stable value funds	-	185,298	-	185,298
Total investments at fair value	$ 11,415,313	$ 185,298	$ -	$ 11,600,611

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 8,957,708	$ -	$ -	$ 8,957,708
Stable value funds	-	261,331	-	261,331
Total investments at fair value	$ 8,957,708	$ 261,331	$ -	$ 9,219,039

NOTE 5 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 – TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments were managed by TTC and TFLIC and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments.

NOTE 7 – TAX STATUS

The Plan Sponsor adopted Transamerica's prototype, non-standardized profit-sharing plan with a cash or deferred arrangement which received a favorable opinion letter from the IRS dated June 30, 2020, which states that the Plan is designed in accordance with the applicable requirements of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.
