INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Chugach Government Solutions Health and Welfare Plan
Anchorage, Alaska

Opinion
We have audited the accompanying financial statements of Chugach Government Solutions Health and Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Chugach Government Solutions Health and Welfare Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter - Restatement of Previously Issued Benefit Obligations Disclosures
As discussed in Note 10 to the financial statements, the accompanying 2024 benefit obligations disclosures have been restated to correct an error related to the Plan's benefit obligation information. Our opinion is not modified with respect to this matter.

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Chugach Government Solutions Health and Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements *(continued)*
In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued. Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) and Schedule H, Line 4(j) - Schedule of Reportable Transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1: DESCRIPTION OF PLAN

The following description of the Chugach Government Solutions Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

General: The Plan and related trust were established January 1, 2016 to provide health and other benefits to eligible participants. The sponsoring employer, Chugach Government Solutions, LLC, has agreed in writing to be bound by the terms and conditions of the Trust Agreement establishing the Plan. The Plan is an employee benefit plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits: The Plan provides medical, dental, vision, prescription drug coverage, short-term disability, long-term disability, life and supplemental accident benefits for eligible participants and their dependents. The Plan provides many of these benefits on a self-funded basis and others on a fully funded basis determined by the insurance plans offered and the insurance coverage enrolled in by the participant. The Plan also has contracts with third party insurance companies and a stop-loss insurance policy, which covers both specific and aggregate claims in excess of the deductibles as specified in the contract for the self-insured coverage.

There is a 30-day waiting period after employment for coverage of benefits. The Plan Sponsor also provides benefits for participants through a Heath Reimbursement Arrangement (HRA) component and a Wellness Program to the health services. The HRA component is used to reimburse covered persons for qualified health expenses incurred upon eligibility, provided the covered employee was enrolled at the time the expense was incurred. The Wellness Program is an added health insurance service to encourage employees to improve their well-being. The program can provide an opportunity for participants to earn additional funds to be deposited into their HRA plan, if approved.

The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA). The Sponsor has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and terminate the Plan subject to the provisions set forth in ERISA.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Imprest Account Receivable (Payable): Represents an amount on deposit with a claims processing company for payment of claims or amount due to replenish overpayments out of the account. Account is replenished, as needed, to maintain a deposit sufficient to pay claims for participants.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Sponsor Contributions Receivable: Employer contributions due but not paid at year-end are recorded as contributions receivable. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. The Plan invests in investment security. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of benefit obligations and net assets available for benefits.

Administrative Expenses: The Plan's administrative fees are paid by the Plan.

Trust Fees: The Plan's trust fees, for processing and payment of insurance premiums and other administrative services, are paid by the Plan.

Claims Payable and Claims Incurred, But Not Reported: Liabilities for claims payable and claims incurred, but not reported, for covered participants as of year-end, but not paid until after year-end, are included in Plan benefit obligations. The estimate was calculated based on a review of actual claims paid subsequent to year-end, with incurred and/or received dates of December 31 and prior.

Benefit Obligations: Benefit obligations include those claims for which services have been performed but which have not been paid as of December 31. Based on the inherent uncertainties involved, it is reasonably possible that the estimate will change in the near term.

Contributions: Sponsor, employee, and COBRA contributions are recognized as income in the month the benefits are earned.

Subsequent Events: Plan management has evaluated subsequent events through October 14, 2026, which is the date the financial statements were available to be issued and determined that there were no subsequent events requiring disclosure.

NOTE 3: CONTRIBUTIONS

The Plan is funded primarily by contributions from the Plan Sponsor. Benefit or insurance premium payments are made from these contributions. Contributions are allocated to Plan benefits and expenses in accordance with an administrative services agreement between the Plan Sponsor and the third-party administrator. The Plan Sponsor is ultimately responsible for the allocation and administration of funds. The third-party administrator is responsible for paying premiums to various insurance companies and paying the benefits in the form of reimbursements for claims submitted for eligible participants through the medical, dental and vision benefits. Premiums to pay for elected benefits for eligible participants' dependents are funded through authorized payroll deductions, based on contract agreements.

NOTE 4: RESERVES AND BENEFIT OBLIGATIONS (AS RESTATED)

Claims Funding Reserve ("Vision"): The Employer contributes a required amount for employees based on a predetermined hourly fringe rate. Amounts contributed in excess of the required premiums, less expenses and claims, are retained in the Plan for the benefit of these participants.

Health Reimbursement Arrangement Reserve (HRA): The HRA component of the Plan will reimburse covered persons for qualified health expenses incurred after the effective date of this HRA component, provided the covered employee was enrolled at the time the expense was incurred. Qualified health expenses are amounts paid for the diagnosis, cure, mitigation, treatment or prevention of disease, or for the purpose of affecting any structure or function of the body. HRA benefits are funded for eligible participants only. The Plan Sponsor remits fringe contributions to the trust based on hours paid or worked as specified in the wage determination as posted at the jobsite. HRA benefits are also funded for eligible participants through participation in the health insurance Wellness Program, based on approval of the wellness activity by the third-party provider.

Asset Balance Reserve: The Plan Sponsor contributes a required amount for employees of the Plan based on a predetermined hourly fringe rate. Amounts contributed in excess of the required premiums, less expenses, are retained in the Plan for the benefit of these participants. This excess is known as the "asset balance reserve."

The Plan's benefit obligations and related changes in benefit obligations are as follows at December 31, 2025:

NOTE 5: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of benefit obligations and net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available.

		Fair Value Measurements at Reporting Date Using:
	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)
December 31, 2025		
Money market mutual fund	$ 4,565,912	$ 4,565,912
Total	$ 4,565,912	$ 4,565,912
December 31, 2024		
Money market mutual fund	$ 2,914,513	$ 2,914,513
Total	$ 2,914,513	$ 2,914,513

Level 1 Fair Value Measurements

The fair value of the money market mutual fund is based on quoted net asset values of the shares held by the Plan at year end.

NOTE 6: INCOME TAX STATUS

The Plan has not applied for exemption from state or federal income taxes. Plan management believes that the Plan qualifies for exemption from income tax under the Internal Revenue Code and, therefore, no provision for income taxes is reflected in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025 and 2024 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 7: TRANSACTIONS WITH PARTIES-IN-INTEREST

Trust fees charged to the Plan's third-party administrator were $252,229 and $252,462 for the years ended December 31, 2025 and 2024, respectively. At December 31, 2025 and 2024 there was not any amounts payable to the Plan's third-party administrator.

NOTE 8: PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 10: CORRECTION OF ERROR – RESERVES AND BENEFIT OBLIGATIONS AND RESTATEMENT OF RESERVES AND BENEFIT OBLIGATIONS DISCLOSURES

The accompanying financial statements of the Plan as of and for the year ended December 31, 2024, including the related note disclosures, include corrected benefit obligation information. The Plan's previously issued financial statements for the year ended December 31, 2024 omitted insurance premiums payable and claims payable and claims incurred but not report information and changes in insurance premiums payable and claims payable and claims incurred but not report that is presented in the notes to these financial statements, as permitted by ASC 960. When benefit obligation information is presented in the notes, the notes are an integral part of the financial statements and are covered by the auditor's opinion.

Nature of the Error: During 2025, management identified an error related to unreported reserves and benefit obligations. The error resulted from improper exclusion of the insurance premiums payable and claims payable and claims incurred but not report. The correction of this error resulted in adjustments to previously reported reserves and benefit obligations and changes in reserves and benefit obligations. The correction did not affect the Plan's statements of net assets available for benefits or statements of changes in net assets available for benefits for any period presented; accordingly, no amounts on those statements have been restated.

NOTE 10: CORRECTION OF ERROR – RESERVES AND BENEFIT OBLIGATIONS AND RESTATEMENT OF RESERVES AND BENEFIT OBLIGATIONS DISCLOSURES *(continued)*

Effect on Previously Issued Financial Statements: ASC 250 requires disclosure that previously issued financial statements have been restated and a description of the nature of the error, as well as disclosure of (a) the effect of the correction on each affected financial statement line item for each prior period presented and (b) any cumulative effect on net assets as of the beginning of the earliest period presented. The correction of an error is reported by restating prior-period financial statements, including adjusting each prior period presented for the period-specific effects of the error and reflecting any cumulative effect in opening balances, as applicable. In this case, the correction relates only to the Plan's reserves and benefit obligations information presented in the notes.

The following table summarizes the effect of the correction on the Plan's reserves and benefit obligations as of December 31, 2024:

	As previously reported	Adjustment	As Restated
Total Reserves and Benefit Obligations	$ 2,661,819	$ 679,237	$ 3,341,056

The following table summarizes the effect of the correction on the Plan's changes in reserves and benefit obligations for the year ended December 31, 2024:

	As previously reported	Adjustment	As Restated
Total Changes in Reserves and Benefit Obligations	$ (1,276,496)	$ 105,871	$ (1,170,625)

No Effect on Net Assets Available for Benefits: The correction described above did not result in any adjustment to net assets available for benefits or changes in net assets available for benefits as of and for the year ended December 31, 2024.
