INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Hunters Run 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hunters Run 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hunters Run 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from John Hancock Life Insurance Company for the period January 1, 2024 through September 10, 2024, and from ADP Retirement Trust Services, LLC as of December 31, 2025 and 2024 and for the period September 10, 2024 through December 31, 2024 and the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hunters Run 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hunters Run 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hunters Run 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hunters Run 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is

derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Hunters Run 401(k) Retirement Plan (the "Plan"), sponsored by Hunters Run Property Owners Association, Inc. (the "Company"), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering employees of the Company who have completed six months of service and attained age 21, other than nonresident aliens, residents of Puerto Rico, and part-time (regularly scheduled for less than 1,000 hours), temporary and seasonal employees. Employees enter the Plan on the date the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan became effective January 1, 2001 and was most recently restated effective September 1, 2024 upon conversion to ADP Retirement, and was further amended effective July 1, 2025 (Adoption Agreement Amendment, Section 12 – Contribution Types Elections). Effective July 1, 2025, participants may elect to make Roth elective deferrals. The Company is the Plan Administrator. ADP Retirement Trust Services, LLC served as trustee of the Plan's assets throughout 2025.

Contributions - Each year, participant contributions, as defined by the Plan, are subject to certain statutory limitations defined by the Internal Revenue Code. Participants may also contribute amounts representing distributions (rollovers) from other qualified plans. Effective November 1, 2024, the Company provides a matching contribution equal to 50% of the first 6% of participant contributions, not exceeding participant contribution as defined by the Plan; and may provide a discretionary profit-sharing contribution at the option of the Company's Board of Directors. This matching formula was applied consistently throughout the 2025 plan year.

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts, plus actual earnings thereon, is based upon years of vesting service under a graded schedule: 34% after one year, 67% after two years, and 100% after three years of service. Participants also become fully vested upon death or total and permanent disability.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the loan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions.

NOTE A - DESCRIPTION OF THE PLAN (continued)

Payment of Benefits - On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten-year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts – As of December 31, 2025 and 2024, the forfeited non-vested account balances were $983 and $992, respectively. During 2025, forfeitures of $1,458 arose and $1,467 of forfeited non-vested accounts was used to reduce employer contributions. Forfeitures may be used to pay Plan administrative expenses or to reduce employer contributions, as provided in the Plan.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America ("GAAP") requires the Company's management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein and disclosures of contingent liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments in registered investment companies (mutual funds) are valued at the quoted market price (net asset value of shares held by the Plan) in an active market as of the last business day of the Plan year. The Plan's investment in the common/collective trust is valued at the net asset value of units held by the Plan, as provided by ADP Retirement Trust Services, LLC, used as a practical expedient to estimate fair value.

Purchases and sales of securities are recorded on the trade dates. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year and are reported in the statement of changes in net assets available for benefits. Interest income is recorded on the accrual basis.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the

NOTE B - SUMMARY OF ACCOUNTING POLICIES (continued)

Plan document. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions payable at December 31, 2025.

Payments of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment advisory fees paid from Plan assets are included in administrative expenses; expenses of the underlying funds are netted against investment returns and are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and are charged directly to the participant's account.

Correction of an Immaterial Error in Previously Issued Financial Statements - Subsequent to the issuance of the Plan's December 31, 2024 financial statements, management determined that the Plan's investments in registered investment companies (mutual funds) held by ADP Retirement Trust Services, LLC at December 31, 2024 were incorrectly presented as pooled separate accounts in the Statement of Net Assets Available for Benefits, in the related notes to the financial statements, and in the Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2024. As a result, these investments were also incorrectly described as measured at net asset value ("NAV") as a practical expedient and excluded from the fair value hierarchy, rather than classified as Level 1 investments. The accompanying December 31, 2024 Statement of Net Assets Available for Benefits and the December 31, 2024 fair value disclosures in Note D have been revised to correct these errors. The Plan's December 31, 2024 financial statements have not been reissued. The Plan's 2024 Form 5500 was amended on October 2, 2026 to report the investments as registered investment companies. The effect of the correction on the December 31, 2024 Statement of Net Assets Available for Benefits is as follows:

The correction had no effect on total investments or net assets available for benefits as of December 31, 2024, or on the changes in net assets available for benefits for the year then ended. Management evaluated the error, both quantitatively and qualitatively, and concluded that it was not material to the previously issued financial statements; accordingly, the prior-period amounts have been reclassified rather than restated.

NOTE B - SUMMARY OF ACCOUNTING POLICIES (continued)

Investments, at fair value:			
Common/collective trusts	105,872		105,872

Net assets available for benefits	$ 4,625,474	$ -	$ 4,625,474

Management's Review of Subsequent Events - Subsequent events were evaluated through October 7, 2026, which is the date the financial statements were available to be issued.

NOTE C – UNAUDITED INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest, and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by ADP Retirement Trust Services, LLC, the Plan's trustee throughout 2025. The Plan converted from John Hancock Life Insurance Company to ADP Retirement Trust Services, LLC in 2024; certified statements for the 2024 comparative period were obtained from both John Hancock Life Insurance Company (January 1, 2024 – September 10, 2024) and ADP Retirement Trust Services, LLC (September 10, 2024 – December 31, 2024).

NOTE D – FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A three-tier hierarchy has been established that is used to identify assets and liabilities measured at fair value.

The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels are defined as follows:

- Level 1: Inputs are unadjusted, quoted prices in active markets for identical assets or liabilities as of the reporting date.

NOTE D – FAIR VALUE MEASUREMENTS (continued)

- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: Unobservable inputs that are not corroborated by market data.

A description of the methodologies used to measure the fair value of assets follows. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- Registered investment companies (mutual funds): Investments in mutual funds are valued at the quoted market price, which represents the net asset value of shares held by the Plan at year-end. These funds are traded in active markets, and their quoted prices are used directly without adjustment; accordingly, they are classified as Level 1.
- Common/collective trusts: The common/collective trusts are valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value, and is generally based on the fair value of the underlying investments held by each trust less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported NAV. In accordance with ASC 820 (as amended by ASU 2015-07), investments measured at NAV as a practical expedient are not classified within the fair value hierarchy. The Plan's common/collective trusts consist of (1) the MetLife Stable Value Fund Series 25053, a bank collective trust for which Reliance Trust Company serves as trustee, which seeks the preservation of principal and accumulated interest by investing in a MetLife group annuity contract consisting of separately managed fixed income portfolios, with book value wrap protection provided by Metropolitan Life Insurance Company; and (2) a large-cap value equity fund, which seeks long-term capital appreciation through investment in large-capitalization U.S. equity securities.

As described in Note B, the Plan's investments in registered investment companies (mutual funds) at December 31, 2024 were previously presented as pooled separate accounts measured at NAV and excluded from the fair value hierarchy. The December 31, 2024 table below has been revised to present these investments as Level 1.

NOTE D – FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

Investments at Fair Value as of December 31, 2025

	December 31, 2025 Fair Value Measurements			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 5,832,319	$ -	$ -	$ 5,832,319
Total assets in fair value hierarchy	5,832,319	-	-	
Investments measured at NAV(a)				253,456
Investments at fair value				$ 6,085,775

	December 31, 2024 Fair Value Measurements			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,338,949	$ -	$ -	$ 4,338,949
Total assets in fair value hierarchy	4,338,949	-	-	
Investments measured at NAV(a)				105,872
Investments at fair value				$ 4,444,821

(a) In accordance with ASC 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The Plan's investments measured at NAV per share consist of two common/collective trusts: a large-cap value equity fund ($201,650 and $67,102 at December 31, 2025 and 2024) and a stable value fund ($51,806 and $38,770). The Plan has no unfunded commitments to these funds, and both may be redeemed daily.

Participant-directed purchases and redemptions of the common/collective trusts occur daily at NAV, and participant-directed withdrawals from the stable value fund are paid at contract value. A withdrawal of all or substantially all of the Plan's units in the stable value fund initiated by the Plan, rather than by participants, requires written notice to the trustee no later than 30 business days in advance and is paid at the lesser of contract value or market value. Participant transfers from the stable value fund directly to a competing fund are restricted under the fund's terms. The trustee also reserves the right to temporarily delay a withdrawal from a collective trust in order to ensure that securities liquidations are carried out in an orderly business manner.

NOTE E - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of a common/collective trust and registered investment companies (mutual funds) made available by ADP Retirement Trust Services, LLC, the trustee as defined by the Plan; these transactions therefore qualify as party-in-interest transactions. Fees paid by the Plan to Wells Fargo Advisors Financial Network, the Plan's investment adviser, for investment advisory services amounted to $24,230 for the year ended December 31, 2025. Fees paid by the Plan for recordkeeping and administrative services amounted to $6,915 to ADP, Inc., the Plan's recordkeeper and a party-in-interest, for the year ended December 31, 2025.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G - TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
